This document describes benefits available to faculty as defined in Chapter 21 of the UW Faculty Code. <http://www.washington.edu/admin/rules/policies/FCG/FCCH21.html>.

Insurance

Eligibility

You can become eligible for PEBB insurance benefits in one of two ways:

- 1) If your faculty appointment is quarter-to-quarter, you will become eligible when you start a second consecutive quarter of a 50 percent UW paid appointment. In this case, your coverage begins the first of the month following the beginning of the **second-quarter** appointment.
- 2) If your UW paid faculty appointment is for one quarter only at 50 percent or greater, **and** at any time in the last 12 months you were eligible for a prior quarter's coverage under faculty eligibility rules at UW or another state higher education institution. In this case your coverage will begin the first of the month following the beginning of your quarterly appointment.

Note: Faculty with appointments of quarter-to-quarter or less than 9 months are responsible for providing **quarterly written notice** to each institution's benefits office if you have faculty appointments at one or more state institutions of higher education.

Medical Insurance

Eligible faculty may choose from several health plans, all of which are listed here: <http://hr.uw.edu/benefits/health-insurance/compare-plans>

Medical Flexible Spending Account (Medical FSA)

If you choose a non CDHP medical plan, you have the option to contribute to a tax-exempt Medical FSA. The Medical FSA allows you to save money on eligible health expenses.

Limited Purpose Flexible Spending Account (LFSA)

You can contribute to a LFSA while participating in any medical plan. However, you cannot participate in both a Medical FSA and an LFSA in the same year. The LFSA allows you to save money on eligible dental and vision expenses. <https://hr.uw.edu/benefits/more-ways-to-save/limited-purpose-fsa/>

Dental Insurance

Choose from two managed care plans and one preferred provider plan. Dental premiums for you and your eligible dependent(s) are fully paid by the UW. <http://hr.uw.edu/benefits/health-insurance/plans/dental-plans/>

Vision Insurance

Choose from three Vision plans. Vision premiums for you and your eligible dependent(s) are fully paid by UW. <https://hr.uw.edu/benefits/insurance/health/plans/vision/>

Life, Accidental Death, and Dismemberment Insurance

The University provides each eligible employee with \$35,000 of term life insurance. Options allow employees to design their own coverage by purchasing up to an additional \$1,000,000 in term insurance for themselves as well as coverage for a spouse/partner—in some cases, without evidence of insurability.

Long Term Disability Insurance

The UW pays for your Employer-Paid LTD coverage which provides a 90-day waiting period and a maximum benefit of \$240 per month. Also available is Employee-Paid LTD, which provides a benefit of 60% of your eligible pre-disability earnings after a 90 day waiting period. Learn more about your Employee-Paid LTD options at:

<http://hr.uw.edu/benefits/other-insurance/long-term-disability-insurance/>

Retirement Plan

Faculty with at least a 50 percent UW paid appointment for six or more consecutive months have 30 days from their eligibility date to make a retirement plan election. Choose between the UW Retirement Plan (UWRP) or the state's Teachers' Retirement System (TRS) Plan 3.

UWRP is a Defined Contribution (DC) Plan under Internal Revenue Code (IRC) Section 403(b). Employee contributions are tax-deferred, and the UW matches 100% of those contributions. Contribution levels are:

- 5% of regular earnings: Under age 35
- 7.5% of regular earnings: Age 35 and over
- 10% of regular earnings: Age 50 and over (optional)

TRS Plan 3 is a hybrid "defined benefit" (DB) and DC retirement plan under IRC Section 401(a). Compare the plans:

Voluntary Investment Program

Add to your retirement portfolio with the Voluntary Investment Program (VIP), an optional, unmatched retirement savings plan under Section 403(b) of the federal tax code. Use the VIP to tap into the tax advantages of pre-tax contributions, make Roth after-tax contributions to create a tax-free account for retirement, or use both contribution types. <http://hr.uw.edu/benefits/retirement-plans/optional-retirement-plans/uw-voluntary-investment-program/>

Deferred Compensation Program

Washington State Deferred Compensation Program (DCP) is an additional optional, unmatched retirement savings program under IRC 457(b). New employees will automatically be enrolled in DCP three months after their start date. DCP contributions are deducted pre-tax, and the earnings grow tax-deferred. UW employees may participate in both VIP and DCP in the same tax year at the same time. <http://hr.uw.edu/benefits/retirement-plans/optional-retirement-plans/deferred-compensation>
