Insurance

Eligibility

You are eligible for PEBB insurance benefits when appointed to a classified staff position with at least a 50 percent UW paid appointment for six or more consecutive months. Classified staff refers to positions that are either governed by a labor contract ("contract classified") or administered by the UW, in accordance with WPRB (Washington Personnel Resources Board) rules.

Insurance benefits generally begin the first of the following month. However, if an eligible appointment begins on the first business or calendar day of the month, eligibility begins on that day.

Medical Insurance

Eligible employees may choose from several health plans, all of which are listed here: <http://hr.uw.edu/benefits/health-insurance/compare-plans>

Flexible Spending Account

If you choose a non CDHP medical plan, you have the option to contribute to a tax-exempt Flexible Spending Account (FSA). The FSA allows you to save money on eligible medical expenses.

Dental Insurance

Choose from two managed care plans and one preferred provider plan. Dental premiums for you and your eligible dependent(s) are fully paid by the UW.

Long Term Disability Insurance

The UW pays for Basic Long Term Disability (LTD) coverage with a 90-day waiting period and a maximum benefit of \$240 per month. You may purchase additional optional LTD coverage to supplement the Basic LTD, providing up to 60 percent of monthly salary (calculated on a maximum annual salary cap of \$120,000) following a waiting period you select. <http://hr.uw.edu/benefits/other-insurance/long-term-disability-insurance/>

Life, Accidental Death, and Dismemberment Insurance

The University provides each eligible employee with \$35,000 of basic life insurance and \$5,000 basic AD&D insurance at no cost. You also have the option to purchase additional insurance up to \$500,000 with no Medical Evidence of Insurability, and to a maximum of \$1,000,000 with Medical Evidence of Insurability. If you enroll in optional life insurance you may apply for amounts of optional life insurance for your spouse or state registered domestic partner and/or children.

Retirement

Retirement Plans

Participate in one of two Public Employee Retirement System (PERS) plans offered by the Washington State Department of Retirement Systems (DRS). With PERS 2, your entire retirement benefit is defined by a formula and contributions are subject to periodic rate adjustments by the state legislature.

PERS 3 is a hybrid retirement plan that combines a traditional pension plan with investment options that work like a typical retirement plan, such as a 401(k).

Contributions to both plans are tax-deferred. If you have prior State of Washington retirement history this will affect your retirement plan options. You can find out more information on both plans here: <http://hr.uw.edu/benefits/retirement-plans>

Voluntary Investment Program

Add to your retirement portfolio with the Voluntary Investment Program (VIP), an optional, unmatched retirement savings plan under Section 403(b) of the federal tax code. Use the VIP to tap into the tax advantages of pre-tax contributions, make Roth after-tax contributions to create a tax-free account for retirement, or use both contribution types. <http://hr.uw.edu/benefits/retirement-plans/optional-retirement-plans/uw-voluntary-investment-program/>

Deferred Compensation Program

Washington State Deferred Compensation Program (DCP) is an additional optional, unmatched retirement savings program under IRC 457(b). New employees will automatically be enrolled in DCP three months after their start date. DCP contributions are deducted pre-tax, and the earnings grow tax-deferred. UW employees may participate in both VIP and DCP in the same tax year at the same time. <http://hr.uw.edu/benefits/retirement-plans/optional-retirement-plans/deferred-compensation>
