Subject: Social Work Assistant 2 Range Increase effective 10/16/17

Please share this message with your Social Work Assistant 2 employees.

Effective 10/16/17, the Social Work Assistant 2 job classification (job code 18942) received a two (2) range increase in wages, from Range 28 to Range 30 on the BC table. Employees were placed on the new pay range at an available step nearest to but not less than their current rate of pay. This range reassignment resulted in an approximate 2% increase for each employee in addition to the 2% across-the-board increase.
