ARTICLE 2 – UNION MEMBERSHIP; DUES DEDUCTION

2.1 Dues Deduction. Upon authorization by an individual employee to the Union, the Employer shall provide for the semi-monthly payroll deductions of union dues which are uniformly applied to all members in those bargaining units in which the Union is the exclusive bargaining agent.

2.1.1 The Union shall transmit to the Employer via a web based electronic reporting system, by the cut-off date for each payroll period, the name and Employee ID number of employees who have, since the previous payroll cut-off date, provided authorization for deduction of dues, COPE, or have changed their authorization for deduction. The Employer will provide instructions and templates for the web based electronic reporting system and provide a calendar of required payroll cut-off dates.

2.2. Employees who move to a position in another bargaining unit represented by the Union will have their Union deduction continued. When an employee covered by this contract moves to a position that is not covered by this contract, dues deducted on behalf of the Union will cease.

Semi-monthly the Employer's Payroll Office will transmit the total deducted amount of dues money to the Union's office together with a list of current members on dues deduction together with any additions and deletions for that month.

The Union will provide the Employer thirty (30) days advance notice of a change in the amount of dues.

2.3 Indemnification. The Union and each employee authorizing the assignment of wages for the payment of Union dues hereby undertakes to indemnify and hold the University harmless from all claims, demands, suits or other forms of liability that may arise against the University for or on account of any deductions made from the wages of such employees or for any action taken in compliance with this Article.

2.4 Revocation. The Employer will direct all questions about revocation to the Union. An employee may revoke their authorization for payroll deduction of payments to the Union by written notice to the Employer and the Union in accordance with the terms and conditions of their signed membership card. Every effort will be made to end the deduction effective on the first payroll, and not later than the second payroll, after receipt by the Employer of confirmation from the Union that the terms of the employee's signed membership card regarding dues deduction revocation have been met.

2.5 Rosters. Each pay period the Employer will provide the following four (4) reports electronically.

2.6 Contract Distribution. The Employer will provide all current and new employees with a link to the new Agreement. Each department or unit will maintain a paper copy of the contract accessible to all employees.

2.7 Union Membership. Employees covered by this Agreement may become members of the Union. You can learn more about union membership at www.seiu1199nw.org or from a Union organizer or delegate.

2.8 Voluntary Political Action Fund Deduction. During the term of this Agreement, the Employer shall deduct the sum specified from the pay of each member of the Union who voluntarily executes a political action contribution wage assignment authorization. When filed with the Employer, the authorization form will be honored in accordance with its terms. The amount deducted and roster of all employees using payroll deduction for voluntary political action contributions will be promptly transmitted to the Union by a separate check payable to its order. Upon issuance and transmission of a check to the Union, the Employer's responsibility shall cease with respect to such deductions. The Union and each employee authorizing the assignment of wages for the payment of voluntary political action contributions hereby undertakes to indemnify and hold the Employer harmless from all claims, demands, suits or other forms of liability that may arise against the Employer for or on account of any deduction made from the wages of such employee.

The parties recognize that the Union is obligated under the Federal Election Campaign Act (FECA) to reimburse UW for its reasonable cost of administering the COPE check off in the parties' Collective Bargaining Agreement. The Employer and the Union agree that one-quarter of one percent (.25%) of all amounts checked off is a reasonable amount to cover the Employer's costs of administering this check off. Accordingly, the parties agree that the Employer will retain one-quarter of one percent (.25%) of all amounts deducted pursuant to the COPE check off provision in the parties' Collective Bargaining Agreement to reimburse the Employer for its reasonable costs of administering the check off.

2.9 Temporary Employment with the Union

1. With thirty (30) calendar days' notice, unless agreed otherwise, employees may be granted leave without pay to accept temporary employment with the Union of a specified duration, not to exceed twelve (12) weeks, provided the employee's time off will not interfere with the operating needs of the agency. The parties may agree to an extension of leave without pay up to an additional twelve (12) weeks. For leaves of up to twelve (12) weeks duration, the employee will be returned to their same position. For leaves of more than twelve (12) weeks duration, the returning employee will be employed in a position in the same job classification and the same geographical area, as determined by the Employer.
2. Employees on a leave of absence will be placed on a Monday through Friday work schedule (pro-rated to their FTE) on their permanent shift. For example, a fifty percent

ARTICLE 3 – UNION REPRESENTATIVES

3.1 Access to Premises. Duly authorized representatives of the Union may have access at reasonable times to those areas of the Employer's premises which are open to the general public for the purpose of investigating grievances and contract compliance. Union representatives shall not have access to employees' lounges, nursing units or other patient care areas unless advance approval has been obtained from the Department Director or designee. Access to the Employer's premises shall be subject to the same general rules applicable to other non-employees and shall not interfere with or disturb employees in the performance of their work during working hours and shall not interfere with patient care or the normal operation of the hospital.

3.2 Officers/Delegates. The Union shall designate its officers, delegates and alternate delegates from among employees in the unit. These officers and delegates shall not be recognized by the Employer until the Union has given the Employer written notice of the selection.

A. A Union Delegate who is a bargaining unit employee and is processing grievance in accordance with the grievance procedure shall be permitted a reasonable time to assist in the resolution of legitimate employee grievances on the Employer's property without loss of pay. Such time off for processing grievances shall be granted by supervision following a request, but in consideration of any job responsibilities. ~~Unless otherwise agreed to by the Employer, the investigation of grievances and other Union business shall be conducted only during nonworking times, and shall not interfere with the work of other employees.~~

B. Union delegates will be granted reasonable time during their normal working hours to investigate and process grievances in accordance with Article 23, Grievance Procedure. In addition, union delegates will be released during their normal working hours to attend meetings scheduled by management within the delegates/officer's office or facility for the following representational activities:

1. Grievance meetings, including attempts at informal resolution, in accordance with Article 23, Grievance Procedure.
2. Investigatory interviews (in potential disciplinary matters), in accordance with New Article XX Corrective Action.

3.2.1 One delegate or designee/officer will be allowed no less than thirty (30) minutes of paid time at a designated time during the regularly scheduled orientation of newly employed employees to introduce employees to the Union and the Union contract. By the end of the week prior to each new employee orientation, the Employer shall provide the Union with a list of all employees scheduled for orientation.

Subject to appropriate advance notice and scheduling requirements, Union officers, delegates and labor/management committee members may use one (1) day (eight (8) hours) per calendar

1 year of paid leave time to attend Union sponsored training in leadership, representation and
2 dispute resolution. This shall be limited to no more than once per contract per employee. In
3 addition to the 8 hours listed here, delegates may use their Education Leave (see Article 22.5)
4 for union trainings.

5 **3.3 Bulletin Boards.** In each department with represented employees, space will be made
6 available on one (1) designated bulletin board. Such bulletin board space may be shared. All
7 materials posted on such boards must, at the time of posting, be provided to the Department
8 Director or designee.

9 **3.4 Union Meetings.** The Union may use designated meeting rooms for Union meetings
10 consistent with Employer policies and procedures.

11 **3.5 Contract.** Upon initial employment, employees shall be given a copy of the current
12 Agreement and a copy of the employee's job description. This commitment is conditioned upon
13 the Union providing sufficient copies of the Agreement to the Employer in advance.

ARTICLE 4 – DEFINITIONS

4.1 Full-Time Employee. An employee who works on a regularly scheduled basis at least forty (40) hours per week or eighty (80) hours in a fourteen (14) day period.

4.2 Part-Time Employee. An employee who is regularly scheduled to work on a continuing basis less than forty (40) hours per week.

4.3 Probationary Period. An employee who has been hired by the Employer on a full-time or part-time basis will attain permanent status in a job classification upon successful completion of a probationary or trial service period. Every part-time and full-time employee who has been continuously employed by the Employer will serve a probationary period of six (6) months. During the probationary period, an employee may be terminated without notice and without recourse to the grievance procedure. Probationary employees shall not be required to give fourteen (14) days' notice of intention to terminate. The Employer may extend the probationary period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months. Employees will be provided with a written explanation for the extension. If the extension is based on performance issues, the employee will receive a performance improvement plan. Extension of probationary periods shall not be a normal practice.

4.3.1 Permanent employees at the University of Washington shall not be required to complete another probationary period.

4.3.2 The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) that the employee takes paid time off, leave without pay, or shared leave, except for leave taken for military service or for purposes of faith, or conscience. For the purpose of calculating the completion date, an employee's probationary period shall not end on the employee's regularly scheduled weekend off or a scheduled holiday off. In those instances the completion date will be the next scheduled work day.

4.3.3 By mutual agreement, the probationary period for additional selected classes may be established for a period in excess of six (6) months but not to exceed twelve (12) months.

4.3.4 Employees in probationary status will earn seniority from their initial date of hire but may not exercise seniority rights until completion of the probationary period. Probationary employees are not eligible for layoff or rehire rights.

4.3.5 An employee who is appointed to a different position in a different classification prior to completing their initial probationary period will serve a new probationary period. The length of the new probationary period will be in accordance with Subsection 4.3, unless adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than six (6) consecutive months.

4.3.6 Probationary Period Rejection. An appointing authority may reject an employee who has not completed a probationary period. Upon request by the employee and within 10 business days of notice, a meeting to explain such action shall be held with a representative of the Employer. At the employee's request a representative of the Union shall attend such meetings. Such rejection is not subject to the grievance procedure.

4.4 Nonpermanent and Intermittent Employees.

A. Definition. A Nonpermanent position can be created when any of the following conditions are met:

1. The UW is recruiting to fill a vacant position with a permanent position;
2. The UW needs to address a short term immediate workload peak or other short-term needs;
3. The UW is not filling a position with a permanent position due to the impending or actual layoff of a permanent employee(s);
4. The UW is filling positions when a worker is on a leave of absence; or
5. Temporary project.

B. Types of Nonpermanent Positions:

1. Nonpermanent Hourly
2. Nonpermanent Fixed Duration

C. Nonpermanent Hourly and Nonpermanent Fixed Duration Appointments:

1. The initial duration of a Nonpermanent Hourly and Nonpermanent Fixed Duration appointment cannot exceed twelve (12) months from the hire date but may be extended to no more than twenty-four (24) months if the conditions in 4.4 A-E still exist. Individuals may receive consecutive Nonpermanent Fixed Duration or Hourly appointments as long as:
 - a. Any subsequent appointment is to a different position; or
 - b. The multiple positions are cyclical in nature but last fewer than nine (9) months during any consecutive twelve (12) month period.
2. Conclusion of the appointment will be at the discretion of the University, including termination of appointment prior to its originally intended expiration date, and will not be subject to Articles 23 (Grievance Procedure) and Article 6 (Seniority, Layoff, Restructure) of the contract.
3. If the employee is not a permanent state employee, the employer must give one work days' notice prior to conclusion of the appointment. A Nonpermanent appointment may be terminated immediately with pay in lieu of the one work day of notice required for Nonpermanent Employees.
4. If at any time during a Nonpermanent appointment, a short term workload peak or other short term need becomes ongoing and permanent in nature, the Employer must take action to fill the position on a permanent basis.

D. Intermittent Positions. An Intermittent position exists when the nature of the work is sporadic and does not fit a particular pattern.

~~**4.4.1 Hours of Work and Overtime.** Hours of work for Nonpermanent and Intermittent Employees shall be established by the employing official. Work assigned in excess of forty (40) hours in a seven (7) day work week constitutes overtime. Overtime hours will be compensated at a rate of one and one-half (1-1/2) times the employee's straight time hourly rate.~~

~~Time paid for but not worked shall not count towards the calculation of overtime.~~

~~**4.4.2. Probationary Period.** Nonpermanent and Intermittent Employees are subject to all terms of the Agreement at such time as a Regular Temporary Employee is appointed to a monthly paid bargaining unit position. This includes the requirement to serve a probationary period.~~

~~C. **Annual Salary Adjustment.** Annual salary adjustments up to the top automatic step will be administered the same as regular positions in the same classification.~~

~~**4.4.4. Holidays and Holiday Credit:**~~

~~A. **Holiday Premium.** If an employee works one of the following holidays, they will receive time and one half for all hours worked on that holiday: New Year's Day, Martin Luther King Jr. Day, President's Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Veteran's Day, Thanksgiving, Native American Heritage Day, and Christmas.~~

~~**B. Holiday Credit**~~

- ~~1. Employees in Nonpermanent Fixed Duration positions will be paid for holidays and receive holiday credit per Article 10 Holiday.~~
- ~~2. Holiday credit is a balance of time off that is received in lieu of holiday compensation for employees in Nonpermanent Hourly and Intermittent positions. Holiday credit accrual is proportionate to the number of hours in pay status (excluding overtime hours) in the same month of the holiday to that required for full-time (1.0 FTE) employment, excluding all holiday~~

~~hours. Holiday credit accrual will be calculated at the end of the month. Employees in Nonpermanent Hourly and Intermittent positions hired during the month of the holiday will not receive credit for holidays that occur prior to their hire date.~~

~~C. Personal Holiday~~

~~1. Employees in Nonpermanent Fixed Duration positions will receive a personal holiday per Article 10.3 Personal Holiday. 4.5 Regular Rate of Pay. Unless otherwise required by the Fair Labor Standards Act, the regular rate of pay shall be defined to include the employee's hourly wage rate, all premiums, and differentials.

4.6 Preceptor. A preceptor is an experienced employee proficient in clinical teaching who has successfully completed a program of preceptor training, has had an evaluation of their training ability by their immediate supervisor or designee, and who has been assigned by the Employer to be specifically responsible for planning, organizing and evaluating the new skill development of an employee or student enrolled in a defined program, the parameters of which have been set forth in writing by the Employer. Preceptor assignments are voluntary. Each year, the Employer shall offer a class on preceptor training that will be open to bargaining unit members. Inherent in the preceptor role is the responsibility for specific, criteria-based and goal directed education and training for a specified training period. Management will determine the need for preceptor assignments. It is understood that employees in the ordinary course of their responsibilities will be expected to participate in the general orientation process of new employees. This would include the providing of informational assistance, support and guidance to new employees.

Any employee who currently is precepting, but has not completed the training program, shall continue as a preceptor when assigned by the Employer. Employees acting as preceptors shall have one year in which to complete the training, after which they may not precept.

ARTICLE 5 – EMPLOYMENT PRACTICES

5.1 See Article 33 Non-Discrimination.

5.2 Notice of Resignation. Employees shall be required to give at least fourteen (14) days' written notice of resignation presented in person to the employee's manager or designee. The Employer will give consideration to situations that would make such notice by the employee impossible. A written resignation may be withdrawn in writing within twenty-four (24) hours excluding the employee's scheduled days off and holidays off, after submitting the resignation. A written resignation withdrawal request made after twenty-four (24) hours may be granted at management's discretion.

~~5.2.1 or their representative 5.3 Discipline and Discharge. No full-time or part-time employee shall be disciplined or discharged except for just cause. "Just cause" shall be defined to include the concept of progressive and corrective discipline (such as verbal and written reprimands and the possibility of suspension without pay). Progressive discipline shall not be applied when the nature of the offense is just cause for immediate suspension or discharge. The University will determine the specific step at which the process begins based on the nature and severity of the problem. A copy of all written disciplinary actions shall be given to the employee. Employees shall be required to sign the written disciplinary action for the purpose of acknowledging receipt thereof. The Employer will make a good faith effort to inform the employee that they may have a union representative present during an investigatory meeting which may lead to disciplinary action. The failure of the Employer to so notify the employee will not be a basis for overturning any subsequent discipline based, in whole or in part, on the interview. An employee may request the attendance of a Union representative (and interpreting services, if necessary) during any investigatory meeting which may lead to disciplinary action. Documentation of disciplinary action at the oral warning or written reprimand level of discipline will not be considered relevant to future discipline after two (2) years, provided there are no further similar occurrences in the intervening period. MOVED TO NEW ARTICLE CORRECTIVE ACTION AND DISMISSAL~~

5.4 Personnel File. Personnel records will be maintained for each employee in Human Resources. Information contained in the personnel record may include: employment application and supporting materials, performance appraisals, records of payroll activity, licensure and training records, letters of commendation and recognition, and records of disciplinary action. By appointment, employees may inspect their personnel records. Employees will be given the opportunity to provide a written response to any written evaluations, disciplinary actions or other materials included in the personnel file and such comments shall be included in the employee's personnel file. Upon request, an employee will be given a copy of any material in the employee's personnel file.

5.5 Floating. The Employer retains the right to float employees on a shift by shift basis to meet patient care and departmental needs.

Floating is defined as:

1. A change in work unit/department for a shift or partial shift

2. In the case of hospital float pool employees, it is defined as the compensated flexibility of an employee who is assigned daily to various units/departments based on the staffing needs of the campus. In the case of Clinic float pool employees, it is defined as the flexibility of an employee who is assigned daily to various units/departments based on the staffing needs of the campus.

Employees will be expected to perform all basic functions of their classifications but will not be required to perform tasks or procedures specifically applicable to the work unit for which they are not qualified or trained to perform. Employees required to float within the hospital or as a Clinic float pool employee will receive orientation appropriate to the assignment. Orientation will be dependent upon the employee's previous experience and familiarity with the work unit to which the employee is assigned. Volunteers will be sought first when floating is necessary. Floating assignments by classification within a work unit will be rotated equitably with the least senior employee floated first, subject to skill, competence, ability and other patient care or departmental considerations, in the opinion of the Employer.

5.6 Evaluations. All employees will be given an evaluative tool prior to completion of the probationary period. Performance evaluations will occur on an annual basis. Interim evaluations may be conducted as may be required. The annual evaluation is a tool for assessing the skills of the employee and for improving and recognizing the employee's performance. As determined by the employee's supervisor, the employee's participation, including a self-evaluation, is an integral part of the evaluation process. The employee can access a copy of the evaluation. Employees will be required to sign the evaluation acknowledging receipt thereof. Employees will be given the opportunity to provide a response to the evaluation which will be retained with the evaluation in the employee's personnel file. Evaluations will be completed during scheduled work time. A peer evaluation format may be developed by the Employer in addition to supervisory evaluation on a unit-by-unit basis utilizing input by other employees.

5.7 Communication. Employees who have concerns regarding their working conditions are encouraged to raise those concerns through the appropriate levels of supervision.

5.8 Job Openings. When a regular status job opening occurs within the bargaining unit, seniority shall be the determining factor in filling such vacancy providing skill, competence, ability and performance are considered equal in the opinion of the Employer. Transfers within the department/unit will be given preference in filling job openings. Notice of job openings shall be posted on the Human Resources electronic job board seven (7) days in advance of filling where possible. To be considered for such job opening, an employee must submit an online application. Internal applicants will be notified when the job has been filled. If the Employer is unable to place the selected employee in the vacant position immediately due to departmental or unit considerations, the position may be filled on a temporary basis and the employee will be notified in writing as to when they will be placed in the position. In any event, the selected employee will be placed in the position within ninety (90) days. During the one hundred twenty (120) day period following the effective date of transfer, employees may apply for an additional transfer with the approval of their supervisor.

5.8.1 Ongoing Increase in Hours. It would be the intent of the Employer that ongoing increased hours of work on a specific department or unit and shift that are not the result of temporary leaves, scheduling requests for time off, or temporary increases in work

load would be made available for current staff on the specific unit and shift to increase their FTE in accordance with Section 5.8. If such ongoing increased hours of work persist for a period in excess of three (3) months,

- A. hospital employee may request in writing to the Director of Human Resources that these hours be posted. The Director of Human Resources or designee within her or his sole discretion will determine the appropriateness of the request based on the above criteria and respond within fourteen (14) days of the request for review.
- B. a clinic employee may request in writing to their manager for a review of hours worked relative to FTE. The manager will work with operations, leadership and HR to determine at the employer's sole discretion the appropriateness of the request and respond within fourteen (14) days of the request for review.

5.8.2 Trial Service Period

- A. Paid or unpaid time off taken during a trial service period shall extend the length of the trial service period on a day-for-a-day basis for any day(s) that the employee takes paid time off, unpaid time off, or shared leave, except for leave taken for military service.
- B. An employee who obtains a position in a new classification pursuant to Section 5.8 shall serve a six (6) month trial service period in their new assignment. An employee serving a trial service period may voluntarily revert to their former permanent position within six (6) weeks of the appointment, provided that the position has not been filled or a written offer has not been made to an applicant. After six (6) weeks employees may revert to their former position with Employer approval. In the event the former position has been filled with a permanent employee, the employee will be placed on the rehire list.
- C. An employee who voluntarily moves from one position in the bargaining unit to another within the same job classification (excluding shift changes on a given work unit) shall have a trial service period of six (6) weeks. During the trial service period either the employee or the employer may elect for the employee to return to their position without notice and without recourse to the grievance procedure. In the event the former position has either been filled with a permanent employee or a written offer of employment has been made, the employee will be placed on the rehire list.

5.9 Additional Hours. Employees desiring to work additional shifts may notify the department manager or designee of their availability in writing or by email. Part-time employees will be given priority for additional shift assignments, unless it puts the employee in an overtime position.

5.10 Parking. Parking rates listed in 5.10.2. below will not be changed unless changed for all employees. The Employer will, upon request, meet and confer with the Union prior to implementation of changes in hospital parking rates. Hospital employees on-call shall be provided free parking within close proximity to the hospital.

5.10.1 The Employer will provide thirty (30) days' advance notice if practicable of a change in parking rates to the Union.

5.11. Movement between positions within the University. Movement Between Positions within the University: Employees who transfer, promote, move laterally, or voluntarily demote shall serve a trial service period. Paid or unpaid time off taken during the trial service period

shall extend the length of the trial service period on a day-for-a-day basis for any day(s) that the employee takes paid time off, unpaid time off, or shared leave, except for absences taken for military service. All approved positions will be posted according to Article 5.8 no later than forty five (45) days of the Union's submission.~~

ARTICLE 6 – SENIORITY, LAYOFF, RESTRUCTURE

6.1 Seniority. Layoff seniority is defined as the continuous length of service in calendar days with the Employer from the most recent date of hire. Service of less than full time shall be considered full time. Permanent employees who are veterans or their unmarried widows/widowers shall have added to their seniority the veteran's active military service to a maximum of five (5) years credit. Time spent on military duty leave, paid or unpaid, or time spent on leave without pay to work for the union, is included in seniority calculation. Probationary employees are not vested with seniority credits until successfully completing the probationary period.

Seniority shall be lost following a break in service including resignation, termination for cause, failure to return from a leave of absence, expiration of rehire rights. Employees returning from placement on the rehire list will have no break in service. Employees who enter into the bargaining unit from other positions at the University of Washington shall be credited with layoff seniority for all seniority earned in the State classified service while employed at the University. Employees who enter into the bargaining unit from other state agencies and institutions of higher education shall earn layoff seniority from the first day of coverage under this Agreement.

6.1.1 Department Seniority. Department seniority is defined as continuous length of service in calendar days within the employee's department and where applicable, shall be used for internal department processes, such as vacation and schedule bids.

6.1.2 Layoff Seniority Tiebreaker. For the purposes of layoff only, when it is necessary to determine the order of seniority among bargaining unit members whose contract seniority is identical, a random chance method will be employed to select the names of those employees one at a time. The University shall inform the Union every time this method is necessary and will provide proof of the seniority tie.

When selecting among employees whose seniority is identical, the Union may be represented by any individual it chooses, and will draw the names. The University will be represented by a manager/administrator from the Department involved and a representative from Human Resources.

The first employee selected will be considered the most senior; the last employee selected will be considered the least senior.

6.2 Layoff. Whenever it becomes necessary for the Employer to reduce its workforce due to lack of work, lack of funds, or good faith reorganization for efficiency purposes, the Employer shall use the following procedure. The Employer will notify the Union of impending layoffs thirty (30) calendar days in advance of implementation so that reasonable alternative proposals can be considered. Whenever possible the Employer will provide more than minimum notice. The Employer shall not lay off bargaining unit employees in lieu of disciplinary action. Employees will be laid off in accordance with seniority, as defined in Article 6.1.4.

6.2.1 Employment Option. The employee affected by the reduction in force shall be offered ~~the a~~ following employment options in descending order, provided they meet the essential skills (defined as the minimum qualifications listed in the job description for the classification and any specific position requirements or credentialing) of the offered position:

A. A funded vacant position within the same job classification and layoff unit ~~and~~ within .2 FTE of the employee being affected by the reduction in force.

a. Employee can reject a position and move to the next option if any of the following are true:

i. The position is more than a .2 FTE change

ii. The position is a different shift not within 2 hours of start time.

iii. The position is a more than ten (10) mile from their previous work location.

~~.b.~~

B. The opportunity to replace the most junior employee within the layoff/seniority unit in the same classification and in an FTE status and shift within .2 FTE status of the employee affected by the reduction in force. (For example, if a .8 FTE position is being abolished, the employee affected is eligible to replace the most junior individual in a .6 to 1.0 FTE position)

C. The opportunity to replace the most junior employee in the same classification with a lower FTE status but same shift than their own within the layoff/seniority unit.

D. The opportunity to replace the most junior employee within the same department who is:

i. In a lower classification in the same series as the employee affected by the reduction in force; and

ii. Within .2 FTE of the employee affected by the reduction in force.

E. If none of the above options are ~~is~~ available, a funded vacant position in the same job classification and within the bargaining unit will be presented to the impacted employee as the option, provided they meet the essential skills (defined as the minimum qualifications listed in the job description for the classification and any specific position requirements or credentialing) of the offered position.

Employees may request to be laid off with the right to be placed on the rehire list for 24 months instead of accepting an employment option above.

6.2.2 Layoff Units. Same job titles are eligible to bump into same job titles or lower job classifications within the job series providing skill, competence and ability are considered substantially equal in the opinion of the Employer. Layoff shall be by seniority within the layoff unit, least senior employee first. The following are the layoff units at UWMC-NW:

UWMC-NW HospitalUWMC-NW All Clinics

6.2.32 Notice. The Employer shall identify the positions to be abolished and the employee(s) to be affected and shall notify employees in these positions, with notice to the union, not less than thirty (30) calendar days prior to the abolishment of the positions, pay the employee in lieu of notice, or combine pay and notice. Whenever possible the Employer will provide more than minimum notice. The notice shall include:

- A. The effective date of the layoff and a reference to the employee's rights under this Article, and
- B. Identification of the employment option being offered, if applicable.

In accordance with 6.2.1 above, if the incumbent in a position to be abolished has an opportunity to replace the most junior employee within the layoff/seniority unit, the incumbent will be given up to three (3) calendar days to determine if they want to replace the junior employee or be placed on the rehire list. Vacant positions or those held by probationary employees within the layoff/seniority unit will be considered a more junior position.

6.2.43 FTE Increase or Reduction. An employee in a position that is not abolished but is increased or reduced in FTE status and who will remain benefit eligible after the reduction or increase will have the choice of staying in the reduced or increased position and going on the rehire list for the position and FTE status held by the employee immediately prior to the increase or reduction or exercising available layoff rights under Article 6. The employee must exercise this choice within three (3) working days of the increase or reduction notice.

6.2.54 Voluntary Layoff. Appointing authorities will allow an employee in the same job classification and department where layoffs will occur to volunteer to be laid off provided that the employee is in a position requiring the same skills and abilities, as a position subject to layoff. Any volunteer for layoff shall have no formal layoff option. If the appointing authority accepts the employee's voluntary request for layoff, the employee will submit a non-revocable letter stating they are accepting a voluntary layoff from the University. The employee will be placed on all applicable rehire lists.

6.2.65 Rehire. Employees without employment options may request to be placed on the rehire list(s) designated by the employee for twenty-four (24) months. The Employer shall make a concerted effort to re-employ bargaining unit members on the rehire list. Bargaining unit members on the rehire list are eligible to take all Professional & Organizational Development (POD) courses on a space available basis upon payment of designated fees. ~~Employees without employment options will be placed on the rehire list(s) designated by the employee for twenty-four (24) months.~~ In addition to the rehire list for the classification and FTE status from which the employee was laid off, employees identified for layoff may request placement on the following rehire lists:

- A. For positions of a lower FTE status in the classification from which the employee was laid off (or equivalent if prior classification has been abolished); and

1 B. For positions in other classifications in which the employee previously held
2 permanent status; and

3 C. Lower classes in the series from which the employee was laid off.

4 The Employer will refer an employee from the designated rehire list(s) for any
5 open positions in the bargaining unit for which the laid off employee possesses
6 the essential skills. For classifications which have separate job codes in the
7 Campus-wide and Harborview Bargaining Units, Rehire lists will include both job
8 codes. Employees referred from the rehire list(s) who possess the essential skills
9 needed for a vacant position will be offered the position prior to the Employer
10 posting for competitive recruitment. From among these employees, offers will be
11 made in seniority order, most senior person first. Job requests for positions for
12 which there are employees on rehire list(s) may not be withdrawn solely to avoid
13 hiring laid off employees.

14 D. The Employer will provide a copy of the Rehire List to the Union upon request.

15 ~~D-E.~~ Employees contacted from the rehire list(s) who possess the essential skills
16 needed for a vacant position in the bargaining unit will be offered the position prior
17 to the University offering it to any other applicant. The University will contact and
18 rehire employees from the rehire list(s) in order of seniority, most senior employee
19 on the list first.

20 **6.2.6 Rehire Trial Period.** Employees placed into vacant positions from the rehire list
21 will serve a three (3) month rehire trial period. During the rehire trial period either party
22 may, at its sole discretion and without resort to the grievance procedure, initiate return to
23 the rehire list. Time spent in a rehire trial period will not count toward the twenty-four (24)
24 month rehire list period. The three (3) month rehire trial period will be adjusted to reflect
25 any paid or unpaid time off taken during the period.

26 **6.2.7 Corrective Action.** Final Counseling that occurs within the six (6) months prior to
27 the layoff will be considered in effect should the employee be rehired. The employee will
28 continue to be subject to any consequences of not following the directives and/or action
29 plan(s) specified in the current corrective action.

30 **6.2.8 Removal from List.** Removal from the rehire list(s) will occur for any of the
31 following circumstances:

32 A. If placement does not occur within twenty-four (24) months,

33 B. If the employee refuses two (2) offers of placement for a position having the
34 same pay, FTE status, geography (within 10 miles from their previous working
35 location) and shift as the position from which the employee was laid off. In such
36 case, the employee will be removed from all other rehire lists and will have
37 exhausted their rehire rights.

38 C. If the employee was placed into two (2) vacant positions for which the employee
39 has failed to complete the rehire trial period.

40 D. If the employee accepts any offer of placement from any rehire list and completes
41 the rehire trial service period for a position with the same FTE status and pay as
42 the position from which the employee was laid off.

E. Employees who reject two (2) offers of placement from a list for a position of a lower FTE status than that which the employee held immediately prior to layoff will be removed from that list.

F. Employees who reject one (1) offer of placement from a list within .2 FTE status or geography (within 10 miles from their previous work location), for a position in a classification other than that from which the employee was laid off will be removed from that list.

6.2.9 Rehire List Crossover. Employees within an SEIU 1199NW represented bargaining unit may, in accordance with this Article, be placed on the rehire list for positions in another SEIU 1199NW represented bargaining unit.

6.3 Rehire Wages and Increment Date. When employees are rehired from layoff status the progression start date and vacation accrual date will be reestablished and extended by an amount of time in calendar days equal to the period of time spent on the rehire list prior to rehire. Employees placed from the rehire list into positions with the same salary range held at the time of layoff shall be placed at the same step in the range held at the time of layoff. Employees placed from the rehire list into positions with a lower salary range than held at the time of layoff shall be placed in a salary step nearest to, but not in excess of, the salary held at time of layoff.

~~6.4. Affirmative action goals may be considered at any point during the layoff or rehire process.~~

6.5. Benefits and Temporary Services. Employees on the rehire list who follow the rules prescribed by Temporary Services may be referred to intermittent and nonpermanent positions and can receive employer paid health benefit coverage if they meet the eligibility requirements as determined by the State.

6.6 Department/Unit Restructure. In the event of a merger of two (2) or more units into a single unit or a restructuring of an existing department or unit, the Employer will determine the number of full-time and part-time FTEs by shift required for the new or restructured department or unit. Prior to implementation of the schedule, the Employer will meet with the employees of the affected department(s) or unit(s) to discuss the reconfiguration of the FTEs in the department(s) or unit(s) and the new work schedules. A listing of the FTEs for each shift on the new/restructured department(s) or unit(s), including any qualification requirements, shall be posted on the department(s) or unit(s) for at least ten (10) days. Other vacant bargaining unit positions will also be posted on the department(s) or unit(s) at that time. By the end of the posting period, each employee shall have submitted to the Employer a written list which identifies and ranks the employee's preferences for all available positions (first to last). Based upon these preference lists, the Employer will assign employees to positions on the new/restructured department(s) or unit(s) based upon seniority, providing skill, competence, and ability are considered substantially equal in the opinion of the Employer.

6.7 Low Census. Low census is defined as a decline in patient care requirements or workload in a particular department or unit resulting in a temporary staff decrease. Prior to implementing the low census procedure within a job classification, the Employer will float the surplus staff (including members of the float team) to other areas of the Hospital if the Employer determines the need exists. ~~During temporary periods of low census after canceling any overtime hours on~~

~~the department or unit affected, the Employer will ask for volunteers within the job classification to take time off before determining and implementing the reduced staffing schedule required. In the event there are no volunteers, the Employer will endeavor to rotate low census equitably among all employees on the shift starting with the least senior employee first, providing skills, competence, ability and availability are considered equal as determined by the Employer.~~

6.7.1 During temporary periods of low census, employees within a job classification ~~on a unit and shift~~ will be released from work in the following order:

- A. Send home agency workers;
- B. Cancel overtime shifts;
- C. Ask for volunteers;
- D. Cancel intermittent and nonpermanent staff;
- E. Cancel part-time employees working above their assigned FTE;
- F. Rotate regular full-time and part-time employees by seniority within the Low Census grouping starting with the least senior employee first, providing skills, competence and ability are ~~not overriding factors~~ considered equal as determined by the Employer.

Prior to being mandatorily low censused, employees will have the opportunity to complete up to two (2) hours per year of required UW Medicine annual competency training.

ARTICLE 7 – HOURS OF WORK AND OVERTIME

7.1 Work Day. The normal work day shall consist of eight (8) hours, ~~ten (10) hours, or twelve (12) hours.~~ ~~work to be completed within eight and one-half (8 1/2) consecutive hours (or, for clinic employees, nine (9) hours when a one-hour lunch is scheduled)~~

7.2 Work Period. The normal work period shall consist of forty (40) hours of work within a designated seven (7) day period or eight-eighty (8/80) hours of work within a designated fourteen (14) day period.

7.3 Innovative Work Schedules. An innovative schedule is defined as a work schedule that requires a change, modification or waiver of any provisions of this Employment Agreement. Any shift that is not eight (8), ten (10), or twelve (12) hours shall be considered an Innovative Work Schedule (see 7.3). Innovative work schedules may be established in writing by mutual agreement between the Employer and the employee involved. Prior to the implementation of a new innovative work schedule, the Employer and the Union will review and determine conditions of employment relating to that work schedule. ~~Where innovative schedules are utilized by the Employer (including those innovative schedules set forth as addenda to this Agreement), the Employer retains the right to revert back to the eight (8) hour day schedule or the work schedule which was in effect immediately prior to the innovative work schedule, after at least forty five (45) days' advance notice to the employee. At the time of execution of this Agreement, agreed innovative schedules are those set out in Appendices C, D, E and F.~~

7.4 Work Schedules. It is recognized and understood that deviations from the foregoing normal hours of work may occur from time to time, resulting from several causes, such as but not limited to vacations, leave of absence, weekend and holiday duty, absenteeism, employee requests, temporary shortage of personnel, low census and/or other emergency conditions. The Employer retains the right to adjust work schedules to maintain a safe, efficient and orderly operation. Monthly work schedules shall be posted at least ten (10) days prior to the beginning of the scheduled work period. Except for emergency conditions involving patient care and low census conditions, individual scheduled hours of work set forth on the posted work schedules may be changed only by mutual consent.

7.5 Overtime. Overtime shall be compensated for at the rate of one and one-half (1-1/2) times the regular rate of pay for time worked beyond the employees regular scheduled work day (minimum of eight (8) hours) or the hours in excess of the normal full-time work period. Hours worked after twelve (12) consecutive hours within the twenty-four (24) hour period shall be paid at the rate of double time (2x) the employee's regular rate of pay. ~~Employees working twelve (12) hour shift will receive time and one half (1-1/2) after twelve (12) hours and double time (2x) after fourteen (14) hours.~~ Time paid for but not worked shall not count as time worked for purposes of computing overtime pay. All overtime must be approved by supervision. Overtime shall be computed to the nearest quarter hour. There shall be no pyramiding or duplication of overtime pay or other premium pay paid at the rate of time and one-half (1-1/2). The Employer and the Union agree that overtime should be minimized. If in the Employer's opinion overtime is necessary, volunteers will be sought first and if there are insufficient volunteers or an excess of volunteers, reasonable overtime may be assigned equitably.

All time compensated at time and one-half (1-1/2) or double time (2x) will be considered overtime whether designated as premium pay or overtime.

A. Compensatory Time: As an option to wage payment of either Overtime or Double-Time, an employee may request the option to accrue compensatory time based on one and one-half the amount of overtime, or double-time worked, as applicable. The approval of the compensatory time option may be approved by the employing official, based on department needs, and consideration of the employee's request.

B. The use of accrued compensatory time may be approved by the employing official with consideration being given to the needs of the department and the wishes of the employee.

C. Compensatory time must be used or paid for by June 30th of each fiscal year, unless the balance exceeds 240 hours prior to June 30th, then that excess amount will be cashed out to bring the balance back to 240 hours. The employee's unused compensatory time balance will be cashed out to zero every June 30th or when the employee leaves University employment for any reason. The employee's compensatory time balance may also be cashed out when the employee:

- i. Transfers within their department to a position with a different budget or funding source, or
- ii. Transfers to a position in another department

7.6 Overtime Placement: Hospital Employees will automatically be placed into a ~~weekly-daily~~ overtime work rule ~~upon within two weeks of~~ hire. ~~Those wishing~~ Employees may to opt into a ~~daily-weekly~~ overtime work rule ~~must by~~ submitting a request to their manager. Clinic employees will automatically be placed into a weekly overtime work rule upon hire. Those wishing to opt into a daily overtime work rule must submit a request to their manager.

~~C-and-the-changes for hospital and clinic employees~~ will be effective the beginning of the next workweek and will not be retroactive.

7.7 Meal/Rest Periods. The provisions of section 7.7 and Side Letter D are agreed upon pursuant to RCW 49.12.187. To the extent these provisions differ from any statutes and regulations relating to rest and meal breaks, and the right to wages and overtime for missed rest and meal breaks (including but not limited to RCW 49.12.480, 49.46.020I, 49.46.090 and 49.52.050, and WAC 296-126-092), the provisions of section 7.7 and Side Letter D vary and supersede such statutes and regulations These policies will follow the minimum standards for working conditions of RCW 49.12 and WAC 296-126-092, unless such rights are waived by the employee.

Employee health and safety will be considered when scheduling rest and meal periods. Employees may not alter their scheduled rest or meal periods without prior supervisor approval. Employees who are unable to take scheduled rest or meal periods must report to their shift supervisor or designee (e.g. Charge RN, Charge RT, etc.) as soon as possible, but no later than the end of the shift in which they missed their rest or meal period. Additionally, the Employee must document the missed rest or meal break during the actual shift the rest or meal period was missed. A missed rest break or meal period that is not documented will be considered as taken for the purposes of this section.

1 A. Rest Periods. Employees will be provided with paid 15-minute rest periods for every four
2 (4) hours worked. Employees must take scheduled rest periods, and it is the employer's
3 responsibility to provide uninterrupted rest periods. In the event the employee is unable
4 to complete the 15-minute paid rest period because they are required to remain on duty,
5 including as defined in Side Letter D, are required to remain on-call on the premises, or if
6 they're called back to work thus interrupting the rest period, the employee shall be
7 entitled to complete their uninterrupted rest period as soon as possible. If a full rest
8 period is unable to be completed when scheduled, they will be appropriately
9 compensated for the entire rest period, unless the timing is waived. Rest periods may
10 not be used for late arrival or early departure from work.

11
12 B. Unpaid Meal Period. Employees will be provided with one unpaid meal period of at least
13 30 minutes during any shift that exceeds five hours in length. When an employee's
14 unpaid meal period is interrupted by work duties, the employee will be allowed to resume
15 their unpaid meal period following the interruption, if possible, and to complete the 30-
16 minute unpaid meal period. In the event the employee is unable to complete the 30-
17 minute unpaid meal period because they are required to remain on duty, including as
18 defined in Side Letter D, are required to remain on-call on the premises, or if they're
19 called back to work thus interrupting the meal period, the employee shall be entitled to
20 appropriate compensation for the entire 30-minute unpaid meal period.

21
22 An employee whose shift exceeds ten (10) hours (excluding unpaid meal periods) or is
23 extended at least three (3) hours beyond their scheduled shift will be entitled to a second
24 30-minute unpaid meal period. If the Employee chooses to waive the second meal
25 period requirement, they are responsible for initiating and submitting a waiver. It must be
26 documented that the waiver was completed prior to waiving the meal period.

27
28 C. Paid Meal Period. Employees who are required to work or remain on duty during a meal
29 period must be paid for the entire meal period, regardless of the number of interruptions.
30 Employees must be paid for meal periods if:
31

- They are required to remain on duty, including as defined in Side Letter D.
- The employer requires them to remain on-call on the premises or work site in
- the interest of the employer, even if they are not called back to duty.
- They are called back to work, interrupting the meal period.

32
33
34
35
36 D. Combining Rest and Meal Periods: For any work period for which an employee is
37 entitled to one or more meal periods and more than one rest period, the employee and
38 the employer may agree that meal and rest periods may be combined. This agreement
39 may be revoked at any time by the employee. If the employee is required to remain on
40 duty during the combined meal and rest period, the time shall be paid. If the employee is
41 released from duty for an uninterrupted combined meal and rest period, the time
42 corresponding to the meal period shall be unpaid, but the time corresponding to the rest
43 period shall be paid.

44 Timing: Hospital employees subject to RCW 49.12.480 may also choose to waive the
45 timing of their rest and meal periods if combining. If the Employee chooses to combine
46 rest and meal periods, they are responsible for initiating and submitting an agreement to

waive the timing of their meal and rest periods for management's approval. It must be documented that the waiver was completed prior to combining the rest and meal periods. Absent documentation of a waiver, it is deemed that the Employee took their meal period as required unless otherwise documented in KRONOS. When combining rest and meal periods, the break period is deemed in order of when the rest or meal period would have occurred. Example, if a meal period is combined with a later rest period, the meal period is first, and then the rest period.

Health care workers identified on the applicable job profile list have specific meal and rest period requirements. UW Medicine has a Meal & Rest Breaks Policy for Covered Health Care Workers who Provide Direct Patient Care which is located at the following link: Add link. This provision does not apply to UW Medicine Primary Care.

E. Committee Work: In recognition that meal and rest breaks are an important part of a healthy and safe work environment and in order to fully implement the provisions of RCW 49.12, WAC 296-126-092, and this agreement, SEIU Healthcare 1199NW and UWMC-NW agree to the establishment of a UWMC-NW Joint Labor Management Committee to meet at least on a monthly basis from January 1, 2025 through July 1, 2025 and on a quarterly basis thereafter until July 1, 2026 for one hour. With mutual agreement, monthly committee meetings may be extended past July 1, 2025. This committee will consist of at least five (5) members designated by the Union and at least five (5) Management representatives. The committee will be co-chaired by an ACNO, or designee, and a member designated by the Union. The Employer will provide paid release for members to attend the meetings of the committee, including a half hour pre-caucus and a half hour post-caucus.

7.8 Report Pay. Employees who report for work as scheduled (unless otherwise notified in advance) and are released from duty by the Employer because of low need shall receive a minimum of four (4) hours' work at the regular rate of pay. This commitment shall not apply when the Employer has made a good faith effort to notify the employee at least one and one-half (1 1/2) hours in advance of the scheduled shift. It shall be the responsibility of the employee to notify the Employer of the employee's current address and telephone number.

7.9 Weekends. The Employer will make a good faith effort to schedule all regular full and part-time employees for at least every other weekend off. Any position which will include weekdays will be posted with at least every other weekend off as per this section. In the event an employee works two (2) successive weekends, all time worked on the second weekend shall be paid at the rate of time and one half (1 1/2) the regular rate of pay. The third regularly scheduled weekend shall be paid at the employee's regular rate of pay. The weekend shall be defined for first (day) and second (evening) shift employees as Saturday and Sunday. For third (night) shift employees, the weekend shall be defined as Friday night and Saturday night. This section shall not apply to employees who request the trading of weekends, to employees whose regular schedule is for recurring weekend positions (i.e., Saturday and/or Sunday), or volunteer for more frequent weekend duty. If such an occasion should ever occur, volunteers will be sought first. If no one volunteers, the Employer will rotate shifts on an inverse seniority basis until the staff vacancies are filled.

7.12 Reduction in FTE Status. If a reduction in FTE is determined by the Employer to be necessary, the Employer will first seek volunteers from the department or unit and shift to accomplish these changes. If there are insufficient volunteers, the least senior employee(s) in the affected classification, department or unit and shift will receive the FTE reduction unless that employee possesses a specific qualification(s) necessary to the operation of the department or unit in the opinion of the Employer. Any employee subject to an involuntary reduction in their FTE will be given preference up to the employee's prior position (FTE) if the Employer seeks to expand the hours of an existing FTE in the same classification on the employee's department or unit and shift, providing there is no conflict between their current schedule and the schedule related to the posted hours.

- Using vacation time off; or;
- Accrued compensatory time and/or holiday credit; or;
- Using personal holiday. An employee must use personal holiday time as a full day or shift; or;
- Using unpaid time off.

Employees using time off in accordance with this and other applicable policies may not be subject to corrective action for use of such time off.

7.13.3 Essential Personnel. The Employer will make every effort to provide equitable and free access to available resources including sleep spaces, clean linens and shower access. No employee will be required to work more than sixteen (16) consecutive hours.

Accrued sick time off may also be used for the suspension of operations when the employee's workplace has been closed by a public health official for any health-related reason or after the declaration of an emergency by a local or state government or agency, or by the federal government.

7.13.5 Other Applicable Provisions. See Report Pay, Low Census and other applicable employer policies, procedures and practices.

ARTICLE 15 – FAMILY MEDICAL LEAVE ACT AND PARENTAL LEAVE

15.1. Federal Family and Medical Leave Act. Consistent with the federal Family and Medical Leave Act of 1993, an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred and fifty (1250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) work weeks of leave per year for any combination of the following:

- a. parental leave to care for a newborn or newly placed adopted or foster child; or
- b. personal medical leave due to the employee's own serious medical condition that requires the employee's absence from work; or
- c. family medical leave to care for a family member who suffers from a serious medical condition that requires care or supervision by the employee. Family Member is defined as: the employee's spouse or same or opposite sex domestic partner, child, parent, grandparent, grandchild, sister, or brother. It also includes individuals in the following relationships with the employee's spouse or domestic partner: child, parent, and grandparent. "Child" also includes any child residing in the employee's home through foster care, legal guardianship or custody. Family members include those persons in a "step" relationship.

15.2. The amount of family medical leave available to an employee is determined by using a rolling twelve (12) month period. The rolling twelve (12) month period measures FMLA leave availability by "looking backward" from the date an employee begins FMLA leave, adding up any FMLA leave used in the previous twelve (12) months, and subtracting that amount from the employee's twelve (12) workweek FMLA leave entitlement. The remaining amount is available to the employee.

- a. While on leave covered by FMLA, the employee must use accrued paid time off before unpaid time off for the absence unless it runs concurrently with Washington Family and Medical Leave (PFML). With respect to employees who receive workers' compensation time-loss benefits, employees may elect to receive time-loss exclusively, or may elect to receive a combination of time-loss and accrued leave. All other provisions of Article 15 shall apply to work-related injury leave that is designated as FMLA leave.
- b. The Employer will not require the use of paid time off such that it would result in the employee having fewer than eighty (80) hours of accrued vacation time off or eighty (80) hours of accrued sick time off, counted separately, upon return to work. Vacation and sick time off that has been requested and approved prior to the request for the use of FMLA will not be considered when requiring employees to use time off during FMLA-covered leave. This does not apply during an absence covered by the Washington Family and Medical Leave Program (PFML).

15.3. The University will continue the employee's existing employer-paid health insurance benefits during the period of leave covered by FMLA. If necessary, due to continued personal medical or parental leave approved beyond the FMLA period, or if the employee is not eligible

for FMLA, the employee may elect to use eight (8) hours of accrued applicable paid leave for continuation of employer paid health insurance benefits for the duration of the approved leave of absence. The interspersed paid leave will be applied to the first working day of the month.

15.4. FMLA leave may be taken intermittently or as part of a reduced work schedule when medically necessary

15.5. Parental Leave. Parental leave is defined as: up to six (6) months of leave taken after the birth of a child to the employee, spouse or domestic partner, or because of the placement of a child with the employee or domestic partner through adoption or foster care, including time covered by the FMLA, during the first year after the child's birth or placement. Leave beyond the period covered by FMLA may only be denied by the Employer due to operational necessity. Extensions beyond six (6) months may be approved by the Employer. For birth parents, temporary disability leave for pregnancy is in addition to parental leave.

To be paid during Parental leave the employee must use accrued vacation time off, sick time off up to eighteen (18) weeks (720 hours), personal holiday, holiday credit, or compensatory time, the combination of which may be determined by the employee. Employees must use all applicable accrued time off prior to going on unpaid time off, unless it runs concurrently with Washington Paid Family and Medical Leave (PFML).

17.1. The purpose of this article is to inform employees of the basic provision of the leave-sharing program established by RCW 41.04.650- 41.04-670, as now or hereafter amended. In the event that there is any question as to leave sharing eligibility, entitlement or definition of terms, the language of the Revised Code of Washington is definitive.

- Sickness or temporary disability due to a pregnancy-related medical condition or miscarriage; or
- Taking parental leave to bond with and care for their newborn, adoptive or foster child, for a period of up to sixteen (16) weeks after birth or placement.

17.2. Shared Leave Program. The shared leave program is administered consistent with state law and University policy. Employees seeking to request shared leave or to donate shared leave to another employee will follow the request procedures that the Human Resources Department publishes for that purpose.

17.3. WA State Shared Leave Pool Programs. In accordance with state law and University Policy, eligible state employees may donate leave to the following shared leave pool programs:

ARTICLE 18 – CIVIL/JURY DUTY TIME OFF AND BEREAVEMENT TIME OFF

For the purposes of this Article, paid time off will be the salary the employee receives in their appointed position plus any additional monies (including, but not limited to shift differential and assignment pay) and benefits.

18.1. Civil Duty. Paid time off will be granted for jury duty, to serve as trial witnesses, or to exercise other subpoenaed civil duties such as testifying at depositions. Employees are not entitled to civil time off for civil legal actions that they initiate or when named as a defendant in a private legal action that is unrelated to their University employment. The employee will notify the Employer as soon as they becomes aware of the need for a civil duty time off.

Employees assigned to work evening shift, who are scheduled to work the evening of civil duty, shall be considered to be scheduled for the day shift for that day.

Employees assigned to work the night shift who are scheduled to work the day before and the day of civil duty time off will be allowed to have their civil duty time off the day before or the day of civil duty service.

18.2. Bereavement Time Off. An employee shall be granted up to ~~three-five~~ (53) continuous or non-continuous days of bereavement time off, as requested by the employee, for each death of a family member or loss of pregnancy. Bereavement time off beyond ~~three-five~~ (53) days may be approved based on individual circumstances, such as relationship of the employee to the deceased family member, employee responsibility for making funeral arrangements, religious reasons and/or distance of travel out of the area. Upon the Employer's approval, the employee may choose to use the following types of time off for beyond the ~~three-five~~ (53) days: sick, vacation, comp time, or unpaid time off.

Family member is defined as the employee's spouse or same or opposite sex state registered domestic partner, child, child's spouse, parent, grandparent, grandchild, or sibling. Family member also includes individuals in the following relationships with the employee's spouse or domestic partner: child, grandchild, parent and grandparent. "Child" also includes a child of a legal guardian or de facto parent, regardless of age or dependency status and those to whom the employee is "in loco parentis" or "de facto" parent as well as a child of a legal guardian or de facto parent. Parent and Parent in-law also includes de facto parent, foster parent, stepparent, or legal guardian. Family member also includes any individual who regularly resides in the employee's home or where the relationship creates an expectation that the employee care for the person, and that individual depends on the employee for care. Family member does not include an individual who simply resides in the same home with no expectation that the employee care for the individual.

~~Family member is defined as a biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or domestic partner, or a person who stood in loco parentis when the employee was a minor child; sibling, spouse, domestic partner, grandparent, grandchild, or child, regardless of age or dependency status, including a biological, adopted or foster child, stepchild, or a child to whom the employee stands in loco parentis, is a legal guardian, or is a de facto parent. - ~~a. Unpaid time off will be granted for up to two (2) workdays per calendar year for a reason of faith or conscience or an organized activity conducted under the auspices of a religious denomination, church or religious organization. Unpaid time off may only be denied if the employee's absence would impose an undue hardship on the Employer as defined by Chapter 82-56 WAC or the employee is necessary to maintain public safety.~~
- ~~b. The Employer will allow an employee to use compensatory time, personal holiday or vacation time off in lieu of unpaid time off. All requests to use compensatory time, personal holiday or vacation time off requests must indicate the time off is being used in lieu of unpaid time off for a reason of faith or conscience. An employee's personal holiday must be used in full workday increments.~~

ARTICLE 20 – COMMITTEES

20.1 Labor/Management Committee. The Employer, jointly with employees selected by the Union, shall establish a Labor/Management Committee to assist with personnel and other mutual problems. The purpose of the Labor/Management Committee shall be to foster improved communication between the Employer and the staff and to improve working conditions and patient and employee satisfaction. The Committee may address staffing issues, including issues related to low census and including developing possible solutions to mitigate low census in specific work areas. The Union may request data to assist in its low census review, and the Employer will in good faith make such information available subject to the availability of information and any Employer confidentiality concerns. Management and the Union agree to study the use of intermittent and nonpermanent employees and investigate the reasons for their employment and utilization. The function of the Committee shall be limited to an advisory rather than a decision-making capacity. The Committee will recommend solutions to identified problems. The Committee shall be established on a permanent basis and shall consist of not more than eight (8) representatives of the Employer and not more than eight (8) bargaining unit employees, with not more than one (1) employee from each job classification and/or department. The Committee will be representative of ~~hospital work areas. The number of Committee participants may be expanded by the mutual agreement of the Employer and the Union, a variety of job classes and departments.~~

The Committee may meet more or less frequently as mutually agreed upon between the parties, but the Committee shall schedule on a predetermined basis a meeting every other month and otherwise as needed. Meetings will be scheduled for sixty (60) minutes in duration. A Committee meeting shall normally be held during the day shift and at a mutually agreeable time and date. The Committee shall operate under guidance of co-chairs, one to be selected by the Employer and one by the Union. The co-chairs shall prepare a common written agenda for each meeting to be distributed to all Committee members at least three (3) days in advance of the meeting; however, failure to place an item on the agenda shall not preclude the Committee from addressing any issue. Topics for discussion can include, but are not limited to: department specific topics, customer service collaboration, health and safety, training fund collaboration, annual engagement survey process and results. The parties will make a joint plan to record the agenda, action items and decisions with an approval process.

20.1.1 Clinics Labor/Management Committee. The Parties agree there shall be a Labor/Management Committee specifically for the UWMC-NW Clinics within the current bargaining units. The Union shall have up to seven (7) representatives. Management shall have up to seven (7) representatives.

~~**20.2 Customer Service Collaboration.** The Union and Employer recognize that the commitment of UWMC Northwest and its employees to customer service is fundamental to both the hospital's status in the local community and its long term financial stability. Customer satisfaction is only made possible through the commitment of every employee.~~

~~Within thirty (30) days after signing this Agreement, the Labor Management Committee will meet to collaboratively assess how best to further this mission. The members of the Labor Management Committee will be asked to come up with suggested improvements in the processes utilized by unit employees, focusing on ways to improve customer service. Employees participating receive paid release time from their work duties.~~

20.3 Committees in General. The above-referenced committees, although advisory in nature, will be expected to assist in the development of positive change which can be implemented by the Employer with successful results. Each committee will review its progress and effectiveness annually. Minutes will be kept of each meeting for distribution to all members of the committee. Arrangements for and scheduling of meeting rooms will be performed by representatives of the Employer.

20.4 Compensation. ~~All time spent by employees on Employer established committees and committees mentioned in this contract (including side letters) shall be considered time worked and shall be paid at the regular rate of pay. Time worked on Employer established committees and committees mentioned in this contract will not count towards the Rest Between Shift/Shift Break Premium.~~ Employees shall be compensated at their regular rate of pay for all time spent on Employer-established committees and contract committees set forth in this ~~Article 20~~ contract when as members of the committee, they are required to attend committee meetings, or are serving on ad hoc or sub-committees established by the standing committees, and with prior approval, for time spent in preparation and presentation of projects required by the Employer. Paid release time, including 30 minutes for caucus pre-meet time, and thirty (30) minutes for post meeting caucus time, will apply for meetings that occur during scheduled work hours. ~~However, meeting times are not construed as work time for purposes of calculating overtime and no overtime shall be claimed or paid for meeting attendance.~~

20.5 Hospital Staffing Committee. Pursuant to RCW 70.41.420, the Parties will follow the Charter agreed to by the members of the Hospital Staffing Committee and filed with the Department of Health. Members of the Hospital Staffing Committee shall be compensated at the applicable rate of pay for all time spent in committee meetings.

20.6 Joint UW and SEIU Healthcare 1199NW Strategic Quarterly Labor Management Meetings. The parties will establish a Steering Committee consisting of UW Medicine and Harborview senior level leadership along with SEIU Healthcare 1199NW President and Executive Board Union leadership to meet for the purpose of developing the joint work to be conducted by the Steering Committee. The first tasks of the Steering Committee will be to identify areas of mutual interest to the parties, determine what the goals and scope of the Steering Committee are, establish a decision-making process, introduce reporting out of the committee's work, set the meeting agendas and location, and determine what, if any, training is needed. The Steering Committee shall meet quarterly for one year (or more often if mutually agreeable), discuss the progress of the group, and then decide if/how future work should be organized. The Steering Committee shall not engage in collective bargaining nor shall it supplant or duplicate contract negotiations. The parties may employ the services of a neutral consultant/facilitator.

The Employer will continue its Employee Safety Committee in accordance with regulatory requirements. The purpose of this Committee shall be to investigate safety and health issues and to advise the Employer of education and preventative health measures for the work place and its employees. The Union may appoint one (1) member to the Committee. Employees are encouraged to report any unsafe conditions to their supervisors and to the Safety Committee and/or the Hospital's Risk Manager by utilizing a Quality Assurance Memo.

21.1.1 Because back and musculoskeletal injuries are a major occupational hazard to healthcare workers, in the interest of prevention, the Committee shall have the authority to consider and make recommendations to the Occupational Medicine Committee regarding the prevention of musculoskeletal injuries, the identification of workplace risks and prevention techniques, including the use of lift teams and mechanical lifting devices, as well as practices already in place in the workplace.

21.2 Tuberculosis Exposure Control Program. At the time of employment, the Employer shall provide a two (2) step Tuberculin PPD screening test at no cost to the employee. ARTICLE 22 – STAFF DEVELOPMENT

22.1 Orientation. The objectives of orientation shall be to familiarize new employees with the objectives and philosophy of the Employer and its services, to orient new employees to hospital policies and procedures, and to instruct new employees as to their functions and responsibilities as defined in job descriptions. Orientation will consist of a basic comprehensive program in which the employee will be oriented through a combination of instructional conferences, floor and/or shift work and self-directed learning experiences.

22.2 Inservice Education. A regular and ongoing inservice education program shall be maintained and made available to all shifts and to all personnel with programs posted in advance. The posting will indicate if attendance is mandatory. Employees required by the Employer to attend in-service education during off duty hours will be paid at their regular rate of pay, or overtime, if applicable.

22.3 Job Related Study. After one (1) year of continuous employment, permission may be granted for leave of absence without pay for job related study, without loss of accrued benefits, providing such leave does not jeopardize hospital service.

22.4 Approved Expenses. When the Employer requires the employee to participate in an educational program (which shall exclude programs for maintaining licensure and specialty certification), the Employer will pay approved expenses that are directly related to the program.

22.5 Education Leave.

2-3. Union delegates in the Service and Maintenance or Professional Technical bargaining units may use their education leave for union provided training.

Such leave shall be subject to budgetary considerations, scheduling requirements of the Employer and approval by the Department Manager of the subject matter to be studied. Where the Employer intends to deny a substantial amount of educational leave for budgetary reasons, the Employer will, upon request, present the budgetary reasons in Labor/Management Committee and will discuss alternatives to the denial of educational leave. Programs enhancing the professional growth of an employee at the Employer and participating in meetings of employee or employee's related organizations will be considered for the use of professional/educational leave. As between employees who request it, educational/professional leave shall be approved in an equitable manner.

ARTICLE 23 – GRIEVANCE PROCEDURE

23.1 Grievance Defined. A grievance is defined as an alleged breach of the terms and conditions of this Agreement. It is the desire of the parties to this Agreement that grievances be adjusted informally wherever possible and at the first level of supervision.

23.2 Time Limits. Time limits set forth in the following steps may only be extended by mutual written consent of the parties hereto. A time limit which ends on a Saturday, Sunday or a holiday designated in paragraph 10.1 hereof shall be deemed to end at 4:30 p.m. on the next following business day. Failure of an employee to file a grievance on a timely basis or to timely advance a grievance in accordance with the time limits set forth below will constitute withdrawal of the grievance. Failure of the Employer to comply with the time limits set forth below shall result in the grievance being automatically elevated to the next step without any action necessary on the part of the employee, provided that the Union must specifically request arbitration as provided in Step 4.

23.3 Contents. The written grievance shall include the following information:

- a. The date upon which the grievance occurred.
- b. The specific Article(s) and Section(s) of the Agreement violated.
- c. The past practice, rule, policy violated.
- ~~e-d.~~ A description of the specific events that occurred that resulted in the alleged violation.
- ~~d-e.~~ Specific remedy requested.
- ~~e-f.~~ The grievant(s) name and position.
- ~~f-g.~~ Name and signature of Union representative (Staff or Delegate).
- ~~g.~~ The nature of the grievance.

23.4 Pay Status – Meetings. Meetings and discussions on the grievance held with the Employer in connection with this grievance procedure shall normally be held during the University's regular business hours, or as mutually agreeable, and no deduction in pay status shall be made for the grievant or steward for reasonable time spent in such meetings or discussions during the employee's scheduled duty hours. The work schedule of the grievant will be seriously considered in the scheduling of the grievance meetings. Time off for employees and stewards shall be granted by supervision following a request, but in consideration of job responsibilities. If the requested time off cannot be granted, the parties shall arrange for time off at the earliest possible time thereafter.

23.4 Grievance Withdrawal. A grievance may be withdrawn by the Union in writing at any time, and if withdrawn shall not be resubmitted.

23.5 Resolution. If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

23.6 Consolidation. Grievances arising out of the same set of facts may be consolidated by written agreement.

23.7 Filing and Processing

- a. Filing A grievance must be filed within thirty (30) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence. When possible the thirty (30) day periods above should be used to attempt to informally resolve the dispute. The union steward or staff representative will indicate when a discussion with the Employer is an attempt to informally resolve a dispute.
- b. Alternative Resolution Methods Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.
- c. Processing The Union and the Employer agree that in-person meetings are preferred at all steps of the grievance process and will make efforts to schedule in-person meetings, if possible.

23.8 Grievance Procedure. A grievance shall be submitted in accordance with the following procedure. Upon mutual agreement, Step One, Two or Three may be skipped. Grievances over final counseling or dismissal will begin at Step Two.

Step 1. Employee and Supervisor, Manager, or Designee.

If the issue is not resolved informally, the Union may file a written grievance to the supervisor or designee, and the Labor Relations office (laborrel@uw.edu). The Employer will designate a supervisor, manager or designee who will meet in person or confer by telephone with a Union Delegate and/or staff representative and the grievant. The date of the meeting will be mutually agreed upon within fifteen (15) calendar days of receipt of the grievance and when possible the meeting will take place within the aforementioned fifteen (15) calendar days. The format (face to face or by telephone) for the meeting will be by mutual agreement. The employer will respond in writing to the Union within fifteen (15) calendar days after the meeting. The Human Resources Consultant may also attend, if desired by the University. If the grievance is directed against the employee's immediate supervisor, the grievance may be presented to the next higher level of supervision. In the event the employee's immediate supervisor does not have authority to resolve the grievance, the grievance will be presented at the level having authority to act as determined by the Employer.

Step 2.

If a satisfactory settlement is not reached in Step One, said grievance may be moved to the Step Two by filing the written grievance, including a copy of the Step One decision to department head, designee, or to the next appropriate level of management and the Office of Labor Relations within fifteen (15) calendar days after the decision from Step One. The date of the meeting will be mutually agreed upon within fifteen (15) calendar days after notice of the filing at Step Two and when possible the meeting will take place

within the aforementioned fifteen (15) calendar days. The grievant may be represented by a Union Delegate and a Union staff representative. The University will be represented by the appropriate management official(s) or designee(s), a representative from the Office of Labor Relations, and a Human Resources Consultant, if desired by the University. The University will respond in writing within fifteen (15) calendar days after the meeting.

Step 3. Grievance Mediation.

If the grievance is not resolved at the Step Two, the Union may file a request for mediation with the Public Employment Relations Commission (PERC) in accordance with WAC 391-55-020, with a copy to the Labor Relations Office within thirty (30) days of receipt of the Step Two decision. In addition to all other filing requirements, the request must include a copy of the grievance and all previous responses. The Employer will inform the Union, in writing, and PERC within thirty (30) days of receipt of Mediation request if they are not in agreement. If those services are unavailable on a timely basis, the parties may request a list of grievance mediators from the Federal Mediation and Conciliation Service (FMCS) or other agreed upon mediation provider. The cost of the mediation shall be borne equally by both parties.

Step 4. Arbitration.

If a satisfactory settlement is not reached at the prior step, or the step was skipped, either of the signatory parties to this Agreement may submit the grievance to binding arbitration. Such submittal must be made within thirty (30) calendar days following the written notice that the employer does not agree to Step Three (3) Mediation or the conclusion of the prior step. The Union and the University must begin the arbitration scheduling process and provide availability to the arbitrator within thirty (30) calendar days of the Union advancing the grievance to arbitration.

Panel of Arbitrators:

- A. Within sixty (60) calendar days of the execution of the Agreement, the parties, SEIU 1199, and the Employer, agree to meet to establish a permanent panel of six (6) arbitrators. If the parties do not meet or if there is no agreement on the panel, the current panel will remain.
- B. These arbitrators shall be assigned cases by the parties on a rotating basis. If the arbitrator is not available to hear the case within sixty (60) calendar days of being contacted to request available arbitration dates either party may elect to go to the next arbitrator in the rotation. If no arbitrator can hear the case within sixty (60) calendar days of being contacted, the case will be assigned to the arbitrator who can hear the case on the earliest date.
- C. The appointment to the panel will be for the life of the Agreement. If an arbitrator decides to remove their name from the panel the parties will meet to decide whether to substitute an additional name(s).

No later than seven (7) working days prior to the scheduled arbitration meeting, the parties will submit questions of arbitration eligibility to the arbitrator for preliminary determination, share the name of each witness intending to testify at the hearing, and

attempt to agree upon the issue statement. A copy of written materials submitted to the arbitrator will be provided to the opposing party.

If either party raises an issue of procedural arbitrability, i.e. that any step of the grievance process or movement to arbitration was not pursued within the time limits proscribed in this article, the arbitrator shall make a determination on the arbitrability issue prior to proceeding to a hearing on the merits of the grievance. If the arbitrator determines the grievance is not arbitrable, then no hearing on the merits of the grievance will be held.

Authority of the Arbitrator

The parties agree that the arbitrator shall have no power to render a decision that adds to, subtracts from, alters or modifies in any way the terms and conditions of the Agreement. The parties further agree that the decision of the arbitrator will be final and binding upon all parties.

The Union or the Employer will have the right to request the arbitrator to require the presence of witnesses and/or documents. The arbitrator's decision shall be made in writing and the arbitrator shall be encouraged to render the decision within thirty (30) calendar days of the close of the arbitration.

In cases where a grievance is moved to arbitration and the Employer did not agree to Step Three: Grievance Mediation, either party may request a pre-arbitration settlement conference. These conferences shall not delay the arbitration process, and may be held with or without the presence of the arbitrator, at the option of the moving party. In the event that an arbitrator is present, the cost of the arbitrator's participation shall be borne equally by the parties.

23.9 Arbitration Costs

1. The fees and costs of the arbitrator, and the cost (if any) of the hearing room, will be shared equally by the parties.
2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for all fees and costs of its staff representatives, attorneys, experts, witnesses –and all other costs related to the development and presentation of their case. Every effort will be made to avoid the presentation of repetitive witnesses.

23.10 Files. Grievance documents shall be maintained separately from employee personnel files. Employee personnel files will accurately reflect the final outcome of a grievance.

The Union recognizes that the Employer has the obligation of serving the public with the highest quality of patient care and customer satisfaction, efficiently and economically, and/or meeting medical emergencies. The Union further recognizes the right of the Employer to operate and manage the hospital including but not limited to the right to require standards of performance and to maintain order and efficiency; to direct employees and to determine job assignments and working schedules; to determine the materials and equipment to be used; to implement improved operational methods and procedures; to determine staffing requirements; to determine the kind and location of facilities; to determine whether the whole or any part of the operation shall continue to operate; to select and hire employees; to promote and transfer employees; to discipline, demote or discharge employees for just cause, provided however, the Employer reserves the right to discharge any employee deemed to be incompetent based upon reasonably related established job criteria and exercised in good faith; to lay off employees for lack of work; to recall employees; to require reasonable overtime work of employees; and to promulgate rules, regulations and personnel policies, provided that such rights shall not be exercised so as to violate any of the specific provisions of this Agreement. The parties recognize that the above statement of management responsibilities is for illustrative purposes only and should not be construed as restrictive or interpreted so as to exclude those prerogatives not mentioned which are inherent to the management function. All matters not covered by the language of this Agreement shall be administered by the Employer in accordance with such policies and procedures as it from time to time shall determine.

ARTICLE 25 – SUBCONTRACTING, SALE, OR TRANSFER

25.1 The Employer will give the Union ninety (90) days' advance written notice of its intent to sell or transfer any part of its operations covered by this Agreement which will result in the replacement of bargaining unit employees. During that ninety (90)-day period, the Employer will participate with the Union in meaningful discussions of alternatives to the sale or transfer.

25.2 If, as a result of the anticipated sale or transfer, the bargaining unit work affected by the action will continue to be performed at the UWMC Northwest, the Employer's agreement with the buyer or transferee will provide:

25.2.1 That the new employer will hire UWMC Northwest employees in bargaining unit positions, in order of seniority, to perform the work, providing, skill, competence and ability are considered substantially equal in the opinion of the Employer.

25.2.2 That, in setting the initial terms of employment of those UWMC Northwest employees hired according to this provision, the new employer will provide that the employees will receive the same wages as those they enjoy under this collective bargaining agreement. For purposes of this provision, "wages" includes the hourly wage rate, premium pay and overtime provisions;

25.2.3 That, also in setting the initial terms of employment of those UWMC Northwest employees hired according to this provision, the new employer will cover the employees with its existing basic medical plan. For the first (6) six months of their employment, the new employer will pay the full cost of the employee premium for all employees .6 FTE and above or increase the employee wage to cover the full cost of the employee premium. If the new employer does not have an existing basic medical plan for which the employees are eligible, the Employer will pay the employees' costs to main coverage for the first six (6) months of their employment with the new employer, subject to the employee making monthly payment of any required contribution for dependents;

25.2.4 That the new employer will not hire new employees or assign its own employees to perform bargaining unit work unless or until it has exhausted the list of UWMC Northwest bargaining unit employees under 25.2.1 above and vacant positions or unassigned bargaining unit work remain;

25.2.5 That the new employer will provide the Union with a copy of all terms and conditions of employment of the employees who perform the bargaining unit work subject to the sale or transfer; and

25.2.6 That the new employer will recognize the Union as the representative of the employees who perform the bargaining unit work, and negotiate for a successor collective bargaining agreement.

25.3 If, as a result of the anticipated sale or transfer, the bargaining unit work will be performed at a location other than the UWMC Northwest campus and if the new employer will hire new employees, the University's agreement with the subcontractor, buyer or transferee will provide:

25.3.1 That the new employer will give preference in hiring to those UWMC Northwest employees who perform bargaining unit work under this collective bargaining agreement who make timely application; and

25.3.2 That the new employer will give effect to this hiring preference for thirty (30) days from the effective date of the sale or transfer.

25.4 No less than thirty (30) days prior to the effective date of a sale or transfer of operations, the Employer will provide the Union with a copy of the agreement with the buyer or transferee, which is signed by all parties to the agreement, which contains the applicable provisions of this clause.

25.5 There shall be no subcontracting of any bargaining unit work for the life of the contract. This shall not apply to work that is done on an occasional or temporary basis by non-bargaining unit personnel or contractors, existing work that has been customarily and historically subcontracted, to work requiring specialized and unique skills and/or equipment not generally available within the unit and where training cannot reasonably be provided, to overload work (providing such work does not result in a reduction of the FTE status or layoff of any bargaining unit member), and new work that cannot feasibly be performed by bargaining unit employees.

In the event there is significant opportunity identified for expense reduction through subcontracting, the Union will meet and negotiate ways to mitigate the expense variance, with subcontracting included as a possible alternative. Except as otherwise provided in the paragraph above, subcontracting would only be by mutual agreement.

The preceding two paragraphs shall not apply to a transfer, combination, or integration of any part of the Employer's operations covered by this Agreement to or with UW Medicine or any unit, department or affiliate.

Therefore, the Employer and the Union, for the term of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically discussed during negotiations or covered in this Agreement. 30.1. The Employer will allocate positions on a “best fit” basis to the most appropriate classification at the University of Washington. Allocations shall be based on a position’s duties, responsibilities, or qualifications.

30.2. Reallocations shall be based on a permanent and substantive change in the duties, responsibilities, or qualifications of a position or application of the professional exemption criteria set forth in RCW 41.06.070(2).

30.3.

a. Should the University decide to create, eliminate or modify class specifications which does not involve a major restructure to the overall classification system, it will notify the Union in advance of implementing the action. Notification will include the bargaining unit status of the classification and, for a newly created or modified classification considered to be in the bargaining unit, a proposed salary. Notification will occur at least forty-five (3045) days in advance of any proposed implementation date. At the Union’s request the University will meet and confer with the Union over its proposed action.

b. An employee occupying a position reallocated to a class with a lower salary range maximum due to a class being created, abolished or modified will be placed at a step on the new range closes to but not less than below their current rate of pay, up to maximum auto step. If an employee’s current salary is above maximum auto step the employee’s salary will be y-rated (frozen) until the new range catches up. The Progression Start Date (PSD) will remain unchanged. retain the salary of their former position until reaching the top of the range of the former position, and then will be frozen until the new class pay range catches up.

An employee(s) occupying a position reallocated to a class with a higher salary range due to a class being created, abolished or modified will receive the same step in the new range as the employee(s) held in the previous range. The Progression Start Date (PSD) shall be the first of the current month for effective dates falling between the first and fifteenth of the month and the first of the following month for effective dates falling between the sixteenth and the end of the month. The progression start date of the employee will remain unchanged.

c. Within thirty (30) calendar days following implementation of the University’s decision to create or combine classifications per Article 30, or modify class specifications for bargaining unit positions, the Union may file an appeal with the Classification Review Hearing Officer selected under Article 30.6 of this contract, to determine if the salary assigned to the classification is appropriate.

30.4. The Union may, at any time, propose a new classification with appropriate justification. These proposals will be reviewed by the Compensation Office of Human Resources which will accept, reject, or modify any proposal. The Union and the Compensation office will meet and discuss the proposal within sixty (60) days. This review is not grievable.

1 **30.5.** The University agrees to notify the Union of any proposed reclassifications of occupied
2 bargaining unit positions into non-bargaining unit positions at least thirty (30) days prior to
3 implementation.

4 **30.6. Professional Staff Exemptions:**

6 exemption criteria set forth in RCW 41.06.070 (including any permanent and substantive
7 change in the duties, responsibilities, or qualifications of the position).
- 8 b. The Union and the University agree to a procedure that includes the provision of
9 information by the University and a meeting with the Union to discuss and resolve issues
10 regarding the transfer of work from the bargaining unit within four (4) weeks of the
11 University's initial notice to the union for a proposed professional staff exemption.
- 12 c. All negotiations regarding transfer of any work from the bargaining unit shall be
13 concluded by the meeting described above, unless both parties agree to an extension.
- 14 d. Disputes regarding professional staff exemptions shall be resolved by the classification
15 review hearing officer. The Hearing Officer shall make their decision based on the criteria
16 outlined in Subsection 30.6.a above. If the employee appeals the exemption
17 determination in any other forum the Union cannot pursue the determination through the
18 process outlined in this Article.

19 **RECLASSIFICATIONS**

20 **30.7. Policy.** Positions shall be allocated to the appropriate classification. Requests to reclassify
21 should be based on a belief that the duties, responsibilities, or qualifications of a position are
22 such that it is inappropriately classified.

23 **30.8 Position Review Process.**

- 24 A. The University, employee, or employee representative may request that a position be
25 reviewed when the requesting party believes that the basis of its request has become a
26 permanent requirement of the position. Employees and employee representatives may
27 not request that a position be reviewed more often than once every six (6) months.
- 28 B. The request must be complete and in writing on forms provided by the University.
29 Requests may be submitted to Human Resources or to an employee's direct supervisor
30 or department. Any party may submit additional information, including the names of
31 individuals, which the party believes is relevant to the position review.

35 location, away from the work station.
- 36 D. The University reviewer will investigate the position and issue a written response to the
37 employee or employee representative within sixty (60) calendar days from receipt, by
38 Human Resources, of the completed request. A completed request is defined as the
39 employee completing all employee portions of the reclassification forms. The response

E. The effective date of allocations or reallocations initiated by the University shall be determined by the University. The effective date of a reallocation resulting from an employee or employee representative request for position review will be established as the 1st or the 16th of the month which precedes the date that the completed request was filed with Human Resources or the employee's direct supervisor or department, whichever date is earliest. The date of receipt must be appropriately documented.

F. An employee may request reconsideration following receipt of the University's determination. Requests for reconsideration will not hold the timeframe for filing an appeal under ~~44-530.9~~.

30.9 Position Review Appeal Process. If the Union wishes to appeal the decision of the University, it may appeal to the Classification Review Hearing Officer within thirty (30) calendar days following the date of the University's written response.

30.10 Hearing Officer. The Hearing Officer shall be jointly selected by the parties within thirty (30) days of the execution of this contract and shall serve for a minimum of one (1) year from the date of selection. At that time the parties may choose to re-appoint the Hearing Officer or select a different Hearing Officer who will also serve for a minimum of one (1) year from date of selection.

30.11 Hearings. The Hearing Officer shall hold hearings on a quarterly basis unless there are no appeals to hear or the parties agree to pend any open appeals. All materials considered in the position review shall be submitted to the Hearing Officer prior to the hearing and neither party will submit evidence at the hearing that was not submitted during the position review. The Hearing Officer shall endeavor to hold multiple hearings each day, and shall issue a concise decision which shall be final and binding. The Hearing Officer shall have no authority to alter the terms and conditions of this contract. Employees may be represented at the hearing and will be released from work with no loss of pay to attend the hearing. The Hearing Officer's fees and expenses shall be shared equally by the parties.

ARTICLE 33 – NON-DISCRIMINATION

33.1 The parties individually agree that they will not engage in any act or practice or pursue any policy which is discriminatory against any employee who may be a qualified disabled individual, has status as a protected veteran who is a victim of sexual assault or stalking, or because of their military status, or because of age, sex, sexual orientation, gender identity or expression, genetic information, pregnancy, political affiliation, political belief, marital status, race, national origin, color, creed, religion, immigration status, citizenship, or membership or non-membership in a union. Unlawful harassment is included as a form of prohibited discrimination.

"Race" is inclusive of traits historically associated or perceived to be associated with race including, but not limited to, hair texture and protective hairstyles. "Protective hairstyles" includes, but is not limited to, such hairstyles as afros, braids, locks, and twists.

33.2 Sexual Harassment. No employee shall be subjected to discrimination in the form of sexual harassment as defined in University of Washington Executive Order 31 on Nondiscrimination and Affirmative Action.

33.3 Complaints. Employees who feel they have been the subject of discrimination, harassment, or retaliation are encouraged to discuss such issues with their supervisor, administrator, or Human Resource Consultant for local resolution. The goal of local resolution is to address and resolve problems as quickly as possible and to stop any inappropriate behavior for which a member of the University community is responsible.

A formal complaint may be filed with the Civil Rights Investigation Office (CRIO). Employees may also file discrimination, harassment or retaliation complaints with appropriate federal or state agencies or through the grievance process in accordance with Article 23 of this Agreement. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, harassment or retaliation, with mutual agreement, the grievance may be suspended until the internal complaint process has been completed. If the UCIRO-CRIO investigation exceeds sixty (60) days, the Union may request a status update from Labor Relations (laborrel@uw.edu).

The Civil Rights Investigation Office shall include a statement in the initial e-mail they send out to all complainants that says, "Union members may have rights under their respective Collective Bargaining Agreements. For more information you may contact your union or Labor Relations at laborrel@uw.edu or <https://hr.uw.edu/labor/unions>."

In accordance with Executive Order 31, retaliation against any individual who reports concerns regarding discrimination or harassment, or who cooperates with or participates in any investigation of allegations of discrimination, harassment, or retaliation is prohibited.

Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.

33.4 A grievance alleging a violation of this article must be submitted within one hundred eighty (180) days of an alleged occurrence.

MOU – ELECTION AGREEMENT

The Parties, SEIU Healthcare 1199NW (“Union”) and the University of Washington (“University” or “Employer”) enter into the following Election Procedure Agreement (EPA) for employees working for UWMC Northwest.

1. Neutrality

The Employer (including its administrators, supervisors, agents or other representatives) will remain neutral and will not oppose attempts by employees to organize or select a collective bargaining representative and will not take any action or make any statement that directly or indirectly states or implies any opposition by the Employer to the selection by the employees of a collective bargaining representative. The Employer will provide information to employees when requested by an employee regarding their rights under federal law, may respond to factual inaccuracies should that occur, and answer any other related employee questions without offering an opinion for or against union representation.

2. Notice

The Union shall provide to the Employer in writing a “Notice of Intent” in order to commence organizing. The notice shall identify the non-represented classification or bargaining unit of the employees that the Union is seeking to represent.

3. Notice List

Within five (5) business days (Monday through Friday, excluding holidays) of receipt by the Employer of the Union’s Notice of Intent, the Employer shall provide the Union with an Employee List for the requested employees, in electronic format. The list shall contain for each employee, name, job title/department, shift (where applicable), facility, home address, home telephone number, and hours worked per pay period for the previous four pay periods.

4. PERC Election

If the Union files a petition with the PERC for an election and the petition is supported by a showing of interest of 30 percent as required by the PERC for the filing of a valid petition, the Employer shall agree to an expedited union election process to be conducted within fifteen (15) calendar days by entering into a PERC election agreement. The petitioned-for unit will be a stand-alone bargaining unit unless otherwise agreed to by the parties. The Employer agrees to submit an Excelsior list to the PERC, and to mutually agree with the Union for a date, time and place(s) for the election (or, by mutual agreement, to utilize a mail ballot election), within two (2) business days of the election agreement being filed.

5. Post-Election

Following the election, if the parties agree to allow inclusion into an existing bargaining unit, and if a majority of the employees voting elect to be included in an existing collective bargaining unit, the parties will promptly meet to bargain any outstanding

1 issues and determine how best to incorporate the employees into an existing bargaining
2 agreement.

3 Also, following the election, if the parties agree to allow inclusion into an existing
4 bargaining unit, and if a majority of the employees voting elect to be covered by an
5 existing collective bargaining agreement, these employees shall be included in the
6 bargaining unit and shall become and remain members of the Union consistent with the
7 parties' historical practice on membership.

8 6. Access

9 Within twenty-four hours of the management communication, the Employer will provide
10 the Union with access to non-work areas (as consistent with existing practice) for the
11 purpose of communicating with employees on non-work time. Organizers will conduct
12 themselves in a manner that respects employees' rights and in no way interferes with
13 patient care delivery or services.

14 In accordance with University policy, the Union may use designated meeting rooms of
15 the Employer for meetings, providing sufficient advance request of the facility is made
16 through the Human Resources Department in accordance with University policies and
17 procedures and space is available.

18 7. Arbitration

19 If the parties are unable to resolve a dispute arising under the terms of this EPA, either
20 party may submit the unresolved dispute about compliance with or construction of this
21 EPA for final and binding resolution by a mutually agreed permanent arbitrator selected
22 for deciding any dispute under the EPA. The Arbitrator shall have discretion to establish
23 procedures for the resolution of such disputes that may include submission of evidence
24 by the parties, and is authorized to develop and order remedies. All such disputes shall
25 be resolved within fourteen days of submission of the issue, unless the issue concerns
26 an alleged violation pertaining to conduct raised before the election, in which case the
27 Arbitrator shall rule within twenty-four hours of the submission of the issue to the
28 Arbitrator. The parties waive any and all rights they might otherwise have to appeal or in
29 any way contest the decision of the Arbitrator.

30 8. Costs Associated with Arbitration

31 Each party shall bear one-half of the fee of the arbitrator. All other expenses, including
32 but not limited to legal fees, deposition costs, witness fees, and any and every other cost
33 related to the presentation of the party's case in this or any other forum, shall be borne
34 by the party incurring them, and neither party shall be responsible for the expenses of
35 witnesses called by the other party.

MOU – SEATTLE MINIMUM WAGE

During negotiations for the 202~~53~~-202~~75~~ successor agreement, the parties reached agreement on the following regarding the Seattle Minimum Wage

Contract classified pay tables will be updated to reflect the current Seattle minimum wage after an across-the-board increase or a minimum wage adjustment made by the City of Seattle.

Steps falling below the new minimum wage will be inactivated and employees will be moved, if needed, to the new minimum step of the range. If an across-the-board increase brings steps back above the current Seattle minimum wage, those steps will be reactivated and available for use. Whenever steps are reactivated, no employees will be moved to lower steps.

When a minimum wage increase results in a pay range with less than three (3) active steps, the parties agree that job profiles assigned to those ranges will be placed on the next available pay range in the same table. Incumbents will be placed on the new range at their current step. PSDs will not be impacted by this movement.

MOU – STAFFING

This Letter of Understanding is by and between the University of Washington (“Employer” or “University”) and Service Employees International Union District 1199 NW (“Union”).

The Union and the Employer acknowledge that together the parties endeavor to provide a level of staffing consistent with safe patient care and the service the parties provide to the community.

The parties are committed to the proposition that adequate staffing is necessary to meet the needs of our patients and to provide quality care.

Both parties acknowledge that changes in patient acuity, census and staff availability and workload requirements can happen rapidly, requiring mutual understanding and communication and flexibility.

Employee(s) who have concerns about staffing or workloads are encouraged to address the issues directly with their supervisor. Many staffing/workload issues, if addressed with the supervisor at the time of occurrence, can be resolved through adjustments in assignments or through the use of other staffing resources by documenting the concerns on the appropriate form.

The employee(s) involved in the staffing concern may request the issue be presented to the Labor/Management Committee when:

- a. The supervisor has not responded to a documented concern within fourteen (14) days, or
- b. Persistent staffing concerns (e.g., 6 weeks) continue to exist and have been documented, with the documentation given to the supervisor involved.

If the Labor/Management Committee determines that there is a genuine staffing issue, the committee may direct the manager/supervisor of the department to convene a departmental working group to review the issue and develop a recommendation(s) to the Labor/Management Committee. The departmental working group shall ensure that the employee(s) identifying concerns, the union delegate for the Department or Department designee and the manager/supervisor of that department are members of the working group, so that they may make presentations and present solutions to their concerns. The departmental working group will endeavor to complete the review within thirty (30) days. Employees on the committee will receive paid release time while attending committee meetings. Regular monthly staff meetings of that department may be utilized for the working group at the next meeting following notice of review.

An interdepartmental working group will be convened if the staffing concerns affect more than one department. The departmental working group or interdepartmental working group shall report to the Labor/Management Committee on their results and recommendations for resolving the staffing concerns.

The Labor/Management Committee shall review the report of the working group and make such recommendations as it deems advisable and submit a final report to administration within

fourteen (14) days of receipt of the report of the working group. The CEO/designee shall make its decision known to the Labor/Management Committee within three (3) weeks of receipt of the final report. The parties recognize the final decision on staffing issues rest with Hospital Administration whose responsibility it is to ensure that an appropriate level of care is provided.

The determination of staffing (mix of employees, ratios, numbers) shall not be subject to grievance and arbitration, Article 23.

~~One CNA from each of the following units will be selected by the union to participate in the hospital wide staffing committee:~~

- ~~a. Surgical Unit~~
- ~~b. Medical Unit~~
- ~~c. ICU/CCU, SCU/TEL~~
- ~~d. Adult Psych~~

**MOU – VOLUNTARY FLOAT BETWEEN UWMC-NW AND MONTLAKE
CAMPUSES FOR BARGAINING UNITS REPRESENTED BY SEIU 1199,
SEIU 925, AND WFSE**

During negotiations for the 202~~51~~-202~~73~~ collective bargaining agreement, the parties agreed to the following:

When there is low patient volume in a specific unit or department, and there is another unit or department in need, management may float staff between UWMC-NW and UWMC-Montlake if the employee agrees to float.

Employees who agree to float between UWMC-NW and UWMC-Montlake will receive adequate orientation. Appropriate resources will be available as follows:

- a. Introduction to the appropriate unit leader for the shift;
- b. Review of emergency procedures for that unit;
- c. Tour of the physical environment and location of supplies and equipment;
- d. Review of the patient assignment and unit routine.

Employees shall not be required to perform new procedures without proper supervision.

Employees shall seek supervisory guidance for those tasks or procedures for which they have not been trained. Employees who encounter difficulties related to floating should report these to the appropriate unit leader. There will be no adverse consequences for an employee filing a concern. The home department/unit leader (or designee) will seek volunteers among the employees to float. Employees who volunteer to float will receive an assignment taking into account the employee's training and experience.

Employees will not float more than once per shift.

If an employee agrees to float to an entity other than the employee's home entity, the employee will receive a four dollar (\$4.00) per hour premium for all hours worked outside the employee's home entity. This premium will apply to employees already receiving a premium for being in the float team but cannot otherwise be stacked with any other float premiums.

Employees will be reimbursed for travel, mileage, and parking at the second site per university policy, and will be provided with the appropriate forms and instructions that will allow them to submit the forms for reimbursement.

The employee's "Home Entity" Collective Bargaining Agreement applies while floating to other facilities.

Employees will receive appropriate and timely training on the equipment, practices, and work area orientation at the non-home location to which they are floated.

If an employee is unable to report to work as scheduled, the employee shall notify the Staffing Office or their Supervisor at least two (2) hours in advance of the scheduled shift. XX.1 Corrective Action/Dismissal. The Employer and the Union will follow the “Corrective Action/Dismissal Process” below for all corrective action/dismissal actions in order to utilize a corrective rather than punitive approach.

No employee shall be subject to the Corrective Action/Dismissal Process except for just cause. C. XX.4 Corrective Action/Dismissal Process. The Employer will make clear the Step of the process being conducted.

Formal Counseling. Formal counseling (may involve administrative personnel other than the employee's immediate supervisor) including the development of a written action plan.

Final Counseling. Final counseling (may involve administration other than the employee's immediate supervisor) including action plan discussion and decision making assignment (a period of paid time away from the work site for the employee to consider the consequences or failure to follow the action plan and to review the final written action plan for possible correction).

Dismissal. Prior to dismissal, a pre-determination meeting will be scheduled to give an employee an opportunity to make their case before the final decision is made. The employee has the right to have a Union representative present at the pre-determination meeting. At least five (5) days prior to the meeting, the employee will be informed in writing of the reasons for the contemplated dismissal and given referenced documentation. The employee will be furnished with written notification of the outcome of the pre-determination hearing.

Formal counseling may be grieved through Step Three Mediation of the grievance procedure only. All employees upon request shall be entitled to have a representative present during meetings that are investigatory in nature and may reasonably be expected to result in implementation of the Corrective Action/Dismissal Process at Formal Counseling or higher.

XX.6 Investigations.

A. The Employer will notify the employee upon scheduling of the investigation meeting of the subject of the investigation. At the conclusion of an investigation, where the Employer elects not to take corrective action, the employee will be provided with a notification that the investigation is completed and that no corrective action will be imposed.

B. Upon request of the Union, if an investigation of employee lasts longer than sixty (60) days from the date the employee was interviewed, the Employer will provide an explanation to the Union of the current status of the investigation (for example: interviews still being conducted, drafting of investigative report, waiting for analysis of data), next steps and approximate timeframe for completion.

XX.7 Off the Job Activities. The private and personal "off the job" lifestyle and activities of an employee shall not be legitimate grounds for disciplinary action initiated by the Employer except where such lifestyle or activities constitute a direct conflict of interest as set forth in RCW 42.18 or are directly detrimental to the employee's work performance.

XX.8 Presumption of Resignation/Abandonment.

a. An employee who fails to appear for work and report absence to the supervisor, in accordance with departmental policy, on three (3) consecutive scheduled workdays, shall be deemed to have resigned. Notice of separation will be sent to the employee's

1 last known address on record with the UW Payroll Office via certified mail after the third
2 (3rd) consecutive day of absence. Prior to sending the notice, the Employer will attempt
3 to contact the employee through current home telephone and emergency contact
4 numbers on record in Employee Self-Service **Workday** and departmental records.

5 b. Within fourteen (14) calendar days of mailing the separation notice and upon proof that

MOU: FACILITATED MEDIATION RE: SYSTEM WIDE FLOAT POOL

During negotiations for the 2025-2027 collective bargaining agreement, the parties agreed to the following:

To address census fluctuations while supporting a healthy work environment for our staff, increase recruitment and retention through growth opportunities, and ensure quality patient care, the parties agree to request facilitated mediation from PERC within 90 days of ratification to develop a tiered system wide float pool for clinical staff. The goal would be to create an equitable and effective method of responding to changes in staffing needs across HMC and UWMC (ML and NW). The parties commit to meeting at least monthly with the facilitator/mediator, for up to 12 months, to fully discuss the concept and if agreeable and work together to develop a process. Up to 5 employees (selected by the Union) at each campus would be provided paid time to attend each session.

~~Goals of the floating tool:~~

- ~~• Reduce our dependency on Agency staff.~~
- ~~• Provide UW Medicine staff with development opportunities to increase recruitment and retention. Enable staff to see growth opportunities within UW Medicine instead of seeking those elsewhere.~~
- ~~• Build a tiered system wide float pool that compensates staff depending on availability, competency, assigned location, clinical groupings, and level of support needed.~~
- ~~• Ability to address high/low census and unexpected leaves and resignations across UW Medicine and ensure adequate staffing to comply with the Staffing Law.~~
- ~~• Ability to have coverage in areas where we traditionally have relied on call or overtime for high/low census periods.~~
- ~~• Increase staff satisfaction and patient care across UW Medicine.~~

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE UNIVERSITY OF WASHINGTON (UNIVERSITY)
AND
THE SERVICE EMPLOYEES INTERNATIONAL UNION 1199 (SEIU 1199)

The Employer, UW Medicine, and SEIU 1199, hereby referred to as the Parties, make the following agreements and upon signing of this MOU Agreement the referenced matter is considered resolved and closed. The Parties agree to the following regarding the Multilingual/Sign Language/Braille Premium Pay otherwise known as Language Pay Differential:

A. Eligibility:

Language Pay Differential is a premium payment above the base salary when the Employer has determined that the duties of the position require regular use of competent skills in more than one language, and/or sign language (AMESLAN), and/or Braille. This is calculated on base pay only and does not include premium payments.

Definitions:

- a. Formal Bilingual Staff – A staff member who is fluent in one of the top five languages used at each entity, in addition to English, and chooses to “self identify” as Bilingual. The Employee has successfully completed the required training and is approved by the Employer to use their language skills in their role for direct patient contact.
- b. Required Bilingual Staff – A staff member who is hired or promoted into a role where being fluent in a specific language in addition to English is required.
- c. Medical Interpreter: A certified dedicated interpreter who formally interprets interactions between patients, families and care givers.
- d. Approved Languages – The Employer will determine the top 5 languages used at each hospital. The Employer may identify additional languages for specific departments that specialize in serving specific language groups.

- ~~a. The need for regular use of competent skills in more than one language, and/or sign language, and/or braille will be determined by the Employer.~~
- ~~b. The Employer will implement a proficiency testing requirement for employees.~~
- ~~c. When adding the Multilingual/Sign Language/Braille Premium Pay to a current employee, the Employer will require the employee to complete and pass the proficiency test prior to receiving the premium.~~

- ~~2. As a condition of employment, new employees hired or promoted into a position that requires skills in more than one language, and/or sign language, and/or braille must complete and pass the proficiency test within thirty (30) days of hire or promotion.~~

~~— The Employer will determine the top 5 languages used at each hospital. The Employer may identify additional languages for specific departments that specialize in serving specific language groups.~~

1. Required Bilingual Staff Approval Process

- a. ~~Whenever a classified position is required to regularly use competent skills in more than one language and or sign language and/or braille, the employee shall receive a premium pay of five (5%) percent above the level normally assigned for that position, determined by the Employer. The Employee is not eligible for the one-time language stipend.~~
- b. ~~When the Employer determines the Multilingual/Sign Language/Braille Premium Pay should be provided to a current employee, the employer will require the employee to complete and pass the proficiency test prior to receiving the premium. The employee is responsible to take and pass the LMS module annually.~~
- c. ~~If an employee receiving language pay transfers or is promoted into a positive which also necessitates the use of the employee's language skills, as determined in writing by the employer, the language pay benefit will contribute to be paid as a premium. If they are transferring to a position which does not necessitate the use of the employee's language skills, as determined in writing by the employer, the language pay benefit will be discontinued.~~
- d. ~~As a condition of employment, new employees hired or promoted into a position that requires skills in more than one language and/or sign language, and or braille must complete and pass the proficiency test within thirty (30) days of hire or promotion.~~
- e. ~~Employee initiated request for required bilingual staff designation. If a bilingual employee, who has passed the language proficiency and required LMS language specific training, believes their bilingual language usage has become a permanent requirement of their position, they can pursue the required bilingual staff designation and premium by following the Position Review Process in Article 30 Classifications and Reclassification, Section 30.8 Position Review Process (Article 44, Section 44.4 in HMC CBA). If the requirement is added to the position, the employee is no longer eligible for the one-time-language stipend.~~

2. Formal bilingual staff Approval Process

- a. ~~For the duration of the 2025-2027 contract, employees who have Effective within 90 days of ratification October 21, 2024, whenever a classified position has competent skills in one of the approved languages as defined above and chooses to "self-identify" as bilingual, the employee shall receive a one-time-language stipend of \$800600500, upon successful completion of program requirements of the bilingual staff program including a language proficiency test and required LMS language specific training. Those employees who have successfully passed the test and~~

completed the program requirements as of October 21, 2024, will qualify. The employee is not eligible to receive the 5% language premium.

b. The Employer will utilize a language proficiency testing requirement for employees.

c. The Employer will require the employee to complete and pass the proficiency test prior to receiving the stipend. The employee is also responsible for completing any required LMS language specific training.

d. Employees who pass the proficiency test would be expected to use their language skills while conducting their own job and are not authorized to interpret as a third party.

e. If the language skill requirement is not included in the employee's job description, the employee may refuse to use their language skills and will not be subjected to corrective action for their refusal.

Required Bilingual Staff and Formal Bilingual staff will utilize their bilingual skills while conducting their own job and are not authorized to interpret as a third party.
