Subject: END Tech Range Increases effective 10/16/17

Please share this message with your END Techs.

Effective 10/16/17, the Electroneurodiagnostic Technologist series at HMC received the following range increases:

- END Tech 1 increased from Range 38 to Range 40 on the BS table
- END Tech 2 increased from Range 48 to Range 50 on the BS table
- END Tech 3 increased from Range 55 to Range 57 on the BS table

Employees were placed on the new pay range at the same step to which they were assigned to as of 10/16 which resulted in an approximate 2% increase for each employee in addition to the 2% cross-the-board increase.
