ARTICLE 1 – PURPOSE AND INTENT

1 2

3 Section 1.1.

4 It is the purpose of this Agreement to provide for the wages, hours and terms and

- 5 conditions of employment of the employees covered by this Agreement, to recognize
- 6 the continuing joint responsibility of the parties to provide efficient and uninterrupted
- 7 services and satisfactory employee conduct to the public, and to provide an orderly,
- 8 prompt, peaceful and equitable procedure for the resolution of differences between
- 9 employees and the Employer. The parties agree that the provisions contained within
- 10 this Agreement and/or University policy shall apply to Postdoctoral Scholar
- appointments. The parties also agree that none of the provisions of the University
- 12 Faculty Code and Governance shall apply because none of the Postdoctoral Scholar
- appointments covered by this Agreement are faculty appointments.
- 14

15 Section 1.2.

- 16 The University will not engage in any activity or enter an agreement or otherwise
- discuss with any other group or individual for the purpose or effect of undermining the
- 18 Union as the representative of individuals in the unit.
- 19

20 Section 1.3.

- If, during its term, the parties hereto should mutually agree to modify, amend or alter the provisions of this Agreement, in any respect, any such changes shall be effective only if reduced to writing and executed by the authorized representatives of the University and
- the International Union, UAW and its Local Union 4121.
- 25

26 Section 1.4.

- All requests for information regarding the bargaining unit by the Union will be submitted
 in writing to the Office of Labor Relations (laborrel@uw.edu). Requests will clearly
 identify what information is being sought and include the reason for the request.
- 30 31

32

Section 1.4<u>5</u>. Mandatory Subject.

A. The Employer shall satisfy its collective bargaining obligation before changing 33 a matter that is a mandatory subject. The Employer will notify the Union staff 34 representative in writing of these changes. The Union may request 35 discussions about and/or negotiations on the impact of these changes on 36 employees' working conditions. The Union will notify Labor Relations in 37 38 writing of any demands to bargain. In the event the Union does not request discussions and/or negotiations within thirty (30) calendar days, the Employer 39 may implement the changes without further discussions and/or negotiations. 40 There may be emergency or mandated conditions that are outside of the 41 Employer's control requiring immediate implementation, in which case the 42 Employer shall notify the Union as soon as possible. 43

B. Prior to making any change in written agency policy that is mandatory subject of bargaining, the Employer shall notify the Union and satisfy its collective bargaining obligations per Article 1. C. Unless agreed otherwise, the parties agree to begin bargaining within thirty (30) calendar days of receipt of the request to bargain. A valid request to bargain must include at least three (3) available dates and times to meet. If the Union makes a request for information at the same time as the request to bargain, the thirty (30) calendar days will not begin until the information request has been fulfilled. Information requests made after the request to bargain will not delay the scheduling of discussion and/or negotiations. The parties shall agree to the location and time for the discussions and/or negotiations.

1 ARTICLE 6 – CORRECTIVE ACTION AND DISMISSAL 2 Section 6.1. Process 3 The University may issue corrective action or dismiss a Postdoctoral Scholar for just 4 cause. It is recognized that Postdoctoral Scholar appointments cease at the end of a 5 designated period, and these cessations are not subject to the just cause requirement. 6 7 Such corrective action may take the following forms: A. Letter of warning is a written communication that informs the Postdoctoral 8 Scholar of the nature of the inadequate performance or misconduct, the 9 requirements for continuation in their appointment and the probable 10 consequence of continued inadequate performance or misconduct. 11 B. **Suspension** is a University required cessation from work activities for a 12 specified period of time, and includes loss of pay, access to University 13 14 property and parking and library privileges. C. Dismissal is the termination of a Postdoctoral Scholar's appointment initiated 15 by the University, prior to the appointment end date, when the University 16 determines that the Postdoctoral Scholar's conduct or performance does not 17 justify continuation. 18 D. The University may take other corrective action consistent with extramural 19 20 funding agency requirements. Counseling memoranda and/or written records of discussion, in and of themselves, are 21 22 not corrective action, nor are they grievable. 23 Section 6.2. Representation. 24 Upon request, an employee will have the right to Union representation at an 25 26 investigatory meeting requested by the Employer, in which the employee reasonably believes could lead to corrective action. Upon request, an employee will have the right 27 to an interpreter at an investigatory meeting. The Employer will provide reasonable time 28 29 to allow an employee to secure a representative. The exercise of this right will not 30 unreasonably delay or postpone a meeting. Representation will not apply to discussions with an employee in the normal course of duty, such as giving instructions, 31 32 assigning work, informal discussions, delivery of paperwork, staff or work unit meetings or other routine communications with an employee. 33 34 35 The role of the Union representative in regard to an Employer-initiated investigation is to provide assistance and counsel to the employee and not interfere with the Employer's 36 right to conduct the investigation. Employees and their representatives will cooperate in 37 the investigation. 38 39 Section 6.3. Dismissal. 40 Prior to dismissal, a pre-determination meeting will be scheduled to give an employee 41 an opportunity to make their case before the final decision is made. The employee has 42 the right to have a Union representative present at the pre-determination meeting. 43 44

- 1 No later than thirty (30) days prior to the proposed termination, the Supervisor shall
- 2 provide the Postdoctoral Scholar and the Union a written summary of relevant facts, any
- 3 policies violated and the basis for terminating the appointment. In cases involving
- 4 misconduct, a Postdoctoral Scholar appointment may be terminated with less than thirty
- 5 (30) days' notice.
- 6
- 7 Upon request, the employee shall be entitled to any materials (such as an investigative
- 8 report) that have been prepared, although confidential information and witness
- 9 statements may be withheld. The employee will be furnished with written notification of
- 10 the outcome of the pre-determination hearing.
- 11

12 Section 6.4.

- 13 A Postdoctoral Scholar who is disciplined or discharged shall be entitled to file a
- 14 grievance at the second step of the grievance procedure. The Postdoctoral Scholar
- 15 shall have fourteen (14) calendar days from the date of the action to file a grievance.

17 Section 6.5. Administrative Leave.

- A. The University may place an employee on paid administrative leave without prior notice in order to investigate allegations of misconduct, violations of policy, or dereliction of duty that, in the judgment of the University, warrant immediately relieving the employee from all work duties and/or require removing the employee from the premises.
 - B. The Union will be promptly notified when an employee is placed on paid administrative leave.
 - C. Paid administrative leave is not corrective action.
- D. At the conclusion of an investigation of an employee placed on administrative leave, where the Employer elects not to take corrective action, the employee will be provided with a notification that the investigation is completed and that no corrective action will be imposed.
 - E. If no corrective action is taken, no record of administrative leave will be placed in the employee's personnel file.

The type of grievance (individual, group, union) 14 B. The following information about the grievant(s) (if applicable): 15 16 a. Name b. Contact information 17 c. Department/Hiring Unit 18 d. Contact information 23 D. The date of the violation 24 25 E. The specific Article(s) and Section(s) of the Agreement violated F. A description of the violation with pertinent facts (as known at the time of filing) 26 27 G. Remedy requested 28 H. The signature of each grievant (or representative) 29 30 Section 7.3. 31 The parties support the resolution of problems at the lowest possible level and to that end encourage informal discussions to resolve problems without the grievance 32 procedure. Prior to initiating a grievance, the aggrieved party is encouraged to discuss 33 the matter with the immediate supervisor. If requested, a Union representative may be 34 involved in the discussion. Resolutions from pre-grievance discussions, although final, 35 shall not be precedential. 36 37 38 Section 7.4. **Step One** – Step One is optional; grievances may be filed and immediately proceed to 39 Step Two. A grievance must be filed in writing by the Union to the Principal Investigator 40 (PI) if applicable or first level supervisor, with a copy to the Assistant Vice President of 41

- Labor Relations <u>and the Labor Relations Office (laborrel@uw.edu)</u>. The grievance shall state the pertinent facts of the case with reasonable particularity, including the
- section(s) of the Agreement allegedly violated, and the remedy or desired outcome that

1 is sought. The date of filing is the date the grievance is received at the Office of the

- 2 Principal Investigator (PI) or first level supervisor.
- 3

The grievance must be filed within twenty-one (21)thirty (30) calendar days from the 4 occurrence of the events giving rise to the grievance, or from the time at which the 5 aggrieved individual should reasonably have become aware of the grievance. The date 6 of the meeting will be mutually agreed upon within fourteen (14) calendar days of 7 receiving the grievance and when possible, *I* the Principal Investigator (PI) or first level 8 supervisor (or designee) shall meet with the grievant and the Union within the 9 aforementioned fourteen (14) calendar days of receiving the grievance. The Principal 10 Investigator (PI), first level supervisor, (or designee) shall issue a written response to 11 12 the grievance within seven (7) calendar days of the meeting. 13 14 Resolutions at the First Step, although final, shall not be precedential. 15 16 Step Two – If the Union bypasses Step One or is not satisfied with the Step One response, it may appeal in writing within seven (7) calendar days after receipt of the 17 18 Step One decision, or in the case where Step One is bypassed, the grievance must be 19 filed within twenty-one (21thirty (30) calendar days from the occurrence of the events giving rise to the grievance or from the time at which the aggrieved individual should 20 reasonably have become aware of the grievance. The Step Two appeal or Step Two 21 22 filing shall be made to the Department Chair (or Dean if no Department Chair), with a copy sent to the Assistant Vice President of Labor Relations and the Labor Relations 23 Office (laborrel@uw.edu). The Union recognizes that the Chair or Dean may choose to 24 25 designate other appropriate University personnel to act as the University's representative for purposes of this Step Two. 1	ARTICLE 11 – INDIVIDUAL DEVELOPMENT PLANS AND PROGRESS
2	ASSESSMENTS
3	
4 5	Section 11.1. Supervisors. A. By the time each Postdoctoral Scholar's appointment begins, a primary
6 7	Supervisor who will fulfill at least the basic mentorship obligations outlined in this Article will be assigned. In many cases the Supervisor is the Principal
8 9	Investigator (PI) who hires the Postdoctoral Scholar, or the Supervisor may be assigned by the PI, department chair, or other designee. In addition to the
10	Supervisor who is assigned to complete the Individual Development Plans
11	and Progress Assessments, Postdoctoral Scholars may consult with
12	additional career mentors.
13	Section 44.2. Individual Development Plane and Deviermence Expectations
14 15	Section 11.2. Individual Development Plans and Performance Expectations. A. An individual development plan (IDP) identifies the Postdoctoral Scholar's
16	general research goals, professional development objectives and career
17	objectives. It may also serve as a link to the Supervisor's research goals and
18	thus may serve as a communication tool between a Postdoctoral Scholar and
19	their Supervisor. In addition to the Supervisor, the Postdoctoral Scholar may
20	consult with additional career mentors in the development of an IDP.
21	B. Postdoctoral Scholars may elect to develop an IDP, a Supervisor may require
22	the development of an IDP and some funding agencies may require an IDP.
23 24	In any case, the Postdoctoral Scholar and their Supervisor shall follow the process outlined below:
24 25	a. The Postdoctoral Scholar may discuss their research goals, general
26	professional development needs and career objectives with the Supervisor
27	and any additional career mentor(s).
28	b. The Postdoctoral Scholar will normally conduct a self-assessment and
29	discuss opportunities for progress with their Supervisor and any additional
30	career mentor(s). The Postdoctoral Scholar will then submit a written draft
31	of the IDP to the Supervisor for discussion.
32	<u>c.</u> The Supervisor will review the IDP to ensure the IDP is clear about research goals, general professional development needs and career
33 34	objectives, taking into account funding source requirements and
35	limitations, as well as effort reporting. and The Supervisor will provide
36	advice about possible revisions as needed.
37	c.<u>d.</u> The Supervisor will also share knowledge about available
38	development opportunities with the Postdoctoral Scholar.
39	d.eIf the Postdoctoral Scholar believes the plan requires revision, they
40	will repeat the process starting in 11.2.B.a., above. Goals may change
41	based on evolving research needs.
42 42	e. <u>f.</u> The Postdoctoral Scholar and the Supervisor may engage in ongoing discussions regarding the IDP
43	discussions regarding the IDP.

- C. In the absence of an IDP, within a reasonable time after the beginning of each appointment, the Supervisor, or in limited circumstances their appropriate designee, shall communicate the expectations they have for the Postdoctoral Scholar's research and career progress.
- 5 D. A Postdoctoral Scholar may request that the goals and expectations on which 6 they will be assessed be provided to them in writing. In such circumstances:
 - a. The Postdoctoral Scholar shall submit a written draft of the discussed goals and expectations as provided in 11.2.B., above, to the Supervisor for review.
 - The Supervisor shall provide the Postdoctoral Scholar with the final goals and expectations against which the Postdoctoral Scholar's progress will be assessed.

14 Section 11.3. Progress Assessments.

- A. A Progress Assessment is an evaluation of the Postdoctoral Scholar's progress and accomplishments in research and professional development.
- B. Periodic Reviews The Supervisor and the Postdoctoral Scholar shall
 periodically engage in informal oral Progress Assessments during their
 appointment. In these assessments, the Supervisor and the Postdoctoral Scholar
 generally discuss the Postdoctoral Scholar's recent research progress and
 overall research objectives. The structure of the Progress Assessment may vary
 by discipline.
- C. Annual Review The Supervisor shall provide the Postdoctoral Scholar with at
 least one written review per twelve (12)-month period. This Annual Review is a
 comprehensive assessment of the Postdoctoral Scholar's research progress and
 professional development during the previous year. The Supervisor may utilize
 an independently developed or a pre-established form when conducting the
 Annual Review.

2

3 Section 16.1. Workplace Behavior.

- 4 The Employer and the Union agree that all employees shall work in an environment that
- 5 fosters mutual respect and professionalism. The parties agree that inappropriate
- 6 behavior in the workplace does not further the University's business needs, employee
- 7 well-being or productivity. All employees are responsible for contributing to such an
- 8 environment and are expected to treat others with courtesy and respect.
- 9
- 10 The University encourages anyone who has experienced or observed discrimination or

- 12 procedures and this Article.

- 39 40

36

37

38

41 Section 16.5. Sexual Harassment.

42 EO 31 currently defines Sexual Harassment as a form of harassment characterized by:

- A. Unwelcome sexual advances, requests for sexual favors or other verbal or
 physical conduct of a sexual nature by a person who has authority over the
 recipient when:
 - Submission to such conduct is made either an implicit or explicit condition of the individual's employment, academic status or ability to use University facilities and services; or
- b. Submission to or rejection of the conduct is used as the basis for a decision
 that affects tangible aspects of the individual's employment, academic status
 or use of University facilities; or
- B. Unwelcome and unsolicited language or conduct that is of a sexual nature and that is sufficiently severe, persistent or pervasive that it could reasonably be expected to create an intimidating, hostile, or offensive working or learning environment, or has the purpose or effect of unreasonably interfering with an individual's academic or work performance. This also includes acts of sexual violence, such as sexual assault and sexual exploitation.
- 16

5

6

- 19

20 Section 16.7. Complaints.

- A discrimination complaint may be filed as a grievance in accordance with Article 7 of
- this Agreement and/or with the Civil Rights Investigation Office. In cases where an
- 23 employee files both a grievance and an internal complaint regarding the alleged
- discrimination, harassment or retaliation the grievance may be suspended for a fixed
- period of time by agreement of the parties. The suspension of the grievance does not
 prevent the parties from discussing or entering into a settlement agreement. Employees
- 26 prevent the parties from discussing or entering into a settlement agreement. Employees 27 may also file discrimination complaints with appropriate federal or state agencies. The
- 27 Thay also lie discrimination complaints with appropriate rederator state agencies. The 28 parties agree to encourage the filing of discrimination complaints through the Civil
- 28 Rights Investigation Office.
- 30

31 Section 16.8. Timeline.

- A grievance alleging a violation of this article must be submitted within one hundred and eighty (180) days of an alleged occurrence.
- 34

35 Section 16.9. Interim Measures.

- 36 When a grievance or complaint is filed, the University will implement interim measures,
- if appropriate. Interim measures will be implemented in accordance with University
- policies and determined by the Employer. Such measures shall be designed to allow the
- 39 Postdoctoral Scholar to work in an environment free from discrimination.

- 26 Postdoctoral Scholars will receive the prorated number of paid vacation days. Unused
- vacation time off shall lapse twelve (12) months from the date it was received and at the

- 29 separation, does not transfer between employment programs and is not eligible for
- 30 shared leave donation.
- 31

32 Section 24.3. Vacation Scheduling.

- 33 All vacation time off requests must be submitted according to departmental policy and
- 34 be approved by the Supervisor prior to commencement. Additional approval may be

8	Section 24.7. Faith and Conscience Time Off.
9	In accordance with RCW 1.16.050, Postdoctoral Scholars will have the option to take up
10	the two (2) unpaid holidays per calendar year for a reason of faith or conscience or for
11	an organized activity conducted under the auspices of a religious denomination, church
12	or religious organization.
13	
14	To take unpaid time off under the statute, Postdoctoral Scholars must consult with their
15	Supervisor and use their department's procedure for making advance leave requests.
16	The Postdoctoral Scholar will need to inform their Supervisor that the requested unpaid
17	day(s) is for a reason of faith or conscience or for an organized activity conducted under
18	the auspices of a religious denomination, church or religious organization.
19	
20	The Supervisor can only deny a Postdoctoral Scholar's requested day(s) off if the

22	the Postdoctoral Scholar's presence is necessary to maintain public safety. Undue

36	the parties will meet and bargain the effects of the changes.
37	
38	Under RCW 50A, employer provided healthcare benefits must be maintained during a
39	PFML leave, so interspersing time off is not required provided the employee qualifies for
40	a reason under the federal FMLA. Under RCW 50A.15.060(2), the University has
41	elected to offer supplemental benefits in the form of sick time off, vacation time off,

42 personal holiday, <u>compensatory time off</u>, holiday credit, or holiday taken time off. The

Postdoctoral Scholars are not entitled to civil duty time off for civil legal actions that they initiate or when named as a defendant or respondent in a private legal action that is unrelated to their University appointment or employment. The Postdoctoral Scholar will notify the University as soon as they become aware of the need for a civil duty time off.

5	MOU – OVERTIME
6	
7	
8	All salaried Postdoctoral Scholars currently employed by the University are overtime
9	exempt. The federal Fair Labor Standards Act and the Washington State Minimum
10	Wage Act govern which positions are as a matter of law exempt or non-exempt from
11	overtime payment eligibility. This does not preclude the Union or any individual
12	employee from challenging the University's overtime determination in appropriate
13	forums. Should any salaried Postdoctoral Scholar employed by the University become
14	overtime eligible in accordance with federal or state overtime regulations, the parties
15	agree the following will apply only to salaried Postdoctoral Scholars employed by the
16	University:
17	
18	A. A. FLSA non-exempt Postdoctoral Scholars are overtime eligible. Overtime
19	eligible Postdoctoral Scholars must track the total number of hours they worked
20	<u>and account for the time they did not work (e.g. paid time off, holidays, unpaid</u>
21	<u>time off).</u> Overtime eligible Postdoctoral Scholars must track the total number of
22	hours they worked.
23	\mathbf{D} (Mark in even of forth (40) hours in a workwork constitutes evertime for
24	B.A. Work in excess of forty (40) hours in a workweek constitutes overtime for
25	overtime eligible employees. Only time worked shall be counted for the purpose
26	of computing overtime compensation.
27	C.B. Overtime worked by eligible employees shall be compensated at a rate of
28	one and one-half (1-1/2) times the employee's straight time hourly rate.
29	
30	D.C. The work week is defined as Monday, 12:00 a.m. and ends the following
31	Sunday at 11:59 p.m.
32	
33	E.D. Overtime must be approved in advance by the employing official or
34	designee. Whenever overtime work is required, the employing official shall
35	determine the employees needed to work overtime on the basis of their relevant
36	experience. Nothing in this article prohibits the preapproval of overtime.
37	Supervisors may prospectively authorize overtime for designated employees on
38	designated projects for a designated period of time. Prospective authorization will
39	be in writing.

1	
2	F.EOvertime-eligible employees shall receive monetary payment as
3	compensation for overtime worked; however, employees may request and may
4	be granted compensatory time off accrual at one and one-half (1-1/2) times the
5	overtime hours worked in lieu of monetary payment. Granting of compensatory
6	time is at the employing official's discretion.
7	1, 5, 5
8	G.FOvertime work that is needed but not budgeted may be offered to, but not
9	required of, an employee contingent on the employee's willingness to accept
10	compensatory time instead of overtime payment.
11	
12	H.G. Compensatory time must be used or cashed out by the end of the
13	employee's appointment period. The employee's unused compensatory time
14	balance will be cashed out at the end of the employee's appointment period or
15	when the employee leaves University employment for any reason. The
16	employee's compensatory time balance may also be cashed out if required by
