

To Graduate School in early June post June 10

Subject: Graduate Appointee Insurance for Summer Quarter 2022 begins July 1

Dear Payroll Coordinators, Graduate Program Assistants, and Graduate Program Advisors,

Important information and deadlines to ensure that eligible Academic Student Employees (ASEs) in your department receive timely benefits under the Graduate Appointee Insurance Program (GAIP) for the 2021-2022 plan year are detailed below and include critical deadlines. Please review the department responsibilities carefully as missed deadlines will adversely impact student's and their dependent's health coverage. Under the UW/UAW contract, a represented ASE may file a grievance with the UAW if coverage is delayed due to a late appointment entry into Workday.

DEPARTMENT RESPONSIBILITIES

DEADLINE: For ASEs who are scheduled to be eligible for UW-paid GAIP coverage for Summer quarter 2022 by holding a benefits-eligible appointment, the deadline for entering appointment and distribution information is June 15, 2022. This deadline means the eligible appointment is completely approved at all levels, including the ISC. Summer quarter GAIP coverage starts July 1, 2022.

SELF-PAY: UW Benefits must receive your list of self-pay appointees on or before 3:00 p.m. June 15, 2022. Use the subject line: "Summer Quarter 2022 GAIP Self-Pay", include the eligible appointee's name, student ID number, local mailing address, and a brief summary of the source of outside funding. Send to: UWGAIP@uw.edu.

VERIFY ELIGIBILITY: Departments are responsible for entering appointment information into Workday in a timely manner – e.g. on/before the appointment begin date, ensure the student's Workday record reflects a GAIP-eligible job class/compensation, and meets all eligibility rules. For specifics about GAIP eligibility requirements during summer, review the [GAIP: Summer quarter coverage](#) web page.

FUNDING: It is the responsibility of the department to ensure that appointments and distributions are processed on time. Workday reflects the date an appointment was entered prior to transmitting eligibility to the plan administrator. Look for the "Options When Funding is Delayed" information on the [GAIP: Information for Departments](#) webpage if there is budget uncertainty.

APPEALS: Departmental appeals for retroactive coverage based on budget issues will NOT be accepted.

ADDRESS UPDATES: Please ensure your appointees understand their responsibilities, including updating their local contact information in [Workday](#).

YOUR RESOURCES:

Who	What
UW Benefits UWGaip@uw.edu , or 206-543-4444	Eligibility, plan communications, deadlines, funding, late Workday entry appeals, etc.
UW Integrated Service Center (ISC) isc@uw.edu , or 206-543-8000.	Workday entry instructions

STUDENT RESPONSIBILITIES

RESOURCES: The student's primary resource for GAIP coverage questions is [LifeWise](#). Students are responsible for confirming their department has entered their appointment into [Workday](#) in a timely manner and verifying Workday has their current home address to ensure all communication is received in a timely manner. Students are responsible to read all materials sent to them, and meet any required deadlines. Note: LifeWise cannot answer GAIP eligibility questions.

GRADUATE APPOINTEE COVERAGE: All eligible ASEs are automatically enrolled in GAIP appointee-only coverage.

DEPENDENT COVERAGE: ASE's can elect to enroll their eligible dependents once they receive notification from LifeWise that they themselves are enrolled. ASE's are responsible to enroll their eligible dependents online at LifeWise by June 30, 2022 for Summer quarter. This is [communicated directly to graduate students](#).

LOSS OF COVERAGE: For students losing eligibility for UW-paid GAIP coverage starting Summer quarter, LifeWise will send a self-pay notice to their home address in Workday after mid-July.

Thank you!

UW Benefits
