The parties recognize the special nature of KUOW as an independent, self-sustaining service of the University of Washington and as a distinguished institution in the Pacific Northwest. They also recognize the special, mission-driven nature of public media as distinguished from commercial media. ARTICLE 6 – GRIEVANCE AND ARBITRATION PROCEDURE

The Union and the Employer agree that it is in their best interest to resolve disputes at the earliest opportunity and at the lowest level. Whenever possible, disputes should be resolved informally prior to filing a formal written grievance. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

6.1 Definition. A grievance, within the meaning of this Agreement, shall be defined as any dispute between the University and the Union, an employee, or a group of employees as to alleged misapplication or misinterpretation of the terms of this Agreement or the Employer’s written personnel rules, policies or practices.

6.2 Employee Grievance Rights. Any employee who believes they have been aggrieved may personally seek relief from that condition by filing a grievance, irrespective of any supervisor’s opinion of the grievance’s validity. In the presentation of grievances, the employees shall be safe from restraint, interference, discrimination, or reprisal.

6.3 Employee Representation. The Union as exclusive representative of bargaining unit employees is the responsible representative of said employees in grievance matters.

6.4 Time Limitations. An extension of the time limitations as stipulated in the respective steps below, may be obtained by mutual consent of the parties. Failure of the union to comply with the time limitations without a request of time extension shall constitute withdrawal of the grievance. Failure of the Employer to comply with the time limitations without a request for time extension shall move the grievance to the next step of the grievance procedure. For the purpose of calculating time requirements, the first day shall be the day following the day on which the employee was aware, or reasonably should have been aware, of the issue giving rise to the grievance. Saturdays, Sundays, and University holidays shall be included in the calculation of days except that the final day may not be on a Saturday, Sunday, or holiday but will end at the close of the first working day following the Saturday, Sunday, or holiday.

6.5 Contents. The written grievance shall include the following information:

- A. The date upon which the grievance occurred.
- B. The specific Article(s) and Section(s) of the Agreement violated.
- C. The past practice, rule, policy violated.
- D. Specific remedy requested.
- E. The grievant(s) name.
- F. Name and signature of Union representative (Staff or Steward).
- G. The nature of the grievance.

1 Failure to include the above information shall not be a reason for invalidating the
2 grievance.

3
4 6.6 Pay Status – Meetings. Meetings and discussions on the grievance held with the
5 Employer in connection with this grievance procedure shall normally be held
6 during regular business hours, or as mutually agreeable, and no deduction in pay
7 status shall be made for the grievant or steward for reasonable time spent in
8 such meetings or discussions during the employee’s scheduled duty hours. The
9 work schedule of the grievant will be seriously considered in the scheduling of
10 the grievance meetings. Time off for employees and stewards shall be granted
11 by supervision following a request, but in consideration of job responsibilities. If
12 the requested time off cannot be granted, the parties shall arrange for time off at
13 the earliest possible time thereafter.

14
15 6.7 Grievance Withdrawal. A grievance may be withdrawn by the Union in writing at
16 any time, and if withdrawn shall not be resubmitted.

17
18 6.8 Resolution. If the Employer provides the requested remedy or a mutually agreed-
19 upon alternative, the grievance will be considered resolved and may not be
20 moved to the next step.

21
22 6.9 Consolidation. Grievances arising out of the same set of facts may be
23 consolidated by written agreement.

24
25 6.10 Filing and Processing

26
27 A. Filing. A grievance must be filed within thirty (30) days of the occurrence
28 giving rise to the grievance, or the date the grievant knew or could reasonably
29 have known of the occurrence. When possible the thirty (30) day periods
30 above should be used to attempt to informally resolve the dispute. The union
31 steward or staff representative will indicate when a discussion with the
32 Employer is an attempt to informally resolve a dispute.

33 B. Alternative Resolution Methods. Any time during the grievance process, by
34 mutual consent, the parties may use alternative methods to resolve the
35 dispute. If the parties agree to use alternative methods, the time frames in this
36 Article are suspended. If the selected alternative method does not result in a
37 resolution, the Union may return to the grievance process and the time
38 frames resume. Any expenses and fees of alternative methods will be shared
39 equally by the parties.

40 ~~C. Processing. The Union and the Employer agree that in-person meetings are
41 preferred at all steps of the grievance process and will make efforts to
42 schedule in-person meetings, if possible.~~

43
44 6.11 Steps of the Grievance Procedure. All grievances shall be processed in
45 accordance with the following procedure. Upon mutual agreement, Step One,

1 Two or Three may be skipped. Grievances over final counseling or dismissal will
2 begin at Step Two.
3

4 Step One: Supervisor, Manager or Designee. If the issue is not resolved
5 informally, the Union may file a written grievance to the supervisor or designee,
6 the Human Resources Consultant, and the Labor Relations office
7 (laborrel@uw.edu). The Employer will designate a supervisor, manager or
8 designee who will meet in person or confer by telephone with a union steward
9 and/or staff representative and the grievant. The date of the meeting will be
10 mutually agreed upon within fifteen (15) calendar days of receipt of the grievance
11 and when possible the meeting will take place within the aforementioned fifteen
12 (15) calendar days. The format (face to face or ~~virtual by telephone~~) for the
13 meeting will be by mutual agreement. The employer will respond in writing to the
14 Union within ~~thirty~~^{fifteen} (30¹⁵) calendar days after the meeting. The Human
15 Resources Consultant may also attend, if desired by the University. If the
16 grievance is directed against the employee's immediate supervisor, the
17 grievance may be presented to the next higher level of supervision. In the event
18 the employee's immediate supervisor does not have authority to resolve the
19 grievance, the grievance will be presented at the level having authority to act as
20 determined by the Employer.
21

22 Step Two: If a satisfactory settlement is not reached in Step One, said grievance
23 may be moved to the Step Two by filing the written grievance, including a copy of
24 the Step One decision to department head, designee, or to the next appropriate
25 level of management and the Office of Labor Relations within fifteen (15)
26 calendar days after the decision from Step One. The date of the meeting will be
27 mutually agreed upon within fifteen (15) calendar days after notice of the filing at
28 Step Two and when possible the meeting will take place within the
29 aforementioned fifteen (15) calendar days. The grievant may be represented by a
30 steward and a Union staff representative. The University will be represented by
31 the appropriate management official(s) or designee(s), a representative from the
32 Office of Labor Relations, and a Human Resources Consultant, if desired by the
33 University. The University will respond in writing within thirty (30) calendar days
34 after the meeting.
35

36 Step Three: Grievance Mediation. If the grievance is not resolved at the Step
37 Two, the Union may file a request for mediation with the Public Employment
38 Relations Commission (PERC) in accordance with WAC 391-55-020, with a copy
39 to the Labor Relations Office within thirty (30) days of receipt of the Step Two
40 decision. In addition to all other filing requirements, the request must include a
41 copy of the grievance and all previous responses. The Employer will inform the
42 Union, in writing, and PERC within thirty (30) days of receipt of Mediation request
43 if they are not in agreement. If those services are unavailable on a timely basis,
44 the parties may request a list of grievance mediators from the Federal Mediation

1 and Conciliation Service (FMCS) or other agreed upon mediation provider. The
 2 cost of the mediation shall be borne equally by both parties.

3
 4 Step Four: Arbitration. If a satisfactory settlement is not reached at the prior step,
 5 or the step was skipped, either of the signatory parties to this Agreement may
 6 submit the grievance to binding arbitration. Such submittal must be made within
 7 thirty (30) calendar days following the written notice that the employer does not
 8 agree to Step Three (3) Mediation or the conclusion of the prior step. The
 9 Employer and the Union shall attempt to agree upon a mutually satisfactory
 10 arbitrator. If the parties are unable to agree on a mutually satisfactory arbitrator
 11 within ten(10) calendar days after written request to arbitrate, either party may
 12 request the Federal Mediation and Conciliation Services (FMCS) To submit a
 13 panel of seven (7) names from which the arbitrator shall be chosen by each party
 14 alternately striking names.

15
 16 Authority of the Arbitrator. The parties agree that the arbitrator shall have no
 17 power to render a decision that adds to, subtracts from, alters or modifies in any
 18 way the terms and conditions of the Agreement. The parties further agree that
 19 the decision of the arbitrator will be final and binding upon all parties.

20
 21 The Union or the Employer will have the right to request the arbitrator to require
 22 the presence of witnesses and/or documents. The arbitrator’s decision shall be
 23 made in writing and the arbitrator shall be encouraged to render the decision
 24 within thirty (30) calendar days of the close of the arbitration.

25
 26 In cases where a grievance is moved to arbitration and the Employer did not
 27 agree to Step Three: Grievance Mediation, either party may request a pre-
 28 arbitration settlement conference. These conferences shall not delay the
 29 arbitration process, and may be held with or without the presence of the
 30 arbitrator, at the option of the moving party. In the event that an arbitrator is
 31 present, the cost of the arbitrator’s participation shall be borne equally by the
 32 parties.

33
 34 6.12 Arbitration Costs

- 35
 36 A. The fees and costs of the arbitrator, and the cost (if any) of the hearing room,
 37 will be shared equally by the parties.
 38 B. If the arbitration hearing is postponed or canceled because of one party, that
 39 party will bear the cost of the postponement or cancellation. The costs of any
 40 mutually agreed upon postponements or cancellations will be shared equally
 41 by the parties.
 42 C. If either party desires a record of the arbitration, a court reporter may be used.
 43 If that party purchases a transcript, a copy will be provided to the arbitrator
 44 free of charge. If the other party desires a copy of the transcript, it will pay for

1 half of the costs of the fee for the court reporter, the original transcript and a
 2 copy.
 3 D. Each party is responsible for all fees and costs of its staff representatives,
 4 attorneys, experts, witnesses –and all other costs related to the development
 5 and presentation of their case. Every effort will be made to avoid the
 6 presentation of repetitive witnesses.
 7
 8 6.13 Files. Grievance documents shall be maintained separately from employee
 9 personnel files. Employee personnel files will accurately reflect the final outcome
 10 of a grievance.

7.1 Dues Deduction. Upon written authorization by an individual employee to the Union, the Employer shall provide for the semi-monthly payroll deductions of union dues which are uniformly applied to all members in those bargaining units in which the Union is the exclusive bargaining agent.

7.2 Check-Off: The Employer agrees to honor from each employee a voluntary, revocable written wage assignment authorizing the Employer, during the life of this Agreement or until revoked or modified by the employee, to deduct semi-monthly from the wages then owing the employee;

- A. Stipulated amounts for initiation requirements until the total is paid, and/or
- B. An amount to satisfy dues

All amounts deducted shall be remitted in the normal course of business by the employer to the Executive Director of the Union and said Executive Director shall acknowledge receipt of the money, in writing. The Union agrees to defend, indemnify and hold harmless the Employer from any action or actions, claims, demands, suits, or other forms of liability that may arise against the Employer out of the operation of this Union Security article including, without limitation these deductions, which action is commenced by any employee against the Employer, and the Union assumes full responsibility for the disposition of the funds so deducted once they have been turned over to the Executive Director of the Union as above provided. Errors made by the Employer in the deduction or the retaining of money under this provision of the Agreement shall not be considered to be a violation of this provision, but errors will be corrected promptly when ascertained. If an employee contacts the Employer to request that payroll deduction be ended, the Employer will promptly refer the employee to the Union to process the request.

The authorized wage assignment shall be in the following form: See attached [exhibit A](#).

7.3 Revocation. An employee wishing to cancel their authorization for payroll deductions shall contact the Union. The Union shall promptly notify the Employer of any such valid revocation. Every effort will be made to end the deduction effective on the first payroll, and not later than the second payroll, after receipt by the Employer of confirmation from the Union that the revocation is valid.

7.4 During the life of this agreement, the Employer may develop a web-based electronic dues deduction reporting system. The Union may provide input to the Employer regarding its development. Prior to implementing the system, the Employer will provide the Union with notice and opportunity to bargain.

18

19 **9.4 Temporary Modified Weekly Schedule.** By mutual agreement at the bargaining

20 unit employee’s request, individual employees and their supervisors may agree

23 payment of overtime (unless the employee works beyond forty (40) hours in the

24 employee’s regular work week). Such scheduling will not be considered a

25 regularly recurring alternative schedule. Temporary modified weekly scheduling

ARTICLE 28 – CORRECTIVE ACTION/DISMISSAL

The parties will follow the “Corrective Action/Dismissal Process” outlined below. No employee shall be subject to the process except for just cause. The corrective action process will be considered to incorporate the concept of progressive action while providing a positive method for improvement rather than punitive action.

28.1 Representation

- A. Employees shall be notified orally or in writing that upon request they shall be entitled to have a representative present when formal counseling, final counseling or dismissal is occurring. Employees have a right to a meeting with management whenever corrective action is issued. Attendance of a representative shall not delay the corrective action process unduly as determined by the Employer. All parties shall make every effort possible to allow for Union representation without unduly delaying the process.
- B. Upon request, an employee has the right to a union representative at an investigatory interview called by the Employer, if the employee reasonably believes corrective action could result. The employer will provide reasonable time to allow an employee to secure a representative.
The role of the union representative in regard to an Employer-initiated investigation is to provide assistance and counsel to the employee and not interfere with the Employer’s right to conduct the investigation. Every effort will be made to cooperate in the investigation.
- C. An employee placed on an alternative assignment during an investigation will not be prohibited from contacting their union steward unless there is a conflict of interest, in which case the employee may contact another union steward. This does not preclude the Employer from restricting an employee’s access to the Employer’s premises.
- D. An interpreter can be requested by either party and will be provided.

28.2 Coaching. Informal discussion or instruction between employee and their immediate supervisor. Supervisor may follow up in writing which may include a simple action plan. This is not a form of corrective action.

28.3 Corrective Action/Dismissal Process. The Employer will make clear when formal or final counseling is being conducted and will inform the employee about their right to representation under the CBA. When counseling or dismissing an employee, the Employer will make every effort to protect the privacy of the employee. Interpreters may be requested by any party.

28.4 Formal Counseling. Formal counseling (may involve administrative personnel other than the employee’s immediate supervisor) including the development of a

1 written action plan. The action plan will identify specific problem areas,
2 performance objectives, suggestions for remedying, and a timeframe for
3 improvement. Prior to issuance of formal counseling, a meeting may be
4 scheduled by the employer or requested by the employee to give the employee
5 an opportunity to make their case before the final decision is made. Employee
6 requests for such a meeting will be granted. An employee is entitled to
7 representation at this meeting.
8

9 28.5 Final Counseling. Final counseling (may involve administrative personnel other
10 than the employee’s immediate supervisor) including action plan discussion and
11 revision, where appropriate. A decision-making period of one (1) day of paid time
12 away from the work site for the employee to consider the consequences of failure
13 to follow the action plan may be used at this step. If the Employer decides to
14 provide a decision-making day, the employee will be given a list of expectations
15 and problem statements prior to the day taking place.
16

17 28.6 Dismissal. Prior to dismissal, a pre-determination meeting will be scheduled to
18 give an employee an opportunity to make their case before the final decision is
19 made. The employee has the right to have a union representative present at the
20 pre-determination meeting. At least five (5) days prior to the meeting, the
21 employee will be informed in writing of the reasons for the contemplated
22 dismissal and given referenced documentation. The employee will be furnished
23 with written notification of the outcome of the pre-determination hearing.
24

25 28.7 Demotion. Demotion of Leads and/or Supervisors may be initiated by the
26 Employer at any step of the Corrective Action process.
27

28 28.8 Personnel Files. Upon request, an employee shall be entitled to review their
29 personnel file in the Finance Office. Upon request of an employee, the Employer
30 shall provide to the employee a copy of any performance-related document
31 contained in their personnel file. Should the Employer intend to place a
32 performance-related document or disciplinary memo in an employee’s personnel
33 file, notice shall be given to the employee, and the opportunity for a response
34 shall be offered.

Length of service is defined as the continuous length of service in a SAG-AFTRA bargaining unit position in calendar days with the Employer from the most recent date of hire. Service of less than full time shall be considered full time. Time spent on layoff shall not be included in computing seniority, but does not constitute a break in service. Permanent employees who are veterans or their unmarried widows/widowers shall have added to their seniority the veteran’s active military service to a maximum of five (5) years credit. Time spent on military duty leave, paid or unpaid, or time spent on unpaid time off to work for the union is included in seniority calculation. Probationary employees are not vested with seniority credits until successfully completing the probationary period.

Length of service is lost upon resignation, termination for cause, or failure to return from a leave of absence.

Employees who enter into the bargaining unit from other positions at the University of Washington shall be credited with their length of service for all employment in State classified and professional staff service while employed at the University. Employees who enter into the bargaining unit from other state agencies and institutions of higher education shall start earning layoff seniority from the first day of coverage under this Agreement.

- a. Should the Employer decide to create, eliminate or modify class specifications which does not involve a major restructure to the overall classification system, it will notify the Union in advance of implementing the action. Notification will include the bargaining unit status of the classification and, for a newly created or modified classification considered to be in the bargaining unit, a proposed salary. Notification will occur at least forty-five (45) days in advance of any proposed implementation date. The Union may bargain over the salary
- b. All new SAG-AFTRA non-supervisory class specifications will be considered included in the bargaining unit, unless exempted by law. UW HR will follow RCW 41.56.~~40121~~ to determine whether a new SAG-AFTRA position is prohibited by law from being in the bargaining unit. If a new SAG-AFTRA non-supervisory position is not prohibited from being in the bargaining unit by RCW 41.56.~~40121~~, it will be considered bargaining unit work. For work that is permitted to be in the bargaining unit, a new bargaining unit class specification may be created or the position may be assigned to an existing bargaining unit job class specification. The Union may bargain over the salary placement.
- c. Within thirty (30) calendar days following implementation of the Employer’s decision to create or combine classifications per this article, or modify class specifications for bargaining unit positions, the Union may file an appeal with the Classification Review Hearing Officer selected under this article of this contract, to determine if the salary assigned to the classification is appropriate.

42.3. The Union may, at any time, propose a new classification or edits to an existing classification with appropriate justification. These proposals will be reviewed by the UWHR Compensation Office which will accept, reject, or modify any proposal. The Union and the UWHR Compensation Office will meet and discuss the proposal within sixty (60) days. This review is not grievable.

42.4. The Employer agrees to notify the Union of any proposed reclassifications of occupied bargaining unit positions into non-bargaining unit positions at least thirty (30) days prior to implementation.

42.5. Position Review Process:

- 38 a. The Employer or employee representative may request that a position be
39 reviewed when the requesting party believes that the basis of its request has
40 become a permanent requirement of the position. Employees and employee
41 representatives may not request that a position be reviewed more often than
42 once every six (6) months.
- 43 b. The request must be complete and in writing on forms provided by the Employer.
44 Requests may be submitted to KUOW Human Resources.
- 45 c. The UWHR Compensation Office will investigate the position and issue a written
46 response to the employee or employee representative within sixty (60) calendar
47 days from receipt, by Human Resources, of the completed request. The
48 response will include notification of the class and salary assigned when the
49 position is reallocated, or notification of the reasons the position does not warrant
50 reallocation when the request is not approved.
- 51 d. The effective date of allocations or reallocations initiated by the Employer shall
52 be determined by the Employer. The effective date of a reallocation resulting
53 from an employee representative request for position review will be established
54 as the 1st or the 16th of the month which precedes the date that the completed
55 request was filed with KUOW Human Resources or the employee’s direct
56 supervisor or department, whichever date is earliest. The date of receipt must be
57 appropriately documented.

58 42.6. Position Review Appeal Process. If the Union wishes to appeal the decision of the
59 Employer, it may appeal to the Classification Review Hearing Officer within thirty (30)
60 calendar days following the date of the Employer’s written response.

61 Hearing Officer. The Hearing Officer shall be jointly selected by the parties within thirty
62 (30) days of the execution of this contract and shall serve for a minimum of one (1) year
63 from the date of selection. At that time the parties may choose to re-appoint the Hearing
64 Officer or select a different Hearing Officer who will also serve for a minimum of one (1)
65 year from date of selection.

66 Hearings. The Hearing Officer shall hold hearings on a quarterly basis unless there are
67 no appeals to hear or the parties agree to pend any open appeals. All materials
68 considered in the position review shall be submitted to the Hearing Officer prior to the
69 hearing and neither party will submit evidence at the hearing that was not submitted
70 during the position review. The Hearing Officer shall endeavor to hold multiple hearings
71 each day, and shall issue a concise decision which shall be final and binding. The
72 Hearing Officer shall have no authority to alter the terms and conditions of this contract.
73 Employees may be represented at the hearing and will be released from work with no
74 loss of pay to attend the hearing. The Hearing Officer’s fees and expenses shall be
75 shared equally by the parties.

1. The amount of the overpayment,
2. The basis for the claim,
3. A demand for payment, and
4. The rights of the employee under the terms of this Agreement.

Employees may request a meeting with the Employer and an interpreter to have the overpayment notification explained.

B. Method of Payback

1. Active employees

~~1.~~ The employee must choose one (1) of the following options for paying back the overpayment:

a. Voluntary wage deduction,

~~b. Cash, or~~

~~c. Check (separated employees)~~

~~d.~~ Vacation (if under ~~240-280~~ hours only) or Compensatory time balances if appropriate and with prior approval from ~~UWISC~~-Payroll

2. Separated employees

The employee must choose one (1) of the following options for paying back the overpayment

a. Cash or

a.b. Check

~~3.~~ The employee may propose a payment schedule to repay the overpayment to the Employer. If the employee’s proposal is accepted by the Employer, the deductions shall continue until the overpayment is fully recouped. ~~4.~~ If the employee fails to choose one (1) of the four (4) options described above, within twenty (20) days of written notice of overpayment, the Employer will deduct the overpayment owed from the employee’s wages or the amount due may be placed with a collection agency. This

1 overpayment recovery will not be more than five percent (5%) of the
2 employee’s disposable earnings in a pay period. Disposable earnings will
3 be calculated in accordance with the Attorney General of Washington’s

12 available pay check.
13

14 D. Appeal Rights: Any dispute concerning the occurrence or amount of the
15 overpayment will be resolved through the grievance procedure in Article 6 of this
16 Agreement. The Employer will suspend attempts to collect an alleged
17 overpayment until the grievance process has concluded.
18

19 E. Employees who have separated from the University or are on long-term
20 leave must repay the University by check, which requires ~~the ISG-UW~~ Payroll
21 ~~team~~ to calculate the total amount owed. An overpayment cannot be considered
22 paid in full unless it is for the amount that has been calculated by ~~the ISG~~ Payroll.

 23 service, in the same unit through open recruitment will have their time worked in the
