## **PREAMBLE AND PURPOSE**

This Agreement is made by and between the Board of Regents of the University of Washington, hereinafter referred to as the Employer, and the Service Employees International Union, Local 925, hereinafter referred to as the Union.

The Employer is the Board of Regents of the University of Washington acting through its agents, administrators, and supervisors as determined by the Board of Regents.

Provisions of this Agreement apply to those regular monthly employees who are employed at the University of Washington in classifications included in the University-wide Nonsupervisory bargaining unit, University-wide Supervisory bargaining unit, Contact Center bargaining unit, Contact Center Supervisory bargaining unit, Harborview Medical Center Technical bargaining unit, Healthcare Professional/Laboratory Technical bargaining unit, Research Technologist bargaining unit, and Research Technologist Supervisor bargaining unit (see Appendix I). Regular temporary employees shall be covered per Article 59.

The purpose of this Agreement is to set forth certain terms and conditions of employment and to promote orderly and peaceful labor relations between the parties. The parties agree that it has been and will be their mutual aim to promote systematic and effective employee-management cooperation; fair and reasonable working conditions; effective methods for the prompt adjustment of differences, misunderstandings, and disputes; and dignified and fair treatment of employees in the implementation of all policies and procedures.

## **ARTICLE 1 – UNION RECOGNITION**

- 1.1 The Employer recognizes the Union as the sole and exclusive bargaining representative in all matters establishing and pertaining to wages and salaries, hours, and working conditions for all employees of the University of Washington in bargaining units certified by the Washington Personnel Resources Board, the Public Employment Relations Commission and/or the Department of Labor and Industries under the jurisdiction of RCW 28B.16 and 41.80. The composition of these units is as set forth in Appendix I of this Agreement – Bargaining Units Represented by the Service Employees International Union, Local 925, hereinafter referred to as the Union.
- 1.2 The Employer recognizes the exclusivity of the Union as bargaining representative for employees in the bargaining units. The Employer agrees not to enter into any agreement or contract with bargaining unit employees, individually or collectively, which conflicts with the terms of this Agreement unless the employee(s), Union and Employer specifically agree to such Agreement.

## ARTICLE 2 – NON-DISCRIMINATION

- 2.1 The parties individually agree that they will not engage in any act or practice or pursue any policy which is discriminatory against any employee who may be a qualified disabled individual, has status as a protected veteran (disabled veteran, recently separated veteran, active duty wartime or campaign badge veteran, or Armed Forces service medal veteran), military status, or because of age, sex (except where sex or age is a bona fide occupational qualification), sexual orientation, gender identity or expression, genetic information, pregnancy, political affiliation, political belief, marital status, race, national origin, color, creed, religion, or membership or non-membership in a union. Unlawful harassment is included as a form of prohibited discrimination
- 2.2 Sexual Harassment. No employee shall be subjected to discrimination in the form of sexual harassment, currently defined in the University of Washington Policy Directory as the use of one's authority or power, either explicitly or implicitly, to coerce another into unwanted sexual relations or to punish another for his or her refusal, or as the creation by a member of the University community of an intimidating, hostile, or offensive working or educational environment, through verbal or physical conduct of a sexual nature.
- 2.3 Complaints:  
Employees who feel they have been the subject of discrimination, harassment, or retaliation are encouraged to discuss such issues with their supervisor, administrator, or Human Resource Consultant for local resolution. The goal of local resolution is to address and resolve problems as quickly as possible and to stop any inappropriate behavior for which a University employee is responsible. A formal complaint may be filed with the University Complaint Investigation and Resolution Office (UCIRO). Employees may also file discrimination, harassment or retaliation complaints with appropriate federal or state agencies or through the grievance process in accordance with Article 6 of this Agreement. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, harassment or retaliation the grievance will be suspended until the internal complaint process has been completed.
- In accordance with Executive Order 31, retaliation against any individual who reports concerns regarding discrimination or harassment, or who cooperates with or participates in any investigation of allegations of discrimination, harassment, or retaliation is prohibited.
- 2.4 The parties also agree that they will not engage in any act or practice or pursue any policy which is discriminatory against any employee based on political affiliation, political belief or because of the participation or lack of participation in union activities.

- 2.5 Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.

### **ARTICLE 3 – REASONABLE ACCOMMODATION OF EMPLOYEES WITH DISABILITIES**

- 3.1 The Employer and Union will comply with all relevant federal and state laws, regulations and executive orders and with the provisions of the Employer's policy in providing reasonable accommodations. The University and the Union are committed to providing reasonable accommodation to employees with disabilities.
- 3.2 An employee who believes that he or she suffers a disability and requires a reasonable accommodation to perform the essential functions of his or her position may request such an accommodation by filling out the Disability Accommodation Request form or otherwise informing the employee's supervisor of the need for accommodation.
- 3.3 Employees requesting accommodation must cooperate with the University in discussing the need for and possible form of any accommodation. The Employer may require supporting medical documentation and may require the employee to obtain a second medical opinion at Employer expense. Medical information disclosed to the Employer will be kept confidential.
- 3.4 The Employer will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided.
- 3.5 An employee who is unable to perform the essential function of his/her position due to disability may be separated from service after the Employer has made good faith efforts to reasonably accommodate the employee's disability in accordance with applicable state and federal law. Disability separation is not a corrective action.
- 3.6 Disability Leave. Disability leave may be a combination of the employee's accrued sick leave, vacation leave, personal holiday, compensatory time, and/or leave without pay, the combination of which may be determined by the employee. If disability leave is taken as leave without pay, the employee may apply eight (8) hours of accrued paid leave per month during the first four (4) months of disability leave to provide for continuation of employer paid health benefits. The interspersed paid leave will be applied to the first working day of the month. Periods of disability leave covered by the FMLA shall be deducted from the four (4) month period of eligibility to intersperse paid leave.

### **ARTICLE 4 – WORKPLACE BEHAVIOR**

The Employer and the Union agree that all employees should work in an environment that fosters mutual respect and professionalism. The parties agree that inappropriate

behavior in the workplace does not promote the University's business, employee well being, or productivity. All employees are responsible for contributing to such an environment and are expected to treat others with courtesy and respect.

Inappropriate workplace behavior by employees, supervisors and/or managers will not be tolerated. If an employee and/or the employee's union representative believes the employee has been subjected to inappropriate workplace behavior, the employee and/or the employee's representative is encouraged to report this behavior to the employee's supervisor, a manager in the employee's chain of command and/or the Human Resources Office. An employee or the employee's representative should identify complaints as inappropriate workplace behavior. The Employer will investigate the reported behavior and take appropriate action as necessary. The employee and/or union representative will be notified upon conclusion of the investigation.

Retaliation against employees who make a workplace behavior complaint will not be tolerated

Grievances may be filed up to Step 3 Mediation.

## **ARTICLE 5 – AFFIRMATIVE ACTION**

- 5.1 Policies. In conjunction with Federal and State Executive Orders, the Employer and the Union agree on the need for an affirmative action approach to correct and review any inequities in the employment process. The Employer shall have and implement an affirmative action plan which requires the Employer to make special efforts to recruit, employ, retain, train, promote, encourage career development, and transfer qualified members of groups formerly excluded, even if that exclusion cannot be traced to particular discriminatory actions on the part of the Employer, and to develop, implement, and monitor affirmative action goals and timetables for hiring and/or promoting members of protected groups into job classes/categories where it has been determined that under-utilization exists.
- 5.2 Groups included in the affirmative action program are those covered by federal and state regulations, and are currently women, American Indians, Asian/Pacific Islanders, Blacks, Hispanics/Latinos, Vietnam era veterans, disabled veterans, persons with disabilities and persons 40 years of age and older.
- 5.3 Goals and Timetables. Upon request the Employer will provide the Union with its affirmative action reports which set forth the goals and timetables of the University for bargaining unit employees.
- 5.4 It is agreed by the parties that a bargaining unit member elected or selected by the Union shall be encouraged to take an active interest in affirmative action plans affecting each bargaining unit covered by this Agreement.

## ARTICLE 6 – GRIEVANCE PROCEDURE

The Union and the Employer agree that it is in their best interest to resolve disputes at the earliest opportunity and at the lowest level. Whenever possible, disputes should be resolved informally prior to filing a formal written grievance. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

- 6.1 Definition. A grievance, within the meaning of this Agreement, shall be defined as any dispute between the University and the Union, an employee, or a group of employees as to alleged misapplication or misinterpretation of the terms of this Agreement or the Employer's written personnel rules, policies or practices.
- 6.2 Employee Grievance Rights. Any employee who believes he/she has been aggrieved may personally seek relief from that condition by filing a grievance, irrespective of any supervisor's opinion of the grievance's validity. In the presentation of grievances, the employees shall be safe from restraint, interference, discrimination, or reprisal.
- 6.3. Employee Representation. The Union as exclusive representative of bargaining unit employees is the responsible representative of said employees in grievance matters.
- 6.4 Time Limitations.  
An extension of the time limitations as stipulated in the respective steps below, may be obtained by mutual consent of the parties. Failure of the union to comply with the time limitations without a request of time extension shall constitute withdrawal of the grievance. Failure of the Employer to comply with the time limitations without a request for time extension shall move the grievance to the next step of the grievance procedure. For the purpose of calculating time requirements, the first day shall be the day following the day on which the employee was aware, or reasonably should have been aware, of the issue giving rise to the grievance. Saturdays, Sundays, and University holidays shall be included in the calculation of days except that the final day may not be on a Saturday, Sunday, or holiday but will end at the close of the first working day following the Saturday, Sunday, or holiday.
- 6.5 Contents. The written grievance shall include the following information:
  - a. The date upon which the grievance occurred.
  - b. The specific Article(s) and Section(s) of the Agreement violated.
  - c. The past practice, rule, policy violated.
  - d. Specific remedy requested.
  - e. The grievant(s) name.
  - f. Name and signature of Union representative (Staff or Steward).
  - g. The nature of the grievance.

Failure to include the above information shall not be a reason for invalidating the

grievance.

- 6.6 Pay Status – Meetings. Meetings and discussions on the grievance held with the Employer in connection with this grievance procedure shall normally be held during the University's regular business hours, or as mutually agreeable, and no deduction in pay status shall be made for the grievant or steward for reasonable time spent in such meetings or discussions during the employee's scheduled duty hours. The work schedule of the grievant will be seriously considered in the scheduling of the grievance meetings. Time off for employees and stewards shall be granted by supervision following a request, but in consideration of job responsibilities. If the requested time off cannot be granted, the parties shall arrange for time off at the earliest possible time thereafter.
- 6.7 Grievance Withdrawal. A grievance may be withdrawn by the Union in writing at any time, and if withdrawn shall not be resubmitted.
- 6.8 Resolution  
If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.
- 6.9 Consolidation  
Grievances arising out of the same set of facts may be consolidated by written agreement.
- 6.10 Filing and Processing
- a. Filing A grievance must be filed within thirty (30) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence. When possible the thirty (30) day periods above should be used to attempt to informally resolve the dispute. The union steward or staff representative will indicate when a discussion with the Employer is an attempt to informally resolve a dispute.
- b. Alternative Resolution Methods Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.
- c. Processing The Union and the Employer agree that in-person meetings are preferred at all steps of the grievance process and will make efforts to schedule in-person meetings, if possible.
- 6.11 Steps of the Grievance Procedure. All grievances shall be processed in accordance with the following procedure. Upon mutual agreement, Step One, Two

or Three may be skipped. Grievances over final counseling or dismissal will begin at Step Two.

**Step One: Supervisor, Manager or Designee**

If the issue is not resolved informally, the Union may file a written grievance to the supervisor or designee, and the Labor Relations office (laborrel@uw.edu). The Employer will designate a supervisor, manager or designee who will meet in person or confer by telephone with a union steward and/or staff representative and the grievant. The date of the meeting will be mutually agreed upon within fifteen (15) calendar days of receipt of the grievance and when possible the meeting will take place within the aforementioned fifteen (15) calendar days. The format (face to face or by telephone) for the meeting will be by mutual agreement. The employer will respond in writing to the Union within fifteen (15) calendar days after the meeting. The Human Resources Consultant may also attend, if desired by the University. If the grievance is directed against the employee's immediate supervisor, the grievance may be presented to the next higher level of supervision. In the event the employee's immediate supervisor does not have authority to resolve the grievance, the grievance will be presented at the level having authority to act as determined by the Employer.

**Step Two:** If a satisfactory settlement is not reached in Step One, said grievance may be moved to the Step Two by filing the written grievance, including a copy of the Step One decision to department head, designee, or to the next appropriate level of management and the Office of Labor Relations within fifteen (15) calendar days after the decision from Step One. The date of the meeting will be mutually agreed upon within fifteen (15) calendar days after notice of the filing at Step Two and when possible the meeting will take place within the aforementioned fifteen (15) calendar days. The grievant may be represented by a steward and a Union staff representative. The University will be represented by the appropriate management official(s) or designee(s), a representative from the Office of Labor Relations, and a Human Resources Consultant, if desired by the University. The University will respond in writing within fifteen (15) calendar days after the meeting.

**Step Three:** Grievance Mediation. If the grievance is not resolved at the Step Two, the Union may file a request for mediation with the Public Employment Relations Commission (PERC) in accordance with WAC 391-55-020, with a copy to the Labor Relations Office within thirty (30) days of receipt of the Step Two decision. In addition to all other filing requirements, the request must include a copy of the grievance and all previous responses. The Employer will inform the Union, in writing, and PERC within thirty (30) days of receipt of Mediation request if they are not in agreement. If those services are unavailable on a timely basis, the parties may request a list of grievance mediators from the Federal Mediation and Conciliation Service (FMCS) or other agreed upon mediation provider. The cost of the mediation shall be borne equally by both parties.

**Step Four:** Arbitration. If a satisfactory settlement is not reached at the prior step, or the step was skipped, either of the signatory parties to this Agreement may submit the grievance to binding arbitration. Such submittal must be made within thirty (30) calendar

days following the written notice that the employer does not agree to Step Three (3) Mediation or the conclusion of the prior step.

Panel of Arbitrators:

- A. Within sixty (60) calendar days of the execution of the Agreement, the parties, SEIU 925, WFSE 1488, and the Employer, agree to meet to establish a permanent panel of six (6) arbitrators. If the parties do not meet or if there is no agreement on the panel, the current panel will remain.
- B. These arbitrators shall be assigned cases by the parties on a rotating basis. If the arbitrator is not available to hear the case within sixty (60) calendar days of being contacted to request available arbitration dates either party may elect to go to the next arbitrator in the rotation. If no arbitrator can hear the case within sixty (60) calendar days of being contacted, the case will be assigned to the arbitrator who can hear the case on the earliest date.
- C. The appointment to the panel will be for the life of the Agreement. If an arbitrator decides to remove his/her name from the panel the parties will meet to decide whether to substitute an additional name(s).

No later than seven (7) working days prior to the scheduled arbitration meeting, the parties will submit questions of arbitration eligibility to the arbitrator for preliminary determination, share the name of each witness intending to testify at the hearing, and attempt to agree upon the issue statement. A copy of written materials submitted to the arbitrator will be provided to the opposing party.

If either party raises an issue of procedural arbitrability, i.e. that any step of the grievance process or movement to arbitration was not pursued within the time limits proscribed in this article, the arbitrator shall make a determination on the arbitrability issue prior to proceeding to a hearing on the merits of the grievance. If the arbitrator determines the grievance is not arbitrable, then no hearing on the merits of the grievance will be held.

Authority of the Arbitrator

The parties agree that the arbitrator shall have no power to render a decision that adds to, subtracts from, alters or modifies in any way the terms and conditions of the Agreement. The parties further agree that the decision of the arbitrator will be final and binding upon all parties.

The Union or the Employer will have the right to request the arbitrator to require the presence of witnesses and/or documents. The arbitrator's decision shall be made in writing and the arbitrator shall be encouraged to render the decision within thirty (30) calendar days of the close of the arbitration.

In cases where a grievance is moved to arbitration and the Employer did not agree to Step Three: Grievance Mediation, either party may request a pre-arbitration settlement conference. These conferences shall not delay the arbitration process, and may be held

with or without the presence of the arbitrator, at the option of the moving party. In the event that an arbitrator is present, the cost of the arbitrator's participation shall be borne equally by the parties.

6.12 Arbitration Costs

1. The fees and costs of the arbitrator, and the cost (if any) of the hearing room, will be shared equally by the parties.

2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.

3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript and a copy.

4. Each party is responsible for all fees and costs of its staff representatives, attorneys, experts, witnesses –and all other costs related to the development and presentation of their case. Every effort will be made to avoid the presentation of repetitive witnesses.

6.13 Files. Grievance documents shall be maintained separately from employee personnel files. Employee personnel files will accurately reflect the final outcome of a grievance.

## **ARTICLE 7 – EMPLOYEE RIGHTS**

7.1 Representation

Upon request, an employee will have the right to representation at an investigatory meeting, requested by management in which he/she reasonably believes could lead to corrective action. Upon request, an employee will have the right to an interpreter at an investigatory meeting. The employer will provide reasonable time to allow an employee to secure a representative. The exercise of this right will not unreasonably delay or postpone a meeting. Except as otherwise specified in this Agreement, representation will not apply to discussions with an employee in the normal course of duty, such as giving instructions, assigning work, informal discussions, delivery of paperwork, staff or work unit meetings or other routine communications with an employee.

Every effort will be made to avoid the presentation of repetitive witnesses.

7.4 Notification

An employee will obtain prior approval from his or her supervisor before attending any meeting or hearing. All requests must include the approximate amount of time the employee expects the activity to take. Employees will suffer no loss in pay for attending management scheduled meetings and hearings that are scheduled during the employee's work time. Attendance at meetings or hearings during the employee's non-work hours will not be considered as time worked. An employee cannot use a state vehicle to travel to and from a worksite in order to attend a meeting or hearing unless authorized by the Employer.

7.5 Indemnification

The University will indemnify employees for activities arising out of their employment in accordance with University policy.

7.6 Off the Job Activities

Any action taken against a person who is using a restroom or other gender-segregated facility, such as removing a person, should be taken due to that person's actions or behavior while in the facility, and must be unrelated to gender expression or gender identity. The same standards of conduct and behavior must be consistently applied to all facility users, regardless of gender expression or gender identity.

- (b) Part-time Employee. A regular monthly staff employee scheduled to work a minimum of twenty (20) hours per week but less than forty (40) per week in a seven (7) day period; or for designated hospital personnel scheduled to work more than forty (40) hours but less than eighty (80) hours in a fourteen (14) day period. Part-time employees shall receive all benefits of employment on a pro-rata basis, except health benefits coverage which is determined by the state.

### 9.3 Work Day/Meal Period

- (a) Meal breaks shall be a minimum of thirty (30) minutes, unpaid and on the employee's own time, provided the employee is off-duty for that meal period. It is the Employer's intention to provide uninterrupted meal breaks.
- (b) Specific to the University-wide Nonsupervisory, Supervisory, and Health Care Professional/Laboratory Technical bargaining units:

The normal work day for full-time employees typically shall be eight (8) hours to be completed within a nine (9) hour period.

The meal period shall commence not earlier than the second hour of the shift nor later than the fifth hour of the shift. If the employee is required to work beyond the fifth hour without a break, the employee will be allowed to eat his/her meal at the duty station on the Employer's time.

### 9.4 Rest Breaks

Employees shall receive a fifteen (15) minute break during each four (4) hours worked. It is the Employer's intention to provide uninterrupted rest breaks.

9.5 Work Period Designations/Scheduled Work Periods (Applicable only to the University-wide Nonsupervisory, Supervisory, and Health Care Professional/Laboratory Technical bargaining units)

Each position will be assigned by the personnel officer to one of the work period designations identified below. Employees will be informed of their eligibility for overtime compensation.

(a) Scheduled work periods, within which there are two (2) work schedules:

(1) Regular work schedule. The regular work schedule for full-time regular monthly employees shall consist of five (5) consecutive and uniformly scheduled eight (8) hour days in a seven (7) day period. Uniformly scheduled means a daily repetition of the same working hours and a weekly repetition of the same working days.

(2) Alternative work schedule. Operational necessity or employee convenience may require positions that are normally designated regular work schedule to work an alternate forty (40) hour work schedule (other than five (5) uniform and consecutive eight (8) hour days in a seven (7) day period), or as provided by the Washington State Minimum Wage Law in conjunction with the federal law which provides for an eighty (80) hour work week in a fourteen (14) day period for hospital personnel.

(b) Nonscheduled Work Period. The nonscheduled work period designation applies to those positions for which the hours cannot be scheduled but which work a forty (40) hour week and do not meet any of the other work period designations.

(c) Part-time Schedule. This is any deviation from any full-time schedule which includes twenty (20) hours or more per week but less than forty (40) hours per week in seven (7) consecutive days; or for designated hospital personnel forty (40) or more hours and less than eighty (80) hours in a fourteen (14) day period.

(d) Split Shifts. Employees will not be assigned to split shifts unless there is prior agreement.

9.6 Change in Work Schedule/Shift Assignment Notification

The Employer agrees to provide a minimum of fourteen (14) calendar days' notice to an employee in the event of an Employer-directed permanent change in the employee's shift assignment or work schedule. For temporary changes in work assignment occurring within the employee's assigned work week, the Employer will provide two (2) calendar days' notice with the day of notification constituting the first day of notice. For emergency reasons, lack of work, an existing safety hazard to the employee or others, or mutual agreement between the Employer and employee under Article 10.2(e), the Employer may temporarily change an

employee's schedule with fewer than two (2) calendar days' notice. Temporary is defined as no longer than one (1) week.

Specific to the University-wide Nonsupervisory, Supervisory, and Health Care Professional/Laboratory Technical bargaining units: Temporary shift changes not mutually agreed to shall not be employed to avoid the accrual of overtime.

The assignment of employees in various shifts within each work group or department shall be determined by the employing official, provided that when qualifications are substantially equal in the judgment of the employing department, seniority shall be a factor in determining shift assignment. This criteria does not apply to positions deemed by the employer to require a rotational shift.

9.7 Excepted Work Period Positions

Employees assigned to excepted work period positions normally do not qualify for overtime pay. However, when an employing official determines that the employee has been directed to work an excessive amount of hours for an extended period of time, overtime in the form of compensatory time or cash not to exceed a "time and one half (1-1/2)" basis may be approved by the Director of Human Resources Operations.

When the University creates or modifies a classification such that it is excepted from overtime in accordance with the law, the Union shall be notified in advance of implementation. This language does not preclude the Union or any individual employee from challenging the University's overtime determination in appropriate forums.

## **ARTICLE 10 – OVERTIME**

10.1 Overtime

(a) Any one of the following constitutes overtime:

- (1) Work in excess of the daily work shift for full-time employees assigned to scheduled work period positions;
- (2) Work in excess of forty (40) hours in one (1) work week performed by overtime-eligible employees assigned to scheduled or nonscheduled work period positions; or

(b) Overtime worked by the eligible employees assigned to scheduled or nonscheduled work positions shall be compensated at a rate of one and one-

half (1-1/2) times the employee's straight time hourly rate including shift differential for all overtime worked as provided in subsection (a) of this section.

- (c) Overtime-eligible employees assigned to scheduled or nonscheduled work period positions shall receive monetary payment as compensation for overtime worked; however, at the employee's request, compensatory time off at one and one-half (1-1/2) times the overtime hours worked may be granted in lieu of monetary payment. The accumulation of unused compensatory time that exceeds two hundred and forty (240) hours must be paid in cash.
- (d) Compensation paid to an employee for accrued compensatory time shall be paid at the regular rate earned by the employee at the time the employee receives such payment. Upon termination of employment, an employee will be paid for any unused compensatory time in accordance with the Fair Labor Standards Act.
- (e) Use of accrued compensatory time shall be approved by the employing official with consideration being given to the work requirements of the department and the wishes of the employee. Compensatory time off may be scheduled by the employing official during the final sixty (60) days of a biennium (for the University-wide Nonsupervisory, University-wide Supervisory, and Healthcare Professional/Laboratory Technical bargaining units), or fiscal year (for the Research Technologist and Research Technologist Supervisor bargaining units).

Compensatory time must be used or paid for by June 30<sup>th</sup> of each fiscal year. Exceptions to this policy may be approved by the Human Resources Office upon written justification of the extension.

- (f) For purposes of computing overtime compensation, holidays or leave with pay during the employee's regular work schedule shall be considered as time worked.

## 10.2 Overtime Policies

- (a) Whenever overtime work is required, the employing official shall determine the employees needed to work overtime on the basis of their relevant experience. Overtime shall be distributed as equitably as possible among qualified employees.
- (b) A record of overtime hours worked by each employee shall be kept by the Employer, and such record of overtime may be reviewed, upon request, by the Union.
- (c) It is intended that overtime wages for which salary payment is to be made shall be paid to the employee on the payday following the pay period in which the overtime was earned. In no event shall such overtime payments be made later

than thirty (30) calendar days from the end of the pay period in which the overtime was earned providing the payroll office has received the Exception Time Report (ETR) authorizing such payment within the time limits set by the payroll department.

- (d) Specific to the University-wide Nonsupervisory, Supervisory, and Health Care Professional/Laboratory Technical bargaining units: All employees assigned to scheduled and nonscheduled work periods in classifications listed in Appendix I shall be eligible for overtime. The University currently designates certain job classifications, listed in Appendix III as exempt from overtime. This does not preclude the Union or any individual employee from challenging the University's overtime determination in appropriate forums.
- (e) Temporary Modified Weekly Schedule. By mutual agreement, individual employees and their supervisors may agree to a temporary modified weekly schedule. This schedule allows employees to alter their regular daily working hours within a work week without generating the payment of overtime (unless the employee works beyond forty (40) hours in the employee's regular work week). Such scheduling will not be considered a regularly recurring alternative schedule.

Specific to the University-wide Nonsupervisory, Supervisory, and Health Care Professional/Laboratory Technical bargaining units: Temporary modified weekly scheduling adjustments must be completed within the employee's regular work week.

If attendance in such courses requires use of the employee's personal vehicle, the employee will be reimbursed at the University's travel rates applying at the time. If other transportation must be taken, the employee will be reimbursed for all transportation costs. Required attendance

in courses which are outside of regular working hours and which are work related or meet an identified institutional need is considered "paid time training" and constitutes time worked.

- A. Every part-time and full-time employee, following his or her initial appointment to a permanent position, will serve a probationary period of six (6) consecutive months. The Employer may extend the probationary period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months. Extension of probationary periods shall not be a normal practice.
- B. Permanent employees at the University of Washington shall not be required to complete another probationary period.

The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) that the employee is on paid leave, leave without pay, or shared leave, except for leave taken for military service. For the purpose of calculating the completion date, an employee's probationary period shall not end on the employee's regularly scheduled weekend off or a scheduled holiday off. In those instances the completion date will be the next scheduled work day.
- D. By mutual agreement, the probationary period for additional selected classes may be established for a period in excess of six (6) months but not to exceed twelve (12) months.
- E. Employees in probationary status will earn seniority from their initial date of hire but may not exercise seniority rights until completion of the probationary period. Probationary employees are not eligible for layoff or rehire rights.
- F. An employee who is appointed to a different position in a different classification prior to completing his or her initial probationary period will serve a new probationary period. The length of the new probationary period will be in accordance with Subsection 14.1 (A), unless adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than six (6) consecutive months.

- G. **Probationary Period Rejection.**  
An appointing authority may reject an employee who has not completed a probationary period. Upon request by the employee and within 10 business days of notice, a meeting to explain such action shall be held with a representative of the Employer. #### 14.4 Types of Appointments.

A. **Regular Appointments** for positions scheduled to work twelve (12) months per year.

B. **Cyclic Appointments** for positions scheduled to work less than twelve (12) full months each year due to known, recurring periods in the annual cycle when the position is not needed or due to known budgetary restraints.

- (1) At least fifteen (15) calendar days before the start of each annual cycle, incumbents of cyclic positions will be informed in writing of their scheduled periods of leave without pay in the ensuing annual cycle. Such leave without pay will not:

(a) Constitute a break in service and will not be deducted from the employee's length of service in granting periodic increments.

(b) Be considered when computing the employee's vacation leave accrual rate.

- (2) When additional work is required of a cyclic position during a period of which the position was scheduled for leave without pay, the temporary work will first be offered to the incumbent. The incumbent will be allowed at least three (3) working days in which to accept or decline the offer.
- (3) When additional pre-scheduled work is available during the leave without pay period that is declined or cannot be completed by the incumbents, the work will be offered to Cyclic Appointment employees prior to internal employees, students, or external candidates. The work will be offered in the following order, based on seniority:
  - (a) Cyclic Appointments in the same job classification.
  - (b) Cyclic Appointment in different job classifications with the desired skills and abilities to perform the work.

- 29.4 The employee should complete the Military Leave Request Form to request military leave. Unless prohibited by military necessity, the University shall be provided with a copy of an employee's orders at the time the employee requests

military leave. Such request shall be made as soon as reasonably practical after the employee learns of the need for such leave.

- 29.5 Following release from military service, an employee shall have the right to return to his or her employment as provided by then-applicable state and federal law. The employee will provide a copy of employee's discharge papers and any other documentation permitted or required by military-leave laws to their supervisor and to Human Resources.
- 29.6 Employees who are spouses of members of the armed forces will be released for the provisions of the Military Family Leave Act RCW 49.77 when the service member has been notified of an impending call or order to active duty or when on leave from deployment.

### **ARTICLE 30 – WORK RELATED INJURY LEAVE**

- 30.1 An employee who sustains a work-related illness or injury shall be granted a disability leave of absence in accordance with federal and state law. It is the intention of the University to comply with state and federal laws regarding such absences through its policies and procedures.
- 30.2 Employees who are in leave without pay status for up to six (6) months due to a work-related injury, upon written request and proof of continuing disability, shall maintain their seniority and annual increment date. Leave without pay exceeding six (6) months without loss of seniority or change in increment date may be granted at the option of the employing official.
- 30.3 Employees who suffer a work-related injury or illness that is compensable under the state worker's compensation law may select time loss compensation exclusively, leave payment exclusively or a combination of the two. Employees using accrued sick leave during a period in which they receive worker's compensation under the industrial insurance provisions shall receive full sick leave pay, less any industrial insurance payments for time loss during the sick leave period.
- 30.4 The University's policies on family and medical leave, sick leave and disability accommodations apply to employees with work related injuries or illnesses.

### **ARTICLE 31 – HEALTH AND SAFETY**

- 31.1 Health and Safety. It is the policy of the University of Washington to create and maintain a safe and healthful workplace free from recognized hazards that may cause harm to employees, consistent with and in compliance with applicable state and federal laws. Employees will play an active role in creating a safe and healthy workplace and will comply with all applicable health and safety rules. The Union

and the Employer are jointly committed to the goal of implementing an effective health and safety program and accident prevention program that meets or exceeds WISHA requirements.

- 31.2 Safety. All work shall be performed in conformity with applicable health and safety standards. Employees are encouraged to immediately report any unsafe working conditions to their supervisor. If the matter is not resolved satisfactorily between the supervisor and employee, either may involve the Union Steward and request a decision from a medical center's Safety Officer, and/or the University's Department of Environmental Health & Safety or the Department of Labor & Industries. No other employee may do the work believed to present an imminent risk to life and safety until a risk assessment has been done by the Safety Officer and/or the University's Department of Environmental Health & Safety, or the Department of Labor & Industries, and it is confirmed that there is no imminent hazard. Once a risk assessment is completed and it is confirmed that there is no imminent hazard and conditions meet WISHA standards, the employee will be expected to perform the work.

Employees are encouraged to attempt to resolve the matter first with the supervisor, then the Safety Officer and/or the University's Department of Environmental Health & Safety prior to going outside the University.

No employee shall be disciplined or retaliated against for reporting any such condition.

- 31.3 Reporting. Employees in the bargaining units are encouraged to report immediately to their supervisor and/or designated safety official any apparent unsafe working condition. Employees shall use required safety devices and perform work according to required safety procedures.

If a supervisor, the Employer-designated safety official, Labor and Industries or Environmental Health and Safety (telephone 206-543-7262) declare a work site to be hazardous and unfit for work, affected employees may be assigned to alternative work sites until the hazardous condition is rectified. If assignment to an alternative work site is not possible and the supervisor decides to send the employee(s) home, those employees sent home will receive their regular pay for all time the employee(s) is scheduled to work on the day of the incident. For all subsequent days the employee(s) may use accrued leave as appropriate or request make up time as follows:

- a. Employees must request make up time within three (3) working days after operations resume.
- b. Reasonable work must exist and the supervisor must approve the request to work. The time must be made up within ninety (90) calendar days after operations resume.

- 31.4 Health Examinations. The Employer shall provide at no cost to the employee, such medical tests, health examinations and surveillance/monitoring as may be required

as a condition of employment and/or as a result of regulated hazards encountered after employment.

- 31.5 Safety Committees. Joint employee-elected and Employer appointed safety committees shall be formed in accord with WISHA requirements and following University of Washington policy. The Union is entitled to representation on the University-wide or specific organizational or divisional committees where bargaining unit employees are working. Any department or unit committee also dealing with health and safety issues in work areas shall appropriately involve bargaining unit employees. Participation in safety and health committees, including meeting time, health and safety research, work on committee assignments, seminars, and classes will be considered time worked for all employees in accordance with University policy. Release time must be arranged with supervisors in advance.

When the committee makes a recommendation that requires action or approval beyond its scope of authority, the Employer will communicate its disposition of the formal written recommendation within thirty (30) days.

- 31.6 Ergonomics. The supervisor/manager will provide training and equipment for staff to safely perform job functions and avoid injury. Employees should contact their supervisor if job procedures, equipment or workstations lead to risk of injury or work-related musculoskeletal disorders. Further ergonomic guidelines shall be referenced on the Environmental Health and Safety website [www.ehs.washington.edu](http://www.ehs.washington.edu).

- 31.7 Workplace Review. Supervisors will periodically inspect the worksite for the identification of recognized hazards, including ergonomic conditions, and put in place appropriate and feasible mitigations for any identified conditions that may be hazardous to health and safety. Such mitigations may include the use of engineering controls, administrative controls, the use of personal protective equipment, and/or increased training. The organizational unit will determine the appropriate frequency of the inspections and such frequency shall be an appropriate topic for Union Management meetings.

In response to a DOSHA\* (Department of Occupational Safety & Health Administration – Labor & Industries) inspection initiated by a bargaining unit employee complaint, the Employer will contact the designated Union representative to participate in the worksite inspection. Employees may also request a workplace review by the employing department and employees shall be given the results of the review.

- 31.8 WISHA Inspections: Each time there is a WISHA inspection of the Employer's property in an area where WFSE employees perform their duties, the Employer shall contact the Union Office to find out whom the Union designates as the employee representative. If the Union's representative is not present for the inspection, the Employer shall request that the WISHA inspector delay the inspection until the Union's representative can arrive.

- 31.9 Wellness. The Employer and the Union will encourage and support employee participation in appropriate programs including the UW Care Link Services through which employees may seek confidential assistance in the resolution of chemical dependency or other problems that may affect job performance. UW Care Link Services may presently be reached at 1-866-598-3978 (business hours) or 1-800-833-3031 (24 hour line). No employee's job security will be placed in jeopardy as a result of seeking and following through with corrective treatment, counseling or advice providing that the employee's job performance meets supervisory expectations.
- 31.10 Tools and Equipment. The Employer will furnish and maintain in safe working condition all tools and equipment required to carry out the duties of each position, and will provide, during working hours, training on the safe operation and use of tools/equipment/supplies required to perform the employee's duties. The Employer agrees to provide transport for necessary equipment and supplies which cannot safely be transported by hand. The employees will properly use and maintain all required tools/equipment/supplies and immediately report any defects or malfunctions to the supervisor.
- 31.11 Joint Union/Management Committee. It shall be appropriate for either the Union or the University to request that a Joint Union/Management committee be convened, with Environmental Health and Safety as a participating member, to discuss health and safety concerns and to explore options for addressing those concerns through appropriate training or other approaches.
- 31.12 Training. Training that is relevant to the business operations and hazards involved in the work activities will be provided in the workplace by qualified trained individuals to employees.
- Training needs will be an appropriate topic at Joint Union/Management committee meetings. Assistance with interpretation may be requested by staff.
- 31.13 Safety and Health Grievances. Grievances arising out of violations of this Article will start at Step 2 of the grievance procedure.

\*WISHA was renamed DOSHA (**Department of Occupational Safety & Health Administration – Labor & Industries**) in 2006. The term WISHA was left in because the parties felt that the WISHA name would be more recognizable by its members.

## ARTICLE 32 – UNIFORMS REQUIREMENT

- 32.1 Uniforms Requirement. Uniforms required to be worn by the employee shall be provided and replaced by the Employer at the Employer's expense. The maintenance of uniforms shall be the responsibility of the employee. Prior to any decision by a department head to purchase uniforms, employees in their respective departments shall be given an

opportunity to consult with their department head regarding the color and style of uniform to be worn. The department head will give serious consideration to the wishes of the employees in making a decision.

### **ARTICLE 33 – TRANSPORTATION AND COMMUTE REDUCTION**

33.1 Parking/U-Pass.

The Union agrees that during the life of this Agreement, the University may apply changes in transportation policy, including adjusting parking and U-pass fees and criteria for assigning parking spots, to the bargaining unit without the obligation to bargain with the Union. The Union may raise issues and concerns about the University's parking program at Joint Labor/Management Committee meetings or at ad hoc Labor Management Committee meetings. The Union shall have a standing seat on the University's committee(s) that work on transportation and parking issues.

33.2 Flexible schedules to assist in commute trip reduction. Departments having continuous and/or public responsibility may establish independent work schedules in order to meet their special needs. Departments are encouraged to give serious consideration to employee requests for flexible schedules for commute trip reduction purposes. Individual requests for flexible scheduling may be approved by the employing official, provided that such scheduling does not interfere with the effective operation of the department and shall be dependent upon operating, business, and customer needs.

33.3 The University will provide parking for employees when they are required to work at football games.

### **ARTICLE 34 – PERFORMANCE EVALUATION**

34.1 Performance evaluations shall be performed at least annually. Evaluations shall be based on job related performance factors. Performance evaluations shall not be used to initiate personnel actions such as transfer, promotions or corrective disciplinary action, however evaluations may serve as supporting documentation for personnel actions. Employee participation in the development of evaluation materials and rating factors is encouraged.

34.2 Evaluation Forms

(a) Performance evaluation forms will at a minimum have:

- (1) A description of the job related factors upon which the evaluation is based. These will include:
  - i. quality of work (e.g. competence, accuracy, neatness, thoroughness),

- ii. quantity of work (e.g. use of time, volume of work accomplished, ability to meet schedules, productivity levels),
- iii. job knowledge (e.g. degree of technical knowledge, understanding of job procedures and methods),
- iv. working relationships (e.g. cooperation and ability to work with supervisor, co-workers, students, and clients served), and
- v. Specific to the University-wide Supervisory and Research Technologist Supervisor bargaining units: supervisory skills (e.g. training and directing subordinates, delegation, evaluating subordinates, planning and organizing work, problem solving, decision making ability, ability to communicate).

(2) Provision for identifying specific achievements of the employee, performance goals for the next evaluation period, training and development plans and other comments (applicable only to the University-wide Nonsupervisory, Supervisory, and Health Care Professional/Laboratory Technical bargaining units).

(3) Provision for employee comments.

(4) Provision for employee signature accompanied by a statement that "Employee signature means that the employee has seen and is aware of the content of the evaluation, but does not necessarily mean that the employee agrees with the evaluation content."

(5) Provision for the evaluator and reviewer signatures, and reviewer comments.

(b) The performance evaluation form may be supplemented with other forms and/or information used to support the employee's evaluation. Upon request, an employee may review any written materials used by supervision to prepare the evaluation.

### 34.3 Employee Evaluation Information

(a) Upon appointment to a position the employee's supervisor will provide the employee with a copy of:

- (1) the class specification for the position;
- (2) the position's job duties.

(b) Written performance expectations shall be provided to the employee in sufficient time to allow the employee to meet the work expectations (normally within sixty (60) calendar days after appointment to the position). The Employer will provide at least sixty (60) calendar days' notice to employees prior to the evaluation when modifications that substantively alter performance expectations are made. Minor modifications that do not substantively alter performance expectations require no notice.

### 34.4 Evaluation Process

- (a) The supervisor will communicate with the employee about performance problems as they occur.
- (b) The purpose of the evaluation meeting is to review, discuss, and if appropriate, modify the evaluation. The employee shall have an opportunity to discuss the proposed evaluation with the evaluator and to provide a written response.
- (c) A copy of the completed form, signed by all appropriate individuals, will be provided to the employee upon request.
- (d) Performance evaluations shall be retained in the departmental file for no more than three (3) years.
- (e) The evaluation shall be reviewed and signed by the employee's second level of supervision or management designee.

34.5 Evaluator Training.

The Employer shall make available training opportunities for evaluators regarding the Employer's performance evaluation program and shall, upon request, share and discuss the contents of such training programs with the Union.

34.6 Grievability.

**Applicable to the University-wide Nonsupervisory, Supervisory, Health Care Professional/Laboratory Technical, HMC Technical, and UW Medicine Contact Center bargaining units:** Employee performance evaluations are grievable only through Step Two of the Grievance Procedure.

**Applicable to the Research Technologist and Research Technologist Supervisor bargaining units:**

The procedural aspects of the employee performance evaluation process are grievable only through Step Two of the Grievance Procedure. Procedural aspects include alleged violations of this contract or University policy. Disagreement over the supervisory marks assigned to a specific employee shall not be grievable and will be addressed via the actions described in Subsection 34.4.

## ARTICLE 35 – PERSONNEL FILES

- 35.1 Files Relating to Employment. The Employer shall maintain files relating to employment in accordance with the applicable University policy and/or state or federal law. The personnel file for each employee will be maintained by the appropriate Human Resources Operations department and will accompany the employee throughout his or her service career at the University of Washington. The departmental file will be maintained by the department.

Individual supervisors may create and retain documents in a supervisor file. Documents in the supervisor file will not be placed in the department or personnel file unless they are incorporated as part of an official action (such as a performance evaluation or a corrective action).

35.2 Employee Access to Files. Each employee has the right to review his or her personnel file, supervisory file, attendance file, payroll file and medical file. The Employer will determine the location of all employee files. Upon written request by an employee to their Human Resources Consultant (for personnel file) or department manager (for departmental file), the employee and/or representative may examine the employee's personnel file or departmental file. Review of employee files will be in the presence of an Employer representative during business hours. The employee and/or representative may request copies, which may be provided at no cost if the size of the request is reasonable. A copy of the written authorization will be retained in the employee's file.

35.3 Employee Response. A copy of any correspondence, adverse material, or letters issued and intended to be included in an employee's official personnel file shall be mailed or given to the employee prior to becoming a permanent part of the file. An employee may insert a reasonable amount of job-related materials in his or her personnel file that reflects favorably on his or her job performance. An employee may provide a written rebuttal to any information in the files that he or she considers objectionable. The Employer will attach the rebuttal to the related document.

Information shall be retained as long as it has a reasonable bearing on the employee's job performance or upon the efficient and effective management of the institution.

35.4 Confidentiality. Unauthorized parties shall not have access to any employee's personnel or departmental file. A record will be retained in the HR personnel file of the names of individuals outside of HR who have reviewed the personnel file who do not have written authorization from the employee, except requests for records in accordance with the Public Records request process.

35.5 Medical Files. Medical information related to employment will be kept separate from all other employment files and confidential in accordance with state and federal law.

35.6 Adverse material or information related to alleged misconduct that is determined to be false, and all such information in situations where the employee has been fully exonerated of wrongdoing, and/or any documents removed pursuant to Article 36 Corrective Action, will be promptly removed from the employee's files. The Employer may retain this information in a legal defense file in accordance with the prevailing Washington State law. The Employer may retain information relating to employee misconduct or alleged misconduct if the employee requests that the information be retained.

## **ARTICLE 36 – CORRECTIVE ACTION/DISMISSAL**

36.1 The parties will follow the "Corrective Action/Dismissal Process" outlined below. No employee shall be subject to the process except for just cause. The corrective

action process will be considered to incorporate the concept of progressive action while providing a positive method for improvement rather than punitive action. The University will determine the specific step at which the process begins based on the nature and severity of the problem.

### 36.2 Representation

(a) Employees shall be notified orally or in writing that upon request they shall be entitled to have a representative present when formal counseling, final counseling or dismissal is occurring. Employees have a right to a meeting with management whenever corrective action is issued. Attendance of a representative shall not delay the disciplinary process unduly as determined by the Employer. All parties shall make every effort possible to allow for Union representation without unduly delaying the process.

(b) Upon request, an employee has the right to a union representative at an investigatory interview called by the Employer, if the employee reasonably believes corrective action could result. The employer will provide reasonable time to allow an employee to secure a representative.

The role of the union representative in regard to an Employer-initiated investigation is to provide assistance and counsel to the employee and not interfere with the Employer's right to conduct the investigation. Every effort will be made to cooperate in the investigation.

(c) An employee placed on an alternative assignment during an investigation will not be prohibited from contacting his or her union steward unless there is a conflict of interest, in which case the employee may contact another union steward. This does not preclude the Employer from restricting an employee's access to the Employer's premises.

(d) An interpreter can be requested by either party and will be provided.

36.3 Coaching. Informal discussion or instruction between employee and their immediate supervisor. Supervisor may follow up in writing which may include a simple action plan. This is not a form of corrective action.

36.4 Corrective Action/Dismissal Process. The Employer will make clear when formal or final counseling is being conducted and will inform the employee about their right to representation under the CBA. When counseling or dismissing an employee, the Employer will make every effort to protect the privacy of the employee. Translators may be requested by any party.

36.5 Formal Counseling. Formal counseling (may involve administrative personnel other than the employee's immediate supervisor) including the development of a written action plan. The action plan will identify specific problem areas, performance objectives, suggestions for remedying, and a timeframe for improvement. Prior to issuance of formal counseling, a meeting may be scheduled by the employer or requested by the employee to give the employee an opportunity

to make his/her case before the final decision is made. Employee requests for such a meeting will be granted. An employee is entitled to representation at this meeting.

36.6 Final Counseling. Final counseling (may involve administrative personnel other than the employee's immediate supervisor) including action plan discussion and revision, where appropriate. A decision-making period of one (1) day of paid time away from the work site for the employee to consider the consequences of failure to follow the action plan may be used at this step. If the Employer decides to provide a decision-making day, the employee will be given a list of expectations and problem statements prior to the day taking place.

36.7 Dismissal. Prior to dismissal, a pre-determination meeting will be scheduled to give an employee an opportunity to make his/her case before the final decision is made. The employee has the right to have a union representative present at the pre-determination meeting. At least five (5) days prior to the meeting, the employee will be informed in writing of the reasons for the contemplated dismissal and given referenced documentation. The employee will be furnished with written notification of the outcome of the pre-determination hearing.

36.8 Demotion. Demotion of Leads and/or Supervisors may be initiated by the Employer at any step of the Corrective Action process.

36.9 Removal of Records

Upon written request by the employee, any formal or final counseling, excluding those for workplace violence or University policies against harassment, discrimination, or retaliation, will be removed from an employee's personnel file after three (3) years if the following criteria have been met:

1. Circumstances set forth in writing, and as determined by the University do not warrant a longer retention period; and
2. There has been no subsequent corrective action.

Nothing in this Article prevents the Employer from agreeing to an earlier removal date.

Once a corrective action has been removed from the employee's file as outlined above, the information removed will not be used in subsequent corrective action, unless mutually agreed otherwise.

36.10 Grievability/Arbitrability.

Formal counseling may be grieved beginning at Step One or Step Two of the grievance procedure and up to Step Three Mediation only.

Final counseling, demotion, and dismissal may be grieved through every step of the grievance procedure beginning at Step Two.

## ARTICLE 37 – EMPLOYEE ASSISTANCE PROGRAM

The Employer will continue to offer an Employer supported Employee Assistance Program for all employees covered by this Agreement. Employees can request, and Employer will consider, adjustments in schedule to allow access to the services of the Employee Assistance Program.

The Employee Assistance Program will protect the confidentiality of those employees using their services.

## ARTICLE 38 – SENIORITY, LAYOFF, REHIRE

### 38.1 a. Seniority.

Layoff seniority is defined as the continuous length of service in calendar days with the Employer from the most recent date of hire. Service of less than full time shall be considered full time. Time spent on leave of absence without pay or on layoff shall not be included in computing seniority except for cyclic year positions, but does not constitute a break in service. Permanent employees who are veterans or their unmarried widows/widowers shall have added to their seniority the veteran's active military service to a maximum of five (5) years credit. Time spent on military duty leave, paid or unpaid, or time spent on leave without pay to work for the union in accordance with Article 29 is included in seniority calculation. Probationary employees are not vested with seniority credits until successfully completing the probationary period.

Seniority shall be lost following a break in service including resignation, termination for cause, failure to return from a leave of absence, expiration of rehire rights.

Employees who enter into the bargaining unit from other positions at the University of Washington shall be credited with layoff seniority for all seniority earned in the State classified service while employed at the University. Employees who enter into the bargaining unit from other state agencies and institutions of higher education shall earn layoff seniority from the first day of coverage under this Agreement.

### b. Department Seniority.

Department seniority is defined as continuous length of service in calendar days within the employee's department and where applicable, shall be used for internal department processes, such as vacation and schedule bids.

### c. Layoff Seniority Tiebreaker.

For the purposes of layoff only, when it is necessary to determine the order of seniority among bargaining unit members whose contract seniority is identical, a random chance method will be employed to select the names of those

employees one at a time. The University shall inform the Union every time this method is necessary and will provide proof of the seniority tie.

When selecting among employees whose seniority is identical, the Union may be represented by any individuals it chooses, and will draw the names. The University will be represented by a manager/administrator from the Department involved and a representative from Human Resources.

The first employee selected will be considered the most senior; the last employee selected will be considered the least senior.

38.2 a. Layoff.

(1) Whenever it becomes necessary for the Employer to reduce its workforce due to lack of work, lack of funds, or good faith reorganization for efficiency purposes, the Employer shall use the following procedure. The Employer will notify the Union of impending layoffs thirty (30) calendar days in advance of implementation so that reasonable alternative proposals can be considered. Whenever possible the Employer will provide more than minimum notice.

(2) The Employer shall not lay off bargaining unit employees in lieu of disciplinary action.

(3) Employees will be laid off in accordance with seniority, as defined in Article 38.1(a).

b. Employment Option.

The employee affected by the reduction in force shall be offered the following employment options in descending order, provided he or she meets the essential skills (defined as the minimum qualifications listed in the job description for the classification and any specific position requirements or credentialing) of the offered position:

1. A funded vacant position within the same job classification and layoff unit.
2. The opportunity to replace the most junior employee within the layoff/seniority unit (set forth in Appendix IV) in the same classification and in an FTE status within .2 FTE status of the employee affected by the reduction in force. (For example, if a .8 FTE position is being abolished, the employee affected is eligible to replace the most junior individual in a .6 to 1.0 FTE position)
3. The opportunity to replace the most junior employee in the same classification with a lower FTE status than their own within the layoff/seniority unit.

4. The opportunity to replace the most junior employee within the same department who is:

- a. In a lower classification in the same series as the employee affected by the reduction in force; and
- b. Within .2 FTE of the employee affected by the reduction in force

c. Notice.

The Employer shall identify the positions to be abolished and the employee(s) to be affected and shall notify employees in these positions, with notice to the union, not less than thirty (30) calendar days prior to the abolishment of the positions, pay the employee in lieu of notice, or combine pay and notice. Whenever possible the Employer will provide more than minimum notice. The notice shall include:

(1) The effective date of the layoff and a reference to the employee's rights under this Article, and

(2) Identification of the employment option being offered, if applicable.

In accordance with 38.2.b. above, if the incumbent in a position to be abolished has an opportunity to replace the most junior employee within the layoff/seniority unit, the incumbent will be given up to three (3) calendar days to determine if he/she wants to replace the junior employee or be placed on the rehire list. Vacant positions or those held by probationary employees within the layoff/seniority unit will be considered a more junior position.

d. FTE Increase or Reduction.

An employee in a position that is not abolished but is increased or reduced in FTE status and who will remain benefit eligible after the reduction or increase will have the choice of staying in the reduced or increased position and going on the rehire list for the position and FTE status held by the employee immediately prior to the increase or reduction or exercising available layoff rights under 38.2. The employee must exercise this choice within three (3) working days of the increase or reduction notice.

e. Voluntary Layoff:

Appointing authorities will allow an employee in the same job classification and department where layoffs will occur to volunteer to be laid off provided that the employee is in a position requiring the same skills and abilities, as a position subject to layoff. Any volunteer for layoff shall have no formal layoff option. If the appointing authority accepts the employee's voluntary request for layoff, the employee will submit a non-revocable letter stating they are accepting a voluntary layoff from the University. The employee will be placed on all applicable rehire lists.

f. Rehire.

The Employer shall make a concerted effort to re-employ bargaining unit members on the rehire list. Bargaining unit members on the rehire list are eligible to take all Professional & Organizational Development (POD) courses on a space available basis upon payment of designated fees. Employees without employment options will be placed on the rehire list(s) designated by the employee for twenty-four (24) months. In addition to the rehire list for the classification and FTE status from which the employee was laid off, employees identified for layoff may request placement on the following rehire lists:

(1) For positions of a lower FTE status in the classification from which the employee was laid off (or equivalent if prior classification has been abolished); and

(2) For positions in other classifications in which the employee previously held permanent status; and

(3) Lower classes in the series from which the employee was laid off. The Employer will refer an employee from the designated rehire list(s) for any open positions in the bargaining unit for which the laid off employee possesses the essential skills. For classifications which have separate job codes in the Campuswide and Harborview Bargaining Units, Rehire lists will include both job codes. Employees referred from the rehire list(s) who possess the essential skills needed for a vacant position will be offered the position prior to the Employer posting for competitive recruitment. From among these employees, offers will be made in seniority order, most senior person first. Job requests for positions for which there are employees on rehire list(s) may not be withdrawn solely to avoid hiring laid off employees.

(4) The Employer will provide a copy of the Rehire List to the Union upon request.

(5) When the job classification the employee was laid off from is represented by both SEIU 925 and WFSE 1488 the employee will be placed on the rehire list for the specific job classification for both unions.

g. Rehire Trial Period.

Employees placed into vacant positions from the rehire list will serve a three (3) month rehire trial period. During the rehire trial period either party may, at its sole discretion and without resort to the grievance procedure, initiate return to the rehire list. Time spent in a rehire trial period will not count toward the twenty-four (24) month rehire list period. The three (3) month rehire trial period will be adjusted to reflect any paid or unpaid leave taken during the period.

h. Corrective Action.

Final Counseling that occurs within the six (6) months prior to the layoff will be considered in effect should the employee be rehired. The employee will continue

to be subject to any consequences of not following the directives and/or action plan(s) specified in the current corrective action.

i. Removal from List.

Removal from the rehire list(s) will occur for any of the following circumstances:

(1) If placement does not occur within twenty-four (24) months,

(2) If the employee refuses two (2) offers of placement for a position having the same pay, FTE status and shift as the position from which the employee was laid off. In such case, the employee will be removed from all other rehire lists and will have exhausted their rehire rights.

(3) If the employee was placed into two (2) vacant positions for which the employee has failed to complete the rehire trial period.

(4) If the employee accepts any offer of placement from any rehire list and completes the rehire trial service period for a position with the same FTE status and pay as the position from which the employee was laid off.

(5) Employees who reject two (2) offers of placement from a list for a position of a lower FTE status than that which the employee held immediately prior to layoff will be removed from that list.

(6) Employees who reject one (1) offer of placement from a list for a position in a classification other than that from which the employee was laid off will be removed from that list.

j. Rehire List Crossover. Employees within an SEIU Local 925 represented bargaining unit may, in accordance with this Article, be placed on the rehire list for positions in another SEIU Local 925 represented bargaining unit.

38.3 Rehire Wages and Increment Date.

When employees are rehired from layoff status the periodic increment date and annual leave accrual date will be reestablished and extended by an amount of time in calendar days equal to the period of time spent on the rehire list prior to rehire. Employees placed from the rehire list into positions with the same salary range held at the time of layoff shall be placed at the same step in the range held at the time of layoff. Employees placed from the rehire list into positions with a lower salary range than held at the time of layoff shall be placed in a salary step nearest to, but not in excess of, the salary held at time of layoff.

38.4 Affirmative action goals may be considered at any point during the layoff or rehire process.

38.5 Benefits and Temporary Services.

Employees on the rehire list who follow the rules prescribed by Temporary Services may be referred to temporary positions and can receive employer paid health benefit coverage if they meet the eligibility requirements as determined by the State.

## **ARTICLE 39 – RESIGNATION AND ABANDONMENT**

- 39.1 Resignation. Employees are encouraged to provide at least two weeks' notice of resignation. A written or oral resignation may be withdrawn within twenty-four (24) hours excluding the employee's scheduled days off and holidays off, after submitting the resignation. The employee may only withdraw one resignation per position held. The Employer may permit withdrawal of resignation at any time.
- 39.2 Presumption of Resignation/Abandonment.
- a. An employee who fails to appear for work and report absence to the supervisor, in accordance with departmental policy, on three (3) consecutive scheduled workdays, shall be deemed to have resigned. Prior to sending the notice, the Employer will attempt to contact the employee through current home telephone and emergency contact numbers on record in Employee Self-Service and departmental records.
  - b. Within fourteen (14) calendar days of mailing the separation notice and upon proof that the failure to report absent could not reasonably have been avoided, an employee may submit to the supervisor a written petition for reinstatement. - 39.3 Separated employees have the right to compensation for accrued vacation leave and compensation time according to University policy.

## **ARTICLE 40 – MANDATORY SUBJECT**

The Employer shall satisfy its collective bargaining obligation before changing a matter that is a mandatory subject. The Employer will notify the union staff representative in writing, with a copy to the Executive Director of the Union, of these changes. The Union may request discussions about and/or negotiations on the impact of these changes on employee's working conditions. The Union will notify the Vice President of Labor Relations of any demands to bargain. In the event the Union does not request discussions and/or negotiations within thirty (30) calendar days, the Employer may implement the changes without further discussions and/or negotiations. There may be emergency or mandated conditions that are outside of the Employer's control requiring immediate implementation, in which case the Employer shall notify the Union as soon as possible.

Prior to making any change in written agency policy that is a mandatory subject of bargaining; the Employer shall notify the Union and satisfy its collective bargaining obligations per Article 40.

Unless agreed otherwise, the parties agree to begin bargaining within thirty (30) calendar days of receipt of the request to bargain. If the union makes a request for information at the same time as the request to bargain, the thirty (30) calendar days will not begin until the information request has been fulfilled. Information requests made after the request to bargain will not delay the scheduling of discussion and/or negotiations. The parties shall agree to the location and time for the discussions and/or negotiations. Each party is responsible for choosing its own representatives for these activities. The Union will provide the Employer with the names of its employee representatives at least seven (7) calendar days in advance of the meeting date unless the meeting is scheduled sooner, in which case the Union will notify the Employer as soon as possible.

#### Release Time

- a. The Employer shall approve paid release time for up to four (4) employee representatives who are scheduled to work during the time meetings or negotiations are being conducted, provided the absence of the employee will not interfere with the operating needs of the Employer. The Employer may approve leave without pay for additional employee representatives provided the absence of the employee will not interfere with the operating needs of the Employer. If the additional employee absence is approved, the employee(s) may use personal holiday, annual leave, or compensatory leave instead of leave without pay.
- b. No overtime will be incurred as a result of bargaining and/or preparation for bargaining.
- c. The Union is responsible for paying any travel or per diem of employee representatives. Employee representatives may not use a state vehicle to travel to and from a bargaining session, unless authorized by the Employer for Business Purposes.

- b. Staff representatives may access University premises to carry out representational activities. The representative shall notify local management prior to their arrival and shall not interrupt the normal operations of the institution. The staff representative may meet with bargaining unit employees in non-work areas during non-work times.

It is understood that any such visits which require a meeting with an employee will be restricted to the non-working time of the employee unless otherwise authorized by management or provided for elsewhere in this Agreement, and that there will be no interference with an employee's work assignment.

While inspecting the workplace, the Union may engage in de minimis conversations with employees, so long as an employee does not object and such conversation does not interfere or disturb the operation of the facility or compromise the security of patient health information

- c. Upon written request of the staff representative or steward to the Office of Labor Relations (laborrel@uw.edu), the Employer will provide relevant information necessary for conducting representational duties. The information will be provided within a reasonable timeframe and without requiring the Union to file with the Public Records Office.

### **42.2 Steward Release Time.**

A steward who is processing a grievance in accordance with the grievance procedure of any SEIU Local 925 Agreement between the Employer and the Union shall be permitted reasonable time to assist in the resolution of legitimate

employee grievances on the Employer's property without loss of pay or recorded work time. Time off for processing grievances shall be granted to a steward by supervision following a request, but in consideration of job responsibilities. If permission for time off cannot be immediately granted, the supervisor shall arrange for time off at the earliest possible time thereafter.

A record of a steward's work time spent on grievances or other authorized activity on behalf of the Union shall be maintained on a basis mutually agreeable between the Union and the department involved.

In the event the Employer determines that the amount of work time used by any steward on grievances or other authorized Union activities is unreasonable, it may become a topic for mutual discussion between the parties.

- a. The Union shall prevail upon all employees in the bargaining unit and especially Union stewards, to make a diligent and serious attempt to resolve complaints at the lowest possible level. The Employer, likewise, shall prevail upon its supervisory personnel to cooperate fully with the Union stewards and other Union representatives in the speedy resolution of any grievance that may arise.
- b. Union stewards shall primarily conduct representational duties only within their designated area of jurisdiction. Stewards may represent members in another jurisdiction if the steward designated for that other jurisdiction is unavailable (e.g. away on approved leave), has a conflict, or if there is no steward in that area. In the event that a steward is unavailable, the steward of the next geographically closest designated jurisdiction will be contacted to represent the employee. The number of stewards in a particular area and the jurisdiction they serve shall be an appropriate subject of discussion between the Union and the Employer.
- c. The Union agrees to submit an up-to-date list to the Office of Labor Relations once per month indicating the name of all Union stewards, their work locations, department, jurisdiction and designation as a Lead, Chief, or Officer. In any event, said list shall be submitted at least annually with changes noted as they occur. Union stewards shall be recognized when the Office of Labor Relations is informed of their appointment. Examples of jurisdiction are as follows: UWMC, South Campus HSB, HMC, Health Sciences, South Lake Union, Downtown, Airlift Northwest, UW Tower, Bothell Campus, Tacoma Campus, Seattle Campus, and Sandpoint. Stewards shall be assigned by the union. Lead Stewards, Chief Stewards, and Local/Chapter officers shall be recognized to have broader jurisdictions.
- d. Whereas it benefits the University to have Union stewards who understand the contract and are trained in administration of the contract, each of the Union's stewards shall be allowed a total of eight (8) working hours annually without loss of pay to participate in the Union's steward training program. Said time off

shall be approved in advance by the employee's supervisor and shall be contingent upon the ability to provide coverage during the time off.

The Union shall submit to the Office of Labor Relations at least fifteen (15) days in advance the names of the employees (with their respective supervisors) that are scheduled to participate in the training. The Union will confirm the employee's participation in the training upon completion.

- e. New Steward Training: Where the Union requests in advance of a Step Two hearing that a second steward be present for training purposes, this release will be approved without loss of pay or recorded work time subject to the operational needs of the second steward's department. No overtime or compensatory time will be earned for participation and no steward shall attend as a second steward more than once.

#### 42.3 Training and Orientation

- a. Upon signing of this Agreement, the Employer and Union will make a good faith effort to conduct joint training on contract administration.

#### 42.4 Union Business Activities

- a. Employees who intend to absent themselves from work for the purpose of attending and participating in Union business functions or programs, such as meetings, conventions, seminars, or other authorized meetings at the Union's request, may do so with supervisory approval. - b. The employee shall request leave from the Employee's immediate supervisor at least two (2) weeks prior to the planned absence.

#### 42.5 Use of State Facilities, Resources, and Equipment

- a. Meeting Space and Facilities. The Employer's campuses and facilities may be used by the Union to hold meetings subject to the University's policy and availability of the space. The Employer may provide private space for stewards and/or Union representatives to meet in confidence with those they represent on a space available basis. Staff representatives may reserve and utilize meeting rooms in accordance with University policy and procedure. Such requests will be subject to availability and all applicable fees.
- b. Supplies and Equipment. Union representatives may use University equipment for contract administration if there is no cost to the Employer, is brief in duration, limited in distribution, and does not disrupt or distract from University business in accordance with University policy and state law.
- c. Bulletin Boards and Distribution of Union Material. Upon request, space will be made available to the Union on bulletin boards in those areas where bargaining unit employees work or frequent, for the posting of notices and information

pertaining to official business of the Union. Materials posted on Union bulletin boards without the signature of a recognized Union officer or representative may be removed.

Employees shall have the right to distribute official Union information materials during hours off work. Such distribution of official material shall not interfere with the work assignments of employees who are on duty. Further, such distribution activities must be held in locations which cause no interference with the various departments normal operations or with any employees who may not be involved or interested.

42.6 Temporary Employment with the Union

With thirty (30) calendar days notice, unless agreed otherwise, employees may be granted leave without pay if the employee is elected or appointed to serve as an officer or staff member of a specified duration, not to exceed six (6) months, provided the employee's time off will not interfere with the operating needs of the Employer as determined by management. Upon request, the department may agree to an extension of leave without pay up to an additional six (6) months. The returning employee will be employed in a position in the same job classification, in the same layoff unit, and in the same geographical area, as determined by the Employer.

**ARTICLE 43 – JOINT UNION-MANAGEMENT COMMITTEE**

43.1 Committee Purpose and Membership.

A Joint Union-Management Committee is established to provide a forum for communications between the two (2) parties and to deal with matters of general Union/Employer concern. The committee's function will be limited to an advisory capacity and shall not include any decision-making or collective bargaining authority.

Committee membership for employees in the University-wide Nonsupervisory, University-wide Supervisory, and Health Care Professional/Laboratory Technical bargaining units shall consist of three (3) bargaining unit employees and a Union staff representative and four (4) Employer representatives to include the Assistant Vice President of Labor Relations or designee.

Committee membership for employees in the Research Technologist and Research Technologist Supervisor bargaining units shall consist of two (2) bargaining unit employees and a Union staff representative and three (3) Employer representatives to include the Assistant Vice President of Labor Relations or designee.

The Employer will discuss with representatives of the Union significant changes affecting institutional conditions of employment generally affecting bargaining unit employees sufficiently in advance of the targeted implementation date of said

changes so that reasonable alternative proposals can be adequately considered by the Joint Union-Management Committee. Diversity, child care and tuition exemption shall be considered appropriate subjects for the Joint Union-Management Committee.

SEIU 925 and Labor Relations will use the joint labor-management process to explore possible in-training opportunities for SEIU 925 members.

Market adjustments may be discussed at quarterly joint labor-management meetings.

- 43.2 Meetings. Committee meetings may be requested by an authorized representative of either party. Requests for a quarterly meeting shall be honored; however, once convened, the committee may meet more or less frequently as mutually agreed between the parties.

At least one (1) weeks' notice shall be given to members of any agreed upon meeting and the agenda. Committee meetings shall normally be held during University business hours and at a mutually agreeable time and date. Employee members shall experience no loss in salary for meeting participation; however, meeting times are not construed as work time and no overtime shall be claimed or paid for meetings attended outside the employee members' regular working hours.

- 43.3 Limitations.

Committee meeting topics shall be limited to subjects of group rather than individual concern, and the committee shall not discuss grievances properly processed under Article 6 of the Agreement. Further, it is not intended that this Article obligate in any way either party to negotiate on personnel matters covered in this Agreement or to alter, limit, restrict, or reduce prerogatives of either party otherwise provided in this Agreement.

**Departmental Labor Management.** In an effort to resolve workplace problems collaboratively and at the lowest level, staff are strongly encouraged to bring concerns about staffing and other working conditions to the attention of their department(s). SEIU Local 925 can request that the Office of Labor Relations set up a Joint Labor Management meeting for the particular department. The Union can also place on the agenda of any Labor Management meeting issues of staffing and/or other working conditions in particular departments/units.

Release time for the employees requesting to be at the meeting will be subject to the operational needs of the department.

## ARTICLE 44 – CLASSIFICATIONS AND RECLASSIFICATION

- 44.1 The Employer will allocate positions on a “best fit” basis to the most appropriate classification at the University of Washington. Allocations shall be based on a position’s duties, responsibilities, or qualifications.
- 44.2 Reallocations shall be based on a permanent and substantive change in the duties, responsibilities, or qualifications of a position or application of the professional exemption criteria set forth in RCW 41.06.070(2).
- 44.3 (a) Should the University decide to create, eliminate or modify class specifications which does not involve a major restructure to the overall classification system, it will notify the Union in advance of implementing the action. Notification will include the bargaining unit status of the classification and, for a newly created or modified classification considered to be in the bargaining unit, a proposed salary. Notification will occur at least forty-five (45) days in advance of any proposed implementation date. At the Union's request the University will meet and confer with the Union over its proposed action.
- (b) An employee occupying a position reallocated to a class with a lower salary range maximum due to a class being created, abolished or modified will retain the salary of their former position until reaching the top of the range of the former position, and then will be frozen until the new class pay range catches up.
- An employee(s) occupying a position reallocated to a class with a higher salary range due to a class being created, abolished or modified will receive the same step in the new range as the employee(s) held in the previous range. The periodic increment date of the employee will remain unchanged.
- (c) Within thirty (30) calendar days following implementation of the University's decision to create or combine classifications per Article 44, or modify class specifications for bargaining unit positions, the Union may file an appeal with the Classification Review Hearing Officer selected under Article 44.6 of this contract, to determine if the salary assigned to the classification is appropriate.
- 44.4 The Union may, at any time, propose a new classification with appropriate justification. These proposals will be reviewed by the Compensation Office of Human Resources which will accept, reject, or modify any proposal. The Union and the Compensation office will meet and discuss the proposal within sixty (60) days. This review is not grievable.
- 44.5 The University agrees to notify the Union of any proposed reclassifications of occupied bargaining unit positions into non-bargaining unit positions at least thirty (30) days prior to implementation.
- 44.6 Professional Staff Exemptions:
1. The University will make reallocations based on application of the professional staff exemption criteria set forth in RCW 41.06.070 (including any

permanent and substantive change in the duties, responsibilities, or qualifications of the position).

2. The Union and the University agree to a procedure that includes the provision of information by the University and a meeting with the Union to discuss and resolve issues regarding the transfer of work from the bargaining unit within four (4) weeks of the University's initial notice to the union for a proposed professional staff exemption.

3. All negotiations regarding transfer of any work from the bargaining unit shall be concluded by the meeting described above, unless both parties agree to an extension.

4. Disputes regarding professional staff exemptions shall be resolved by the classification review hearing officer. The Hearing Officer shall make his/her decision based on the criteria outlined in Subsection 44.6 (1) above. If the employee appeals the exemption determination in any other forum the Union cannot pursue the determination through the process outlined in this Article

#### 44.7 Position Review Process.

(a) The University, employee, or employee representative may request that a position be reviewed when the requesting party believes that the basis of its request has become a permanent requirement of the position. Employees and employee representatives may not request that a position be reviewed more often than once every six (6) months.

(b) The request must be complete and in writing on forms provided by the University. Requests may be submitted to Human Resources or to an employee's direct supervisor or department. Any party may submit additional information, including the names of individuals, which the party believes is relevant to the position review.

(c) An employee may request that a representative be present as an observer at meetings with the University reviewer scheduled to discuss the request for position review. At the employee's request a portion of such meetings shall be conducted in a quiet and private location, away from the work station.

(d) The University reviewer will investigate the position and issue a written response to the employee or employee representative within sixty (60) calendar days from receipt, by Human Resources, of the completed request. The response will include notification of the class and salary assigned when the position is reallocated, or notification of the reasons the position does not warrant reallocation when the request is not approved. Reclass requests may be submitted at either the departmental level or directly to Human Resources. Reclass requests submitted at the departmental level must be forwarded to Human Resources within thirty (30) calendar days.

(e) The effective date of allocations or reallocations initiated by the University shall be determined by the University. The effective date of a reallocation resulting

from an employee or employee representative request for position review will be established as the 1<sup>st</sup> or the 16<sup>th</sup> of the month which precedes the date that the completed request was filed with Human Resources or the employee's direct supervisor or department, whichever date is earliest. The date of receipt must be appropriately documented.

- (f) An employee may request reconsideration following receipt of the University's determination. Requests for reconsideration will not hold the timeframe for filing an appeal under this Article.

44.8 Position Review Appeal Process. If the Union wishes to appeal the decision of the University, it may appeal to the Classification Review Hearing Officer within thirty (30) calendar days following the date of the University's written response.

Hearing Officer. The Hearing Officer shall be jointly selected by the parties within thirty (30) days of the execution of this contract and shall serve for a minimum of one (1) year from the date of selection. At that time the parties may choose to re-appoint the Hearing Officer or select a different Hearing Officer who will also serve for a minimum of one (1) year from date of selection.

Hearings. The Hearing Officer shall hold hearings on a quarterly basis unless there are no appeals to hear or the parties agree to pend any open appeals. All materials considered in the position review shall be submitted to the Hearing Officer prior to the hearing and neither party will submit evidence at the hearing that was not submitted during the position review. The Hearing Officer shall endeavor to hold multiple hearings each day, and shall issue a concise decision which shall be final and binding. The Hearing Officer shall have no authority to alter the terms and conditions of this contract. Employees may be represented at the hearing and will be released from work with no loss of pay to attend the hearing. The Hearing Officer's fees and expenses shall be shared equally by the parties.

- D. Effective January 1, 2019, all Salary Ranges described in Section A above will be increased by two percent (2%). This increase will be based upon the salary schedule in effect on December 31, 2018.
- E. Employees who are paid above the maximum for their range on the effective date of the increase described in B or C above will not receive the specified increase to their current pay unless the new range encompasses their current rate of pay. Employees who are receiving a Red-lined (Y-rated) salary as of June 30, 2015 will continue to receive that salary if it is higher than the top step of the salary range for their classification as specified in Appendix I

45.2 Upon promotion or reclassification from a Local 925 position to another Local 925 position with a higher salary range, the affected employee shall be placed on the salary step of the new range which reflects a minimum of a three (3) step, except for positions on Health Care Professional/Technical pay tables, which shall receive a minimum increase of 6%. The new periodic increment date shall be the first of the current month for effective dates falling between the first and fifteenth of the month and the first of the following month for effective dates falling between the sixteenth and the end of the month.

45.3 An employee occupying a position that is reclassified to an existing class with a lower salary range shall be placed in the salary step in the new range which is closest to the current salary, provided such salary does not exceed the top step of the new salary range.

45.4 Salary Schedules.

(a) The salary schedules shall be incorporated into this Agreement as Appendix V.

(b) Salary schedules will contain Career Enhancement/Growth steps as described in Section 45.6.

(c) Movement on General Schedules

Employees who are hired at the minimum available step of their pay range will receive a two (2) step increase to base salary following completion of six (6) months of continuous service and the date they receive that increase will be the employee's periodic increment date. Thereafter, employees will receive a two (2) step increase annually, on their periodic increment date, until they reach the top of the pay range.

Employees who are hired above the minimum available step of the pay range will receive a two (2) step increase to base salary following completion of twelve (12) months of continuous service and the date they receive that increase will be the employee's periodic increment date. Thereafter, employees will receive a two (2) step increase annually, on their periodic increment date, until they reach the top of the pay range.

(d) Movement on Health Care Schedules

Employees who are hired on the Health Care pay tables above the minimum available step of the pay range will receive increment increases at the rate of one (1) step each twelve (12) months until they reach the top of the pay range. The date they receive that increase will be the employee's periodic increment date until they reach the top of the pay range.

Employees who are hired on the Health Care pay tables at the minimum available step in the pay range will receive a one (1) step increase to base salary following completion of six (6) months of continuous service and the date they receive that increase will be the employee's periodic increment date. Thereafter, employees will receive a one (1) step increase annually, on their periodic increment date, until they reach the top of the pay range.

(e) When a periodic increment date coincides with a promotional date, the appointment to a new salary range, and/or a market adjustment, the periodic increment date will be applied first.

(f) The University, at its discretion, may approve additional increment increases at any time. Such additional increment increases will not change an employee's periodic increment date.

(g) Recruitment/Retention Compensation. The Employer may increase the salary of classifications that are experiencing recruitment/retention problems, upon thirty (30) days' notice to the union and the opportunity for the union to bargain, as per 45.7 below.

45.5 The University and the Union affirm their commitment to the principles of comparable worth by implementing any state-mandated comparable worth adjustments.

45.6 Career Enhancement/Growth Program.

The University will continue its Career Enhancement/Growth program. The program will reward employees whose development of skills, increased productivity, or assumption of higher level duties results in increased value to the department, service enhancements, or efficiencies for the department in which the employee works.

CEGP steps on the respective pay tables (see Appendix V Pay Tables), will be attained solely through the Career Enhancement/Growth program and will not be based on length of service.

Employees in every classification covered by this Agreement will be eligible for the program. Employees are eligible to receive a Career Enhancement/Growth step any time after they have been at the last automatic increment step in their pay range for a minimum of one (1) year. Employees are eligible for the subsequent Career Enhancement/Growth step beginning one (1) year after receiving the previous step.

There will be no minimum or maximum number of employees who may receive Career Enhancement/Growth steps. There will be no minimum or maximum amount of money the University will spend on the Career Enhancement//Growth program. Decisions about Career Enhancement/ Growth steps shall be made within sixty (60) days of supervisory/ managerial/professorial recommendations.

Either employees or managers may initiate the CEGP application process. All CEGP applications shall be forwarded to the Compensation Office, regardless of approval or denial. If the application has been denied, the reason for the denial must be documented.

The Compensation Office will develop a system to track CEGP applications, grants, and denials. This tracking system will at a minimum capture the job class, department, employee id, the decision to grant or deny, and the documented reason for any denial. If denied, the employee may appeal to the decision-maker's supervisor.

The CEGP application form will be revised to allow the inclusion of up to three letters of recommendation, and record years of experience in the position or field, as well as years of service with the University in the Statement of Qualifications section. The union will have access to this information on request.

The Career Enhancement/Growth program will not be a substitute for reclassifications. Reclassifications will take priority over receiving Career Enhancement/Growth steps such that if an employee qualifies to receive a Career Enhancement/Growth step but could otherwise be reclassified, the employee will be reclassified and will not simultaneously receive the Career Enhancement/Growth step. Career Enhancement/Growth steps shall be considered in calculating salary adjustment associated with promotion and upward reclassification, but in no instance shall a salary in a new position be at a step higher than the highest automatic increment step in the new pay range, except for lateral transfers where there is no mutual agreement not to exceed the highest automatic increment step in the new pay range.

The University agrees to regularly issue University-wide reminders promoting the value of this program.

The parties will utilize the JLM committee to review the CEGP program periodically with the goal to improve standards and accessibility.

The Career Enhancement/Growth program in its entirety is not subject to the grievance procedure (Article 6).

#### 45.7 Market Rate Wage Adjustments.

If market conditions determine that an upward adjustment in one or more economic areas is essential to maintain competitiveness, both the Union and the Employer shall be given the opportunity to raise issues of competitive compensation and propose market adjustments. When the Employer proposes adjustments, the

Union shall be given at least thirty (30) days' notice in advance of the implementation date to negotiate the adjustment.

45.8 Callback Pay (Applicable only to the University-wide Nonsupervisory, Supervisory, and Health Care Professional/Laboratory Technical bargaining units).

When a scheduled work period employee has left the grounds and is called to return to the work station outside of regularly scheduled hours, he/she shall receive two (2) hours bonus pay plus time actually worked. The bonus pay shall be compensated at the regular rate; time worked shall be compensated at time and one-half (1-1/2). Time worked immediately preceding the regular shift does not constitute call back, provided time worked does not exceed two (2) hours or notice of at least eight (8) hours has been given. An employee on standby status called to return to the work station does not qualify for call back pay.

45.9 Standby Pay (Applicable only to the University-wide Nonsupervisory, Supervisory, and Health Care Professional/Laboratory Technical bargaining units).

Scheduled or nonscheduled work period employees required to restrict off-duty activities to be available for duty shall be compensated as follows:

- At a rate of \$1.75 per hour for the University-wide Nonsupervisory, and Supervisory Units, except for those job titles listed in Appendix II, which shall receive the applicable rates.
- At a rate of \$3.00 per hour for the Health Care Professional/Laboratory Technical Unit

Employees who, on the effective date of this Agreement, receive standby pay in excess of those rates shall continue to do so. When called in from standby status, the employee shall receive premium pay (time and one-half [1-1/2] the employee's regular rate) for a minimum work period of two (2) hours. The two (2) hours pay shall not apply unless the employee has left the employer's premises.

45.10 Shift Differential (Applicable only to the University-wide Nonsupervisory, Supervisory, and Health Care Professional/Laboratory Technical bargaining units).

Employees assigned to evening and night shifts shall receive a shift differential as follows:

- University-wide Nonsupervisory, and Supervisory Units: \$1.00 per hour for evening and night shifts, except for those job titles listed in Appendix II, which shall receive the applicable rates;
- Health Care Professional/Laboratory Technical Unit: \$1.50 per hour for evening shift and \$2.25 per hour for night shift.

Evening shift is defined as a majority of time worked daily or weekly between 5:00 p.m. and 12:00 a.m. Night shift is defined as a majority of time worked daily or weekly between 12:00 a.m. and 7:00 a.m. Any classification which receives a

higher shift differential on the effective date of this Agreement shall continue to do so. Shift differential shall be paid for the entire shift which qualifies. When an employee is regularly assigned to an afternoon or evening shift that qualifies for shift differential, he/she shall continue to receive the shift differential during temporary assignment, not to exceed five (5) working days, to a shift that does not qualify.

45.11 Multilingual/Sign Language/Braille Premium Pay. Whenever a classified position has a bona fide requirement for regular use of competent skills in more than one language, and/or sign language and/or Braille, and the need for that skill is specified in the employee's position description, the employee shall receive a premium pay of five (5%) percent above the level normally assigned for that position, except for those instances where the position is allocated to a class that specifies these skills.

If the employee's position is allocated to a class that specifies these skills, the employee will receive a premium pay of five (5%) percent above the level normally assigned for that position only when the employee's position description states that the position has a bona fide requirement for regular use of competent skills in three (3) or more languages in addition to English.

If this requirement is not included in the employee's position description, refusal by the employee to interpret will not result in corrective action.

45.12 Weekend Pay.

- University-wide Nonsupervisory, and Supervisory bargaining units: All hours worked on weekends by employees in applicable job titles shall include a weekend pay premium accordance with Appendix II.
- Health Care Professional/Laboratory Technical bargaining unit: All hours worked on weekends shall include a weekend pay premium of \$1.50 per hour.

45.13 Substitute Lead (Applicable only to the Health Care Professional/Laboratory Technical bargaining unit).

Employees in a non-lead classification who are designated by the employer to assume the lead role in the absence of an employee in a lead classification shall be paid a premium of \$2.00 per hour for all hours worked in the assignment.

45.14 Preceptor.

Surgical Technologists may serve as a preceptor after successfully completing a preceptor workshop or equivalent documented training and agreeing to and being appointed to be specifically responsible for planning, organizing, and evaluating the new skill development of one or more newly hired surgical technologists or perioperative registered nurses. This includes teaching, clinical supervision, role modeling, feedback, evaluation (verbal and written) and follow up of the new or transferring employee. Employees will receive a preceptor premium pay of \$1.50

per hour for all time spent engaged in preceptor role responsibilities with/on behalf of the orienting employees.

**MOU – INTERPRETIVE SERVICES AT UWMC**

1. UWMC recognizes the important role that in-house interpreters play in UWMC Interpretive Services and acknowledges the crucial role in-house interpreters play in many cases with especially high acuity. The appropriate modality of interpretation (in-person, telephonic, video) will be based on patient acuity and need. When in-person interpretation is determined to be the appropriate modality, UWMC in house interpreters will be the first option for service delivery. In-person interpretation shall be assigned, in accordance with APOP 60-1:

a. "An in-person interpreter is likely to be the most effective choice in clinical exception cases, meaning those interactions in which telephonic interpretation would not be effective due to either the physical set up of the care area or the condition of the patient. The main examples of exception cases include when there is an invasive procedure involved, when this is a first encounter for the patient at UWMC, when the patient is deaf or significantly hard-of-hearing, or when the encounter involves active labor, trauma, sedation, confusion, mental anguish, mental health, or a complicated care conference.

Clinical exception cases due to the physical environment include the OR, Labor and Delivery suites, and procedure rooms, where the ambient noise of numerous staff and equipment makes it difficult to hear over a hands-free telephone, and where numerous staff must speak to the patient over a prolonged period of time."

2. The phone number for the Interpreter Services Department is 598-4425. This number will be made available throughout UWMC. Department staff will be available to assist with consultation on patient needs and will schedule all in-person house interpreters.

3. Allocation of work shall be reviewed and discussed on an on-going basis in Joint Labor Management.

4. UWMC Interpretive Services will continue to work with the UW Medicine Telecommunications office regarding improvements to the phone system. The parties will conduct meetings- at least bi-monthly- to provide updates and discussion on improvements to the technical system while this review is ongoing, as well as other Interpretive Services issues.

5. UWMC will determine the difference between Medical Interpreter budgeted FTE and actual work FTE in each language and offer an equitable distribution of the additional FTE in each language. Management will review language volumes/FTE on an ongoing basis to determine changes to demand in each language.
6. Medical Interpreters who have increased FTE as a result of Section 5 shall be restored hours of Vacation, Sick, Holiday hours lost over last three (3) months as a result of FTE assignment realignment.
7. Overtime shall be offered to all qualified interpreters and rotated in each language group to ensure equitable distribution of overtime assignments.
8. Work on special projects and translation shall be distributed transparently to qualified employees and rotated in each language group. Qualification for specific tasks is taken into consideration before seniority in assignment of translation, data projects, and liaison with internal or external groups. Seniority will be taken into consideration in first offer of taking trainings or representing the department at events.
9. UWMC management affirms the right of Interpreters and all employees to be treated with dignity and respect.
10. All agency interpreters doing in-person or telephonic shall be certified/qualified medical interpreters.
11. The department will comply with the collective bargaining agreement concerning travel time, on-call, call back and other work standards.
