PREAMBLE

Pursuant to provisions of RCW 41.80 and in order to establish harmonious employment relations through mutual cooperation, to promote the mission of the University, to recognize the value of employees and the necessary work they perform, to determine wages, hours, and other terms and conditions of employment, and to provide methods for the prompt and equitable resolution of disputes, the parties enter into this Agreement. This Agreement is made and entered into by and between the Board of Regents of the University of Washington, hereinafter referred to as the Employer, and the Washington Federation of State Employees, AFSCME Council 28, AFL-CIO hereinafter referred to as the Union.

Tentatively Agreed To:

For the Union:

ARTICLE 1 – UNION RECOGNITION

1.1 The Employer recognizes the Union as the sole and exclusive bargaining representative in all matters establishing and pertaining to wages and salaries, hours, and working conditions for all employees of the University of Washington in bargaining units certified by the Washington Personnel Resources Board, the Public Employment Relations Commission and/or the Department of Labor and Industries under the jurisdiction of RCW 28B.16 and 41.80. The composition of these units is as set forth in Appendix I of this Agreement – Bargaining Units Represented by the Washington Federation of State Employees.

1.2 The Employer recognizes the exclusivity of the Union as bargaining representative for employees in the bargaining unit. The Employer agrees not to enter into any agreement or contract with bargaining unit employees, individually or collectively, which conflicts with the terms of this Agreement unless the employee(s), Union and Employer specifically agree to such Agreement.

ARTICLE 2 – NON-DISCRIMINATION

2.1 The parties individually agree that they will not engage in any act or practice or pursue any policy which is discriminatory against any employee who may be a qualified disabled individual, has status as a protected veteran (disabled veteran, recently separated veteran, active duty wartime or campaign badge veteran, or Armed Forces service medal veteran), who is a victim of domestic violence, sexual assault or stalking, nor because of their military status, or because of age, sex (except where sex or age is a bona fide occupational qualification), sexual orientation, gender identity or expression, genetic information, pregnancy, political affiliation, political belief, marital status, race, national origin, color, creed, religion, or membership or non-membership in a union. Unlawful harassment is included as a form of prohibited discrimination.

2.2 Sexual Harassment. No employee shall be subjected to discrimination in the form of sexual harassment, currently defined in the University of Washington Policy Directory as the use of one's authority or power, either explicitly or implicitly, to coerce another into unwanted sexual relations or to punish another for his or her refusal, or as the creation by a member of the University community of an intimidating, hostile, or offensive working or educational environment, through verbal or physical conduct of a sexual nature, as defined in University of Washington Executive Order 31 on Nondiscrimination and Affirmative Action.

2.3 Complaints:
Employees who feel they have been the subject of discrimination, harassment, or retaliation are encouraged to discuss such issues with their supervisor, administrator, or Human Resource Consultant for local resolution. The goal of local resolution is to address and resolve problems as quickly as possible and to stop any inappropriate behavior for which a University employee is responsible. A formal complaint may be filed with the University Complaint Investigation and Resolution Office (UCIRO). Employees may also file discrimination, harassment or retaliation complaints with appropriate federal or state agencies or through the grievance process in accordance with Article 6 of this Agreement. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, harassment or retaliation the grievance will be suspended until the internal complaint process has been completed.

In accordance with Executive Order 31, retaliation against any individual who reports concerns regarding discrimination or harassment, or who cooperates with or participates in any investigation of allegations of discrimination, harassment, or retaliation is prohibited.
2.4 The parties also agree that they will not engage in any act or practice or pursue any policy which is discriminatory against any employee based on political affiliation, political belief or because of the participation or lack of participation in union activities.

2.5 Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.

2.6 A grievance alleging a violation of this article must be submitted within 180 days of an alleged occurrence.

2.7 When a grievance or complaint is filed, the University will implement interim measures as appropriate.

ARTICLE 3 - REASONABLE ACCOMMODATION OF EMPLOYEES WITH DISABILITIES

3.1 Disability Accommodation. The Employer and Union will comply with all relevant federal and state laws, regulations and executive orders and with the provisions of the Employer's policy in providing reasonable accommodations. University of Washington Administrative Policy Statement 46.5 on Reasonable Accommodation of Employees With Disabilities. The University and the Union are committed to providing reasonable accommodation to employees with disabilities.

3.2 An employee who believes that he or she suffers a disability and requires a reasonable accommodation to perform the essential functions of his or her position may request such an accommodation through the Disability Accommodation Services Office Request form or otherwise informing the employee's supervisor and/or department of the need for accommodation.

3.3 Employees requesting accommodation must cooperate with the University in discussing the need for and possible form of any accommodation. The Employer may require supporting medical documentation and may require the employee to obtain a second medical opinion at Employer expense. Medical information disclosed to the Employer will be kept confidential.

3.4 The Employer will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided. The Employer will attempt to find opportunities for modified duty that can be offered to employees in lieu of and/or after disability leave. If requests for modified duty are denied, the Employer, upon request, will provide the modified duty options that were considered and reason(s) for denial electronically or in writing.

3.5 An employee who is unable to perform the essential function of his/her position due to disability may be separated from service after the Employer has made good faith efforts to reasonably accommodate the employee's disability in accordance with applicable state and federal law. Disability separation is not a corrective action.

3.6 Disability Leave. Disability leave may be a combination of the employee's accrued sick leave, vacation leave, personal holiday, compensatory time, and/or leave without pay, the combination of which may be determined by the employee. If disability leave is taken as an leave without pay, the employee may apply eight (8) hours of accrued paid leave time off per month during at least the first four (4) months of disability leave to provide for continuation of employer paid health benefits. The interspersed paid leave time off will be applied to the first working day of the month. Periods of disability leave covered by the FMLA shall be deducted from the four (4) month period of eligibility to intersperse paid leave.
3.7 Pregnancy Accommodation. The Employer and the Union will comply with all relevant federal and state laws, regulations, and executive orders and with the provisions of Washington Administrative Policy Statement 46.7 Reasonable Accommodation of Pregnant Employees. The University and the Union are committed to providing reasonable accommodation to pregnant employees.

A. The following pregnancy-related accommodations shall not require health care provider certification and are not subject to an employer's claim of undue hardship:
1. Providing more frequent, longer, or flexible restroom breaks;
2. Modifying a no food or drink policy;
3. Providing seating or allowing the employee to sit more frequently if her job requires her to stand; and
4. Restricting lifting to 17 lbs. or less.

B. An employee's pregnancy or pregnancy-related health condition may also be accommodated as follows:
1. Job restructuring, part-time or modified work schedules, reassignment to a vacant position, or acquiring or modifying equipment, devices, or an employee's work station;
2. Providing for a temporary transfer to a less strenuous or less hazardous position;
3. Providing assistance with manual labor and limits on lifting;
4. Scheduling flexibility for prenatal visits; and
5. Any further pregnancy accommodation an employee may request.

With respect to these accommodations, the University may request an employee provide written certification from her treating health care provider regarding the need for reasonable accommodation and may deny an employee's request for reasons of significant difficulty or expense.

ARTICLE 4 – WORKPLACE BEHAVIOR

The Employer and the Union agree that all employees should work in an environment that fosters mutual respect and professionalism. The parties agree that inappropriate behavior in the workplace does not promote the University's business, employee well being, or productivity. All employees are responsible for contributing to such an environment and are expected to treat others with courtesy and respect.

Inappropriate workplace behavior by employees, supervisors and/or managers will not be tolerated. At no time will bullying be accepted as appropriate workplace behavior. Bullying is defined as language or conduct that is unwelcome and sufficiently severe, persistent, or pervasive such that it could reasonably be expected to create an intimidating, hostile, or offensive environment, or has the purpose or effect of unreasonably interfering with an employee's work performance, when viewed through both an objective and subjective standard. If an employee and/or the employee's union representative believes the employee has been subjected to inappropriate workplace behavior, the employee and/or the employee's representative is encouraged to report this behavior to the employee's supervisor, a manager in the employee's chain of command and/or the Human Resources Office. An employee or the employee's representative should identify complaints as inappropriate workplace behavior. The Employer will investigate the reported behavior and take appropriate action as necessary. The employee and/or union representative will be notified upon conclusion of the investigation.

Retaliation against employees who make a workplace behavior complaint will not be tolerated.

Grievances may be filed up to Step 3 Mediation.

ARTICLE 5 – AFFIRMATIVE ACTION

5.1 Policies. In conjunction with Federal and State Executive Orders, the Employer and the Union agree on the need for an affirmative action approach to correct and review any inequities in the employment process. The Employer shall have and implement an affirmative action plan which requires the Employer to make special efforts to recruit, employ, retain, train, promote, encourage career development, and transfer qualified members of groups formerly excluded, even if that exclusion cannot be traced to particular discriminatory actions on the part of the Employer, and to develop, implement, and monitor affirmative action goals and timetables for hiring and/or promoting members of protected groups into job classes/categories where it has been determined that under-utilization exists.

5.2 Groups included in the affirmative action program are those covered by federal and state regulations, and are currently women, American Indians, Asian/Pacific Islanders, Blacks, Hispanics/Latinos, Vietnam era veterans, disabled veterans, persons with disabilities and persons 40 years of age and older.

5.3 Goals and Timetables. Upon request the Employer will provide the Union with its affirmative action reports which set forth the goals and timetables of the University for bargaining unit employees.

5.4 It is agreed by the parties that a bargaining unit member elected or selected by the Union shall be encouraged to take an active interest in affirmative action plans affecting each bargaining unit covered by this Agreement.

ARTICLE 6 – GRIEVANCE PROCEDURE

The Union and the Employer agree that it is in their best interest to resolve disputes at the earliest opportunity and at the lowest level. Whenever possible, disputes should be resolved informally prior to filing a formal written grievance. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

6.1 Definition. A grievance, within the meaning of this Agreement, shall be defined as any dispute between the University and the Union, an employee, or a group of employees as to alleged misapplication or misinterpretation of the terms of this Agreement or the Employer’s written personnel rules, policies or practices.

6.2 Employee Grievance Rights. Any employee who believes he/she/they has/have been aggrieved may personally seek relief from that condition by filing a grievance, irrespective of any supervisor’s opinion of the grievance’s validity. In the presentation of grievances, the employees shall be safe from restraint, interference, discrimination, or reprisal.

6.3 Employee Representation. The Union as exclusive representative of bargaining unit employees is the responsible representative of said employees in grievance matters.

6.4 Time Limitations.
An extension of the time limitations as stipulated in the respective steps below, may be obtained by mutual consent of the parties. Failure of the union to comply with the time limitations without a request of time extension shall constitute withdrawal of the grievance. Failure of the Employer to comply with the time limitations without a request for time extension shall move the grievance to the next step of the grievance procedure. For the purpose of calculating time requirements, the first day shall be the day following the day on which the employee was aware, or reasonably should have been aware, of the issue giving rise to the grievance. Saturdays, Sundays, and University holidays shall be included in the calculation of days except that the final day may not be on a Saturday, Sunday, or holiday but will end at the close of the first working day following the Saturday, Sunday, or holiday.

6.5 Contents. The written grievance shall include the following information:
   a. The date upon which the grievance occurred.
   b. The specific Article(s) and Section(s) of the Agreement violated.
   c. The past practice, rule, policy violated.
   d. Specific remedy requested.
   e. The grievant(s) name.
   f. Name and signature of Union representative (Staff or Steward).
   g. The nature of the grievance.
Failure to include the above information shall not be a reason for invalidating the grievance.

6.6 Pay Status — Meetings. Meetings and discussions on the grievance held with the Employer in connection with this grievance procedure shall normally be held during the University’s regular business hours, or as mutually agreeable, and no deduction in pay status shall be made for the grievant or steward for reasonable time spent in such meetings or discussions during the employee’s scheduled duty hours. The work schedule of the grievant will be seriously considered in the scheduling of the grievance meetings. Time off for employees and stewards shall be granted by supervision following a request, but in consideration of job responsibilities. If the requested time off cannot be granted, the parties shall arrange for time off at the earliest possible time thereafter.

6.7 Grievance Withdrawal. A grievance may be withdrawn by the Union in writing at any time, and if withdrawn shall not be resubmitted.

6.8 Resolution
If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

6.9 Consolidation
Grievances arising out of the same set of facts may be consolidated by written agreement.

6.10 Filing and Processing
a. Filing A grievance must be filed within thirty (30) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence. When possible the thirty (30) day periods above should be used to attempt to informally resolve the dispute. The union steward or staff representative will indicate when a discussion with the Employer is an attempt to informally resolve a dispute.

1) A grievance involving only Article 47 Contracting must be filed within sixty-forty five (4560) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence. The sixty-forty five (4560) day periods above must be used to attempt to informally resolve the dispute.

b. Alternative Resolution Methods Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.
c. Processing The Union and the Employer agree that in-person meetings are preferred at all steps of the grievance process and will make efforts to schedule in-person meetings, if possible.

6.11 Steps of the Grievance Procedure. All grievances shall be processed in accordance with the following procedure. Upon mutual agreement, Step One, Two or Three may be skipped. Grievances over final counseling or dismissal will begin at Step Two. If either the Union or the Employer elects to skip Step One when a group grievance (five (5) or more grievants) is filed, Step One will be skipped and the grievance will be moved to Step Two.

Step One: Supervisor, Manager or Designee
If the issue is not resolved informally, the Union may file a written grievance to the supervisor or designee, and the Labor Relations office (laborrel@uw.edu). The Employer will designate a supervisor, manager or designee who will meet in person or confer by telephone with a union steward and/or staff representative and the grievant. The date of the meeting will be mutually agreed upon within fifteen (15) calendar days of receipt of the grievance and when possible the meeting will take place within the aforementioned fifteen (15) calendar days. The format (face to face or by telephone) for the meeting will be by mutual agreement. The employer will respond in writing to the Union within fifteen (15) calendar days after the meeting. The Human Resources Consultant may also attend, if desired by the University. If the grievance is directed against the employee's immediate supervisor, the grievance may be presented to the next higher level of supervision. In the event the employee's immediate supervisor does not have authority to resolve the grievance, the grievance will be presented at the level having authority to act as determined by the Employer.

Step Two: If a satisfactory settlement is not reached in Step One, said grievance may be moved to the Step Two by filing the written grievance, including a copy of the Step One decision to department head, designee, or to the next appropriate level of management and the Office of Labor Relations within fifteen (15) calendar days after the decision from Step One. The date of the meeting will be mutually agreed upon within fifteen (15) calendar days after notice of the filing at Step Two and when possible the meeting will take place within the aforementioned fifteen (15) calendar days. The grievant may be represented by a steward and a Union staff representative. The University will be represented by the appropriate management official(s) or designee(s), a representative from the Office of Labor Relations, and a Human Resources Consultant, if desired by the University. The University will respond in writing within fifteen-thirty (30-45) calendar days after the meeting.

Step Three: Grievance Mediation. If the grievance is not resolved at the Step Two, the Union may file a request for mediation with the Public Employment Relations Commission (PERC) in accordance with WAC 391-55-020, with a copy to the Labor Relations Office within thirty (30) days of receipt of the Step Two decision. In addition to all other filing requirements, the request must include a copy of the grievance and all previous
responses. The Employer will inform the Union, in writing, and PERC within thirty (30) days of receipt of Mediation request if they are not in agreement. If those services are unavailable on a timely basis, the parties may request a list of grievance mediators from the Federal Mediation and Conciliation Service (FMCS) or other agreed upon mediation provider. The cost of the mediation shall be borne equally by both parties.

Step Four: Arbitration. If a satisfactory settlement is not reached at the prior step, or the step was skipped, either of the signatory parties to this Agreement may submit the grievance to binding arbitration. Such submittal must be made within thirty (30) calendar days following the written notice that the employer does not agree to Step Three (3) Mediation or the conclusion of the prior step.

Panel of Arbitrators:
A. Within sixty (60) calendar days of the execution of the Agreement, the parties, SEIU 925, WFSE 1488, and the Employer, agree to meet to establish a permanent panel of six (6) arbitrators. If the parties do not meet or if there is no agreement on the panel, the current panel will remain.

B. These arbitrators shall be assigned cases by the parties on a rotating basis. If the arbitrator is not available to hear the case within sixty (60) calendar days of being contacted to request available arbitration dates either party may elect to go to the next arbitrator in the rotation. If no arbitrator can hear the case within sixty (60) calendar days of being contacted, the case will be assigned to the arbitrator who can hear the case on the earliest date.

C. The appointment to the panel will be for the life of the Agreement. If an arbitrator decides to remove his/her/their name from the panel the parties will meet to decide whether to substitute an additional name(s).

No later than seven (7) working days prior to the scheduled arbitration meeting, the parties will submit questions of arbitration eligibility to the arbitrator for preliminary determination, share the name of each witness intending to testify at the hearing, and attempt to agree upon the issue statement. A copy of written materials submitted to the arbitrator will be provided to the opposing party.

If either party raises an issue of procedural arbitrability, i.e. that any step of the grievance process or movement to arbitration was not pursued within the time limits proscribed in this article, the arbitrator shall make a determination on the arbitrability issue prior to proceeding to a hearing on the merits of the grievance. If the arbitrator determines the grievance is not arbitrable, then no hearing on the merits of the grievance will be held.

Authority of the Arbitrator
The parties agree that the arbitrator shall have no power to render a decision that adds to, subtracts from, alters or modifies in any way the terms and conditions of the Agreement. The parties further agree that the decision of the arbitrator will be final and
binding upon all parties.
The Union or the Employer will have the right to request the arbitrator to require the
presence of witnesses and/or documents. The arbitrator's decision shall be made in
writing and the arbitrator shall be encouraged to render the decision within thirty (30)
calendar days of the close of the arbitration.

In cases where a grievance is moved to arbitration and the Employer did not agree to
Step Three: Grievance Mediation, either party may request a pre-arbitration settlement
conference. These conferences shall not delay the arbitration process, and may be held
with or without the presence of the arbitrator, at the option of the moving party. In the
event that an arbitrator is present, the cost of the arbitrator’s participation shall be borne
equally by the parties.

6.12 Arbitration Costs
1. The fees and costs of the arbitrator, and the cost (if any) of the hearing room,
will be shared equally by the parties.

2. If the arbitration hearing is postponed or canceled because of one party, that
party will bear the cost of the postponement or cancellation. The costs of any
mutually agreed upon postponements or cancellations will be shared equally by
the parties.

3. If either party desires a record of the arbitration, a court reporter may be used.
If that party purchases a transcript, a copy will be provided to the arbitrator free of
charge. If the other party desires a copy of the transcript, it will pay for half of the
costs of the fee for the court reporter, the original transcript and a copy.

4. Each party is responsible for all fees and costs of its staff representatives,
attorneys, experts, witnesses—and all other costs related to the development and
presentation of their case. Every effort will be made to avoid the presentation of
repetitive witnesses.

6.13 Files. Grievance documents shall be maintained separately from employee
personnel files. Employee personnel files will accurately reflect the final outcome
of a grievance.

7.1 Representation

Upon request, an employee will have the right to representation at an investigatory meeting, requested by management in which he/she, the employee reasonably believes could lead to corrective action. Upon request, an employee will have the right to an interpreter at an investigatory meeting. The employer will provide reasonable time to allow an employee to secure a representative. The exercise of this right will not unreasonably delay or postpone a meeting. Except as otherwise specified in this Agreement, representation will not apply to discussions with an employee in the normal course of duty, such as giving instructions, assigning work, informal discussions, delivery of paperwork, staff or work unit meetings or other routine communications with an employee.

7.2 Paid Release Time

Employees will be provided a reasonable amount of time during their normal working hours to meet with the union steward and/or staff representative to process a grievance. In addition, employees will be released during their normal working hours to attend meetings or hearings scheduled by management for the following:

Every effort will be made to avoid the presentation of repetitive witnesses.

7.4 Notification

An employee will obtain prior approval from his or her supervisor before attending any meeting or hearing. All requests must include the approximate amount of time the employee expects the activity to take. Employees will suffer
no loss in pay for attending management scheduled meetings and hearings that 
are scheduled during the employee's work time. Attendance at meetings or 
hearings during the employee's non-work hours will not be considered as time 
worked. An employee cannot use a state vehicle to travel to and from a worksite 
in order to attend a meeting or hearing unless authorized by the Employer.

7.5 Indemnification.
The University will indemnify employees for activities arising out of their 
employment in accordance with University policy.

7.6 Off the Job Activities.
The private and personal "off the job" lifestyle and activities of any employee shall 
not be legitimate grounds for corrective action initiated by Management except 
where such life style or activities, constitute a conflict of interest as set forth in 
RCW 42.18 or are detrimental to the employee's work performance.

7.7 Off Duty Employment.
Employees may engage in off duty employment that is consistent with University 
policy and state law.

ARTICLE 8 – EMPLOYEE FACILITIES

8.1 Adequate lunchroom, washroom and toilet facilities shall be provided and available for the use of the employees. Suitable dressing rooms and/or lockers shall be provided to employees in those occupations where a change of clothing is required by the Employer.

(a) Employees are encouraged to report to supervision any condition in employee facilities which appear to be below minimum standards.

(b) The adequacy of employee facilities, including sanitary supply dispensers for employees, lactation stations, all gender bathrooms, or any change in employee facilities, shall be a proper subject for discussion by the Joint Union-Management Committee.

(c) Regarding the use of Gender Segregated Facilities:

(1) Facility use. The Employer shall allow individuals the use of gender-segregated facilities, such as restrooms, locker rooms, and dressing rooms that are consistent with that individual's gender expression or gender identity.

In such facilities where undressing in the presence of others occurs, the Employer shall allow access to and use of a facility consistent with that individual's gender expression or gender identity.

(2) Cannot require use inconsistent with gender expression or gender identity. The Employer shall not request or require an individual to use a gender-segregated facility that is inconsistent with that individual's gender expression or gender identity, or request or require an individual to use a separate or gender-neutral facility.

(3) If another person expresses concern or discomfort about a person who uses a facility that is consistent with the person's gender expression or gender identity, the person expressing discomfort should be directed to a separate or gender-neutral facility, if available.

Any action taken against a person who is using a restroom or other gender-segregated facility, such as removing a person, should be taken due to that person's actions or behavior while in the facility, and must be unrelated to gender expression or gender identity. The same standards of conduct and behavior must be consistently applied to all facility users, regardless of gender expression or gender identity.
(4) Provision of options encouraged. Whenever feasible, the Employer will provide options for privacy, such as single-use gender-neutral bathrooms or private changing areas that are available to any individual desiring privacy.

ARTICLE 9 – HOURS OF WORK AND WORK SCHEDULES

9.1 General

a. Hours of work for employees in the bargaining units listed in Appendix I shall be established by the Employer.

b. Overtime may be assigned outside normally scheduled shifts and will be compensated in accordance with Article 10.

9.2 Definitions

a. Full-time Employee. An employee scheduled to work forty (40) hours per week in a seven (7) day period; or designated hospital personnel scheduled to work eighty (80) hours in a fourteen (14) day period.

b. Part-time Employee. An employee scheduled to work a minimum of twenty (20) hours per week but less than forty (40) hours per week in a seven (7) day period; or designated hospital personnel scheduled to work more than forty (40) hours but less than eighty (80) hours in a fourteen (14) day period. Part-time employees shall receive all benefits of employment on a pro-rata basis, except health benefits coverage that is determined by the state.

c. Work Shift. The hours an employee is scheduled to work each workday in a workweek.

d. Workday. One of seven (7) consecutive, twenty-four (24) hour periods in a workweek.

e. Work Schedules. Workweeks and work shifts of different numbers of hours may be established by the Employer in order to meet business and customer service needs, as long as the work schedules meet federal and state laws.

9.3 Rest, Meal and Clean-up Periods

Rest, Meal and Clean-up Periods will be scheduled by the supervisor as follows:

a. Rest Periods. The Employer and Union agree to rest periods that vary from and supersede the rest periods required by WAC 296-126-092. Employees will be provided paid 15-minute rest periods for every four (4) hours worked. No employee will be required to work more than three consecutive hours without a rest period. Rest Periods do not require relief from duty; however, it is the employer’s intention to provide uninterrupted rest periods. Employees must take scheduled rest periods. Where the nature of the work allows employees to take intermittent rest periods equivalent to 30 minutes within an 8-hour period, a scheduled rest period is not required. Rest periods may not be used for late arrival or early departure from work.
b. **Unpaid Meal Period.** The Employer and Union agree to unpaid meal periods that vary from and supersede the unpaid meal period requirements required by WAC 296-126-092. Employees will be provided with one unpaid meal period of at least 30 minutes during any shift that exceeds five hours in length. When an employee’s unpaid meal period is interrupted by work duties, the employee will be allowed to resume his or her unpaid meal period following the interruption, if possible, and to complete the 30-minute unpaid meal period. In the event the employee is unable to complete the 30-minute unpaid meal period due to operational necessity, the employee shall be entitled to appropriate compensation to be computed based on the actual number of minutes worked within the 30-minute unpaid meal period.

An employee whose shift is extended at least three (3) hours longer than a normal workday will be entitled to another 30-minute unpaid meal period. This second meal period must be given within five (5) hours from the end of the first meal period and for each five (5) hours worked thereafter. If the Employee chooses to waive the overtime meal period requirements, he/she will do so in writing.

c. **Paid Meal Period.** The Employer and Union agree to paid meal periods that vary from and supersede the paid meal period required by WAC 296-126-092. Employees working straight shifts will not receive a paid meal period, but will be permitted to eat intermittently during paid time as time allows during their shift while remaining on duty.

d. **Clean-Up Time.** Reasonable time for clean-up may be allowed at the end of the shift as determined necessary by the Employer (at the department level).

e. **Employee health and safety will be considered when scheduling rest, meal, and clean-up periods.** Employees may not alter their scheduled rest or meal periods without supervisor approval. Employees who are unable to take scheduled rest or meal periods must report to their supervisor as soon as possible.

9.4 **Work Schedules.** The Employer will assign a work schedule to each employee.

a. Scheduled work periods, within which there are two (2) work schedules:

(1) **Regular Work Schedule.** The regular work schedule for full-time employees shall consist of five (5) consecutive and uniformly scheduled eight (8) hour days in a seven (7) day period, with two (2) consecutive days off. Uniformly scheduled means a daily repetition of the same working hours and a weekly repetition of the same working days.

(2) **Alternative Work Schedule.** An alternate forty (40) hour work schedule (other than five (5) uniform and consecutive eight (8) hour days in a seven (7) day period), or for hospital personnel an eighty (80) hour workweek in a fourteen (14) day period and other mutually agreed upon schedules that
comply with applicable federal and state law. Employee work schedules normally include two (2) consecutive days off.

b. **Nonscheduled Work Period.** Positions for which the hours (shift length, shift times and workdays) cannot be regularly scheduled.

c. **Part-time Work Schedule.** This is any deviation from any full-time schedule which includes twenty (20) hours or more per week but less than forty (40) hours per week in a seven (7) day period; or for designated hospital personnel forty (40) or more hours and less than eighty (80) hours in a fourteen (14) day period. Employee work schedules will normally include two (2) consecutive days off.

d. The Union may propose other alternative schedules through the Joint Union/Management Committees.

**9.5 Shift/Schedule Assignment Notification.**

a. The Employer agrees to provide as much notice as possible but no fewer than fourteen (14) calendar days notice to an employee in the event of an Employer-directed permanent change in the employee’s work shift assignment or work schedule, with the day of notification constituting the first day of notice. A shorter notification period may be used with the concurrence of the employee(s) impacted.

b. For temporary changes in work schedule assignment occurring within the employee’s assigned workweek, the Employer will provide two (2) calendar days notice, with the day of notification constituting the first day of notice. For emergency reasons, lack of work, an existing safety hazard to the employee or others, or mutual agreement between the Employer and employee, the Employer may temporarily change an employee’s schedule with fewer than two (2) calendar days notice. Temporary is defined as no longer than one (1) week. Temporary shift changes within the workweek shall not be employed to avoid the accrual of overtime.

d. **The assignment of employees in various shifts within each work group or department shall be determined by the Employer.** Provided that when qualifications are substantially equal and all other considerations are the same in the judgment of the employing department, seniority will be the tie-breaker in determining shift assignment for Employer required changes. This criterion does not apply to positions deemed by the Employer to require a rotational shift. **Employees will be allowed to bid on vacant shifts by department seniority in accordance with departmental policy/procedure. Bids may be restricted to the employee’s work unit.**

d. In accordance with present and past practice, it is understood that employees in certain departments are on alternative work schedules and/or part-time schedules by reason of operational necessity and employee convenience.
Such assignments/practices shall be recognized. When the Employer develops a new alternative work and/or teleworking/commuting schedule that affects two (2) or more employees, it will be done with the approval of a majority of the employees affected or informing the Union of these changes and holding a meeting, if requested, before any changes are made.

9.6 Telework/Commute. Requests for teleworking/commuting will be considered in accordance with University and/or departmental policy.

ARTICLE 10 – OVERTIME

10.1 Overtime work must be approved in advance by the Employer and shall be paid at a rate of one and one-half (1-1/2) times the employee's straight time hourly rate. Employees qualify for overtime compensation under the following conditions:

a. Any one of the following constitutes overtime:

(1) Work in excess of the daily work shift for full-time employees or part time scheduled employees assigned to scheduled work period positions;

(2) Work in excess of forty (40) hours in one (1) work week performed by overtime-eligible employees assigned to scheduled or nonscheduled work period positions; or

(3) For hospital personnel assigned to a fourteen (14) day schedule, work in excess of eight (8) hours in a twenty four (24) hour period or eighty (80) hours in a fourteen (14) day period.

b. Employees assigned to excepted work period positions normally do not qualify for overtime pay. Positions exempt from overtime are listed in Appendix III. Under circumstances in which the employee is directed to work an excessive amount of overtime, the Assistant Vice President of Human Resources Director may authorize additional compensation in cash or compensatory time off not to exceed one and one-half times the employee's regular rate. The employee may petition the Assistant Vice President of Human Resources Director for compensation of the directed overtime.

10.2 All time that the employee is in a pay status, such as sick leave or annual leave, shall be used for purposes of calculating the work day and work week.

10.3 Compensatory Time:

Overtime work must be approved in advance by the Employer and shall be paid at a rate of one and one-half (1-1/2) times the employee's straight time hourly rate. Overtime hours shall be compensated on a salary payment basis, unless the employee requests and is granted compensatory time off, (at the rate of one and one-half (1-1/2) times the hours worked) in lieu of pay. Such compensatory time off shall be scheduled at a time which is mutually acceptable to the employee and the supervisor. In general, employees shall be allowed to take requested compensatory time off unless it causes staffing to fall below a minimum staffing level as determined by the Employer.
B. Compensatory Time Cash Out:

If compensation is paid to an employee for accrued compensatory time, such compensation shall be paid at the regular rate earned by the employee at the time the employee receives such payment. Upon termination of employment, an employee will be paid for any unused compensatory time in accordance with the Fair Labor Standards Act.

All compensatory time must be used by June 30th of each year. The employee's compensatory time balance will be cashed out every June 30th or when the employee leaves University employment for any reason. The employee's compensatory time balance may be cashed out when the employee:

1. Transfers to a position in his or her department with different funding sources or,
2. Transfers to a position in another department.

10.4 Whenever overtime work is required, supervision shall determine the employees needed to work such overtime on the basis of their qualifications and availability. Overtime shall be distributed as equally as possible among the qualified and available employees.

For Public Safety Officers: The employer will ask for volunteers from the officers currently on shift or scheduled to come in for the next shift before mandatory overtime is assigned.

10.5 A record of overtime hours worked by each employee shall be kept by the Employer and such record of overtime may be reviewed upon request by the Union.

10.6 All reported exception time worked will be paid in accordance to RCW 42.16.010.

ARTICLE 11 – TRAINING AND PROFESSIONAL DEVELOPMENT

11.1 The Employer will develop and maintain an employee training and development plan and provide such plan to the Union upon request. Staff training is intended to provide an opportunity for classified staff employees for training sponsored by the University Training and Development and the UW Medical Centers Organizational Development and Training. Education/Professional Leave is intended to facilitate employee access to continuing education opportunities. Training and educational/professional leave may be used for the purpose of improving job performance, maintaining and increasing proficiency, preparing staff for greater responsibility, or increasing promotional opportunities within the framework of staff positions available at the University.

11.2 Any release time for training for employees accepted for such classes shall be in accordance with the Executive Order (currently No. 52) governing this matter. In the event that two or more employees request the same training period and supervision must limit the number of persons who may participate at one time due to work requirements, the selection will be made on a mutually agreeable basis within the department.

11.3 The training program is a proper subject for discussion by either departmental or University-wide Joint Union/Management Committees.

11.4 If the Employer requires an employee to receive training, reimbursement will be provided in accordance with the University travel rules. Employee attendance at Employer required training, either during or outside working hours, will be considered time worked and compensated in accordance with the provisions of this Agreement.

11.5 Employee attendance at training not required by the Employer and not covered by Executive Order 52, either on approved leave from or outside of working hours, will be voluntary and not considered time worked.

11.6 Training – Layoff. Employees on layoff status are eligible to participate on a space available basis in Training and Development sponsored programs if they pay the costs associated with their attendance (e.g. materials).

11.7 Educational/Professional Leave. For Surgical Technologists and Hospital Central Services Technicians who have completed their probationary period, up to three (3) days, pro-rated for part-time, of paid release time shall be granted annually for each employee for educational/professional leave.

11.8 Education Support Funds. For Surgical Technologists and Hospital Central Services Technicians, $200.00 per FTE, pro-rated for part-time, per fiscal year shall be made available to fund continuing education.

ARTICLE 14 – HIRING, APPOINTMENTS, PROMOTIONS, AND TRANSFERS

14.1 An employee will attain permanent status in a job classification upon his or her successful completion of a probationary, trial service or transition review period.

Probation.

A. Every part-time and full-time employee, following his or her initial appointment to a permanent position, will serve a probationary period of six (6) consecutive months. The Employer may extend the probationary period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months. Employees will be provided with a written explanation for the extension. If the extension is based on performance issues, the employee will receive a performance improvement plan. Extension of probation period shall not be a normal practice.

B. Permanent employees at the University of Washington shall not be required to complete another probationary period.

C. The Employer will extend an employee’s probationary period, on a day-for-a-day basis, for any day(s) that the employee takes paid time off, leave without pay, or shared leave, except for leave taken for military service. For the purpose of calculating the completion date, an employee’s probationary period shall not end on the employee’s regularly scheduled weekend off or a scheduled holiday off. In those instances the completion date will be the next scheduled work day.

D. By mutual agreement, the probationary period for additional selected classes may be established for a period in excess of six (6) months but not to exceed twelve (12) months.

E. Employees in probationary status will earn seniority from their initial date of hire but may not exercise seniority rights until completion of the probationary period. Probationary employees are not eligible for layoff or rehire rights.

F. An employee who is appointed to a different position in a different classification prior to completing his or her initial probationary period will serve a new probationary period. The length of the new probationary period will be in accordance with Subsection 14.1(A), unless adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than six (6) consecutive months.

G. Probationary Period Rejection. The Employer may reject an employee who has not completed a probationary period. Upon request by the employee, a meeting to explain such action shall be held with a representative of the Employer. At the request of the employee a representative of the Union shall attend such meeting.
Such rejection is not subject to the grievance procedure, except in cases involving discrimination, under Article 2.

14.2 The Employer may convert a non-permanent appointment into a permanent appointment if the Employer used a competitive process to fill the non-permanent appointment or if the non-permanent appointment was filled using a veteran placement program. In such circumstances the employee will serve a probationary or trial service period whichever is applicable.

14.3 Filling Positions. The University will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification. The University can fill a position on a full-time or part-time basis. Employees who are appointed as part-time or cyclic in classifications included in the WFSE bargaining units will also be included in the bargaining unit in accordance with the provisions of this Agreement. They will be eligible to receive medical benefits and retirement in accordance with state law and University policy.

Volunteers. Volunteers will not fill vacant bargaining unit positions.

14.4 Types of Appointments.

a. Regular Appointments for positions scheduled to work twelve (12) months per year.

b. Cyclic Appointments for positions scheduled to work less than twelve (12) full months each year due to known, recurring periods in the annual cycle when the position is not needed or due to known budgetary restraints.

(1) At least fifteen (15) calendar days before the start of each annual cycle, incumbents of cyclic positions will be informed in writing of their scheduled periods of leave without pay in the ensuing annual cycle. Such leave without pay will not:

(a) Constitute a break in service and will not be deducted from the employee’s length of service in granting periodic increments.

(b) Be considered when computing the employee’s vacation leave accrual rate.

(2) Work During the Cyclic Leave of Absence:

(1) When additional work is required of a cyclic position during a period of which the position was scheduled for leave without pay, the temporary work will first be offered to the incumbent. The incumbent will be allowed at least three (3) working days in which to accept or decline the offer.
When additional pre-scheduled work is available during the leave without pay period that is declined or cannot be completed by the incumbents, the work will be offered to Cyclic Appointment employees prior to internal employees, students, or external candidates. The work will be offered in the following order, based on seniority:

(a) Cyclic Appointments in the same job classification.

(b) Cyclic Appointment in different job classifications with the desired and abilities essential skills to perform the work.

**Compensation:**
Employees who elect to accept work in a different job classification will be compensated at the rate of pay of the position they have accepted. However, if an employee accepts work in a lower classification and their current rate of compensation falls within the pay range for that classification, they will maintain their current rate of pay within the lower classification.

**Accrual:** Employees working during a cyclic leave of absence will accrue paid time off prorated based on regular hours worked and paid time off used in a month.

Both the Employer and the Union are encouraged to utilize the Joint Union Management Committee process to resolve problems/concerns related to the cyclic leave without pay assignments.

**Fixed Duration** appointments may be made for assignments initially intended to be for more than one thousand fifty (1050) hours, but for no more than twelve (12) consecutive months. Consecutive appointments that total more than twelve (12) consecutive months will not be made for the same assignment. The filling of fixed duration appointments will be determined by the University. Individuals hired under this section will receive written notification of the maximum length of the appointment and the eligibility for benefits. Conclusion of the appointment will be at the discretion of the University, including termination of appointments prior to its originally intended expiration date, and will not be subject to Article 6 (Grievance Procedure) and Article 38(Seniority, Layoff, Rehire) of the contract. Fixed duration appointments will not be made to replace current employees or to do the work of any employee who has been laid off. Fixed duration appointments may only be used to fill leave of absences and/or temporary projects; they may not be used to fill permanent positions. Time worked in a fixed duration appointment will count towards seniority for employees who are appointed to a classified position without a break in service. Employees on a fixed duration appointment will be considered non-bargaining unit applicants when applying for bargaining unit positions and will be marked as internal applicants.
(a) An individual appointed to a Fixed Duration Appointment who is hired into the same job, in the same unit through open recruitment will have their Fixed Duration Appointment months of service apply toward their probationary period for that position.

(b) Employees recruited into positions under section (a) who have worked in the Fixed Duration Appointment six (6) months or longer will be considered to have completed their probationary period and all months of service under that Fixed Duration Appointment (including extensions) will count toward their seniority.

14.6 Temporary Appointment.
Temporary appointment may be made only to (a) perform work in the absence of an employee on leave for more than six (6) consecutive months or (b) perform work which does not exceed one thousand fifty (1050) hours in any twelve (12) consecutive month period. At the conclusion of a temporary appointment a permanent employee shall have the right to revert to his/her former position or to an equivalent position. No temporary appointment shall take the place of employees laid-off due to lack of work or lack of funds. The Employer may end a temporary appointment at any time and such decision is not subject to the grievance procedure.

Other Assignments.
Except as otherwise provided in this Agreement, duties assigned an employee shall be consistent with the overall class concept of the employee’s job classification.

14.6 Promotions and Transfers
It is the policy of the University to encourage job advancement and promote from within. It is the responsibility of each employee seeking promotion or transfer to provide the Employer with complete information regarding the employee’s skills and qualifications relative to the position sought. The Employer will make the application process, necessary submittals and the essential skills of the vacant position clear to prospective applicants. All employees will be informed of the processes and steps necessary for advancement. This may be done as part of the annual performance evaluation.

A. Definitions. For the purpose of this Article the following definitions apply:
1) Promotion – Movement to a position in a job class with a higher salary range maximum.
2) Transfer – Movement to a position within another department in the same classification.
3) Lateral Movement – Movement of employee to a position in a different another class which has the same salary range maximum as the employee’s current class.
4) **Voluntary Demotion** – Movement to a position with a lower salary maximum, where the position is attained through the employment process. This section does not apply to employees who demote as part of corrective action.

14.7 Upon request, department heads will share with designated Union representatives information about classified positions within the bargaining unit which are purportedly being abolished or held unfilled.

14.8 Cyclic year employees who have indicated a desire for a twelve month position will be considered for twelve (12) month positions available within their work unit so long as they comply with the requirements of the application process.

14.9 Notice that applications are being accepted for vacant bargaining unit positions will be published by the Employer and will be made available in places intended to reach bargaining unit employees for a minimum of seven (7) calendar days prior to the closing of the application period. The University may limit the scope of the posting area if applications only from within the posting area are accepted.

14.10 It is the intent of the Employer to fill vacancies as soon as possible within budgetary limitations and where replacements are needed.

14.11 A. The Employer will determine if applicants possess the essential skills required of the position. Essential skills are the minimum qualifications listed in the job description for the classification and any specific position requirements. Consistent with its current practices, the Employer will refer to the appropriate hiring authority all current bargaining unit applicants possessing the essential skills prior to referring any non-bargaining unit applications. Where the skills, abilities and experience of the vacant position applicants are considered equal, the Employer will offer the position to a bargaining unit applicant. In accordance with applicable law, affirmative action goals or disability accommodations will be considered when filling vacancies.

B. At least one (1) bargaining unit applicant per job requisition, who is a regular monthly employee and who possesses the essential skills, shall be among those granted an interview for bargaining unit positions. Which bargaining unit applicant(s) the Employer chooses to interview shall not be grievable.

C. Applicants from within the bargaining unit who are not offered the position may request a non-grievable explanation as to why the position was not offered. Employees may[grieve if they believe the requirements for posting or other hiring processes were not followed.

14.12 **Movement between positions within the University**: Employees who transfer, promote, move laterally, or voluntarily demote shall serve a trial service period. Paid or unpaid leave taken during the six (6) month trial service period shall extend the length of the trial service period **on a day-for-a-day basis for any day(s) that**
the employee takes paid time off, leave without pay, or shared leave, except for leave taken for military service, by the amount of paid or unpaid leave taken. Either the Employer or the employee may end the appointment by providing notice. Upon request, the Employer will provide the employee a written explanation. Both the trial service requirement and reversion rights (Employer and employee) apply to employees accepting positions represented by a different Union.

14.13 Promotion or Lateral Movement: Promotional or lateral movement appointees will serve a six (6) month trial service. During the first two (2) months of the trial service period, promotional or lateral movement employees have preemptive rights to their former position. After the first two (2) months but during remainder of trial service, employees who are not staying in the new position shall have the option to revert to their former position if it is still vacant, be considered for reassignment in the same class as their former class, or be placed on the rehire list.

14.14 Transfer: Transfer appointees will serve a six (6) week trial service. At any time during the six (6) weeks the employee has preemptive rights to their former position.

14.15 Demotion: Any employee who demotes to a classification in which they have previously held permanent status will serve a six (6) week trial service. At any time during the six (6) weeks the employee has preemptive rights to their former position. This section does not apply to corrective action related demotions.

14.16 An employee who demotes to a classification in which they have not previously held permanent status will serve a six (6) month trial service. During the first two (2) months on the new job, these employees have preemptive rights to their former position. After the first two (2) months but during the remainder of trial service, employees who are not staying in the new position shall have the option to revert to their former position if it is still vacant, be considered for reassignment in the same class as their former position, or be placed on the rehire list.

14.17 Temporary Assignment To a Higher Position.
The employing official may temporarily assign a regular monthly employee the duties and responsibilities of a higher-level class for up to one (1) year. Such appointments shall be made in increments of no more than six (6) months.

14.18 Employees shall receive reasonable paid release time for job interviews for University positions (which may include sitting for an examination at the University). Such time must be approved in advance by the supervisor subject to unit staffing needs.

b. Supervision shall post the vacation schedule by May 1 and November 1, which shall remain in effect for each succeeding six (6) months period, that is, June 1 through November 30, and December 1 through May 31, respectively. Individual vacation periods may be changed at any time by mutual agreement between the employee(s) concerned and supervision. However, in no case shall an employee’s scheduled vacation interfere with the necessary work of the organization, the determination of which shall rest with supervision.

c. Employees may make a supplemental vacation request (those made outside the provisions of 17.2(a) at any time. Such supplemental requests shall not take precedence over requests scheduled in accordance with 17.2(a). Individual vacation periods may be changed at any time by mutual agreement between the employee(s) concerned and supervision; however in no case shall an employee’s scheduled vacation interfere with the necessary work of the organization, the determination of which shall rest with supervision.

An employee who makes a supplemental vacation request will be notified whether the request is approved or denied within a reasonable period of time, but in no case more than fourteen-seven (147) calendar days after the supplemental vacation request is submitted according to department procedure.

17.3 Any bargaining unit employee who may be transferred to another unit or removed from the bargaining unit by promotion or transfer shall alter his/her preferred vacation period if in conflict with a previously established vacation schedule.

17.5 Vacation Cancellation. In the event that the University cancels an employee’s scheduled vacation, leaving no time to reschedule such vacation before the employee’s maximum balance will be reached, the employee’s vacation balance will be permitted to exceed the allowable maximum and the employee will continue to accrue vacation for a period of up to six (6) months in order to allow rescheduling of the employee’s vacation.

17.6 Holiday Rotation. Vacation requests filed in accordance with 17.2 for the week including Thanksgiving and the weeks including Christmas Day and New Year’s Day shall be granted on a rotating basis. The rotation will begin with the most

No employee shall be granted more than one (1) of the aforementioned weeks in a single year, unless there are no other interested employees and the department is able to grant the request based on operational needs.

17.7 Vacation Leave Maximum

Employees may accumulate maximum vacation balances not to exceed the statutory limits in accordance with RCW 43.01.040 (currently two hundred forty (240) hours). However, there are two (2) exceptions that allow vacation leave to accumulate above the maximum:

A. If an employee's request for vacation leave is cancelled or denied by the Appointing Authority or designee, and the employee has not exceeded the vacation leave maximum (currently two hundred forty (240) hours), the Employer shall grant an extension for each month that the Employer defers the employee's request for vacation leave.

B. An employee may also accumulate vacation leave days in excess of the statutory limit (currently two hundred forty (240) hours) as long as the employee uses the excess balance prior to his or her anniversary date. ARTICLE 18 – SICK LEAVE

18.1 Sick Leave

a. Accrual.

Full-time employees (prorated for part-time) accrue eight (8) hours of sick leave for each month of completed regular monthly service. Sick leave accrues at a rate of one (1) hour for every forty (40) hours worked when leave without pay exceeds eighty (80) hours (prorated for part-time) in any calendar month.

b. Sick Leave – Use. Sick leave shall be allowed an employee under the following conditions.

(1) Because of and during illness, disability or injury which has incapacitated the employee from performing required duties.

(2) By reason of exposure of the employee to a contagious disease during such period as attendance on duty would jeopardize the health of fellow employees or the public.

(3) Because of a health condition of a family member that requires treatment or supervision, or that requires the presence of the employee to make arrangements for extended care. The Vice President for Human Resources Operations may authorize sick leave use as provided in this subsection for other than family members.

Family members includes biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an employee or the employee’s spouse or domestic partner, or a person who stood in loco parentis when the employee was a minor child; sibling, spouse, domestic partner, grandparent, grandchild, or child, regardless of age or dependency status, including a biological, adopted or foster child, stepchild, or a child to whom the employee stands in loco parentis, is a legal guardian, or is a de facto parent. Family members include those persons in a “step” relationship.

(4) Sick leave may also be used to provide emergency child care (as in Article 25) or because of condolence or bereavement (as in Article 26).

(5) For personal medical, dental, or optical appointments or for family members’ appointments when the presence of the employee is required, if arranged in advance with the Employer.

c. Use of Vacation Leave or Compensatory Time Off for Sick Leave Purposes. An employee who has used all accrued sick leave may be allowed to use
accrued vacation leave and/or compensatory time off for sick leave purposes when approved in advance or authorized by the employee's departmental supervisor. All available compensatory time must be used prior to accrued vacation leave, unless this will result in the loss of vacation time.

d. Restoration of Vacation Leave. In the event of an incapacitating illness or injury during vacation leave, the employee's supervisor may authorize the use of sick leave and the equivalent restoration of any vacation leave otherwise charged. Such requests shall be in writing, and a medical certificate may be requested.

e. No Abuse of Sick Leave. Both parties agree that neither the abuse nor the arbitrary denial of sick leave will be condoned. The Employer and the Union agree to work cooperatively toward the resolution of mutually identified problems regarding the use of sick leave.

f. Sick Leave Verification: The Employer will not require verification for absences of less than three (3) consecutive work days or fewer. Such verification or proof may be given to the supervisor/manager or Human Resources according to departmental policy. The Employer will not make unreasonable requests for sick leave verification.

18.2 Sick Leave Cash Out. Eligible employees may elect to receive monetary compensation for accrued sick leave as follows:

In January of each year an employee whose sick leave balance at the end of the previous year exceeds four hundred eighty (480) hours may elect to convert the sick leave hours earned in the previous calendar year, minus those hours used during the year, to monetary compensation. No sick leave hours may be converted which would reduce the calendar year end balance below four hundred eighty (480) hours. Monetary compensation shall be paid at the rate of twenty-five percent and shall be based on the employee's current salary. All converted hours will be deducted from the sick leave balance.

Employees who separate from University service due to retirement or death shall be compensated for the unused sick leave accumulation from the date of most recent hire in a leave eligible position with the State of Washington at the rate of 25%. Compensation shall be based upon the employee's wage at the time of separation. For the purpose of this section, retirement shall not include vested out of service employees who leave funds on deposit with the retirement system.

In accordance with state law, former eligible employees who are re-employed within three (3) years of their separation from service shall be granted all unused sick leave credits, if any, to which they are entitled at time of separation.

18.3 Family Care Leave. In accordance with RCW 49.12 and WAC 296-130, employees shall be allowed to use any or all of their choice of sick leave or other paid time off to care for a family member (as defined above) who has a serious

Tentative Agreement

ARTICLE 21 – **FEDERAL FAMILY MEDICAL LEAVE ACT AND PARENTAL LEAVE**

21.1 Federal Family and Medical Leave Act (FMLA). Consistent with the federal Family and Medical Leave Act of 1993, an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred and fifty (1250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) work weeks of leave per year for any combination of the following:

a. parental leave to care for a newborn or newly placed adopted or foster child; or

b. personal medical leave due to the employee's own serious medical condition that requires the employee's absence from work; or

c. family medical leave to care for a family member who suffers from a serious medical condition that requires care or supervision by the employee.

Family Member is defined as: the employee’s spouse or same or opposite sex domestic partner, child, parent, grandparent, grandchild, sister, or brother. It also includes individuals in the following relationships with the employee’s spouse or domestic partner: child, parent, and grandparent. “Child” also includes any child residing in the employee’s home through foster care, legal guardianship or custody. Family members include those persons in a “step” relationship.

21.2 The amount of family medical leave available to an employee is determined by using a rolling twelve (12) month period. The rolling twelve (12) month period measures FMLA leave availability by “looking backward” from the date an employee begins FMLA leave, adding up any FMLA leave used in the previous twelve (12) months, and subtracting that amount from the employee’s twelve (12) workweek FMLA leave entitlement. The remaining amount is available to the employee.

a. While on leave covered by FMLA, the employee must use accrued leave before leave without pay for the absence. With respect to employees who receive workers' compensation time-loss benefits, employees may elect to receive time-loss exclusively, or may elect to receive a combination of time-loss and accrued leave as provided in Article 30.3. All other provisions of Article 21 shall apply to work-related injury leave that is designated as FMLA leave.

b. The Employer will not require the use of paid leave such that it would result in the employee having fewer than eighty (80) hours of accrued vacation leave or eighty (80) hours of accrued sick leave, counted separately, upon return to work. Vacation and sick leave that has been requested and approved prior to the request for the use of FMLA will not be considered when requiring employees to use leave during FMLA-covered leave.
21.3 The University will continue the employee's existing employer-paid health insurance benefits during the period of leave covered by FMLA. If necessary, due to continued approved personal medical or parental leave approved beyond the FMLA period, or if the employee is not eligible for FMLA, the employee may elect to use eight (8) hours of accrued applicable paid leave for continuation of employer paid health insurance benefits for up to six (6) months the duration of the approved absence. The interspersed paid leave will be applied to the first working day of the month.

21.4 FMLA leave may be taken intermittently or as part of a reduced work schedule when medically necessary.

21.5 Parental Leave. Parental leave is defined as: up to four months of leave taken after the birth of a child to the employee, spouse or domestic partner, or because of the placement of a child with the employee or domestic partner through adoption or foster care. Parental leave may extend up to six (6) months, including time covered by the FMLA, during the first year after the child’s birth or placement. Leave beyond the period covered by FMLA may only be denied by the Employer due to operational necessity. Extensions beyond six (6) months may be approved by the Employer.

To be paid during Parental leave not covered by FMLA may be a combination of the employee’s must use accrued vacation leave, sick leave up to thirty (30) days, personal holiday, holiday credit, or compensatory time, the combination of which may be determined by the employee. Employees must use all applicable accrued leave prior to going on leave without pay.

ARTICLE 36 – CORRECTIVE ACTION/DISMISSAL

36.1 The parties will follow the “Corrective Action/Dismissal Process” outlined below. No employee shall be subject to the process except for just cause. The corrective action process will be considered to incorporate the concept of progressive action while providing a positive method for improvement rather than punitive action. The University will determine the specific step at which the process begins based on the nature and severity of the problem.

36.2 Representation.

(a) Employees shall be notified orally or in writing that upon request they shall be entitled to have a representative present when formal counseling, final counseling or dismissal is occurring. Employees have a right to a meeting with management whenever corrective action is issued. Attendance of a representative shall not delay the disciplinary process unduly as determined by the Employer. All parties shall make every effort possible to allow for Union representation without unduly delaying the process.

(b) Upon request, an employee has the right to a union representative at an investigatory interview called by the Employer, if the employee reasonably believes corrective action could result. The employer will provide reasonable time to allow an employee to secure a representative.

The role of the union representative in regard to an Employer-initiated investigation is to provide assistance and counsel to the employee and not interfere with the Employer’s right to conduct the investigation. Every effort will be made to cooperate in the investigation.

(c) An employee placed on an alternative assignment during an investigation will not be prohibited from contacting his or her union steward unless there is a conflict of interest, in which case the employee may contact another union steward. This does not preclude the Employer from restricting an employee’s access to the Employer’s premises.

(d) An interpreter can be requested by either party and will be provided.

36.3 Coaching. Informal discussion or instruction between employee and their immediate supervisor. Supervisor may follow up in writing which may include a simple action plan. This is not a form of corrective action.

36.4 Corrective Action/Dismissal Process. The Employer will make clear when formal or final counseling is being conducted and will inform the employee about their right to representation under the CBA. When counseling or dismissing an employee, the Employer will make every effort to protect the privacy of the employee. Translators may be requested by any party.
Formal Counseling. Formal counseling (may involve administrative personnel other than the employee’s immediate supervisor) including the development of a written action plan. The action plan will identify specific problem areas, performance objectives, suggestions for remedy, and a timeframe for improvement. Prior to issuance of formal counseling, a meeting may be scheduled by the employer or requested by the employee to give the employee an opportunity to make his/her case before the final decision is made. Employee requests for such a meeting will be granted. An employee is entitled to representation at this meeting.

Final Counseling. Final counseling (may involve administrative personnel other than the employee’s immediate supervisor) including action plan discussion and revision, where appropriate. A decision-making period of one (1) day of paid time away from the work site for the employee to consider the consequences of failure to follow the action plan may be used at this step. If the Employer decides to provide a decision-making day, the employee will be given a list of expectations and problem statements prior to the day taking place.

Dismissal. Prior to dismissal, a pre-determination meeting will be scheduled to give an employee an opportunity to make his/her case before the final decision is made. The employee has the right to have a Union Council representative present at the pre-determination meeting. At least five (5) days prior to the meeting, the employee will be informed in writing of the reasons for the contemplated dismissal and given referenced documentation. The employee will be furnished with written notification of the outcome of the pre-determination hearing.

Demotion: Demotion of Leads and/or Supervisors may be initiated by the Employer at any step of the Corrective Action process.

36.5 Removal of Records. Upon written request by the employee, any formal or final counseling, excluding those for workplace violence or University policies against harassment, discrimination, or retaliation, will be removed from an employee’s personnel file after three (3) years if the following criteria have been met:

1. Circumstances set forth in writing, and as determined by the University do not warrant a longer retention period; and
2. There has been no subsequent corrective action.

Nothing in this Article prevents the Employer from agreeing to an earlier removal date.

Once a corrective action has been removed from the employee’s file as outlined above, the information removed will not be used in subsequent corrective action, unless mutually agreed otherwise.

36.6 Grievability/Arbitrability.
Formal counseling may be grieved beginning at Step One or Step Two of the grievance procedure and up to Step Three Mediation only.

Final counseling, demotion, and dismissal may be grieved through every step of the grievance procedure beginning at Step Two.

ARTICLE 38 - SENIORITY, LAYOFF, REHIRE

38.1 a. Seniority.
Layoff seniority is defined as the continuous length of service in calendar days with the Employer from the most recent date of hire. Service of less than full time shall be considered full time. Time spent on leave of absence without pay or on layoff shall not be included in computing seniority except for cyclic year positions, but does not constitute a break in service. Permanent employees who are veterans or their unmarried widows/widowers shall have added to their seniority the veteran's active military service to a maximum of five (5) years credit. Time spent on military duty leave, paid or unpaid, or time spent on leave without pay to work for the union in accordance with Article 29, is included in seniority calculation. Probationary employees are not vested with seniority credits until successfully completing the probationary period.

Seniority shall be lost following a break in service including resignation, termination for cause, failure to return from a leave of absence, expiration of rehire rights.

Employees who enter into the bargaining unit from other positions at the University of Washington shall be credited with layoff seniority for all seniority earned in the State classified service while employed at the University. Employees who enter into the bargaining unit from other state agencies and institutions of higher education shall earn layoff seniority from the first day of coverage under this Agreement.

b. Department Seniority.
Department seniority is defined as continuous length of service in calendar days within the employee's department and where applicable, shall be used for internal department processes, such as vacation and schedule bids.

c. Layoff Seniority Tiebreaker.
For the purposes of layoff only, when it is necessary to determine the order of seniority among bargaining unit members whose contract seniority is identical, a random chance method will be employed to select the names of those employees one at a time. The University shall inform the Union every time this method is necessary and will provide proof of the seniority tie.

When selecting among employees whose seniority is identical, the Union may be represented by any individuals it chooses, and will draw the names. The University will be represented by a manager/administrator from the Department involved and a representative from Human Resources.

The first employee selected will be considered the most senior; the last employee selected will be considered the least senior.
a. Layoff.

(1) Whenever it becomes necessary for the Employer to reduce its workforce due to lack of work, lack of funds, or good faith reorganization for efficiency purposes, the Employer shall use the following procedure. The Employer will notify the Union of impending layoffs thirty (30) calendar days in advance of implementation so that reasonable alternative proposals can be considered. Whenever possible the Employer will provide more than minimum notice.

(2) The Employer shall not lay off bargaining unit employees in lieu of disciplinary action.

(3) Employees will be laid off in accordance with seniority, as defined in Article 38.1(a).

b. Employment Option.

The employee affected by the reduction in force shall be offered the following employment options in descending order, provided he or she meets the essential skills (defined as the minimum qualifications listed in the job description for the classification and any specific position requirements or credentialing) of the offered position:

1. A funded vacant position within the same job classification and layoff unit.

2. The opportunity to replace the most junior employee within the layoff/seniority unit (set forth in Appendix IV) in the same classification and in an FTE status within .2 FTE status of the employee affected by the reduction in force. (For example, if a .8 FTE position is being abolished, the employee affected is eligible to replace the most junior individual in a .6 to 1.0 FTE position)

3. The opportunity to replace the most junior employee in the same classification with a lower FTE status than their own within the layoff/seniority unit.

4. The opportunity to replace the most junior employee within the same department who is:

   a. In a lower classification in the same series as the employee affected by the reduction in force; and
   b. Within .2 FTE of the employee affected by the reduction in force.

c. Notice.

The Employer shall identify the positions to be abolished and the employee(s) to be affected and shall notify employees in these positions, with notice to the union, not less than thirty (30) calendar days prior to the abolishment of the
positions, pay the employee in lieu of notice, or combine pay and notice. Whenever possible the Employer will provide more than minimum notice. The notice shall include:

(1) The effective date of the layoff and a reference to the employee’s rights under this Article, and

(2) Identification of the employment option being offered, if applicable.

In accordance with 38.2.b. above, if the incumbent in a position to be abolished has an opportunity to replace the most junior employee within the layoff/seniority unit, the incumbent will be given up to three (3) calendar days to determine if he/she wants to replace the junior employee or be placed on the rehire list. Vacant positions or those held by probationary employees within the layoff/seniority unit will be considered a more junior position.

d. FTE Increase or Reduction.
An employee in a position that is not abolished but is increased or reduced in FTE status and who will remain benefit eligible after the reduction or increase will have the choice of staying in the reduced or increased position and going on the rehire list for the position and FTE status held by the employee immediately prior to the increase or reduction or exercising available layoff rights under 38.2. The employee must exercise this choice within three (3) working days of the increase or reduction notice.

e. Voluntary Layoff:
Appointing authorities will allow an employee in the same job classification and department where layoffs will occur to volunteer to be laid off provided that the employee is in a position requiring the same skills and abilities, as a position subject to layoff. Any volunteer for layoff shall have no formal layoff option. If the appointing authority accepts the employee’s voluntary request for layoff, the employee will submit a non-revocable letter stating they are accepting a voluntary layoff from the University. The employee will be placed on all applicable rehire lists.

f. Rehire.
The Employer shall make a concerted effort to re-employ bargaining unit members on the rehire list. Bargaining unit members on the rehire list are eligible to take all Professional & Organizational Development (POD) courses on a space available basis upon payment of designated fees. Employees without employment options will be placed on the rehire list(s) designated by the employee for twenty-four (24) months. In addition to the rehire list for the classification and FTE status from which the employee was laid off, employees identified for layoff may request placement on the following rehire lists:
(1) For positions of a lower FTE status in the classification from which the employee was laid off (or equivalent if prior classification has been abolished); and

(2) For positions in other classifications in which the employee previously held permanent status; and

(3) Lower classes in the series from which the employee was laid off. The Employer will refer an employee from the designated rehire list(s) for any open positions in the bargaining unit for which the laid off employee possesses the essential skills. For classifications which have separate job codes in the Campuswide and Harborview Bargaining Units, Rehire lists will include both job codes. Employees referred from the rehire list(s) who possess the essential skills needed for a vacant position will be offered the position prior to the Employer posting for competitive recruitment. From among these employees, offers will be made in seniority order, most senior person first. Job requests for positions for which there are employees on rehire list(s) may not be withdrawn solely to avoid hiring laid off employees.

(4) The Employer will provide a copy of the Rehire List to the Union upon request.

(5) When the job classification the employee was laid off from is represented by both SEIU 925 and WFSE 1488 the employee will be placed on the rehire list for the specific job classification for both unions.

g. Rehire Trial Period.
Employees placed into vacant positions from the rehire list will serve a six (6) week rehire trial period. During the rehire trial period either party may, at its sole discretion and without resort to the grievance procedure, initiate return to the rehire list. Time spent in a rehire trial period will not count toward the twenty-four (24) month rehire list period. The six (6) week rehire trial period will be adjusted to reflect any paid or unpaid leave taken during the period.

h. Corrective Action.
Final Counseling that occurs within the six (6) months prior to the layoff will be considered in effect should the employee be rehired. The employee will continue to be subject to any consequences of not following the directives and/or action plan(s) specified in the current corrective action.

i. Removal from List.
Removal from the rehire list(s) will occur for any of the following circumstances:

(1) If placement does not occur within twenty-four (24) months,
(2) If the employee refuses two (2) offers of placement for a position having the same pay, FTE status and shift as the position from which the employee was laid off. In such case, the employee will be removed from all other rehire lists and will have exhausted their rehire rights.

(3) If the employee was placed into two (2) vacant positions for which the employee has failed to complete the rehire trial period.

(4) If the employee accepts any offer of placement from any rehire list and completes the rehire trial service period for a position with the same FTE status and pay as the position from which the employee was laid off.

(5) Employees who reject two (2) offers of placement from a list for a position of a lower FTE status than that which the employee held immediately prior to layoff will be removed from that list.

(6) Employees who reject one (1) offer of placement from a list for a position in a classification other than that from which the employee was laid off will be removed from that list.

i. Rehire List Crossover.

Employees within an SEIU Local 925 represented bargaining unit may, in accordance with this Article, be placed on the rehire list for positions in another SEIU Local 925 represented bargaining unit.

38.3 Rehire Wages and Increment Date.

When employees are rehired from layoff status the periodic increment date and annual leave accrual date will be reestablished and extended by an amount of time in calendar days equal to the period of time spent on the rehire list prior to rehire. Employees placed from the rehire list into positions with the same salary range held at the time of layoff shall be placed at the same step in the range held at the time of layoff. Employees placed from the rehire list into positions with a lower salary range than held at the time of layoff shall be placed in a salary step nearest to, but not in excess of, the salary held at time of layoff.

38.4 Affirmative action goals may be considered at any point during the layoff or rehire process.

38.5 Benefits and Temporary Services.

Employees on the rehire list who follow the rules prescribed by Temporary Services may be referred to temporary positions and can receive employer paid health benefit coverage if they meet the eligibility requirements as determined by the State.

A written or oral resignation may be withdrawn within twenty-four (24) hours excluding the employee’s scheduled days off and holidays off, after submitting the resignation. The employee may only withdraw one resignation per position held. The Employer may permit withdrawal of resignation at any time.

39.2 Presumption of Resignation/Abandonment.

a. An employee who fails to appear for work and report absence to the supervisor, in accordance with departmental policy, on three (3) consecutive scheduled workdays, shall be deemed to have resigned. Notice of separation will be sent to the employee’s last known address on record with the UW Payroll Office via certified mail after the third (3rd) consecutive day of absence. Prior to sending the notice, the Employer will attempt to contact the employee through current home telephone and emergency contact numbers on record in Employee Self-Service and departmental records.

b. Within fourteen (14) calendar days of mailing the separation notice and upon proof that the failure to report absent could not reasonably have been avoided, an employee may submit to the supervisor a written petition for reinstatement. The Employer’s decision to not reinstate may be grieved according to the grievance procedure in Article 6.

39.3 Separated employees have the right to compensation for accrued vacation leave and compensation time according to University policy.

A. The Employer will notify the Executive Director of the Union of these changes in writing, citing this Article. The written notice must include:

1. A description of the intended change, including information relevant to the impacts of the change on employees and a list of the job classifications and names of affected employees if known;

2. Where the change will occur; and

3. The date the Employer intends to implement the change.

B. Within thirty (30) calendar days of receipt of the written notice the Union may request negotiations over the changes. The timeframe for filing a demand to bargain will begin after the Employer has provided written notice to the Union. The thirty (30) calendar day period may be used to informally discuss the matter with the Employer and to gather information related to the proposed change. The written notice requesting bargaining must be filed with Human Resources Labor Relations (LR) at laborrel@uw.edu and shall include at least three (3) available dates and times to meet. The Employer shall satisfy its collective bargaining obligation before changing a matter that is a mandatory subject. The Employer will notify the union staff representative in writing, with a copy to the Executive Director of the Union, of these changes. The Union may request discussions about and/or negotiations on the impact of these changes on employee's working conditions. The Union will notify the Vice President of Labor Relations of any demands to bargain. In the event the Union does not request discussions and/or negotiations within thirty (30) calendar days, the Employer may implement the changes without further discussions and/or negotiations. There may be emergency or mandated conditions that are outside of the Employer's control requiring immediate implementation, in which case the Employer shall notify the Union as soon as possible.

Prior to making any change in written agency policy that is a mandatory subject of bargaining; the Employer shall notify the Union and satisfy its collective bargaining obligations per Article 40.

C. In the event the Union does not request negotiations within thirty (30) calendar days of receipt of the notice, the Employer may implement the changes without further negotiations.

D. There may be emergency or mandated conditions that are outside of the Employer's control requiring immediate implementation, in which case the Employer will notify the Union as soon as possible.
40.2 Unless agreed otherwise, the parties agree to begin bargaining within thirty (30) calendar days of receipt of the request to bargain. If the union makes a request for information at the same time as the request to bargain, the thirty (30) calendar days will not begin until the information request has been fulfilled. Information requests made after the request to bargain will not delay the scheduling of discussion and/or negotiations. The parties shall agree to the location and time for the discussions and/or negotiations. Each party is responsible for choosing its own representatives for these activities. The Union will provide the Employer with the names of its employee representatives at least seven (7) calendar days in advance of the meeting date unless the meeting is scheduled sooner, in which case the Union will notify the Employer as soon as possible.

Release Time

a. The Employer shall approve paid release time for up to four (4) employee representatives who are scheduled to work during the time meetings or negotiations are being conducted, provided the absence of the employee will not interfere with the operating needs of the Employer. The Employer may approve leave without pay for additional employee representatives provided the absence of the employee will not interfere with the operating needs of the Employer. If the additional employee absence is approved, the employee(s) may use personal holiday, annual leave/vacation time off, holiday credit, or compensatory leave instead of leave without pay.

b. No overtime will be incurred as a result of bargaining and/or preparation for bargaining.

c. The Union is responsible for paying any travel or per diem of employee representatives. Employee representatives may not use a state vehicle to travel to and from a bargaining session, unless authorized by the Employer for Business Purposes.

B. A Union representative shall be allowed up to thirty (30) minutes with employees during the new employee orientation, called by the University at which time the Union representative may address the new bargaining unit employees on matters concerning the rights and obligations of employees and the role of the Union as exclusive bargaining representative. Such release time will be subject to the operational needs of the department and does not count as time worked for the purpose of calculating overtime.

C. If the University conducts orientation on-line, the Union will be permitted to display a reasonable amount of information as part of the program. "A bargaining unit member designated by the Union shall be granted paid release time to attend new employee orientation and/or new employee coffee hours scheduled by the University. Such release time will be subject to the operational needs of the department and does not count as time worked for the purpose of calculating overtime.

ARTICLE 42 – UNION ACTIVITIES, RIGHTS, AND STEWARDS

42.1 Staff Representatives

a. Within thirty (30) calendar days from the effective date of this Agreement, the Union shall provide the Office of Labor Relations a list of staff representatives. The Union shall provide written notice to the Employer of any changes within thirty (30) calendar days of the change.

b. Staff representatives may access University premises to carry out representational activities. The representative shall notify local management prior to their arrival and shall not interrupt the normal operations of the institution. The staff representative may meet with bargaining unit employees in non-work areas during non-work times.

It is understood that any such visits which require a meeting with an employee will be restricted to the non-working time of the employee unless otherwise authorized by management or provided for elsewhere in this Agreement, and that there will be no interference with an employee’s work assignment.

While inspecting the workplace, the Union may engage in de minimis conversations with employees, so long as an employee does not object and such conversation does not interfere or disturb the operation of the facility or compromise the security of patient health information.

c. Upon written request of the staff representative or steward to the Office of Labor Relations (laborrel@uw.edu), the Employer will provide relevant information necessary for conducting representational duties. The information will be provided within a reasonable timeframe and without requiring the Union to file with the Public Records Office.

42.2 Union Stewards

The Employer recognizes the right of the Union to designate up to 14 (fourteen) Union Stewards: one (1) from Tacoma Campus, one (1) from Bothell Campus, two (2) each from UWMC and HMC, two (2) from Plant Services Building, one (1) from Night Crews, two (2) from Central Maintenance Zone, one (1) from South West Maintenance Zone, one (1) from Health Sciences Maintenance Zone, and one (1) from Campus Operations. Article 9.2 applies in its entirety to the Skilled Trades Shop Stewards.

a. The Employer recognizes the right of the Union to designate union stewards who shall be permitted without unnecessary delay to devote reasonable periods of time (for example, time to travel to the meeting site, 10-15 minutes to confer with the employee prior to the meeting) during normal working hours to present any grievance to the supervisor or designated representative for which adjustment has been requested by an employee or group of employees.
b. Time off for processing grievances shall be granted to a Union steward by supervision following a request but in consideration of any job responsibilities. If permission for time off cannot be immediately granted, the supervisor will arrange for time off at the earliest possible time thereafter.

c. The Union shall prevail upon all employees in the bargaining unit and especially Union stewards, to make a diligent and serious attempt to resolve complaints at the lowest possible level. The Employer, likewise, shall prevail upon its supervisory personnel to cooperate fully with the Union stewards and other Union representatives in the speedy resolution of any grievance that may arise.

d. A record of a steward's work time spent on grievances or other authorized activity on behalf of the Union shall be maintained on a basis mutually agreeable between the Union and the department involved.

e. In the event the Employer determines that the amount of work time used by any steward on grievances or other authorized Union activities is unreasonable, it may become a topic for mutual discussion between the parties.

f. Union stewards shall primarily conduct representational duties only within their designated area of jurisdiction. Stewards may represent members in another jurisdiction if the steward designated for that other jurisdiction is unavailable (e.g. away on approved leave), has a conflict, or if there is no steward in that area. In the event that a steward is unavailable, the steward of the next geographically closest designated jurisdiction will be contacted to represent the employee. The number of stewards in a particular area and the jurisdiction they serve shall be an appropriate subject of discussion between the Union and the Employer.

g. The Union agrees to submit an up-to-date list to the Office of Labor Relations once per month-quarter indicating the name of all Union stewards, their work locations, department, jurisdiction, and designation as an Lead, Chief, or Officer. In any event, said list shall be submitted at least annually with changes noted as they occur. Union stewards shall be recognized when the Office of Labor Relations is informed of their appointment. Areas of jurisdiction are as follows: UWMC, South Campus HSB, HMC, Health Sciences, South Lake Union, Downtown, Airlift Northwest, UW Tower, Bothell Campus, Tacoma Campus, Seattle Campus, and Sandpoint. Stewards shall be assigned by the union. Lead Stewards, Chief Stewards, and Local/Chapter officers shall be recognized to have broader jurisdictions.

h. Whereas it benefits the University to have Union stewards who understand the contract and are trained in administration of the contract, each of the Union's stewards shall be allowed a total of eight (8) working hours annually without loss of pay to participate in the Union's steward training program. Said time off shall be approved in advance by the employee's supervisor and shall be contingent upon the ability to provide coverage during the time off.
The Union shall submit to the Office of Labor Relations at least fifteen (15) days in advance the names of the employees (with their respective supervisors) that are scheduled to participate in the training. The Union will confirm the employee's participation in the training upon completion.

i. New Steward Training: Where the Union requests in advance of a Step Two hearing that a second steward be present for training purposes, this release will be approved without loss of pay or recorded work time subject to the operational needs of the second steward's department. No overtime or compensatory time will be earned for participation and no steward shall attend as a second steward more than once.

42.3 Training and Orientation

a. Upon signing of this Agreement, the Employer and Union will make a good faith effort to conduct joint training on contract administration.

42.4 Union Business Activities

a. Employees who intend to absent themselves from work for the purpose of attending and participating in Union business functions or programs, such as meetings, conventions, seminars, or other authorized meetings at the Union's request, may do so with supervisory approval. The Employee may use paid or unpaid leave time consistent with University policy. Employees may use paid time in the following order: 1) compensatory time, 2) holiday credit, 3) personal holiday (whole day absences only, 4) accrued vacation time off. Unless this would result in the loss of vacation time.

b. The employee shall request leave from the Employee's immediate supervisor at least two (2) weeks prior to the planned absence.

42.5 Use of State Facilities, Resources, and Equipment

a. Meeting Space and Facilities. The Employer's campuses and facilities may be used by the Union to hold meetings subject to the University's policy and availability of the space. The Employer may provide private space for stewards and/or Union representatives to meet in confidence with those they represent on a space available basis. Staff representatives may reserve and utilize meeting rooms in accordance with University policy and procedure. Such requests will be subject to availability and all applicable fees.

b. E-mail, Fax Machines, the Internet, and Intranets

Union delegates, and members may utilize state owned/operated equipment to communicate with the Union and/or the Employer only for the exclusive purpose of administration of this Agreement. Such use will:

1. Result in little or no cost to the Employer;
2. Be brief in duration and frequency;
3. Not interfere with the performance of their official duties;
4. Not distract from the conduct of state business;
5. Not disrupt other state employees and will not obligate other employees to make a personal use of state resources; and
6. Not compromise the security or integrity of state information or software.

The Union and its union delegates will not use the above referenced state equipment in a manner that is prohibited by the Executive Ethics Board.
Communication that occurs when using state-owned equipment is the property of the Employer Supplies and Equipment. Union representatives may use University equipment for contract administration if there is no cost to the Employer, is brief in duration, limited in distribution, and does not disrupt or distract from University business in accordance with University policy and state law.

Supplies and Equipment. Union representatives may use University equipment for contract administration if there is no cost to the Employer, is brief in duration, limited in distribution, and does not disrupt or distract from University business in accordance with University policy and state law:

c. Bulletin Boards and Distribution of Union Material. Upon request, space will be made available to the Union on bulletin boards in those areas where bargaining unit employees work or frequent, for the posting of notices and information pertaining to official business of the Union. Materials posted on Union bulletin boards without the signature of a recognized Union officer or representative may be removed.

Employees shall have the right to distribute official Union information materials during hours off work. Such distribution of official material shall not interfere with the work assignments of employees who are on duty. Further, such distribution activities must be held in locations which cause no interference with the various departments normal operations or with any employees who may not be involved or interested.

42.6 Temporary Employment with the Union

With thirty (30) calendar days notice, unless agreed otherwise, employees may be granted leave without pay if the employee is elected or appointed to serve as an officer or staff member of a specified duration, not to exceed six (6) months, provided the employee's time off will not interfere with the operating needs of the Employer as determined by management. Upon request, the department may agree to an extension of leave without pay up to an additional six (6) months. The returning employee will be employed in a position in the same job classification, in the same layoff unit, and in the same geographical area, as determined by the Employer.
43.7 Information Requests

A. Upon written request of the staff representative or steward to the Office of Labor Relations (laborrel@uw.edu), the Employer will provide relevant information necessary for conducting representational duties. Information will be provided within a reasonable timeframe and without requiring the Union to file with the Public Records Office.

B. The Employer will acknowledge receipt of the information request and will provide the union with a date by which the information is anticipated to be provided.

C. When the Union submits a request for information that the Employer believes is unclear or unreasonable, the Employer will contact the Union staff representative and the parties will discuss the relevance and necessity of the request. The costs associated with the request and the amount the Union may pay for receipt of the information may also be discussed.

ARTICLE 43 – JOINT UNION/MANAGEMENT COMMITTEES

43.1 The Joint Union/Management Committee shall normally be composed of up to three members at the departmental level or six members at the University-wide level plus two Union staff representatives. The Employer shall be represented by a like number on the Committee.

43.2 The purpose of the Committee is to provide a forum for communication between the parties to this Agreement to deal with matters of general Union/Management concern. The Committee shall also function as a mechanism for resolving problems/concerns of a mutual nature; and/or any policy of the University which affects the bargaining unit and which either party requests be placed on the agenda. It is agreed by the parties that the Employer will discuss with representatives of the Union significant changes affecting institutional conditions of employment generally affecting bargaining unit employees thirty (30) calendar days in advance of targeted implementation dates of said changes so that reasonable alternative proposals can be adequately discussed and considered by the Union/Management Committee.

43.3 Meetings of the Committee will be scheduled monthly. The Committee may meet more or less frequently as agreed by both parties. The Committee shall develop its own procedures with respect to these meetings including the role of the chair; however, at least one week's notice shall be given of the meeting and the topics to be discussed. The date of the meeting will be mutually agreed upon within 10 business days after receipt of notice. Issues of emergent nature shall be given agenda priority. Meetings of the Union/Management Committee shall normally be held during University business hours and at a mutually agreeable time and date. Participants shall experience no loss in salary for participating in the pre-meeting and meetings; however, such time is not construed as work time, and no overtime shall be claimed or paid for meetings attended outside of an employee's regular work hours.

43.4 The Union/Management Committee shall have no bargaining authority; however, any agreements reached through this process shall be reduced to writing and supported by the Union representatives and Management.

43.5 The parties will alternate responsibility for chairing the meeting.

43.6 The parties will alternate responsibility for drafting minutes. After review and final editing, copies of agreed upon summary minutes shall be furnished to each member of the Committee.

43.7 The agenda shall be limited to items that are of a group rather than an individual interest or concern and shall not include individual grievances properly processed under the grievance procedure article. If a concern is not resolved and is also grievable, a grievance may be filed pursuant to Article 6. If the parties mutually
agree, the matter will be submitted at Step 3 (mediation). The grievance must still be timely in accordance with Article XX Grievance Procedure.

43.8 Disposition of matters covered in a Union/Management Committee shall not contradict, add to or otherwise modify the terms and conditions of the Agreement unless otherwise mutually agreed to in writing by the Executive Director for Labor Relations and the Union Business Representative.

43.9 With the understanding between the parties that problem solving can best be achieved at the lowest possible level, nothing in the foregoing paragraphs shall in any way preclude discussions and/or meetings between the Employer and Union Shop Stewards or staff representatives on matters appropriate for resolution at the department level. Such agreements shall not be considered precedent setting.

43.10 The following four (4) departmental Joint Union/Management Committees will be scheduled to meet quarterly at least twice annually, unless both parties agree to meet less or more frequently:

A. UW Seattle Campus Facilities Services - Includes Building Services, Campus Engineering and Operations, Facilities Maintenance and Construction, Finance and Business Services, and Transportation Services

B. Housing and Food Services

C. University of Washington Medical Center

D. Harborview Medical Center

Agenda items must be provided at least fifteen (15) days in advance of the meeting. If agenda items are not provided at least fifteen (15) days in advance of the meeting either party may cancel the meeting.

The Union must submit all release requests at least fifteen (15) days in advance of the meeting.

43.11 Joint Union/Management meetings for Bothell and Tacoma campuses will be scheduled as needed and upon mutual agreement.

43.12 Ad hoc Joint Union/Management committee meetings for individual departments and/or to address a specific workplace issue will be formed and scheduled upon request of either the Union or the Employer.

ARTICLE 44 – CLASSIFICATIONS AND RECLASSIFICATION

44.1 Employer will allocate positions on a "best fit" basis to the most appropriate classification at the University of Washington. Allocations shall be based on a position's duties, responsibilities, or qualifications.

44.2 Reallocations shall be based on a permanent and substantive change in the duties, responsibilities, or qualifications of a position or application of the professional exemption criteria set forth in RCW 41.06.070(2).

44.3 (a) Should the University decide to create, eliminate or modify class specifications which does not involve a major restructure to the overall classification system, it will notify the Union in advance of implementing the action. Notification will include the bargaining unit status of the classification and, for a newly created or modified classification considered to be in the bargaining unit, a proposed salary. Notification will occur at least forty-five (45) days in advance of any proposed implementation date. At the Union's request the University will meet and confer with the Union over its proposed action.

(b) An employee occupying a position reallocated to a class with a lower salary range maximum due to a class being created, abolished or modified will retain the salary of their former position until reaching the top of the range of the former position, and then will be frozen until the new class pay range catches up.

An employee(s) occupying a position reallocated to a class with a higher salary range due to a class being created, abolished or modified will receive the same step in the new range as the employee(s) held in the previous range. The periodic increment date of the employee will remain unchanged.

(c) Within thirty (30) calendar days following implementation of the University's decision to create or combine classifications per Article 44, or modify class specifications for bargaining unit positions, the Union may file an appeal with the Classification Review Hearing Officer selected under Article 44.6 of this contract, to determine if the salary assigned to the classification is appropriate.

44.4 The Union may, at any time, propose a new classification with appropriate justification. These proposals will be reviewed by the Compensation Office of Human Resources which will accept, reject, or modify any proposal. The Union and the Compensation office will meet and discuss the proposal within sixty (60) days. This review is not grievable.

44.5 The University agrees to notify the Union of any proposed reclassifications of occupied bargaining unit positions into non-bargaining unit positions at least thirty (30) days prior to implementation.

44.6 Professional Staff Exemptions:
1. The University will make reallocations based on application of the professional staff exemption criteria set forth in RCW 41.06.070 (including any permanent and substantive change in the duties, responsibilities, or qualifications of the position).

2. The Union and the University agree to a procedure that includes the provision of information by the University and a meeting with the Union to discuss and resolve issues regarding the transfer of work from the bargaining unit within four (4) weeks of the University's initial notice to the Union for a proposed professional staff exemption.

3. All negotiations regarding transfer of any work from the bargaining unit shall be concluded by the meeting described above, unless both parties agree to an extension.

4. Disputes regarding professional staff exemptions shall be resolved by the classification review hearing officer. The Hearing Officer shall make his/her decision based on the criteria outlined in paragraph one (1) above. If the employee appeals the exemption determination in any other forum the Union cannot pursue the determination through the process outlined in this Article.

44.7 Position Review Process.

(a) The University, employee, or employee representative may request that a position be reviewed when the requesting party believes that the basis of its request has become a permanent requirement of the position. Employees and employee representatives may not request that a position be reviewed more often than once every six (6) months.

(b) The request must be complete and in writing on forms provided by the University. Requests may be submitted to Human Resources or to an employee's direct supervisor or department. Any party may submit additional information, including the names of individuals, which the party believes is relevant to the position review.

(c) An employee may request that a representative be present as an observer at meetings with the University reviewer scheduled to discuss the request for position review. At the employee's request a portion of such meetings shall be conducted in a quiet and private location, away from the work station.

(d) The University reviewer will investigate the position and issue a written response to the employee or employee representative within sixty (60) calendar days from receipt, by Human Resources, of the completed request. The response will include notification of the class and salary assigned when
the position is reallocated, or notification of the reasons the position does not warrant reallocation when the request is not approved. Reclass requests may be submitted at either the departmental level or directly to Human Resources. Reclass requests submitted at the departmental level must be forwarded to Human Resources within thirty (30) calendar days.

(e) The effective date of allocations or reallocations initiated by the University shall be determined by the University. The effective date of a reallocation resulting from an employee or employee representative request for position review will be established as the 1st or the 16th of the month which precedes the date that the completed request was filed with Human Resources or the employee's direct supervisor or department, whichever date is earliest. The date of receipt must be appropriately documented.

(f) An employee may request reconsideration following receipt of the University's determination. Requests for reconsideration will not hold the timeframe for filing an appeal under this Article.

44.8 Position Review Appeal Process. If the Union wishes to appeal the decision of the University, it may appeal to the Classification Review Hearing Officer within thirty (30) calendar days following the date of the University's written response. The Hearing Officer shall be jointly selected by the parties within thirty (30) days of the execution of this contract and shall serve for a minimum of one (1) year from the date of selection. At that time the parties may choose to re-appoint the Hearing Officer or select a different Hearing Officer who will also serve for a minimum of one (1) year from date of selection.

Hearings. The Hearing Officer shall hold hearings on a quarterly basis unless there are no appeals to hear or the parties agree to pend any open appeals. All materials considered in the position review shall be submitted to the Hearing Officer prior to the hearing and neither party will submit evidence at the hearing that was not submitted during the position review. The Hearing Officer shall endeavor to hold multiple hearings each day, and shall issue a concise decision which shall be final and binding. The Hearing Officer shall have no authority to alter the terms and conditions of this contract. Employees may be represented at the hearing and will be released from work with no loss of pay to attend the hearing. The Hearing Officer's fees and expenses shall be shared equally by the parties.

D. The University, at its discretion, may approve additional increment increases at any time. Such additional increment increases will not change an employee’s progression start periodic increment date.

45.3 Recruitment/Retention Compensation. The Employer may increase the salary of classifications that are experiencing recruitment/retention problems. Within thirty (30) days of the effective date of this Agreement, the parties will begin discussions on recruitment and retention issues within the Skill Trades bargaining unit.

45.4 Transfers/Lateral Movement. When an employee moves from one position to another position in the same or a different classification at the same salary range, the employee will retain his/her previous salary range and step.

45.5 Promotions/Reallocation/Reversion. Upon promotion or reallocation from a position under this contract to another position under this contract with a higher salary range, the affected employee shall be placed on the salary step of the new range which reflects a minimum of a three (3) step increase, except for positions on Health Care Professional/Technical pay tables, which shall receive a minimum increase of 6%.

The new progression start periodic increment date shall be the first of the current month for effective dates falling between the first and fifteenth of the month and the first of the following month for effective dates falling between the sixteenth and the end of the month.

An employee who voluntarily reverts or is reverted by the Employer during the trial service period in his/her promoted position will have the previous salary range and step he/she was receiving prior to promotion reinstated.
45.6 **Work Out of Class.** When an employee is temporarily assigned by Management in writing, which may include e-mail, to perform the principal duties of a higher level position for a minimum period of one (1) working day, he/she shall be compensated at a salary which represents at least a five percent (5%) increase beyond the employee’s current step but not to exceed the maximum of the range for the higher classification. Said increase shall be effective as of the first day of the assignment.

45.7 **Downward Allocation Compensation.** An employee occupying a position that is reclassified to an existing class with a lower salary range shall be placed in the salary step in the new range which is closest to the current salary, provided such salary does not exceed the top automatic step of the new salary range.

45.8 **Shift Differential Premium Pay.** Employees assigned to evening or night shifts shall receive a shift differential of at least $1 per hour, except for those job titles listed in Appendix II, which shall receive the applicable rates. Employees in Skilled Trades job classifications assigned to evening or night shifts shall receive a shift differential of at least $2.00 per hour.

For the purposes of this Agreement, evening shift is defined as a majority of time worked daily or weekly between 5:00 p.m. and 12:00 a.m. Night shifts defined as a majority of time worked daily or weekly between 12:00 a.m. and 7:00 a.m.

Any classification which receives a higher shift differential on the effective date of this Agreement shall continue to do so. Shift differential shall be paid for the entire shift that qualifies. When an employee is regularly assigned to an evening or night shift that qualifies for shift differential, he/she shall continue to receive the shift differential during temporary assignment, not to exceed five (5) consecutive working days, to a shift that does not qualify.

When an employee is compensated for working overtime during hours for which shift differential premium pay is authorized, the overtime rate will be calculated including the shift differential premium pay for evening or night hours.

45.9 **Stand-By Pay.** Employees required to restrict their off-duty activities in order to be immediately available for duty when called, will be compensated for time spent in standby status. Rate of compensation for standby status will be compensated at a rate of two dollars ($2.00) per hour. Employees who, on the effective date of this Agreement, receive standby in excess of those rates shall continue to do so. In addition to the pay received while on standby, an employee called to work will be paid at his/her regular salary for all hours worked.

45.10 **Call Back Pay.** When an employee has left the grounds and is called to return to the work station outside of regularly scheduled hours, he/she shall receive two (2) hours bonus pay plus time actually worked. The bonus pay shall be compensated at the regular rate; time worked shall be compensated at time and one-half (1-1/2). Time worked immediately preceding the regular shift does not constitute call back, provided time worked does not exceed two (2) hours. When the employee is provided at least eight (8) hours notice the call back premium does
not apply. An employee on standby status called to return to the work station does not qualify for call back pay.

45.11 **Multilingual/Sign Language/Braille Premium Pay.** Whenever a classified position has a bona fide requirement for regular use of competent skills in more than one language, and/or sign language and/or Braille, and the need for that skill is specified in the employee’s position description, the employee shall receive a premium pay of five percent (5%) above the level normally assigned for that position, except for those instances where the position is allocated to a class that specifies these skills.

If the employee’s position is allocated to a class that specifies these skills, the employee will receive a premium pay of five percent (5%) above the level normally assigned for that position only when the employee’s position description states that the position has a bona fide requirement for regular use of competent skills in three (3) or more languages in addition to English.

If this requirement is not included in the employee’s position description, refusal by the employee to interpret will not result in corrective action.

45.12 **Assignment Pay.** The Employer agrees to pay a premium rate of at least $1.75 per hour above an employee’s base salary for the time an employee works in any of the following assignments:

a. While wearing a fall protection safety harness, when required by an approved Fall Protection Work Plan. While working with a fall protection monitor, when required by an approved Fall Protection Work Plan.

45.13 **Flexible Spending Account.** The Employer agrees to allow insurance eligible employees, covered by this Agreement, to participate in a medical and dental expense reimbursement program to cover co-payments, deductibles and other medical and dental expenses, if employees have such costs, or expenses for services not covered by health or dental insurance on a pretax basis as permitted by law or regulation.

45.14 **Preceptor.** Surgical Technologists (18716) may serve as a preceptor after successfully completing a preceptor workshop or equivalent documented training and agreeing to and being appointed to be specifically responsible for planning, organizing, and evaluating the new skill development of one or more newly hired surgical technologists or perioperative registered nurses. This includes teaching, clinical supervision, role modeling, feedback, evaluation (verbal and written) and follow up of the new or transferring employee. Employees will receive a preceptor premium pay of **one dollar and fifty cents ($1.00-50)** per hour for all time spent engaged in preceptor role responsibilities with/on behalf of the orienting employees.

45.15 **Late Payroll Checks.** Regular payroll checks, either hard copy or electronic, should be available to employees on payday. If the University is responsible for delay in receipt of a regular payroll check, the University will work with the employee to attempt to have any incurred fees waived.

45.17 **HMC Public Safety Officer Premium.** All Department of Public Safety Officers who have been trained and qualified to assist the clinical staff when requested in the proper restraint of patients will continue to receive the premium pay of $1.30 per hour. 45.19 **Custodian Compensation.** Custodians working for Environmental Services at UW Medical Center and Harborview will receive an Infection Control Premium pay of $1.00 per hour.

**Custodian Lead Assignment.** Custodians assigned lead duties by the Employer will be paid $1.65 per hour for the duration of the assignment. A lead is one who is assigned lead responsibilities as defined by management but does not have supervisory authority. A lead assignment is delegated responsibility for training, assigning, organizing and scheduling work and reviewing completed work assignments. Lead assignment pay may be for an indefinite period, solely...
determined by the Employer and it shall not provide the basis for an allocation or reallocation under Article 44.

Existing lead custodian positions may be converted to lead assignments when vacant, at management's option. Management decisions to create, modify, or end any lead assignments under this section after July 1, 2013 are not grievable. Employees holding lead job classifications as of July 1, 2013 will not be affected by this section.

45. Career Enhancement/Growth Program.

The University will continue its Career Enhancement/Growth program. The program will reward employees whose development of skills, increased productivity, or assumption of higher level duties results in service enhancements or efficiencies for the department in which the employee works.

CEGP steps on the respective pay tables (see Appendix V Pay Tables), will be attained solely through the Career Enhancement/Growth program and will not be based on length of service.

Employees in every classification covered by this Agreement will be eligible for the program. Employees are eligible to receive a Career Enhancement/Growth step any time after they have been at the last top automatic increment step in their pay range for a minimum of one (1) year. Employees are eligible for the subsequent Career Enhancement/Growth step beginning one (1) year after receiving the previous step.

There will be no minimum or maximum number of employees who may receive Career Enhancement/Growth steps. There will be no minimum or maximum amount of money the University will spend on the Career Enhancement/Growth program. Decisions about Career Enhancement/Growth steps shall be made within sixty (60) days of supervisory/managerial/professorial recommendations.

Either employees or managers may initiate the CEGP application process. All CEGP applications shall be forwarded to the Compensation Office, regardless of approval or denial. If the application has been denied, the reason for the denial must be documented.

The Compensation Office will develop a system to track CEGP applications, grants, and denials including. This tracking system will at a minimum capture the job class, department, employee id, the decision to grant or deny, and the documented reason for any denial. If denied, the employee may appeal to the decision-maker's supervisor.

The CEGP application form will be revised to allow for the inclusion of up to three letters of recommendation, and record years of experience in the position or field,
as well as years of service with the University in the Statement of Qualifications section. The union will have access to this information on request.

The Career Enhancement/Growth program will not be a substitute for reclassifications. Reclassifications will take priority over receiving Career Enhancement/Growth steps such that if an employee qualifies to receive a Career Enhancement/Growth step but could otherwise be reclassified, the employee will be reclassified and will not simultaneously receive the Career Enhancement/Growth step. Career Enhancement/Growth steps shall be considered in calculating salary adjustment associated with promotion and upward reclassification, but in no instance shall a salary in a new position be at a step higher than the highest automatic increment step in the new pay range, except for lateral transfers where there is no mutual agreement not to exceed the highest top automatic increment progression step in the new pay range.

The University agrees to regularly issue University-wide reminders promoting the value of this program.

The parties will utilize the JLM committee to review the CEGP program periodically with the goal to improve standards and accessibility.

The Career Enhancement/Growth program in its entirety is not subject to the grievance procedure (Article 6).

MOU – SCHOLARSHIP FUND FOR MEDICAL CENTER EMPLOYEES

During negotiations for the 2019-2021 successor agreement, the parties reached agreement on the following regarding Scholarship Funds for SEIU 925- and WFSE-represented employees at Harborview Medical Center (HMC) and UW Medical Center (UWMC) for academic year 2019-2020, only to be implemented upon ratification:

In recognition of the commitment of HMC and UWMC to the delivery of excellent patient care as well as the enhancement of employees’ professional skills, the Employer will provide annually a pool of up to a total of $100,000 (maximum $4,000.00 per employee) for SEIU 925- and WFSE-represented employees at Harborview Medical Center (HMC) and UW Medical Center (UWMC) to obtain a degree or certification required for employment in a healthcare field within the hospital where the employee works.

The parties agree to form two Committees, one at HMC and UWMC, and split the funding equitably with $50,000 allocated to each medical center. Each Committee will be comprised of at least one management representative, one member from WFSE and one member from SEIU at HMC and one member from WFSE and one member from SEIU at UWMC. The Committee will be established to research the availability of funds and to recommend the policies and guidelines regarding fund disbursement to the Administration.

In accordance with the above, the Committee will be in charge of administering scholarships. To be eligible, the employee must have a minimum of one (1) year at HMC/UWMC prior to submission of scholarship application. After completion of the program, there is an expected three (3) year commitment to HMC/UWMC. If the employee voluntarily terminates employment prior to the end of the three (3) year commitment, the pro-rated amount of the scholarship must be repaid to HMC/UWMC and may be deducted from the employee’s pay.

The University will implement an additional 2% locality adjustment on July 1, 2019 and a 2% locality adjustment on July 1, 2020, both contingent upon the state appropriating new, permanent state funding from a non-University source and on-going General Fund-State to cover the full cost, including marginal benefit funding, of these locality adjustments for all employees regardless of funding source. MOU – SALARY OVERPAYMENT RECOVERY

During negotiations for the 2019-2021 successor agreement, the parties agreed to the following regarding Salary Overpayment Recovery.

Salary Overpayment Recovery
A. When an Employer has determined that an employee has been overpaid wages, the Employer may recoup the overpayment. The Employer will provide written notice to the employee that will include the following items:
   1. The amount of the overpayment,
   2. The basis for the claim,
   3. A demand for payment, and
   4. The rights of the employee under the terms of this Agreement.

Employees may request a meeting with the Employer and an interpreter to have the overpayment notification explained.

B. Method of Payback
   1. The employee must choose one (1) of the following options for paying back the overpayment:
      a. Voluntary wage deduction,
      b. Cash, or
      c. Check (separated employee).
      d. Vacation (if under 240 hours only) or Compensatory time balances

   2. The employee will have the option to repay the overpayment over a period of time equal to the number of pay periods during which the overpayment was made. The employee may propose a payment schedule to repay the overpayment to the Employer. If the employee’s proposal is accepted by the Employer, the deductions shall continue until the overpayment is fully recouped. Nothing in the section prevents the Employer and employee from agreeing to a different overpayment amount than that specified in the overpayment notice or to a method other than a deduction from wages for repayment of the overpayment amount.

   3. If the employee fails to choose one (1) of the four (4) options described above, within twenty (20) days of written notice of overpayment, the
Employer will deduct the overpayment owed from the employee's wages or the amount due may be placed with a collection agency. This overpayment recovery will not be more than five percent (5%) of the employee's disposable earnings in a pay period. Disposable earnings will be calculated in accordance with the Attorney General of Washington's guidelines for Wage Assignments.

4. Any overpayment amount still outstanding at separation of employment will be deducted from their final pay.

C. Neither A nor B above are required for employee reported overpayments and/or employee corrected time including leave submittal corrections. All employee initiated overpayment corrections may be collected from the next available pay check.

D. Nothing in the section prevents the Employer and employee from agreeing to a different overpayment amount that that specified in the overpayment notice or to a method other than a deduction from wages for repayment of the overpayment amount.

E. Appeal Rights: Any dispute concerning the occurrence or amount of the overpayment will be resolved through the grievance procedure in Article 6 of this Agreement. The Employer will suspend attempts to collect an alleged overpayment until the grievance process has concluded.

This MOU expires on June 30, 2021.
