Subject: [Uwmcinfo] WSNA Tentative Agreement
Attachments: ATT00001.txt

Dear UWMC Staff,

Last night UWMC reached a Tentative Agreement with WSNA for a 2017-2019 contract. I want to extend my sincere gratitude to the Union and Management Team members who worked hard over the past few months to reach an agreement before the June 30th deadline. I look forward to working with the Union and Management to assist in ratification efforts and administering the new contract. Information about bargaining proposals and recaps from the negotiations sessions can be found on the Labor Relations website at <http://hr.uw.edu/labor/unions/wsna/negotiation-updates>

Lastly, I want to thank all of our nurses for their continuing commitment to providing extraordinary care to our patients and families. After participating in yesterday's negotiations and listening to our nurses at the table, I am more convinced than ever that we are aligned in making UWMC a great place to receive care and a great place to work.

My sincerest thanks,

Geoff
