ARTICLE 2 – NON-DISCRIMINATION

1
2 **2.1. ~~2.1~~** The parties individually agree that they will not engage in any act or practice or
3 pursue any policy which is discriminatory against any employee who may be a qualified
4 disabled individual, has status as a protected veteran, who is a victim of domestic
5 violence, sexual assault or stalking, nor because of their military status, age, sex
6 (except where sex or age is a bona fide occupational qualification), sexual orientation,
7 gender identity or expression, genetic information, pregnancy, political affiliation,
8 political belief, marital status, race, national origin, color, creed, religion, immigration
9 status, citizenship, or membership or non-membership in a union. Unlawful harassment,
10 including sexual harassment, is a form of prohibited discrimination and will not be
11 tolerated in the workplace in accordance with University of Washington Executive Order
12 31 on Nondiscrimination and Affirmative Action.

13 “Race” is inclusive of traits historically associated or perceived to be associated with
14 race including, but not limited to, hair texture and protective hairstyles. “Protective
15 hairstyles” includes, but is not limited to, such hairstyles as afros, braids, locks, and
16 twists.

2.2. Complaints.

17 Employees who feel they have been the subject of discrimination, harassment, or
18 retaliation are encouraged to discuss such issues with their supervisor, administrator, or
19 Human Resource Consultant for local resolution. The employee may also choose to
20 report the incident utilizing the bias reporting tool (Reporting Bias Incidents
21 (Washington.edu) or UW Medicine Bias Reporting Tool | Care Transformation
22 (Washington.edu)). The goal of local resolution is to address and resolve problems as
23 quickly as possible and to stop any inappropriate behavior for which a University
24 employee is responsible.
25

26 A formal complaint may be filed with the Civil Rights Investigation Office. As soon as
27 possible, the Civil Rights Investigation Office will provide the complainant with an email
28 confirming they have received the complaint. Employees may also file discrimination,
29 harassment or retaliation complaints with appropriate federal or state agencies or
30 through the grievance process in accordance with Article 6 of this Agreement. In cases
31 where an employee files both a grievance and an internal complaint regarding the
32 alleged discrimination, harassment or retaliation the grievance will be suspended until
33 the internal complaint process has been completed. If the investigation exceeds sixty
34 (60) days, the Union may request a status update from Labor Relations
35 (laborrel@uw.edu).

36 In accordance with Executive Order 31, retaliation against any individual who reports
37 concerns regarding discrimination or harassment, or who cooperates with or
38 participates in any investigation of allegations of discrimination, harassment, or
39 retaliation is prohibited.

1 **2.3.** The parties also agree that they will not engage in any act or practice or pursue any
2 policy which is discriminatory against any employee based on political affiliation, political
3 belief or because of the participation or lack of participation in union activities.

4 **2.4.** Both parties agree that nothing in this Agreement will prevent the implementation of
5 an approved affirmative action plan.

6 **2.5.** A grievance alleging a violation of this article must be submitted within 180-90 days
7 of an alleged occurrence. The grievance must contain the information required by
8 Article 6.5 of this contract to be scheduled at any step of the grievance process.

9 **2.6.** When a grievance or complaint is filed, the University will implement interim
10 measures as appropriate.

2 Employees. The University and the Union are committed to providing reasonable

- 9 3. Providing seating or allowing the employee to sit more frequently if their

ARTICLE 4 – WORKPLACE BEHAVIOR

1

2 The Employer and the Union agree that all employees should work in an environment
3 that fosters mutual respect and professionalism. The parties agree that inappropriate
4 behavior in the workplace does not promote the University’s business, employee well
5 being, or productivity. All employees are responsible for contributing to such an
6 environment and are expected to treat others with courtesy and respect.

7 Inappropriate workplace behavior by employees, supervisors and/or managers will not
8 be tolerated. At no time will bullying be accepted as appropriate workplace
9 behavior. Bullying is defined as language or conduct that is unwelcome and sufficiently
10 severe, persistent, or pervasive such that it could reasonably be expected to create an
11 intimidating, hostile, or offensive environment, or has the purpose or effect of
12 unreasonably interfering with an employee’s work performance, when viewed through
13 both an objective and subjective standard. If an employee and/or the employee’s union
14 representative believes the employee has been subjected to inappropriate workplace
15 behavior, the employee and/or the employee’s representative is encouraged to report
16 this behavior to the employee’s supervisor, a manager in the employee’s chain of
17 command and/or the Human Resources Office. An employee or the employee’s
18 representative should identify complaints as inappropriate workplace behavior. The
19 Employer will investigate the reported behavior and take appropriate action as
20 necessary. If the investigation exceeds sixty (60) days, the Union may request a status
21 update. The employee and/or union representative will be notified upon conclusion of
22 the investigation. Retaliation against employees who make a workplace behavior
23 complaint will not be tolerated.

24 Grievances filed under this article may only be advanced up to Step 3 Mediation.

5.1. Policies.

In conjunction with Federal and State laws, regulations, and Executive Orders, the Employer and the Union agree on the need for an affirmative action program to correct and review any inequities in the employment process. The Employer shall develop, implement, monitor, and report on an affirmative action program requiring the Employer to make special efforts to recruit, employ, retain, train, and promote, underutilized groups even if that exclusion cannot be traced to particular discriminatory actions by the Employer. The Employer shall also develop, implement, monitor, and report on affirmative action goals for hiring and/or promoting into job classes/categories where the Employer determines under-utilization exists. The Employer shall make no decisions regarding employment based on membership in any protected class.

5.2. Groups included in the affirmative action program are the protected classes covered by the relevant federal and state regulations.

5.3. Affirmative Action Reports. Annually, the Employer will provide the Union with its current affirmative action reports listing placement goals of the University for bargaining unit employees.

5.4. It is agreed by the parties that a bargaining unit member elected or selected by the Union shall be encouraged to take an active interest in affirmative action plans affecting each bargaining unit covered by this Agreement.

ARTICLE 6 – GRIEVANCE PROCEDURE

1
2 The Union and the Employer agree that it is in their best interest to resolve disputes at
3 the earliest opportunity and at the lowest level. Whenever possible, disputes should be
4 resolved informally prior to filing a formal written grievance. To that end, all supervisors
5 and employees are encouraged to engage in free and open discussions about disputes.

6 **6.1. Definition.**

7 A grievance, within the meaning of this Agreement, shall be defined as any dispute
8 between the University and the Union, an employee, or a group of employees as to
9 alleged misapplication or misinterpretation of the terms of this Agreement or the
10 Employer’s written personnel rules, policies or practices.

11 **6.2. Employee Grievance Rights.**

12 Any employee who believes they have been aggrieved may personally seek relief from
13 that condition by filing a grievance, irrespective of any supervisor’s opinion of the
14 grievance’s validity. In the presentation of grievances, the employees shall be safe from
15 restraint, interference, discrimination, or reprisal.

16 **6.3. Employee Representation.**

17 The Union as exclusive representative of bargaining unit employees is the responsible
18 representative of said employees in grievance matters.

19 **6.4. Time Limitations.**

20 An extension of the time limitations as stipulated in the respective steps below, may be
21 obtained by mutual consent of the parties. Failure of the union to comply with the time
22 limitations without a request of time extension shall constitute withdrawal of the
23 grievance. Failure of the Employer to comply with the time limitations without a request
24 for time extension shall move the grievance to the next step of the grievance procedure.
25 For the purpose of calculating time requirements, the first day shall be the day following
26 the day on which the employee was aware, or reasonably should have been aware, of
27 the issue giving rise to the grievance. Saturdays, Sundays, and University holidays shall
28 be included in the calculation of days except that the final day may not be on a
29 Saturday, Sunday, or holiday but will end at the close of the first working day following
30 the Saturday, Sunday, or holiday.

31 **6.5. Contents.**

32 The written grievance shall include the following information:

- 33 A. The date upon which the grievance occurred.
- 34 B. The specific Article(s) and Section(s) of the Agreement violated.
- 35 C. The past practice, rule, policy violated.
- 36 C.D. A complete description of the specific events that occurred that resulted in
- 37 the alleged violation.
- 38 D.E. Specific remedy requested.

- 1 E.F. The grievant(s) name and position.
- 2 F.G. Name and signature of Union representative (Staff or Steward).
- 3 G.H. The nature of the grievance.

4 Failure to include the above information shall not be a reason for invalidating the
 5 grievance. However, the Employer may not arbitrarily delay scheduling a grievance
 6 meeting until the Union has provided the above information.

7
 8 **6.6. Pay Status – Meetings.**

9 Meetings and discussions on the grievance held with the Employer in connection with
 10 this grievance procedure shall normally be held during the University’s regular business
 11 hours, or as mutually agreeable, and no deduction in pay status shall be made for the
 12 grievant or steward for reasonable time spent in such meetings or discussions during
 13 the employee’s scheduled duty hours. The work schedule of the grievant will be
 14 seriously considered in the scheduling of the grievance meetings. Time off for
 15 employees and stewards shall be granted by supervision following a request, but in
 16 consideration of job responsibilities. If the requested time off cannot be granted, the
 17 parties shall arrange for time off at the earliest possible time thereafter.

18 **6.7. Grievance Withdrawal.**

19 A grievance may be withdrawn by the Union in writing at any time, and if withdrawn
 20 shall not be resubmitted.

21 **6.8. Resolution.**

22 If the Employer provides the requested remedy or a mutually agreed-upon alternative,
 23 the grievance will be considered resolved and may not be moved to the next step.

24 **6.9. Consolidation.**

25 Grievances arising out of the same set of facts may be consolidated by written
 26 agreement.

27 **6.10. Filing and Processing.**

28 A. **Filing.** A grievance must be filed within thirty (30) days of the occurrence giving
 29 rise to the grievance, or the date the grievant knew or could reasonably have
 30 known of the occurrence. When possible the thirty (30) day periods above should
 31 be used to attempt to informally resolve the dispute. The union steward or staff
 32 representative will indicate when a discussion with the Employer is an attempt to
 33 informally resolve a dispute.

34 1. A grievance involving only Article 47 Contracting must be filed within forty
 35 five (45) days of the occurrence giving rise to the grievance, or the date
 36 the grievant knew or could reasonably have known of the occurrence. The
 37 forty five (45) day periods above must be used to attempt to informally
 38 resolve the dispute.

- 1 **B. Alternative Resolution Methods.** Any time during the grievance process, by
2 mutual consent, the parties may use alternative methods to resolve the dispute. If
3 the parties agree to use alternative methods, the time frames in this Article are
4 suspended. If the selected alternative method does not result in a resolution, the
5 Union may return to the grievance process and the time frames resume. Any
6 expenses and fees of alternative methods will be shared equally by the parties.
- 7 **C. Processing.** The Union and the Employer agree that in-person meetings are
8 preferred at all steps of the grievance process and will make efforts to schedule
9 in-person meetings, if possible.

10 **6.11. Steps of the Grievance Procedure.**

11 All grievances shall be processed in accordance with the following procedure. Upon
12 mutual agreement, Step One, Two or Three may be skipped. Grievances over final
13 counseling or dismissal will begin at Step Two. If either the Union or the Employer
14 elects to skip Step One when a group grievance (five (5) or more grievants) is filed,
15 Step One will be skipped and the grievance will be moved to Step Two.

16 **Step One: Supervisor, Manager or Designee.**

17 If the issue is not resolved informally, the Union may file a written grievance to the
18 supervisor or designee, and the Labor Relations office (laborrel@uw.edu). The
19 Employer will designate a supervisor, manager or designee who will meet in person or
20 confer by telephone with a union steward and/or staff representative and the grievant.
21 The date of the meeting will be mutually agreed upon within fifteen (15) calendar days
22 of receipt of the grievance and when possible the meeting will take place within the
23 aforementioned fifteen (15) calendar days. The format (face to face or by telephone) for
24 the meeting will be by mutual agreement. The employer will respond in writing to the
25 Union within fifteen (15) calendar days after the meeting. The Human Resources
26 Consultant may also attend, if desired by the University. If the grievance is directed
27 against the employee's immediate supervisor, the grievance may be presented to the
28 next higher level of supervision. In the event the employee's immediate supervisor does
29 not have authority to resolve the grievance, the grievance will be presented at the level
30 having authority to act as determined by the Employer.

31 **Step Two:**

32 If a satisfactory settlement is not reached in Step One, said grievance may be moved to
33 the Step Two by filing the written grievance, including a copy of the Step One decision
34 to department head, designee, or to the next appropriate level of management and the
35 Office of Labor Relations within fifteen (15) calendar days after the decision from Step
36 One. The date of the meeting will be mutually agreed upon within fifteen (15) calendar
37 days after notice of the filing at Step Two and when possible the meeting will take place
38 within the aforementioned fifteen (15) calendar days. The grievant may be represented
39 by a steward and a Union staff representative. The University will be represented by the
40 appropriate management official(s) or designee(s), a representative from the Office of
41 Labor Relations, and a Human Resources Consultant, if desired by the University. The
42 University will respond in writing within thirty (30) calendar days after the meeting.

Step Three: Grievance Mediation.

If the grievance is not resolved at the Step Two, the Union may file a request for mediation with the Public Employment Relations Commission (PERC) in accordance with WAC 391-55-020, with a copy to the Labor Relations Office within thirty (30) days of receipt of the Step Two decision. In addition to all other filing requirements, the request must include a copy of the grievance and all previous responses. The Union may skip Step Three Mediation by providing the Employer written notification within thirty (30) days of the Step Two decision. The Employer will inform the Union, in writing, and PERC within thirty (30) days of receipt of Mediation request if they are not in agreement. If those services are unavailable on a timely basis, the parties may request a list of grievance mediators from the Federal Mediation and Conciliation Service (FMCS) or other agreed upon mediation provider. The cost of the mediation shall be borne equally by both parties.

Step Four: Arbitration.

If a satisfactory settlement is not reached at the prior step, or the step was skipped, either of the signatory parties to this Agreement may submit the grievance to binding arbitration. Such submittal must be made within thirty (30) calendar days following the written notice that the employer does not agree to Step Three (3) Mediation or the conclusion of the prior step. The Union and the University must contact the employer to begin the arbitration scheduling process and provide availability to the arbitrator within thirty (30) calendar days of the union advancing the grievance to arbitration., and the arbitration hearing must be scheduled for a date that is within six months (180 calendar days) of the date the grievance was advanced to arbitration, or the grievance will be considered withdrawn.

Panel of Arbitrators:

- A. ~~Within sixty (60) calendar days of the execution of the Agreement, t~~The parties, SEIU 925, WFSE 1495 and 3488, and the Employer, agree ~~to meet to~~ establish maintain a permanent panel of six (6) arbitrators. When it becomes necessary, the If the parties do not will meet to replace any arbitrator(s) to ensure the panel contains six (6) arbitratorser if there is no agreement on the panel, the current panel will remain.
- B. These arbitrators shall be assigned cases by the parties on a rotating basis. If the arbitrator is not available to hear the case within sixty (60) calendar days of being contacted to request available arbitration dates either party may elect to go to the next arbitrator in the rotation. If no arbitrator can hear the case within sixty (60) calendar days of being contacted, the case will be assigned to the arbitrator who can hear the case on the earliest date.
- C. The appointment to the panel will be for the life of the Agreement. If an arbitrator decides to remove their name from the panel the parties will meet to decide whether to substitute an additional name(s).

1 No later than seven (7) working days prior to the scheduled arbitration meeting, the
2 parties will submit questions of arbitration eligibility to the arbitrator for preliminary
3 determination, share the name of each witness intending to testify at the hearing, and
4 attempt to agree upon the issue statement. A copy of written materials submitted to the
5 arbitrator will be provided to the opposing party.

6 If either party raises an issue of procedural arbitrability, i.e. that any step of the
7 grievance process or movement to arbitration was not pursued within the time limits
8 proscribed in this article, the arbitrator shall make a determination on the arbitrability
9 issue prior to proceeding to a hearing on the merits of the grievance. If the arbitrator
10 determines the grievance is not arbitrable, then no hearing on the merits of the
11 grievance will be held.

12 Authority of the Arbitrator

13 The parties agree that the arbitrator shall have no power to render a decision that adds
14 to, subtracts from, alters or modifies in any way the terms and conditions of the
15 Agreement. The parties further agree that the decision of the arbitrator will be final and
16 binding upon all parties.

17 The Union or the Employer will have the right to request the arbitrator to require the
18 presence of witnesses and/or documents. The arbitrator's decision shall be made in
19 writing and the arbitrator shall be encouraged to render the decision within thirty (30)
20 calendar days of the close of the arbitration.

21 In cases where a grievance is moved to arbitration and the Employer did not agree to
22 Step Three: Grievance Mediation, either party may request a pre-arbitration settlement
23 conference. These conferences shall not delay the arbitration process, and may be held
24 with or without the presence of the arbitrator, at the option of the moving party. In the
25 event that an arbitrator is present, the cost of the arbitrator's participation shall be borne
26 equally by the parties.

27 **6.12. Arbitration Costs.**

- 28 A. The fees and costs of the arbitrator, and the cost (if any) of the hearing room, will
29 be shared equally by the parties.
- 30 B. If the arbitration hearing is postponed or canceled because of one party, that
31 party will bear the cost of the postponement or cancellation. The costs of any
32 mutually agreed upon postponements or cancellations will be shared equally by
33 the parties.
- 34 C. If either party desires a record of the arbitration, a court reporter may be used. If
35 that party purchases a transcript, a copy will be provided to the arbitrator free of
36 charge. If the other party desires a copy of the transcript, it will pay for half of the
37 costs of the fee for the court reporter, the original transcript and a copy.
- 38 D. Each party is responsible for all fees and costs of its staff representatives,
39 attorneys, experts, witnesses –and all other costs related to the development and

1 presentation of their case. Every effort will be made to avoid the presentation of
2 repetitive witnesses.

3 **6.13. Files.**

4 Grievance documents shall be maintained separately from employee personnel files.
5 Employee personnel files will accurately reflect the final outcome of a grievance.

6 **6.14 Mediation and Arbitration Hearing.** When a mediation or arbitration hearing
7 areis scheduled during the Employer’s normal business hours, the Union must
8 submit a release request to ~~UW Labor Relations~~ and the **employee’s** supervisor for
9 approval and a copy to UW Labor Relations for awareness. If the request is
10 approved, the employee assigned to an evening or night shift will be released from
11 their duties with pay the day before or the night of the meeting for the hours
12 required to participate in the mediation or arbitration hearing, for a maximum of
13 eight (8) hours. If the time spent in the mediation or arbitration hearing is less than
14 their regularly scheduled shift time, the employee will use paid time off or leave
15 without pay to fulfill their required hours of work.

ARTICLE 8 – EMPLOYEE FACILITIES

1

2 **8.1.** Adequate lunchroom, washroom and toilet facilities shall be provided and available
3 for the use of the employees. Suitable dressing rooms and/or lockers shall be provided
4 to employees in those occupations where a change of clothing is required by the
5 Employer.

6 A. Employees are encouraged to report to supervision any condition in employee
7 facilities which appear to be below minimum standards.

8 B. The adequacy of employee facilities, including sanitary supply dispensers,
9 lactation stations, all gender bathrooms, or any change in employee facilities,
10 shall be a proper subject for discussion by the Joint Union-Management
11 Committee.

12 C. Regarding the use of Gender Segregated Facilities:

13 1. Facility use. The Employer shall allow individuals the use of gender-
14 segregated facilities, such as restrooms, locker rooms, and dressing
15 rooms that are consistent with that individual’s gender expression or

17 In such facilities where undressing in the presence of others occurs, the
18 Employer shall allow access to and use of a facility consistent with that
19 individual’s gender expression or gender identity.

20 2. Cannot require use inconsistent with gender expression or gender identity
21 The Employer shall not request or require an individual to use a gender-
22 segregated facility that is inconsistent with that individual’s gender
23 expression or gender identity, or request or require an individual to use a
24 separate or gender-neutral facility.

25 3. If another person expresses concern or discomfort about a person who
26 uses a facility that is consistent with the person’s gender expression or
27 gender identity, the person expressing discomfort should be directed to a
28 separate or gender-neutral facility, if available.

29 Any action taken against a person who is using a restroom or other
30 gender-segregated facility, such as removing a person, should be taken
31 due to that person’s actions or behavior while in the facility, and must be
32 unrelated to gender expression or gender identity. The same standards of
33 conduct and behavior must be consistently applied to all facility users,
34 regardless of gender expression or gender identity.

1 **ARTICLE 9 – HOURS OF WORK AND WORK SCHEDULES**

2 **9.1. General.**

- 3 A. Hours of work for employees in the bargaining units listed in Appendix I shall be
- 4 established by the Employer.
- 5 B. Overtime may be assigned outside normally scheduled shifts and will be
- 6 compensated in accordance with Article 10.

7 **9.2. Definitions.**

- 8 A. **Full-time Employee.** An employee scheduled to work forty (40) hours per week
- 9 in a seven (7) day period; or designated hospital personnel scheduled to work
- 10 eighty (80) hours in a fourteen (14) day period.
- 11 B. **Part-time Employee.** An employee scheduled to work less than forty (40) hours
- 12 per week in a seven (7) day period; or designated hospital personnel scheduled
- 13 to work less than eighty (80) hours in a fourteen (14) day period. Part-time
- 14 employees shall receive all benefits of employment on a pro-rata basis, except
- 15 health benefits coverage that is determined by the state.
- 16 C. **Work Shift.** The hours an employee is scheduled to work each workday in a
- 17 workweek.
- 18 D. **Workday.** One of seven (7) consecutive, twenty-four (24) hour periods in a
- 19 workweek.
- 20 E. **Work Schedules.** Workweeks and work shifts of different numbers of hours may
- 21 be established by the Employer in order to meet business and customer service
- 22 needs, as long as the work schedules meet federal and state laws.

23 **9.3. Rest, Meal and Clean-up Periods.**

24 **9.3 Meal and Rest Breaks.**

25 The provisions of section 9.3 are agreed upon pursuant to RCW 49.12.187. To the extent
26 these provisions differ from any statutes and regulations relating to rest and meal breaks,
27 and the right to wages and overtime for missed rest and meal breaks (including but not
28 limited to RCW 49.12.480, 49.46.020, 49.46.090 and 49.52.050, and WAC 296-126-092), the
29 provisions of section 9.3, University Policy (#), and UW Medicine Policy (#) may vary and
30 supersede such statutes and regulations. These policies will follow the minimum standard
31 for working conditions of RCW 49.12 and WAC 296-126-092, unless such rights are waived
32 by the employee. and waive the rights of all employees represented by WFSE to rest and
33 meal breaks, and related wages and overtime compensation based on such statutes and
34 regulations that are inconsistent with these provisions, University Policy or UW Medicine
35 Policy.

36 Employee health and safety will be considered when scheduling rest and meal periods.
37 Employees may not alter their scheduled rest or meal periods without prior supervisor

1 approval. Employees who are unable to take scheduled rest or meal periods must report to
2 their supervisor as soon as possible, but no later than the end of the shift in which they
3 missed their rest or meal period. Additionally, the Employee must document the missed
4 rest or meal break during the actual shift the rest or meal period was missed. A missed rest
5 break or meal period that is not documented will be considered as taken for the purposes of
6 this section.

7 **Rest Periods.** Employees will be provided with an employer paid 15-minute rest periods, for
8 every four (4) hours worked. Employees must take scheduled rest periods, and it is the
9 employer's intention to provide uninterrupted rest periods. In the event the employee is
10 unable to complete the 15-minute paid rest period because they are required to remain on
11 duty, are required to remain on-call on the premises, or if they're called back to work thus
12 interrupting the rest period, the employee shall be entitled to complete their uninterrupted
13 rest period as soon as possible. If a full rest period is unable to be completed, the employee
14 will be compensated for the entire rest period. Where the-nature of the work allows
15 employees to take intermittent rest periods equivalent to 30 minutes within an 8-hour
16 period, or 45 minutes within a 12-hour period, a scheduled rest period is not required. Rest
17 periods may not be used for late arrival or early departure from work.

18 **Unpaid Meal Period.** Employees will be provided with one unpaid meal period of at least 30
19 minutes during any shift that exceeds five hours in length. When an employee's unpaid meal
20 period is interrupted by work duties, the employee will be allowed to resume their unpaid
21 meal period following the interruption, if possible, and to complete the 30-minute unpaid
22 meal period. In the event the employee is unable to complete the 30-minute unpaid meal
23 period because they are required to remain on duty, are required to remain on-call on the
24 premises, or if they're called back to work thus interrupting their meal period, the employee
25 shall be entitled to compensation for the entire 30-minute meal period.

26 An employee whose shift exceeds twelve (12) hours (excluding unpaid meal periods) or is
27 extended at least three (3) hours beyond their scheduled shift will be entitled to a second
28 30-minute unpaid meal period. If the Employee chooses to waive the second meal period
29 requirement, they are responsible for initiating and submitting a waiver. It must be
30 documented that the waiver was completed prior to waiving the meal period. Absent
31 documentation of a waiver, it is deemed that the Employee took their meal period.

32 **Paid Meal Period.** Employees who are required to work or remain on duty during a meal
33 period must be paid for the entire meal period, regardless of the number of interruptions.
34 Employees must be paid for meal periods if:

- 35 • They are required to remain on duty.
 - 36 • The employer requires them to remain on-call on the premises or work site in the
37 interest of the employer, even if they are not called back to duty.
 - 38 • They are called back to work, interrupting the meal period.
- 39

1 **Combining Rest and Meal Periods:** For any work period for which an employee is entitled
2 to one or more meal periods and more than one rest period, the employee and the employer
3 may agree that one meal period may be combined with one rest period meal and rest
4 periods can be combined, as determined by management.

5
6 Hospital employees subject to RCW 49.12.480 may also choose to waive the timing of their
7 rest and meal periods if combining. If the Employee chooses to combine rest and meal
8 periods, they are responsible for initiating and submitting a waiver. It must be documented
9 that the waiver was completed prior to combining the rest and meal periods. Absent
10 documentation of a waiver, it is deemed that the Employee took their meal period as
11 required unless otherwise documented in KRONOS. When combining rest and meal
12 periods, the break period is deemed in order of when the rest or meal period would have
13 occurred. Example, if a meal period is combined with a later rest period, the meal period is
14 first, and then the rest period.

15
16 Health care workers have specific meal and rest period requirements and benefits. UW
17 Medicine has a Meal & Rest Breaks Policy for Covered Health Care Workers who Provide
18 Direct Patient Care which is located at the following link: [Add link](#)

19 This language will be implemented on November 1, 2024.

20
21
22 ~~Rest, Meal and Clean-up Periods will be scheduled by the supervisor as follows:~~

23 ~~**A. Rest Periods.** The Employer and Union agree to rest periods that vary from and~~
24 ~~supersede the rest periods required by WAC 296-126-092. Employees will be~~
25 ~~provided paid 15-minute rest periods for every four (4) hours worked. No~~
26 ~~employee will be required to work more than three consecutive hours without a~~
27 ~~rest period. Rest Periods do not require relief from duty; however, it is the~~
28 ~~employer's intention to provide uninterrupted rest periods. Employees must take~~
29 ~~scheduled rest periods. Where the nature of the work allows employees to take~~
30 ~~intermittent rest periods equivalent to 30 minutes within an 8-hour period, a~~
31 ~~scheduled rest period is not required. Rest periods may not be used for late~~
32 ~~arrival or early departure from work.~~

33 ~~**B. Unpaid Meal Period.** The Employer and Union agree to unpaid meal periods~~
34 ~~that vary from and supersede the unpaid meal period requirements required by~~
35 ~~WAC 296-126-092. Employees will be provided with one unpaid meal period of at~~
36 ~~least 30 minutes during any shift that exceeds five hours in length. When an~~
37 ~~employee's unpaid meal period is interrupted by work duties, the employee will~~
38 ~~be allowed to resume their unpaid meal period following the interruption, if~~
39 ~~possible, and to complete the 30-minute unpaid meal period. In the event the~~
40 ~~employee is unable to complete the 30-minute unpaid meal period due to~~

~~operational necessity, the employee shall be entitled to appropriate compensation to be computed based on the actual number of minutes worked within the 30-minute unpaid meal period. An employee whose shift is extended at least three (3) hours longer than a normal workday will be entitled to another 30-minute unpaid meal period. This second meal period must be given within five (5) hours from the end of the first meal period and for each five (5) hours worked thereafter. If the Employee chooses to waive the overtime meal period requirements, he/she will do so in writing.~~

~~C. **Paid Meal Period.** The Employer and Union agree to paid meal periods that vary from and supersede the paid meal period required by WAC 296-126-092. Employees working straight shifts will not receive a paid meal period, but will be permitted to eat intermittently during paid time as time allows during their shift while remaining on duty.~~

~~D. **Clean-Up Time.** Reasonable time for clean-up may be allowed at the end of the shift as determined necessary by the Employer (at the department level).~~

~~E. Employee health and safety will be considered when scheduling rest, meal, and clean-up periods. Employees may not alter their scheduled rest or meal periods without supervisor approval. Employees who are unable to take scheduled rest or meal periods must report to their supervisor as soon as possible.~~

9.4. Work Schedules. The Employer will assign a work schedule to each employee.

A. Scheduled work periods, within which there are two (2) work schedules:

1. **Regular Work Schedule.** The regular work schedule for full-time employees shall consist of five (5) consecutive and uniformly scheduled eight (8) hour days in a seven (7) day period, with two (2) consecutive days off. Uniformly scheduled means a daily repetition of the same working hours and a weekly repetition of the same working days.

2. **Alternative Work Schedule.** Workweeks and work shifts of different number of hours may be established for overtime-eligible employees by the Employer in order to meet business and customer needs, as long as the alternate work schedule meets federal and state laws. ~~An alternate forty (40) hour work schedule (other than five (5) uniform and consecutive eight (8) hour days in a seven (7) day period), or for hospital personnel an eighty (80) hour workweek in a fourteen (14) day period and other mutually agreed upon schedules that comply with applicable federal and state law.~~ Employee work schedules normally include two (2) consecutive days off.

B. **Nonscheduled Work Period.** Positions for which the hours (shift length, shift times and workdays) cannot be regularly scheduled.

C. **Part-time Work Schedule.** This is any deviation from any full-time schedule which includes less than forty (40) hours per week in a seven (7) day period; or for designated hospital personnel less than eighty (80) hours in a fourteen (14) day period. Employee work schedules will normally include two (2) consecutive days off.

- 1 D. The Union may propose other alternative schedules through the Joint
- 2 Union/Management Committees.

3 **9.5. Shift/Schedule Assignment Notification.**

- 4 A. The Employer agrees to provide as much notice as possible but no fewer than
- 5 fourteen (14) calendar days notice to an employee in the event of an Employer-
- 6 directed permanent change in the employee's work shift assignment or work
- 7 schedule, with the day of notification constituting the first day of notice. A shorter
- 8 notification period may be used with the concurrence of the employee(s)
- 9 impacted.
- 10 B. For temporary changes in work schedule assignment occurring within the
- 11 employee's assigned workweek, the Employer will provide three (3) calendar
- 12 days' notice, with the day of notification constituting the first day of notice. For
- 13 emergency reasons, lack of work, an existing safety hazard to the employee or
- 14 others, or mutual agreement between the Employer and employee, the Employer
- 15 may temporarily change an employee's schedule with fewer than three (3)
- 16 calendar days' notice. Temporary is defined as no longer than twenty- one (21)
- 17 days. Temporary shift changes within the workweek shall not be employed to
- 18 create a split work shift, work week, or to avoid the accrual of overtime.
- 19 C. The assignment of employees in various shifts within each work group or
- 20 department shall be determined by the Employer. Provided that when
- 21 qualifications are substantially equal and all other considerations are the same in
- 22 the judgment of the employing department, seniority will be the tie-breaker in
- 23 determining shift assignment for Employer required changes. This criterion does
- 24 not apply to positions deemed by the Employer to require a rotational
- 25 shift. Employees will be allowed to bid on vacant shifts by department seniority
- 26 in accordance with departmental policy/procedure. Bids may be restricted to the
- 27 employee's work unit.
- 28 D. In accordance with present and past practice, it is understood that employees in
- 29 certain departments are on alternative work schedules and/or part-time
- 30 schedules by reason of operational necessity and employee convenience. Such
- 31 assignments/practices shall be recognized.

32 **9.6. Telework/Commute.**

33 Requests for teleworking/commuting will be considered in accordance with University
34 and/or departmental policy.

35 **9.7. Rest Between Shifts – Surgical Technologists, Patient Care Techs, Mental**
36 **Health Specialists, and Hospital Assistants.**

37 In scheduling work assignments, the Employer will make a good faith effort to provide
38 each employee with at least ~~ten~~ eleven (11) hours off duty between shifts. In the
39 event an employee is required to work with less than ~~ten~~ eleven (11) hours off duty
40 between shifts, all time worked within this ~~ten~~ eleven (11) hour period shall be at
41 time and one-half (1 ½).

ARTICLE 10 – OVERTIME

10.1. Overtime work must be approved in advance by the Employer and shall be paid at a rate of one and one-half (1-1/2) times the employee’s regular rate. Employees qualify for overtime compensation under the following conditions:

A. Any one of the following constitutes overtime:

1. Work in excess of the daily work shift for full-time employees ~~or part time scheduled employees~~ assigned to scheduled work period positions;
2. Work in excess of forty (40) hours in one (1) work week performed by overtime-eligible employees assigned to scheduled or nonscheduled work period positions; or
3. For hospital personnel assigned to a fourteen (14) day schedule, work in excess of eight (8) hours in a twenty-four (24) hour period or eighty (80) hours in a fourteen (14) day period.

B. The federal Fair Labor Standards Act and the Washington State Minimum Wage Act govern which positions are overtime eligible and required to track time. Appendix I details job classifications that are overtime eligible. Appendix III details job classifications that are exempt from overtime, however certain positions in these classification may be determined to be overtime eligible if the employee’s combination of FTE and salary falls below the federal or state threshold to be overtime exempt. Employees assigned to excepted work period positions normally do not qualify for overtime pay. Under circumstances in which the employee is directed to work an excessive amount of overtime, the Assistant Vice President of Human Resources may authorize additional compensation in cash or compensatory time off not to exceed one and one-half times the employee’s regular rate. The employee may petition the Assistant Vice President of Human Resources for compensation of the directed overtime.

10.2. All time that the employee is in a pay status, such as sick or vacation time off, shall be used for purposes of calculating the work day and work week.

10.3. Compensatory Time.

- A. Overtime hours shall be compensated on a salary payment basis, unless the employee requests and is granted compensatory time off, (at the rate of one and one-half (1-1/2) times the hours worked) in lieu of pay. Such compensatory time off shall be scheduled at a time which is mutually acceptable to the employee and the supervisor. In general, employees shall be allowed to take requested compensatory time off unless it causes staffing to fall below a minimum staffing level as determined by the Employer.
- B. If compensation is paid to an employee for accrued compensatory time, such compensation shall be paid at the regular rate earned by the employee at the time the employee receives such payment.

1 All compensatory time must be used by June 30th of each year. The employee's
2 compensatory time balance will be cashed out every June 30th or when the employee
3 leaves University employment for any reason. The employee's compensatory time
4 balance may be cashed out when the employee:

- 5 1. Transfers to a position in their department with different funding sources or,
- 6 2. Transfers to a position in another department.

7 **10.4.** Whenever overtime work is required, supervision shall determine the employees
8 needed to work such overtime on the basis of their qualifications and availability.
9 Overtime shall be distributed as equally as possible among the qualified and available
10 employees.

11 **For Hospital Security Officers:** The Employer will first ask for volunteers from the
12 officers currently on shift or scheduled to come in for the next shift prior to assigning
13 mandatory overtime. When possible, mandatory overtime will be assigned on a
14 rotational basis.

15 **10.5.** All reported exception time worked will be paid in accordance to RCW 42.16.010.

1 **ARTICLE 14 – HIRING, APPOINTMENT, PROMOTIONS, AND TRANSFERS**

2 **14.1. Probation.**

3 An employee will attain permanent status in a job classification upon their successful
4 completion of a probationary, trial service or transition review period.

5 A. Every part-time and full-time employee, following their initial appointment to a
6 permanent position, will serve a probationary period of six (6) consecutive
7 months. The Employer may extend the probationary period for an individual
8 employee as long as the extension does not cause the total period to exceed
9 twelve (12) months. Employees will be provided with a written explanation for the
10 extension. If the extension is based on performance issues, the employee will
11 receive a performance improvement plan. Extension of probation period shall not
12 be a normal practice.

13 B. Permanent employees at the University of Washington shall not be required to
14 complete another probationary period.

15 C. The Employer will extend an employee’s probationary period, on a day-for-a-day
16 basis, for any day(s) that the employee takes paid time off, leave without pay, or
17 shared leave, except for leave taken for military service. For the purpose of
18 calculating the completion date, an employee’s probationary period shall not end
19 on the employee’s regularly scheduled weekend off or a scheduled holiday off. In
20 those instances the completion date will be the next scheduled work day.

21 D. By mutual agreement, the probationary period for additional selected classes-job
22 profiles may be established for a period in excess of six (6) months but not to
23 exceed twelve (12) months.

25 but may not exercise seniority rights until completion of the probationary period.
26 Probationary employees are not eligible for layoff or rehire rights.

27 F. An employee who is appointed to a different position in a different classification
28 prior to completing their initial probationary period will serve a new probationary
29 period. The length of the new probationary period will be in accordance with
30 Subsection 14.1(A) , unless adjusted by the Appointing Authority for time already
31 served in probationary status. In no case, however, will the total probationary
32 period be less than six (6) consecutive months.

33 **G. Probationary Period Rejection.**

34 The Employer may reject an employee who has not completed a probationary
35 period. Upon request by the employee, a meeting to explain such action shall be
36 held with a representative of the Employer. At the request of the employee a
37 representative of the Union shall attend such meeting. Such rejection is not
38 subject to the grievance procedure, except in cases involving discrimination,
39 under Article 2.

40 **14.2.** The Employer may convert a non-permanent appointment into a permanent
41 appointment if the Employer used a competitive process to fill the non-permanent

1 program. In such circumstances the employee will serve a probationary or trial service
 2 period whichever is applicable.

3 **14.3. Filling Positions.**

 17 days' notice to employees within the unit/department seeking a different
 18 shift regardless of shift. An employee's request for the vacant shift will be
 19 granted provided:

- 20 1. The employee submitted the request in writing;
- 21 2. The employee holds permanent status in the job classification;
- 22 3. The employee is currently working in the same unit/department;

 27 shift.

28 If two (2) or more employees request the vacant shift and they meet the above criteria,
 29 the employee with the most department seniority (Article 38.1d) will be appointed. If the
 30 department seniority is equal, the employee who submitted the request in writing first
 31 will be appointed.

32 The offering of a formal layoff option in accordance with Article 38, Seniority, Layoff,

6 **17.2.** The annual vacation schedule in each work unit shall be established in the
 7 existing departmental manner or as follows:

- 8 A. Twice each year, on or about April 1 and October 1, a vacation request sheet
 9 shall be circulated to the bargaining unit employees. Each employee shall be
 10 given the opportunity to indicate their preference of a vacation time period for the
 11 subsequent six (6) months. Supervision shall endeavor to schedule vacations
 12 according to the employee’s wishes. In the event that two or more bargaining unit
 13 employees from the same unit request the same vacation period and supervision
 14 must limit the number of persons who may take leave at one time due to work
 15 requirements, preference shall be determined by departmental seniority. If
 16 departmental seniority is equal, the determination will be decided by lot.
 17 B. Supervision shall post the vacation schedule by May 1 and November 1, which
 18 shall remain in effect for each succeeding six (6) months period, that is, June 1
 19 through November 30, and December 1 through May 31, respectively. Individual
 20 vacation periods may be changed at any time by mutual agreement between the

7 employee(s) concerned and supervision; however in no case shall an employee's
8 scheduled vacation interfere with the necessary work of the organization, the
9 determination of which shall rest with supervision.
10 An employee who makes a supplemental vacation request will be notified
11 whether the request is approved or denied within a reasonable period of time, but
12 in no case more than seven (7) calendar days after the supplemental vacation
13 request is submitted according to department procedure.

14 **17.3.** Any bargaining unit employee who may be transferred to another unit or removed
15 from the bargaining unit by promotion or transfer shall alter their preferred vacation
16 period if in conflict with a previously established vacation schedule.

17 **17.4. Vacation Denial.**

18 When an employee's vacation cannot be approved, the supervisor shall schedule the
19 employee's vacation at the next earliest date requested by the employee if available
20 and deemed possible by the supervisor. If an employee's request for vacation leave is
21 denied, the Employer, upon request, must provide the reason for denying vacation
22 leave electronically or in writing.

23 **17.5. Holiday Rotation.**

24 Vacation requests filed in accordance with 17.2 for the week including Thanksgiving and
25 the weeks including Christmas Day and New Year's Day shall be granted on a rotating
26 basis. The rotation will begin with the most senior person and shall proceed in that order
27 until all staff wishing to take vacation leave during those holiday periods have done so.
28 No employee shall be granted more than one (1) of the aforementioned weeks in a
29 single year, unless there are no other interested employees and the department is able
30 to grant the request based on operational needs.

31 **17.6. Vacation Time Off Maximum.**

32 Employees may accumulate maximum vacation balances not to exceed the statutory
33 limits in accordance with RCW 43.01.040 (currently two hundred eighty (280) hours).
34 However, there are two (2) exceptions that allow vacation time off to accumulate above
35 the maximum:

36 A. If an employee's request for vacation time off is cancelled or denied by the
37 Appointing Authority or designee, and the employee has not exceeded the
38 vacation leave maximum (currently two hundred eighty (280) hours), the
39 Employer shall grant an extension for each month that the Employer defers the
40 employee's request for vacation time off.

1 B. An employee may also accumulate vacation time off days in excess of the
2 statutory limit (currently two hundred eighty (280) hours) as long as the employee
3 uses the excess balance prior to their anniversary date (time off service date).
4 Any time off in excess of the maximum that is not deferred in advance of its
5 accrual as described above, will be lost on the employee's anniversary date (time
6 off service date).

7 **17.7. Vacation Time Off Cash Payment.**

ARTICLE 18 – SICK TIME OFF

18.1. Sick Time Off.

A. Accrual.

Full-time employees (prorated for part-time) shall accrue eight (8) hours of sick time off for each month of completed regular monthly service. Full-time and part-time employees with unpaid time off exceeding 80 hours in a month (prorated for part-time) will earn a monthly accrual proportionate to the number of hours in pay status, in the month to that required for full-time employment. Employees working less than a full-time schedule will earn a monthly accrual proportionate to the number of hours in pay status, in the month to that required for full-time employment. Sick time off accruals must not exceed eight hours in a month and may not be used in advance of the accrual.

B. Sick Time Off – Use.

Sick time off shall be allowed to an employee under the following conditions:-

2. By reason of exposure of the employee to a contagious disease during such period as attendance on duty would jeopardize the health of fellow employees or the public.

2.3. When an employee's child's school or place of care has been closed for a health-related reason or after the declaration of an emergency by a local or state government or agency, or by the federal government.

3.4. Because of a health condition of a family member that requires treatment or supervision, or that requires the presence of the employee to make arrangements for extended care.

Family members includes biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an employee or the employee’s spouse or domestic partner, or a person who stood in loco parentis when the employee was a minor child; sibling, spouse, state registered domestic partner, grandparent, grandchild, or child, regardless of age or dependency status, including a biological, adopted or foster child, stepchild, child’s spouse, or a child to whom the employee stands in loco parentis, is a legal guardian, or is a de facto parent. Family members include those persons in a “step” relationship. Family member includes any individual who regularly resides in the employee's home or where the relationship creates an expectation that the employee cares for the person, and that individual depends on the employee for care. "Family member" includes any individual who regularly resides in the employee's home, except that it does not include an individual who simply resides in the same home with no expectation that the employee care for the individual.

4.5. To provide emergency child care (as in Article 25) or because of condolence or bereavement (as in Article 26)

5 members of the employee's household or family members because of
6 emergencies not covered above.

7 ~~7-8.~~ When requested as a supplemental benefit while receiving a partial
8 wage replacement for paid family and/or medical leave under Title 50A
9 RCW. This time off may be subject to verification that the employee has
10 been approved to receive benefits for paid family and/or medical leave
11 under the Title 50A RCW.

12 ~~8-9.~~ If the employee or the employee's family member is a victim of
13 domestic violence, sexual assault, or stalking as defined in RCW
14 49.76.020. The Employer may require that the request for leave ~~for this~~
15 ~~purpose be~~ supported by verification per Administrative Policy Statement
16 46.8.

17 ~~9-10.~~ For an employee to be with a spouse or registered domestic
18 partner who is a member of the armed forces of the United States,
19 National Guard, or reserves after the military spouse or registered
20 domestic partner has been notified of an impending call or order to active
21 duty, before deployment, or when the military spouse or registered
22 domestic partner is on leave from deployment.

23 ~~10-11.~~ When an employee requests to use sick time off for the purposes of
24 parental leave to bond with a newborn, adoptive, or foster child for a
25 period of up to eighteen (18) weeks. Sick time off for this purpose must be
26 taken during the first year following the child's birth or placement.

27 **C. Use of Vacation Time Off or Compensatory Time Off for Sick Time Off**
28 **Purposes.**

29 An employee who has used all accrued sick time off may be allowed to use
30 accrued vacation time off and/or compensatory time off for sick time off purposes
31 when ~~approved in advance or~~ authorized by the employee's departmental
32 supervisor. All available compensatory time must be used prior to accrued
33 vacation time off, unless this will result in the loss of vacation time. An employee
34 must be granted the use of accrued compensatory time to care for spouse,
35 domestic partner, parent, parent-in-law, grandparent, minor/dependent child who
36 has a serious health condition; for domestic violence leave; military spouse
37 leave; and when requested as a supplemental benefit (as an example PFML)..

38 **D. Restoration of Vacation Time Off.**

39 In the event of an incapacitating illness or injury during vacation, the employee's
40 supervisor may authorize the use of sick time off and the equivalent restoration of
41 any vacation time off otherwise charged. Such requests shall be in writing, and a
42 medical certificate may be requested.

43 **E. No Abuse of Sick Time Off.**

44 Both parties agree that neither the abuse nor the arbitrary denial of sick time off
45 will be condoned. The Employer and the Union agree to work cooperatively

1 toward the resolution of mutually identified problems regarding the use of sick
2 time off.

3 **F. Sick Time Off Verification.** The Employer will not require verification for
4 absences of three (3) consecutive work days or fewer. ~~Such verification or proof~~
5 may be given to the supervisor/manager or Human Resources according to
6 departmental policy. ~~The Employer will not make unreasonable requests for sick~~
7 time off verification.

8 **18.2. Sick Time Off Cash Out.**

9 Eligible employees may elect to receive monetary compensation for accrued sick time
10 off as follows:

11 In January of each year an employee whose sick time off balance at the end of the
12 previous year exceeds four hundred eighty (480) hours may elect to convert the sick
13 time off hours earned in the previous calendar year, minus those hours used during the
14 year, to monetary compensation. No sick time off hours may be converted which would
15 reduce the calendar year end balance below four hundred eighty (480) hours. Monetary
16 compensation shall be paid at the rate of twenty-five percent and shall be based on the
17 employee's current salary. All converted hours will be deducted from the sick time off
18 balance.

19 Employees who separate from University service due to retirement or death shall be
20 compensated for the unused sick time off accumulation from the date of most recent
21 hire in a leave eligible position with the State of Washington at the rate of 25%.
22 Compensation shall be based upon the employee's wage at the time of separation. For
23 the purpose of this section, retirement shall not include vested out of service employees
24 who leave funds on deposit with the retirement system.

25 In accordance with state law, former eligible employees who are re-employed within five
26 (5) years of separation shall be granted all unused sick time off credits, if any, to which
27 they are entitled at time of separation.

28 **18.3. Family Care Leave.**

29 In accordance with RCW 49.12 and WAC 296-130, employees shall be allowed to use
30 any or all of their choice of sick leave or other paid time off to care for a family member
31 (as defined above) who has a serious health condition or an emergency condition.
32 Employees shall not be disciplined or otherwise discriminated against because of their
33 exercise of these rights.

1 **ARTICLE 21 – FEDERAL FAMILY MEDICAL LEAVE ACT AND PARENTAL LEAVE**

2 **21.1. Federal Family and Medical Leave Act (FMLA).** Consistent with the federal
3 Family and Medical Leave Act of 1993, ~~and APS 45.5,~~ an employee who has worked for
4 the state for at least twelve (12) months and for at least one thousand two hundred and
5 fifty (1250) hours during the twelve (12) months prior to the requested leave is entitled
6 to up to twelve (12) work weeks of leave per year for any combination of the following:

- 7 a. parental leave to care for a newborn or newly placed adopted or foster child; or
8 b. personal medical leave due to the employee’s own serious medical condition that
9 requires the employee’s absence from work; or
10 c. family medical leave to care for a family member who suffers from a serious
11 medical condition that requires care or supervision by the employee. Family
12 Member is defined as: the employee’s spouse or same or opposite sex domestic
13 partner, child, parent, grandparent, grandchild, sister, or brother. It also includes
14 individuals in the following relationships with the employee’s spouse or domestic
15 partner: child, parent, and grandparent. “Child” also includes any child residing in
16 the employee’s home through foster care, legal guardianship or custody. Family
17 members include those persons in a “step” relationship.

18 **21.2.** The amount of family medical leave available to an employee is determined by
19 using a rolling twelve (12) month period. The rolling twelve (12) month period measures
20 FMLA leave availability by “looking backward” from the date an employee begins FMLA
21 leave, adding up any FMLA leave used in the previous twelve (12) months, and
22 subtracting that amount from the employee’s twelve (12) workweek FMLA leave
23 entitlement. The remaining amount is available to the employee.

- 24 a. While on leave covered by FMLA, the employee must use accrued leave before
25 leave without pay for the absence unless it runs concurrently with Washington
26 Family and medical Leave (PFML).
27 b. The Employer will not require the use of paid leave such that it would result in the
28 employee having fewer than eighty (80) hours of accrued vacation leave or
29 eighty (80) hours of accrued sick leave, counted separately, upon return to work.
30 Vacation and sick leave that has been requested and approved prior to the
31 request for the use of FMLA will not be considered when requiring employees to
32 use leave during FMLA-covered leave. This does not apply during an absence
33 covered by the Washington Family and Medical Leave Program (PFML).

34 **21.3.** The University will continue the employee’s existing employer-paid health
35 insurance benefits during the period of leave covered by FMLA. If necessary, due to
36 continued approved personal medical or parental leave approved beyond the FMLA
37 period, or if the employee is not eligible for FMLA, the employee may elect to use eight
38 (8) hours of accrued applicable paid leave for continuation of employer paid health
39 insurance benefits for each month of the duration of the approved absence. - The
40 interspersed paid leave will be applied to the first working day of the month.

1 **21.4.** FMLA leave may be taken intermittently or as part of a reduced work schedule
2 when medically necessary.

3 **21.5. Parental Leave.** Parental leave is defined as: up to six months of leave taken
4 after the birth of a child to the employee, spouse or domestic partner, or because of the
5 placement of a child with the employee or domestic partner through adoption or foster
6 care, including time covered by the FMLA, during the first year after the child's birth or
7 placement. Leave beyond the period covered by FMLA may only be denied by the
8 Employer due to operational necessity. Extensions beyond six
9 (6) months may be approved by the Employer. For birth parents, temporary disability
10 leave for pregnancy is in addition to parental leave.

11 To be paid during Parental leave, employee's must use accrued vacation leave, sick
12 leave up to eighteen (18) weeks (720 hours), personal holiday, holiday credit, or
13 compensatory time, the combination of which may be determined by the
14 employee. Employees must use all applicable accrued leave prior to going on leave
15 without pay unless it runs concurrently with Washington Family and Medical Leave
16 (PFML).

ARTICLE 23 – SHARED LEAVE

23.1. The purpose of this article is to inform employees of the basic provision of the leave-sharing program established by RCW 41.04.650- 41.04-670, as now or hereafter amended. In the event that there is any question as to leave sharing eligibility, entitlement or definition of terms, the language of the Revised Code of Washington is definitive.

The leave sharing program permits eligible state employees to donate a portion of their paid time off to financially aid other state employees who will need to take a leave of absence without pay or separate from employment because the employee:

- Has a severe or extraordinary illness; or
- Has caregiver responsibilities for a relative or household member with a severe or extraordinary illness; or,
- Is serving as an approved emergency worker; or,
- Is voluntarily or involuntarily serving in one of the uniformed services; of the United States, or,
- Is a victim of domestic violence, sexual assault or stalking, or assisting a family member who is a victim of domestic violence, sexual assault or stalking; or
- Is temporarily disabled due to a pregnancy-related medical condition or miscarriage; or
- Is taking parental leave to bond with and care for their newborn, adoptive or foster child, for a period of up to sixteen (16) weeks after birth or placement.

23.2. Shared Leave Program. The shared leave program is administered consistent with state law and University policy. Employees seeking to request shared leave or to donate shared leave to another employee will follow the request procedures that the Human Resources Department publishes for that purpose.

<https://hr.uw.edu/ops/leaves/shared-leave-options/shared-leave/>

23.3 Shared leave donations must be a minimum of four (4) hours, however, shared leave may be used in any increment.

23.4. WA State Shared Leave Pool Programs: In accordance with state law and University Policy, eligible state employees may donate leave to the following shared leave pool programs:

- Uniformed Services Shared Leave Pool Program
- Foster Parent Shared Leave Pool Program
- Veterans’ In-State Service Shared Leave Pool Program

ARTICLE 25 – ABSENCE DUE TO FAMILY CARE EMERGENCIES

A. There are two types of family care emergencies:

1. A child care emergency is defined as a situation causing an employee’s inability to report for or continue scheduled work because of emergency child care requirements such as unexpected absence of regular care provider, unexpected closure of the child’s school, or unexpected need to pick up child at school earlier than normal.

2. An elder care emergency is defined as a situation causing an employee’s inability to report for or continue scheduled work because of emergency elder care requirements such as the unexpected absence of a regular care provider or unexpected closure of an assisted living facility.

B. An employee who is unable to report for or remain at work due to a family care emergency may use vacation time off, sick time off, compensatory time, holiday credit, or unpaid time off up to a maximum of three (3) days of each type of time off per calendar year, and their personal holiday. Use of any of the above time off types is dependent upon the employee’s eligibility to use such time off. The employee upon returning from such an absence shall designate to which time off type the absence will be charged.

C. In accordance with RCW 49.46.210, sick time off may be used when an employee’s child’s school or place of care has been closed by order of a public official for any health-related reason or after the declaration of an emergency by a local or state government or agency, or by the federal government. Health-related reason means a serious public health concern that could result in bodily injury or exposure to an infectious agent, biological toxin, or hazardous material.

1 **ARTICLE 26 – CIVIL DUTY TIME OFF AND BEREAVEMENT TIME OFF**

2 For the purposes of this Article, paid time off will be the wage the employee receives in
3 their appointed position plus any additional compensation (including, but not limited to
4 shift differential and assignment pay) and benefits.

5 **26.1. Civil Duty.** Leave with pay will be granted for jury duty, to serve as trial witnesses,
6 or to exercise other subpoenaed civil duties such as testifying at depositions.
7 Employees are not entitled to civil duty time for civil legal actions that they initiate or
8 when named as a defendant in a private legal action that is unrelated to their University
9 employment. The employee will notify the Employer as soon as they become aware of
10 the need for a civil duty time off. Employees may keep any compensation received for
11 fulfilling civil duty, such as jury pay or travel reimbursement.

12 Employees assigned to work evening shift, who are scheduled to work the evening of
13 civil duty shall be considered to be scheduled for the day shift for that day.

14 Employees assigned to work the night shift who are scheduled to work the day before
15 and the day of civil duty leave will be allowed to have their civil duty leave the day
16 before or the day of civil duty service. Employees assigned to work the night shift who
17 are scheduled to work the day before and the day of civil duty leave may also utilize
18 vacation time off for all or a portion of the shift not covered by civil duty time off in
19 accordance with Article 17 Vacation. Employees may also request to change their
20 schedule to accommodate civil duty leave.

21 **26.2. Bereavement Time Off.** An employee shall be granted up to three (3) continuous
22 or non-continuous days of bereavement time off, as requested by the employee, for
23 each death of a family member including the stillbirth or miscarriage of a child.
24 Bereavement time off beyond three (3) days may be approved based on individual
25 circumstances, such as relationship of the employee to the deceased family member,
26 employee responsibility for making funeral arrangements, religious reasons and/or
27 distance of travel out of the area. Upon the Employer's approval, the employee may
28 choose to use the following types of time off for beyond the three (3) days: sick,
29 vacation, holiday credit, comp time, personal holiday or unpaid time off.

30 Family members includes biological, adoptive, de facto, or foster parent, stepparent, or
31 legal guardian of an employee, or a person who stood in loco parentis when the
32 employee was a minor child; sibling, spouse, domestic partner, grandparent, grandchild,
33 or child, regardless of age or dependency status, including a biological, adopted or
34 foster child, stepchild, or a child to whom the employee stands in loco parentis, is a
35 legal guardian, or is a de facto parent. Family members include those persons in a "step"
36 relationship. Family member also includes individuals in the following relationships with
37 the employee's spouse or domestic partner: child, parent (as defined above), or

ARTICLE 28 – INCLEMENT WEATHER AND SUSPENDED OPERATIONS

28.1. Inclement Weather. When the University is in operation but an employee requests time off to deal with unanticipated problems related to natural disasters or severe weather conditions, the employee may charge the absence to accrued compensatory time, holiday credit, personal holiday, vacation time off, or leave without pay. Employees designated as essential must make all reasonable efforts to report to work as scheduled.

28.2. Suspended Operations. If the University determines it is advisable due to emergency conditions to suspend the operation of all or any portion of the institution, requiring only employees in essential positions, that are not conducive to telework, to report to work the following will govern: When prior notification of suspended operations has not been given, non-essential employees released until further notice after reporting to work shall receive a minimum of four (4) hours pay for the first day. Non-essential employees who are ineligible for telework, as determined by their supervisor, and who do not work for the balance of the closure during suspended operations may use paid time off in the following order:

- A. Accrued compensatory time and/or holiday credit.
- B. Vacation time off.
- C. Personal holiday. An employee must use personal holiday time as a full day or shift.
- G-D. Sick time off
- ~~D-E.~~ Unpaid time off.

Personal holiday can only be used as a full day or shift. Non-essential employees who have exhausted the above paid time off types may use unpaid time off as follows:

- FLSA non-exempt employees: use unpaid time off for any missed hours
- FLSA exempt employees: use unpaid time off only for full work days missed.

If unpaid time off is used, because the employee has no other paid time available, employees have up to fifteen (15) calendar days after operations resume to make up work time lost provided the following:

1. Employees must request makeup time within two (2) working days after operations resume, and
2. Reasonable work must exist and the supervisor must approve the request to work. If the request is denied, then the supervisor shall state their reason(s) for the denial in writing.

Make up time worked by overtime-eligible full-time employees is calculated at time and one-half (1-1/2).

1 UW parking in unrestricted spaces shall be provided at each campus for which
2 suspended operations have been declared for any staff member designated by their
3 supervisor as essential. Restricted spaces include but are not limited to: disability stalls,
4 time limited stalls, load/unload stalls, pay by space stalls (restricted to pay station
5 parking), university vehicle stalls, metered stalls (restricted to pay meter parking)
6 carpool stalls, UCAR Only stalls, electric vehicle charging stalls, motorcycle stalls, and
7 department reserved stalls. Employees qualified to use a restricted space (for example

31.2. Safety. All work shall be performed in conformity with applicable health and safety standards. Employees are encouraged to immediately report any unsafe working conditions to their supervisor. If the matter is not resolved satisfactorily between the supervisor and employee, either may involve the Union Steward and request a decision from a medical center’s Safety Officer, and/or the University’s Department of Environmental Health & Safety or the Department of Labor & Industries. No other employee may do the work believed to present an imminent risk to life and safety until a risk assessment has been done by the Safety Officer and/or the University’s Department of Environmental Health & Safety, or the Department of Labor & Industries, and it is confirmed that there is no imminent hazard. Once a risk assessment is completed and it is confirmed that there is no imminent hazard and conditions meet WISHA standards, the employee will be expected to perform the work.

23

Employees are encouraged to attempt to resolve the matter first with the supervisor, then the Safety Officer and/or the University’s Department of Environmental Health & Safety prior to going outside the University.

If assignment to an alternative work site is not possible and the supervisor decides to send the employee(s) home, those employees sent home will receive their regular pay for all time the employee(s) is scheduled to work on the day of the incident. For all subsequent days the employee(s) may use accrued leave as appropriate or request make up time as follows:

37
38

- A. Employees must request make up time within three (3) working days after operations resume.

1 B. Reasonable work must exist and the supervisor must approve the request to
2 work. The time must be made up within ninety (90) calendar days after

7 employment.

8 **31.5. Safety Committees.** Joint employee-elected and Employer appointed safety
9 committees shall be formed in accord with WISHA requirements and following
10 University of Washington policy. The Union is entitled to representation on the
11 University-wide or specific organizational or divisional committees where bargaining unit
12 employees are working. Any department or unit committee also dealing with health and
13 safety issues in work areas shall appropriately involve bargaining unit employees.
14 Participation in safety and health committees, including meeting time, health and safety
15 research, work on committee assignments, seminars, and classes will be considered
16 time worked for all employees in accordance with University policy. Release time must
17 be arranged with supervisors in advance.

18 When the committee makes a recommendation that requires action or approval beyond
19 its scope of authority, the Employer will communicate its disposition of the formal written
20 recommendation within thirty (30) days.

21 **31.6. Ergonomics.** The supervisor/manager will provide training and equipment for staff
22 to safely perform job functions and avoid injury. Employees should contact their
23 supervisor if job procedures, equipment or workstations lead to risk of injury or work-
24 related musculoskeletal disorders. Further ergonomic guidelines shall be referenced on
25 the Environmental Health and Safety website www.ehs.washington.edu.

26 **31.7. Workplace Review.** Supervisors will periodically inspect the worksite for the
27 identification of recognized hazards, including ergonomic conditions, and put in place
28 appropriate and feasible mitigations for any identified conditions that may be hazardous
29 to health and safety. Such mitigations may include the use of engineering controls,
30 administrative controls, the use of personal protective equipment, and/or increased
31 training. The organizational unit will determine the appropriate frequency of the
32 inspections and such frequency shall be an appropriate topic for Union Management
33 meetings.

34 In response to a DOSHA* (Department of Occupational Safety & Health Administration
35 – Labor & Industries) inspection initiated by a bargaining unit employee complaint, the
36 Employer will contact the designated Union representative to participate in the worksite
37 inspection. Employees may also request a workplace review by the employing
38 department and employees shall be given the results of the review.

1 **31.8. WISHA Inspections.** Each time there is a WISHA inspection of the Employer's
2 property in an area where WFSE employees perform their duties, the Employer shall
3 contact the Union Office to find out whom the Union designates as the employee
4 representative. If the Union's representative is not present for the inspection, the
5 Employer shall request that the WISHA inspector delay the inspection until the Union's
6 representative can arrive.

7 **31.9. Wellness.** The Employer and the Union will encourage and support employee
8 participation in appropriate programs including the Washington State Employee
9 Assistance Program (WA EAP) through which employees may seek confidential
10 assistance in the resolution of chemical dependency or other problems that may affect
11 job performance. WA EAP may presently be reached at eap.wa.gov or 877.313.4455.
12 No employee's job security will be placed in jeopardy as a result of seeking and
13 following through with corrective treatment, counseling or advice providing that the
14 employee's job performance meets supervisory expectations.

15 **31.10. Tools and Equipment.** The Employer will furnish and maintain in safe working
16 condition all tools and equipment required to carry out the duties of each position, and
17 will provide, during working hours, training on the safe operation and use of
18 tools/equipment/supplies required to perform the employee's duties. The Employer
19 agrees to provide transport for necessary equipment and supplies which cannot safely
20 be transported by hand. The employees will properly use and maintain all required
21 tools/equipment/supplies and immediately report any defects or malfunctions to the
22 supervisor.

23 **31.11. Joint Union/Management Committee.** It shall be appropriate for either the
24 Union or the University to request that a Joint Union/Management committee be
25 convened, with Environmental Health and Safety as a participating member, to discuss
26 health and safety concerns and to explore options for addressing those concerns
27 through appropriate training or other approaches.

28 **31.12. Training.** Training that is relevant to the business operations and hazards
29 involved in the work activities will be provided in the workplace by qualified trained
30 individuals to employees.

31 Training needs will be an appropriate topic at Joint Union/Management committee
32 meetings. Assistance with interpretation may be requested by staff.

33 **31.13. Safety and Health Grievances.** Grievances arising out of violations of this
34 Article will start at Step 2 of the grievance procedure.

35 *WISHA was renamed DOSHA (Department of Occupational Safety & Health
36 Administration – Labor & Industries) in 2006. The term WISHA was left in because the
37 parties felt that the WISHA name would be more recognizable by its members.

ARTICLE 34 – PERFORMANCE EVALUATION

2 **34.1.** Performance evaluations shall be performed annually. Evaluations shall be based
3 on job related performance factors. Performance evaluations shall not be used to initiate
4 personnel actions such as transfer, promotions or corrective action; however,
5 evaluations may serve as supporting documentation for personnel actions. A
6 supervisor’s failure to complete an annual performance evaluation will be construed to
7 mean the employee has performed satisfactorily. Employee participation in the
8 development of evaluation materials and rating factors is encouraged.

9 **34.2. Evaluation Forms.**

- 10 A. Performance evaluation forms will at a minimum include the following:
- 11 1. A description of the job related factors upon which the evaluation is based.
12 These will include:
- 13 a. quality of work (e.g. competence, accuracy, neatness
14 thoroughness),
15 b. quantity or work (e.g. use of time, volume of work accomplished,
16 ability to meet schedules, productivity levels),
17 c. job knowledge (e.g. degree of technical knowledge, understanding
18 of job procedures and methods), and

20 supervisor, co-workers, students, and clients served).
- 21 2. Provision for identifying specific achievements of the employee,
22 performance goals for the next evaluation period, identifying training
23 needs to enhance the employee’s skills and other comments.
- 24 3. Provision for employee comments or objections to be attached to and/or
25 included on the performance evaluation form.
- 26 4. Provision for employee signature accompanied by a statement that
27 “Employee signature means that the employee has seen and is aware of
28 the content of the evaluation, but does not necessarily mean that the
29 employee agrees with the evaluation content.”
- 30 5. Provision for the evaluator and reviewer signatures, and reviewer
31 comments.
- 32 B. The performance evaluation form may be supplemented with other forms and/or
33 information used to support the employee’s evaluation. Upon request, an
34 employee may review any written materials used by supervision to prepare the
35 evaluation.
- 36 C. Employees will be provided feedback during their probationary and/or trial
37 service periods.
- 38 D. Implementation of alternative performance evaluation models is an appropriate
39 topic for Joint Labor Management Meetings.

40 **34.3. Employee Evaluation Information.**

- 1 A. Upon appointment to a position the employee's supervisor will provide the
- 2 employee with a copy of:
- 3 1. the class specification for the position
- 4 2. the position's job duties
- 5 B. Written performance expectations shall be provided to the employee in sufficient
- 6 time (normally within thirty (30) calendar days after appointment to the position)
- 7 to allow the employee to meet the work expectations. The Employer will provide
- 8 at least sixty (60) calendar days notice to employees before the evaluation when
- 9 modifications that substantively alter performance expectations are made. Minor
- 10 modifications that do not substantively alter performance expectations require no
- 11 notice.

12 **34.4. Evaluation Process.**

- 13 A. The supervisor will communicate with the employee about performance problems
- 14 as they occur.
- 15 B. The purpose of the evaluation meeting is to review, discuss, and if appropriate,
- 16 modify the evaluation. The employee shall have an opportunity to discuss the
- 17 proposed evaluation with the supervisor and to provide a written response.
- 18 C. The final evaluation, with employee comments attached, will be signed by the
- 19 evaluator and the employee. The employee will be provided a copy at their
- 20 request. Employees of the Medical Centers and those completing their
- 21 performance evaluations will not sign a copy of the evaluation, but will complete
- 22 the "acknowledgement" step in Workday to demonstrate their review of the
- 23 completed evaluation. Employees of the Medical Centers can access and print
- 24 their performance evaluations from their Workday profile.
- 25 D. Upper level supervisors at the Medical Centers have access and review
- 26 privileges for employee performance evaluations in Workday. If modification

ARTICLE 35 – PERSONNEL FILES

35.1. Files Relating to Employment. The Employer shall maintain files relating to employment in accordance with the applicable University policy and/or state or federal law. The personnel file for each employee will be maintained by the appropriate Human Resources Operations department and will accompany the employee throughout their service career at the University of Washington. The departmental file will be maintained by the department.

Individual supervisors may create and retain documents in a supervisor file. Documents in the supervisor file will not be placed in the department or personnel file unless they are incorporated as part of an official action (such as a performance evaluation or a corrective action).

35.2. Employee Access to Files. Each employee has the right to review their personnel file, supervisory file, attendance file, payroll file and medical file. The Employer will determine the location of all employee files. Upon written request by an employee to their Human Resources Consultant (for personnel file) or department manager (for departmental file), the employee and/or representative may examine the employee's personnel file or departmental file. Review of employee files will be in the presence of an Employer representative during business hours. The employee and/or representative may request copies, which may be provided at no cost if the size of the request is reasonable. A copy of the written authorization will be retained in the employee's file.

35.3. Employee Response. A copy of any correspondence, adverse material, or letters issued and intended to be included in an employee's official personnel file shall be mailed or given to the employee prior to becoming a permanent part of the file. An employee may insert a reasonable amount of job-related materials in their personnel file that reflects favorably on their job performance. An employee may provide a written rebuttal to any information in the files that they considers objectionable. The Employer will attach the rebuttal to the related document.

Information shall be retained as long as it has a reasonable bearing on the employee's job performance or upon the efficient and effective management of the institution.

35.4. Confidentiality. Unauthorized parties shall not have access to any employee's personnel or departmental file. A record will be retained in the HR personnel file of the names of individuals outside of HR who have reviewed the personnel file who do not have written authorization from the employee, except requests for records in accordance with the Public Records request process.

35.5. Medical Files. Medical information related to employment will be kept separate from all other employment files and confidential in accordance with state and federal law.

1 **35.6.** Adverse material or information related to alleged misconduct that is determined
2 to be false, and all such information in situations where the employee has been fully
3 exonerated of wrongdoing, and/or any documents removed pursuant to Article 36
4 Corrective Action, will be promptly removed from the employee's files. The Employer
5 may retain this information in a legal defense file in accordance with the prevailing
6 Washington State law. The Employer may retain information relating to employee
7 misconduct or alleged misconduct if the employee requests that the information be
8 retained.

ARTICLE 36 – CORRECTIVE ACTION/DISMISSAL

36.1. The parties will follow the “Corrective Action/Dismissal Process” outlined below. No employee shall be subject to the process except for just cause. The corrective action process will be considered to incorporate the concept of progressive action while providing a positive method for improvement rather than punitive action. The University will determine the specific step at which the process begins based on the nature and severity of the problem.

36.2. Representation.

A. Employees shall be notified orally or in writing that upon request they shall be entitled to have a single union representative, ~~not including Union staff, unless otherwise mutually agreed present to, present~~ when formal counseling, final counseling or dismissal is occurring. The Employer will provide at least three (3) business days to allow an employee to secure a Union representative The day after notice is provided shall be the first (1st) day of the three (3) day notice period to secure representation. If notice is given prior to the midpoint of the scheduled shift or if the employee is on paid administrative time off, the day of notification is the first day. Employees have a right to a meeting with management whenever corrective action is issued. Attendance of a representative shall not delay the disciplinary process unduly as determined by the Employer. All parties shall make every effort possible to allow for Union representation without unduly delaying the process.

B. Upon request, an employee has the right to a single union representative at an investigatory interview called by the Employer, if the employee reasonably believes corrective action could result. The Employer will provide at least three (3) business days to allow an employee to secure a representative. The day after notice is provided shall be the first (1st) day of the three (3) day notice period to secure representation. If notice is given prior to the midpoint of the scheduled shift or if the employee is on paid administrative time off, the day of notification is the first day.

1. A Union Steward in training may attend a grievance meeting as an observer, so long as release of the trainee has been approved by their Supervisor and Human Resources is notified.

~~B.C.~~ An employee placed on an alternative assignment during an investigation will not be prohibited from contacting their union steward unless there is a conflict of interest, in which case the employee may contact another union steward. This does not preclude the Employer from restricting an employee’s access to the Employer’s premises.

~~C.D.~~ An interpreter can be requested by either party and will be provided.

36.3. Coaching. Informal discussion or instruction between employee and their immediate supervisor. Supervisor may follow up in writing which may include a simple action plan. This is not a form of corrective action.

1 **36.4. Corrective Action/Dismissal Process.** The Employer will make clear when
2 formal or final counseling is being conducted and will inform the employee about their
3 right to representation under the CBA. When counseling or dismissing an employee, the
4 Employer will make every effort to protect the privacy of the employee. Translators may
5 be requested by any party.

6 **Formal Counseling.** Formal counseling (may involve administrative personnel other
7 than the employee's immediate supervisor) including the development of a written
8 action plan. The action plan will identify specific problem areas, performance objectives,
9 suggestions for remedying, and a timeframe for improvement. Prior to issuance of
10 formal counseling, a meeting may be scheduled by the employer or requested by the
11 employee to give the employee an opportunity to make their case before the final
12 decision is made. Employee requests for such a meeting will be granted. An employee
13 is entitled to representation at this meeting.

14 **Final Counseling.** Final counseling (may involve administrative personnel other than
15 the employee's immediate supervisor) including action plan discussion and revision,
16 where appropriate.

17 **Dismissal.** Prior to dismissal, a pre-determination meeting will be scheduled to give an
18 employee an opportunity to make their case before the final decision is made. The
19 employee has the right to have a Union Council representative present at the pre-
20 determination meeting. At least five (5) days prior to the meeting, the employee will be
21 informed in writing of the reasons for the contemplated dismissal and given referenced
22 documentation. The employee will be furnished with written notification of the outcome
23 of the pre-determination hearing.

24 **Demotion.** Demotion of Leads and/or Supervisors may be initiated by the Employer at
25 any step of the Corrective Action process.

26 **36.5. Removal of Records.** Upon written request by the employee, any formal or final
27 counseling, excluding those for workplace violence or University policies against
28 harassment, discrimination, or retaliation, or those in which the employee was the
29 subject of an investigation, allegation, or findings of sexual misconduct, will be removed
30 from an employee's personnel file after three (3) years if the following criteria have been
31 met:

- 32 1. Circumstances set forth in writing, and as determined by the University do not
- 33 warrant a longer retention period; and
- 34 2. There has been no subsequent corrective action.

35 Nothing in this Article prevents the Employer from agreeing to an earlier removal date.

- 1 Once a corrective action has been removed from the employee's file as outlined above,
- 2 the information removed will not be used in subsequent corrective action, unless
- 3 mutually agreed otherwise.

- 4 **36.6. Grievability/Arbitrability.** Formal counseling may be grieved beginning at Step
- 5 One or Step Two of the grievance procedure and up to Step Three Mediation only.

- 6 Final counseling, demotion, and dismissal may be grieved through every step of the
- 7 grievance procedure beginning at Step Two.

ARTICLE 38 – SENIORITY, LAYOFF, REHIRE**38.1.**

A. **Seniority.** Layoff seniority is defined as the continuous length of service in calendar days with the Employer from the most recent date of hire. Service of less than full time shall be considered full time. Time spent on paid or unpaid leave will not impact layoff seniority. Time spent on the layoff rehire list shall not be included in computing layoff seniority. Permanent employees who are veterans or their unmarried widows/widowers shall have added to their seniority the veteran's active military service to a maximum of five (5) years credit. Time spent on military duty leave, paid or unpaid, or time spent on leave without pay to work for the union in accordance with Article 29, is included in seniority calculation. Probationary employees are not vested with seniority credits until successfully completing the probationary period. Seniority shall be lost following a break in service including resignation, termination for cause, failure to return from a leave of absence, expiration of rehire rights. Neither time spent on leave of absence, the layoff rehire list, or on cyclic year leave shall be considered a break in service. Employees who enter into the bargaining unit from other positions at the University of Washington shall be credited with layoff seniority for all seniority earned in the State classified service while employed at the University. Employees who enter into the bargaining unit from other state agencies and institutions of higher education shall earn layoff seniority from the first day of coverage under this Agreement.

B. **Department Seniority.** Department seniority is defined as continuous length of service in calendar days within the employee's department and where applicable, shall be used for internal department processes, such as vacation and schedule bids.

C. **Layoff Seniority Tiebreaker.** For the purposes of layoff only, when it is necessary to determine the order of seniority among bargaining unit members whose contract seniority is identical, a random chance method will be employed to select the names of those employees one at a time. The University shall inform the Union every time this method is necessary and will provide proof of the seniority tie. When selecting among employees whose seniority is identical, the Union may be represented by any individuals it chooses, and will draw the names. The University will be represented by a manager/administrator from the Department involved and a representative from Human Resources. The first employee selected will be considered the most senior; the last employee selected will be considered the least senior.

38.2.**A. Layoff.**

1. Whenever it becomes necessary for the Employer to reduce its workforce due to lack of work, lack of funds, or good faith reorganization for

1 efficiency purposes, the Employer shall use the following procedure. The
2 Employer will notify the Union of impending layoffs thirty (30) calendar
3 days in advance of implementation so that reasonable alternative
4 proposals can be considered. Whenever possible the Employer will
5 provide more than minimum notice.

- 6 2. The Employer shall not lay off bargaining unit employees in lieu of
7 disciplinary action.
- 8 3. Employees will be laid off in accordance with seniority, as defined in
9 Article 38.1(a)

10 **B. Employment Option.** The employee affected by the reduction in force shall be
11 offered the following employment options in descending order, provided they
12 meets the essential skills (defined as the minimum qualifications listed in the job
13 description for the classification and any specific position requirements or
14 credentialing) of the offered position:

- 15 1. A funded vacant position within the same job classification, FTE, and
16 layoff unit (set forth in Appendix IV).
- 17 2. A funded vacant position within the same job classification within .2 FTE
18 status and layoff unit.
- 19 3. The opportunity to replace the most junior employee within the
20 layoff/seniority unit (set forth in Appendix IV) in the same classification and
21 in an FTE status within .2 FTE status of the employee affected by the
22 reduction in force. (For example, if a .8 FTE position is being abolished,
23 the employee affected is eligible to replace the most junior individual in a
24 .6 to 1.0 FTE position)
- 25 4. The opportunity to replace the most junior employee in the same
26 classification with a lower FTE status than their own within the
27 layoff/seniority unit.
- 28 5. The opportunity to replace the most junior employee within the same
29 department who is:
 - 30 a. In a lower classification in the same series as the employee
31 affected by the reduction in force; and
 - 32 b. Within .2 FTE of the employee affected by the reduction in force.

33 **C. Notice.** The Employer shall identify the positions to be abolished and the
34 employee(s) to be affected and shall notify employees in these positions, with
35 notice to the union, not less than thirty (30) calendar days prior to the
36 abolishment of the positions, pay the employee in lieu of notice, or combine pay
37 and notice. Whenever possible the Employer will provide more than minimum
38 notice. The notice shall include:

- 39 1. The effective date of the layoff and a reference to the employee's rights
40 under this Article, and
- 41 2. Identification of the employment option being offered, if applicable. In
42 accordance with 38.2.b. above, if the incumbent in a position to be
43 abolished has an opportunity to replace the most junior employee within
44 the layoff/seniority unit, the incumbent will be given up to three (3)
45 calendar days to determine if he/she wants to replace the junior employee

1 or be placed on the rehire list. Vacant positions or those held by
2 probationary employees within the layoff/seniority unit will be considered a
3 more junior position.

4 **D. FTE Increase or Reduction.** An employee in a position that is not abolished but
5 is increased or reduced in FTE status and who will remain benefit eligible after
6 the reduction or increase will have the choice of staying in the reduced or
7 increased position and going on the rehire list for the position and FTE status
8 held by the employee immediately prior to the increase or reduction or exercising
9 available layoff rights under 38.2. The employee must exercise this choice within
10 three (3) working days of the increase or reduction notice.

11 **E. Voluntary Layoff.** Appointing authorities will allow an employee in the same job
12 classification and department where layoffs will occur to volunteer to be laid off
13 provided that the employee is in a position requiring the same skills and abilities,
14 as a position subject to layoff. Any volunteer for layoff shall have no formal layoff
15 option. If the appointing authority accepts the employee's voluntary request for
16 layoff, the employee will submit a non-revocable letter stating they are accepting
17 a voluntary layoff from the University. The employee will be placed on all
18 applicable rehire lists.

19 **F. Rehire.** The Employer shall make a concerted effort to re-employ bargaining unit
20 members on the rehire list. Bargaining unit members on the rehire list are eligible
21 to take all Professional & Organizational Development (POD) courses on a space
22 available basis upon payment of designated fees. Employees without
23 employment options will be placed on the rehire list(s) designated by the
24 employee for twenty-four (24) months. In addition to the rehire list for the
25 classification and FTE status from which the employee was laid off, employees
26 identified for layoff may request placement on the following rehire lists:

- 27 1. For positions of a lower FTE status in the classification from which the
28 employee was laid off (or equivalent if prior classification has been
29 abolished); and
- 30 2. For positions in other classifications in which the employee previously held
31 permanent status; and
- 32 3. Lower classes in the series from which the employee was laid off.

33 The Employer will refer an employee from the designated rehire list(s) for
34 any open positions in the bargaining unit for which the laid off employee
35 possesses the essential skills. For classifications which have separate job
36 codes in the Campuswide and Harborview Bargaining Units, Rehire lists
37 will include both job codes. Employees referred from the rehire list(s) who
38 possess the essential skills needed for a vacant position will be offered the
39 position prior to the Employer posting for competitive recruitment. From
40 among these employees, offers will be made in seniority order, most
41 senior person first. Job requests for positions for which there are
42 employees on rehire list(s) may not be withdrawn solely to avoid hiring laid
43 off employees.

- 44 4. The Employer will provide a copy of the Rehire List to the Union upon
45 request.

1 5. When the job classification the employee was laid off from is represented
 2 by both SEIU 925 and WFSE Local 1495 or Local 3488 the employee will
 3 be placed on the rehire list for the specific job classification for both
 4 unions.

5 ~~5.~~

6 **G. Rehire Trial Period.** Employees placed into vacant position from the rehire list
 7 will serve a six (6) week rehire trial period. During the rehire trial period either
 8 party may, at its sole discretion and without resort to the grievance procedure,
 9 initiate return to the rehire list. Time spent in a rehire trial period will not count
 10 toward the twenty-four (24) month rehire list period. The six (6) week rehire trial
 11 period will be adjusted to reflect any paid or unpaid leave taken during the period.

12 **H. Corrective Action.** Final Counseling that occurs within the six (6) months prior to
 13 the layoff will be considered in effect should the employee be rehired. The
 14 employee will continue to be subject to any consequences of not following the
 15 directives and/or action plan(s) specified in the current corrective action.

16 **I. Removal from List.** Removal from the rehire list(s) will occur for any of the
 17 following circumstances:

- 18 1. If placement does not occur within twenty-four (24) months,
- 19 2. If the employee refuses two (2) offers of placement for a position having
 20 the same pay, FTE status and shift as the position from which the
 21 employee was laid off, or listed in the employee's option selection form. In
 22 such case, the employee will be removed from all other rehire lists and will
 23 have exhausted their rehire rights.
- 24 3. If the employee was placed into two (2) vacant positions for which the
 25 employee has failed to complete the rehire trial period.

26 ~~4.~~ If the employee accepts any offer of placement from any rehire list and
 27 completes the rehire trial service period for a position with the same FTE
 28 status and pay as the position from which the employee was laid off.

29 ~~5.4.~~ Employees who reject two (2) offers of placement from a list for a
 30 position of a lower FTE status than that which the employee held
 31 immediately prior to layoff, will be removed from that list.

32 ~~6.5.~~ Employees who reject one (1) offer of placement from a list for a
 33 position in a classification other than that from which the employee was
 34 laid off will be removed from that list.

35 ~~J. Rehire List Crossover. Employees within an SEIU Local 925 represented~~
 36 ~~bargaining unit may, in accordance with this Article, be placed on the rehire list~~
 37 ~~for positions in another SEIU Local 925 represented bargaining unit.~~

38 ~~K.J.~~ **38.3. Rehire Wages and Increment Date.** When employees are rehired
 39 from layoff status the progression start date and annual leave accrual date will be
 40 reestablished and extended by an amount of time in calendar days equal to the
 41 period of time spent on the rehire list prior to rehire. Employees placed from the
 42 rehire list into positions with the same salary range held at the time of layoff shall
 43 be placed at the same step in the range held at the time of layoff. Employees
 44 placed from the rehire list into positions with a lower salary range than held at the

1 time of layoff shall be placed in a salary step, not to exceed top automatic step,
2 nearest to, but not in excess of, the salary held at time of layoff.

3 **38.4.** Affirmative action goals may be considered at any point during the layoff or rehire
4 process.

5 **38.5. Benefits and Temporary Services.** Employees on the rehire list who follow the
6 rules prescribed by Temporary Services may be referred to temporary positions and can
7 receive employer paid health benefit coverage if they meet the eligibility requirements
8 as determined by the State.

ARTICLE 39 – RESIGNATION AND ABANDONMENT

39.1. Resignation. Employees are encouraged to provide at least two weeks’ notice of resignation. A written or oral resignation may be withdrawn within twenty-four (24) hours excluding the employee’s scheduled days off and holidays off, after submitting the resignation. The employee may only withdraw one resignation per position held. The Employer may permit withdrawal of resignation at any time.

39.2. Presumption of Resignation/Abandonment.

- a. An employee who fails to appear for work and report absence to the supervisor, in accordance with departmental policy, on three (3) consecutive scheduled workdays, shall be deemed to have resigned. Notice of separation will be sent to the employee’s last known address on record with the UW Payroll Office via certified mail after the third (3rd) consecutive day of absence. Prior to sending the notice, the Employer will attempt to contact the employee through current home telephone and emergency contact numbers on record in Employee Self-Service ~~(as an example: Workday) and departmental records.~~
- b. Within fourteen (14) calendar days of mailing the separation notice and upon proof that the failure to report absent could not reasonably have been avoided, an employee may submit to the supervisor a written petition for reinstatement. The Employer’s decision to not reinstate may be grieved according to the grievance procedure in Article 6.

39.3. Separated employees have the right to compensation for accrued vacation leave and compensation time according to University policy.

ARTICLE 40 – MANDATORY SUBJECT

2 **40.1.** The Employer will satisfy its collective bargaining obligation before making a
3 change with respect to a matter that is a mandatory subject.

- 4 A. The Employer will notify the Executive Director of the Union at
5 mandatorynotice@wfse.org of these changes in writing, citing this Article. The
6 written notice must include:
- 7 1. A description of the intended change, including information relevant to the
8 impacts of the change on employees and a list of the job classifications
9 and names of affected employees if known;
 - 10 2. Where the change will occur; and
 - 11 3. The date the Employer intends to implement the change.
- 12 B. Within thirty (30) calendar days of receipt of the written notice the Union may
13 request negotiations over the changes. The timeframe for filing a demand to
14 bargain will begin after the Employer has provided written notice to the Union.
15 The thirty (30) calendar day period may be used to informally discuss the matter
16 with the Employer and to gather information related to the proposed change. The
17 written notice requesting bargaining must be filed with Human Resources Labor
18 Relations (LR) at laborrel@uw.edu and shall include at least three (3) available
19 dates and times to meet.
- 20 C. In the event the Union does not request negotiations within thirty (30) calendar
21 days of receipt of the notice, the Employer may implement the changes without
22 further negotiations.
- 23 D. There may be emergency or mandated conditions that are outside of the
24 Employer's control requiring immediate implementation, in which case the
25 Employer will notify the Union as soon as possible.

26 **40.2.** Unless agreed otherwise, the parties agree to begin bargaining within thirty (30)
27 calendar days of receipt of the request to bargain. If the union makes a request for
28 information at the same time as the request to bargain, the thirty (30) calendar days will
29 not begin until the information request has been fulfilled. Information requests made
30 after the request to bargain will not delay the scheduling of discussion and/or
31 negotiations. The parties shall agree to the location and time for the discussions and/or
32 negotiations. Each party is responsible for choosing its own representatives for these
33 activities. The Union will provide the Employer with the names of its employee
34 representatives at least seven (7) calendar days in advance of the meeting date unless
35 the meeting is scheduled sooner, in which case the Union will notify the Employer as
36 soon as possible.

37 **Release Time**

- 38 A. **When a release request involves one (1) or two (2) departments or units, the**
39 Employer shall approve paid release time for up to four (4) employee
40 representatives who are scheduled to work during the time meetings or

1 negotiations are being conducted, provided the absence of the employee will not

 8 representatives provided the absence of the employee will not interfere with the
 9 operating needs of the Employer. If the additional employee absence is
 10 approved, the employee(s) may use personal holiday, vacation time off, holiday
 11 credit, or compensatory leave instead of leave without pay.
 12 B. No overtime will be incurred as a result of bargaining and/or preparation for
 13 bargaining.
 14 C. The Union is responsible for paying any travel or per diem of employee
 15 representatives. Employee representatives may not use a state vehicle to travel
 16 to and from a bargaining session, unless authorized by the Employer for
 17 Business Purposes.

ARTICLE 41 – NEW EMPLOYEES

2 **41.1. New Employees.**

3 A. The Employer may offer a regularly scheduled, in-person, all day new employee
4 orientation which will include a benefits orientation. The orientation will be offered
5 by the office of Professional and Organizational Development in coordination with
6 the Benefits Office and the Employer may require new employees from the
7 Seattle Main Campus to attend. The new employee orientation may take place
8 virtually.

9 B. A Union representative shall be allowed up to thirty (30) minutes with employees
10 during the new employee orientation. Such release time will be subject to the
11 operational needs of the department and does not count as time worked for the
12 purpose of calculating overtime.

13 C. If the University conducts orientation on-line, the Union will be permitted to
14 display a reasonable amount of information as part of the program.

15 D. For employees hired into the bargaining unit who do not attend the orientation
16 described in A and B above, within ninety (90) days of the employee’s start date,
17 the Employer will provide the Union access to the employee during the
18 employee’s regular work hours to present information about the Union. This
19 access will be provided at the employee’s regular worksite, or at a location
20 mutually agreed to by the Employer and the Union and will be for no less than
21 thirty (30) minutes.

1 **ARTICLE 42 – UNION ACTIVITIES, RIGHTS, AND STEWARDS**

2 **42.1. Staff Representatives.**

3 A. Within thirty (30) calendar days from the effective date of this Agreement, the
4 Union shall provide the Office of Labor Relations a list of staff representatives.
5 The Union shall provide written notice to the Employer of any changes within
6 thirty (30) calendar days of the change.

7 B. Staff representatives may access University premises to carry out
8 representational activities. The representative shall notify local management prior
9 to their arrival and shall not interrupt the normal operations of the institution. The
10 staff representative may meet with bargaining unit employees in non-work areas
11 during non-work times.

12 It is understood that any such visits which require a meeting with an employee
13 will be restricted to the non-working time of the employee unless otherwise
14 authorized by management or provided for elsewhere in this Agreement, and that
15 there will be no interference with an employee's work assignment.

16 While inspecting the workplace, the Union may engage in de minimis
17 conversations with employees, so long as an employee does not object and such
18 conversation does not interfere or disturb the operation of the facility or
19 compromise the security of patient health information.

20 **42.2. Union Stewards.**

21 A. The Employer recognizes the right of the Union to designate union stewards who
22 shall be permitted without unnecessary delay to devote reasonable periods of
23 time (for example, time to travel to the meeting site, 10-15 minutes to confer with
24 the employee prior to the meeting) during normal working hours to present any
25 grievance to the supervisor or designated representative for which adjustment
26 has been requested by an employee or group of employees.

27 B. Time off for processing grievances shall be granted to a Union steward by
28 supervision following a request but in consideration of any job responsibilities. If
29 permission for time off cannot be immediately granted, the supervisor will
30 arrange for time off at the earliest possible time thereafter.

31 C. The Union shall prevail upon all employees in the bargaining unit and especially
32 Union stewards, to make a diligent and serious attempt to resolve complaints at
33 the lowest possible level. The Employer, likewise, shall prevail upon its
34 supervisory personnel to cooperate fully with the Union stewards and other Union
35 representatives in the speedy resolution of any grievance that may arise.

36 D. A record of a steward's work time spent on grievances or other authorized
37 activity on behalf of the Union shall be maintained on a basis mutually agreeable
38 between the Union and the department involved.

39 E. In the event the Employer determines that the amount of work time used by any
40 steward on grievances or other authorized Union activities is unreasonable, it
41 may become a topic for mutual discussion between the parties.

1 F. Union stewards shall primarily conduct representational duties only within their
 2 designated area of jurisdiction. Stewards may represent members in another
 3 jurisdiction if the steward designated for that other jurisdiction is unavailable (e.g.
 4 away on approved leave), has a conflict, or if there is no steward in that area. In
 5 the event that a steward is unavailable, the steward of the next geographically
 6 closest designated jurisdiction will be contacted to represent the employee. The
 7 number of stewards in a particular area and the jurisdiction they serve shall be an
 8 appropriate subject of discussion between the Union and the Employer.

9 G. The Union agrees to submit an up-to-date list to the Office of Labor Relations
 10 once per quarter indicating the name of all Union stewards, their work locations,
 11 department, jurisdiction and designation as an Officer. In any event, said list
 12 shall be submitted at least annually with changes noted as they occur. Union
 13 stewards shall be recognized when the Office of Labor Relations is informed of
 14 their appointment. Areas of jurisdiction are as follows: UWMC, South Campus
 15 HSB, HMC, Health Sciences, South Lake Union, Downtown, Airlift Northwest,
 16 UW Tower, Bothell Campus, Tacoma Campus, Seattle Campus, and
 17 Sandpoint. Stewards shall be assigned by the union. Lead Stewards, shall be
 18 recognized to have broader jurisdictions.

19 H. Whereas it benefits the University to have Union stewards who understand the
 20 contract and are trained in administration of the contract, each of the Union's
 21 stewards shall be allowed a total of eight (8) working hours annually without loss
 22 of pay to participate in the Union's steward training program. Said time off shall
 23 be approved in advance by the employee's supervisor and shall be contingent
 24 upon the ability to provide coverage during the time off.
 25 The Union shall submit to the Office of Labor Relations at least fifteen (15) days
 26 in advance the names of the employees (with their respective supervisors) that
 27 are scheduled to participate in the training. The Union will confirm the employee's
 28 participation in the training upon completion.

29 H.I. ~~The Union steward may visit bargaining unit employees, and, if they are~~
 30 ~~reaching out to employees at a work site that is not the steward's own work site,~~
 31 ~~then the steward will notify local management prior to their visit and shall not~~
 32 ~~interrupt the normal operations. The Union steward will meet with bargaining unit~~
 33 ~~employees in non-work areas during non-work times, unless the steward is with~~
 34 ~~an employee who needs the steward's representational assistance.~~

35
 36 H.J. New Steward Training. Where the Union requests in advance of an
 37 investigatory meeting/fact finding, Step One, or a Step Two hearing that a
 38 second steward (apprentice) be present for training purposes, this request will be
 39 approved without loss of pay or recorded work time subject to the operational
 40 needs of the second steward's department. Confirmation of attendance must be
 41 communicated to the Supervisor and Human Resources in advance of the
 42 meeting The Employer may deny requests for a second steward to attend an
 43 investigatory meeting/fact finding within the employee's department. No overtime
 44 or compensatory time will be earned for participation and no steward shall attend
 45 as a second steward more than once.

1 **42.3. Union Business Activities.**

- 2 A. Employees who intend to absent themselves from work for the purpose of
 3 attending and participating in Union business functions or programs, such as
 4 meetings, conventions, seminars, or other authorized meetings at the Union’s
 5 request, may do so with supervisory approval. . Employees may use paid time in
 6 the following order: 1) compensatory time, 2) holiday credit, 3) personal holiday
 7 (whole day absences only, 4) accrued vacation time off. Unless this would result
 8 in the loss of vacation time.
- 9 B. The employee shall request leave from the Employee’s immediate supervisor at
 10 least two (2) weeks prior to the planned absence.

11 **42.4. Use of State Facilities, Resources, and Equipment.**

12 A. Meeting Space and Facilities. The Employer’s campuses and facilities may be
 13 used by the Union to hold meetings subject to the University’s policy and
 14 availability of the space. The Employer **may will** provide private space for
 15 stewards and/or Union representatives to meet in confidence with those they
 16 represent on a space available basis, **whenever possible**. Staff representatives
 17 may reserve and utilize meeting rooms in accordance with University policy and
 18 procedure. Such requests will be subject to availability and all applicable fees.

19 When employees are required to meet with management, they along with their
 20 steward and/or Union representatives will be provided with a private space that is
 21 free from noise and interruptions and away from management staff (when the
 22 meeting is virtual), whenever possible.

23 B. E-mail, Fax Machines, the Internet, and Intranets
 24 Union delegates, and members may utilize state owned/operated equipment to
 25 communicate with the Union and/or the Employer only for the exclusive purpose
 26 of administration of this Agreement. **When used properly, such use will not be**
 27 **used for disciplinary purposes.** Such use will:

- 28 1.
 29 1. Result in little or no cost to the Employer;
 30 2. Be brief in duration and frequency;
 31 3. Not interfere with the performance of their official duties;
 32 4. Not distract from the conduct of state business;
 33 5. Not disrupt other state employees and will not obligate other employees to
 34 make a personal use of state resources; and
 35 6. Not compromise the security or integrity of state information or software.

36 The Union and its union delegates will not use the above referenced state equipment in
 37 a manner that is prohibited by the Executive Ethics Board. Communication that occurs
 38 when using state-owned equipment is the property of the Employer.

1 C. Bulletin Boards and Distribution of Union Material. Upon request, space will be
 2 made available to the Union on bulletin boards in those areas where bargaining
 3 unit employees work or frequent, for the posting of notices and information
 4 pertaining to official business of the Union. Materials posted on Union bulletin
 5 boards without the signature of a recognized Union officer or representative may
 6 be removed. Employees shall have the right to distribute official Union
 7 information materials during hours off work. Such distribution of official material
 8 shall not interfere with the work assignments of employees who are on duty.
 9 Further, such distribution activities must be held in locations which cause no
 10 interference with the various departments normal operations or with any
 11 employees who may not be involved or interested.

12 **42.5. Temporary Employment with the Union.**

13 With thirty (30) calendar days notice, unless agreed otherwise, employees may be
 14 granted leave without pay if the employee is elected or appointed to serve as an officer
 15 or staff member) of a specified duration, not to exceed six (6) months, provided the
 16 employee's time off will not interfere with the operating needs of the Employer as
 17 determined by management. Upon request, the department may agree to an extension
 18 of leave without pay up to an additional six (6) months. The returning employee will be
 19 employed in a position in the same job classification, in the same layoff unit, and in the
 20 same geographical area, as determined by the Employer.

21 **42.6 Information Requests**

22 A. All requests for information regarding the bargaining unit by the Union will be
 23 submitted in writing to the Office of Labor Relations. Requests will clearly identify
 24 what information is being sought and include the reason for the request.
 25 Requests will not normally extend more than twenty-four (24) months prior to the
 26 date of the request, unless a legitimate reason is articulated.

27 A.B. Upon written request of the staff representative or steward to the Office of
 28 Labor Relations (laborrel@uw.edu), the Employer will provide relevant
 29 information necessary for conducting representational duties. Information will be
 30 provided within a reasonable timeframe and without requiring the Union to file
 31 with the Public Records Office.

32 B.C. The Employer will acknowledge receipt of the information request and will
 33 provide the union with a date by which the information is anticipated to be
 34 provided.

35 C.D. When the Union submits a request for information that the Employer
 36 believes is unclear or unreasonable, the Employer will contact the Union staff
 37 representative and the parties will discuss the relevance and necessity of the
 38 request. The costs associated with the request and the amount the Union may
 39 pay for receipt of the information may also be discussed.

ARTICLE 43 – JOINT UNION/MANAGEMENT COMMITTEES

43.1. The Joint Union/Management Committee shall normally be composed of up to three members at the departmental level or six members at the University-wide level plus two Union staff representatives. The Employer shall be represented by a like number on the Committee. Upon mutual agreement, the Union or Employer may have additional members attend as subject matter experts.

43.2. The purpose of the Committee is to provide a forum for communication between the parties to this Agreement to deal with matters of general Union/Management concern. The Committee shall also function as a mechanism for resolving problems/concerns of a mutual nature; and/or any policy of the University which affects the bargaining unit and which either party requests be placed on the agenda. It is agreed by the parties that the Employer will discuss with representatives of the Union significant changes affecting institutional conditions of employment generally affecting bargaining unit employees thirty (30) calendar days in advance of targeted implementation dates of said changes so that reasonable alternative proposals can be adequately discussed and considered by the Union/Management Committee.

43.3. Meetings of the Union/Management Committee shall normally be held during University business hours and at a mutually agreeable time and date. Participants shall experience no loss in salary for participating in the pre-meeting and meetings; however, such time is not construed as work time, and no overtime shall be claimed or paid for meetings attended outside of an employee's regular work hours.

43.4. The Union/Management Committee shall have no bargaining authority; however, any agreements reached through this process shall be reduced to writing and supported by the Union representatives and Management.

43.5. The agenda shall be limited to items that are of a group rather than an individual interest or concern and shall not include individual grievances properly processed under the grievance procedure article. If a concern is not resolved and is also grievable, a grievance may be filed pursuant to Article 6. If the parties mutually agree, the matter will be submitted at Step 3 (mediation). The grievance must still be timely in accordance with Article 6 Grievance Procedure.

43.6. Disposition of matters covered in a Union/Management Committee shall not contradict, add to or otherwise modify the terms and conditions of the Agreement unless otherwise mutually agreed to in writing by the Director for Labor Relations and the Union Business Representative.

44.3.

Should the University decide to create, eliminate or modify class specifications which does not involve a major restructure to the overall classification system, it will notify the Union in advance of implementing the action. Notification will include the bargaining unit status of the classification and, for a newly created or modified classification considered to be in the bargaining unit, a proposed salary. Notification will occur at least ~~forty-five (45)~~thirty days (30) days in advance of any proposed implementation date. At the Union’s request the University will meet and confer with the Union over its proposed action.

b. An employee occupying a position reallocated to a class with a lower salary range maximum due to a class being created, abolished or modified will be placed at a step on the new range closest to but not less than their current rate of pay, up to maximum auto step. If an employee’s current salary is above maximum auto step, the employee’s salary will be y-rated (frozen) until the new range catches up. The Progression Start Date (PSD) will remain unchanged. retain the salary of their former position until reaching the top of the range of the former position, and then will be frozen until the new class pay range catches up. An employee(s) occupying a position reallocated to a class with a higher salary range due to a class being created, abolished or modified will receive the same step in the new range as the employee(s) held in the previous range.

c. If the action is effective the 1st through the 15th of the month, the progression start date is set as the 1st of that month. If the action is effective the 16th through the end of the month, the progression start date is set as the 1st of the following month.

~~b.d. The Progression Start Date (PSD) shall be the first of the current month for effective dates falling between the first and fifteenth of the month and the first of the following month for effective dates falling between the sixteenth and the end of the month. The progression start date of the employee will remain unchanged.~~

~~e.e.~~ Within thirty (30) calendar days following implementation of the University’s decision to create or combine classifications per Article 44, or modify class specifications for bargaining unit positions, the Union may file an appeal with the Classification Review Hearing Officer selected under Article 44.6 of this contract, to determine if the salary assigned to the classification is appropriate.

1 **44.4.** The Union may, at any time, propose a new classification with appropriate
2 justification. These proposals will be reviewed by the Compensation Office of Human
3 Resources which will accept, reject, or modify any proposal. The Union and the
4 Compensation office will meet and discuss the proposal within sixty (60) days. This
5 review is not grievable.

6 **44.5.** The University agrees to notify the Union of any proposed reclassifications of

13 position).
- 14 B. The Union and the University agree to a procedure that includes the provision of
15 information by the University and a meeting with the Union to discuss and

18 staff exemption.

20 concluded by the meeting described above, unless both parties agree to an
21 extension.
- 22 D. Disputes regarding professional staff exemptions shall be resolved by the
23 classification review hearing officer. The Hearing Officer shall make their decision
24 based on the criteria outlined in paragraph one (1) above. If the employee

26 the determination through the process outlined in this Article.

27 **44.7. Position Review Process:**

32 often than once every six (6) months.
- 33 B. The request must be complete and in writing on forms provided by the University.

17 supervisor or department, whichever date is earliest. The date of receipt must be

 12 Career Enhancement/Growth program. The program will reward employees whose
 13 development of skills, increased productivity, or assumption of higher level duties
 14 results in service enhancements or efficiencies for the department in which the
 15 employee works.

1 CEGP steps on the respective pay tables (see Appendix V Pay Tables), will be attained
2 solely through the Career Enhancement/Growth program and will not be based on
3 length of service.

4 Employees in every classification covered by this Agreement will be eligible for the
5 program. Employees are eligible to receive a Career Enhancement/Growth step any
6 time after they have been at the top automatic step in their pay range for a minimum of
7 one (1) year. Employees are eligible for the subsequent Career Enhancement/Growth
8 step beginning one (1) year after receiving the previous step.

9 There will be no minimum or maximum number of employees who may receive Career
10 Enhancement/Growth steps. There will be no minimum or maximum amount of money
11 the University will spend on the Career Enhancement//Growth program. Decisions
12 about Career Enhancement/ Growth steps shall be made within sixty (60) days of
13 supervisory/ managerial/professorial recommendations.

14 Either employees or managers may initiate the CEGP application process. All CEGP
15 applications shall be forwarded to the Compensation Office, regardless of approval or
16 denial. If the application has been denied, the reason for the denial must be
17 documented.

18 The Compensation Office tracks CEGP applications, grants, and denials including at a
19 minimum the job class, department, employee id, the decision to grant or deny, and the
20 documented reason for any denial. If denied, the employee may appeal to the decision-
21 maker's supervisor.

22 The CEGP application form allows for the inclusion of up to three letters of
23 recommendation, and record years of experience in the position or field, as well as
24 years of service with the University in the Statement of Qualifications section. The
25 union will have access to this information on request.

26 The Career Enhancement/Growth program will not be a substitute for reclassifications.
27 Reclassifications will take priority over receiving Career Enhancement/Growth steps
28 such that if an employee qualifies to receive a Career Enhancement/Growth step but
29 could otherwise be reclassified, the employee will be reclassified and will not
30 simultaneously receive the Career Enhancement/Growth step. Career
31 Enhancement/Growth steps shall be considered in calculating salary adjustment
32 associated with promotion and upward reclassification, but in no instance shall a salary
33 in a new position be at a step higher than the top automatic step in the new pay range,
34 except for lateral transfers where there is no mutual agreement not to exceed the top
35 automatic progression step in the new pay range.

36 The University agrees to regularly issue University-wide reminders promoting the value
37 of this program.

- 1 The parties will utilize the JLM committee to review the CEGP program periodically with
- 2 the goal to improve standards and accessibility.

- 3 The Career Enhancement/Growth program in its entirety is not subject to the grievance
- 4 procedure (Article 6).

- 5 **45.21. Ambulatory Float Pool Premium Pay – Harborview Medical Center and UW**
- 6 **Medical Center-Montlake Only. Employees hired solely in an Ambulatory Float Pool**
- 7 **will receive a float premium of one dollar fifty cents (\$1.50) per hour for all hours**

 - 1. The amount of the overpayment,

1 **ARTICLE 60 – NONPERMANENT AND INTERMITTENT EMPLOYEES**

2 Only the following language in this Article applies to the Nonpermanent and Intermittent
3 Employees and shall constitute the whole agreement between the Union and the
4 University regarding these employees.

5 60.1. Definitions.

6 A. A Nonpermanent position can be created when any of the following conditions
7 are met:

- 8 1. The UW is actively recruiting to fill a vacant position with a permanent
9 position;
- 10 2. The UW needs to address a short-term immediate workload peak or other
11 short-term needs;
- 12 3. The UW is not filling a position with a permanent position due to the
13 impending or actual layoff of a permanent employee(s);
- 14 4. The UW is filling positions when a worker is on a leave-of-absence; or
- 15 5. Temporary project.

16 A nonpermanent appointee must have the skills and abilities required for the position.

17 B. Intermittent Positions

- 18 1. An Intermittent position exists when the nature of the work is sporadic and
19 does not fit a particular pattern.
- 20 2. If an employee in an intermittent appointment has been working a fixed
21 number of hours every week for a period of at least twelve (12) months,
22 the Employer will convert the appointment to nonpermanent fixed duration
23 appointment for no more than an additional six (6) months. If the work is
24 on-going the Employer may also convert the position to a regular
25 appointment.

26 **60.2 Types of Nonpermanent Positions:**

- 27 A. Nonpermanent Hourly
- 28 B. Nonpermanent Fixed Duration

29 Employees in Nonpermanent Fixed Duration positions are considered regularly
30 scheduled and assigned a schedule with a fixed number of working hours in a
31 workweek. Nonpermanent Fixed Duration positions with varying work days are
32 considered scheduled.

33 Employees in Intermittent and Nonpermanent Hourly positions are considered
34 nonscheduled and are not assigned a fixed schedule or amount of working time in a
35 workweek.

36 If at any time during a Nonpermanent Hourly appointment, the employee starts working

1 a fixed number of hours each work week for multiple weeks in a row, upon request the
2 appointment designation will change to Nonpermanent Fixed Duration.

3 **60.3 Nonpermanent Hourly and Nonpermanent Fixed Duration Appointments:**

- 4 A. The initial duration of a Nonpermanent Hourly and Nonpermanent Fixed Duration
5 appointment cannot exceed twelve (12) months from the hire date but may be
6 extended to no more than twenty-four (24) months if the conditions in 60.1.A. 1-5
7 still exist. Individuals may receive consecutive Nonpermanent Fixed Duration or
8 Hourly appointments as long as any subsequent appointment is to a different
9 position.
- 10 B. Conclusion of the appointment will be at the discretion of the University, including
11 termination of appointment prior to its originally intended expiration date, and will
12 not be subject to Articles 6 (Grievance Procedure) and Article 38 (Seniority,
13 Layoff, Rehire) of the contract.
- 14 C. If the employee is not a permanent state employee, the employer must give one
15 work days' notice prior to conclusion of the appointment. A Nonpermanent
16 appointment may be terminated immediately with pay in lieu of the one work day
17 of notice required for Nonpermanent Employees.
- 18 D. If at any time during a Nonpermanent appointment, a short-term workload peak
19 or other short term need becomes ongoing and permanent in nature, the
20 Employer must take action to fill the position on a permanent basis.
- 21 E. Nonpermanent Fixed Duration or Nonpermanent Hourly appointments will not be
22 made to permanently replace permanent positions that are vacant.
- 23 F. Time worked in a Nonpermanent Fixed Duration or Nonpermanent hourly
24 appointment will count towards seniority for employees who are appointed to a
25 regular classified position without a break in service in accordance with article
26 38.1.A.

27 **60.4 Hours of Work and Overtime.**

- 28 A. Hours of work for Nonpermanent and Intermittent Employees shall be
29 established by the employing official. Work assigned in excess of forty (40) hours
30 in a seven (7) day work week constitutes overtime. Overtime hours will be
31 compensated at a rate of one-and-one-half (1-1/2) times the employee's regular
32 rate.
33 All paid holiday hours including the use of holiday credit during the employee's
34 regular work schedule is considered time worked for the calculation of overtime.
35 All other time paid for but not worked shall not count towards the calculation of
36 overtime.
- 37 B. **Minimum Work Availability.** The Employer may require employees in
38 Intermittent and Nonpermanent hourly position to provide at least a minimum
39 number of available hours or shifts each week, month or schedule block. The
40 Employer may also require employees in Intermittent and Nonpermanent hourly
41 position to provide at least a minimum number of available weekend hours or

1 shifts each week, month or schedule block. A minimum number of hours of shifts
 2 on holidays may also be required of employees in Intermittent and
 3 Nonpermanent hourly position. Employees out of compliance may have their
 4 appointment terminated. Appointments may also end due to a lack of work.
 5 Assignment of hours or continuation of employment is at the discretion of the
 6 Employer and is not grievable.

7 **60.5 Probationary Period Upon Movement from Nonpermanent or Intermittent to**
 8 **Regular.**

- 9 A. A Nonpermanent or Intermittent Employee hired into a regular bargaining unit
 10 position is required to serve a probationary period.
- 11 B. A Nonpermanent or Intermittent Employee who is hired into a regular position in
 12 the same job classification in the same unit without a break in service through
 13 open recruitment will have their Nonpermanent or Intermittent hours of service
 14 apply toward their probationary period for that position up to a maximum of three
 15 (3) months of the six (6) month probationary period.
- 16 C. The Employer may convert a Nonpermanent or Intermittent position into a
 17 permanent position if the Employer used a competitive process to fill the
 18 Nonpermanent or Intermittent position or if the Nonpermanent or Intermittent
 19 position was filled using a veteran placement program. In such circumstances the
 20 employee will serve a probationary or trial service period, whichever is
 21 applicable.

22 **60.6 INCLEMENT WEATHER AND SUSPENDED OPERATIONS**

- 23 A. **Inclement Weather.** When the University is in operation an employee may
 24 request time off without pay to deal with unanticipated problems related to
 25 inclement weather conditions. However, employees designated by the Employer
 26 as “essential” must report to work.
- 27 B. **Suspended Operations.** If the University determines it is advisable due to
 28 emergency conditions to suspend the operation of all or any portion of the
 29 institution, employees designated by the Employer as “essential” must report to
 30 work.

APPENDIX III – OVERTIME EXEMPT JOB CLASSIFICATIONS

2
3
4
5
6

The federal Fair Labor Standards Act and the Washington State Minimum Wage Act govern which positions are FLSA exempt or non-exempt. Appendix III details job classifications that are FLSA exempt; however, certain positions in these classifications may be determined to be FLSA non-exempt if the employee’s combination of FTE and salary falls below the federal or state salary threshold.
