

UW Benefits Enrollment Support Schedule

To assist with benefits enrollment in Workday, there will be Zoom presentations with interactive question and answer periods at the end of each presentation. These presentations are optional and will cover the Workday enrollment process. These sessions are not a benefits orientation, they are support for the technical aspect of enrolling in the Workday system.

ZOOM PRESENTATIONS WITH Q&A | 1 HOUR

Registration is required. To attend a benefits enrollment support session, click the Zoom link associated with the date and time you'd like to attend. Follow the Zoom instructions to register, then use the link you are sent via email to attend the presentation.
