Insurance

Eligibility

You are eligible for Public Employees Benefits Board (PEBB) insurance benefits when appointed to a classified staff position with at least an average of 80 hours per month (480 hours) for more than 6 consecutive months. Classified staff refers to positions that are either governed by a labor contract ("contract classified") or administered by the UW, in accordance with State Human Resources rules. Insurance benefits generally begin the first of the following month. However, if an eligible appointment begins on the first business or calendar day of the month, eligibility begins on that day.

Maintaining Eligibility

After initial insurance eligibility is established, you must be paid for at least 8 hours in a month in a non-student position in order to maintain PEBB insurance benefits.

If a separation is processed or you have a break in service of one calendar month, eligibility ends and must be re-established. Learn more at: <http://hr.uw.edu/benefits/health-insurance/eligibility-for-insurance/>

Medical Insurance

Eligible employees may choose from several health plans, all of which are listed here: <http://hr.uw.edu/benefits/health-insurance/compare-plans>

Medical Flexible Spending Account (Medical FSA)

If you choose a non CDHP medical plan, you have the option to contribute to a tax-exempt Medical FSA. The Medical FSA allows you to save money on eligible health expenses. <http://hr.uw.edu/benefits/more-ways-to-save/fsa-tax-savings-for-medical-costs/>

Limited Purpose Flexible Spending Account (LFSA)

You can contribute to a LFSA while participating in any medical plan. However, you cannot participate in both a Medical FSA and an LFSA in the same year. The LFSA allows you to save money on eligible dental and vision expenses. <https://hr.uw.edu/benefits/more-ways-to-save/limited-purpose-fsa/>

Dental Insurance

Choose from two managed care plans and one preferred provider plan. Dental premiums for you and your eligible dependent(s) are fully paid by the UW. <https://hr.uw.edu/benefits/insurance/health/plans/dental/>

Vision Insurance

Life, Accidental Death, and Dismemberment Insurance

You also have the option to purchase additional insurance up to \$500,000 with no Medical Evidence of Insurability, and to a maximum of \$1,000,000 with Medical Evidence of Insurability. If you enroll in optional life insurance you may apply for amounts of optional life insurance for your spouse or state registered domestic partner and/or children. <https://hr.uw.edu/benefits/insurance/other/life-insurance-accidental-death-dismemberment/>

Retirement

Retirement Plans

Participate in one of two Public Employee Retirement System (PERS) plans offered by the Washington State Department of Retirement Systems (DRS). With PERS 2, your entire retirement benefit is defined by a formula and contributions are subject to periodic rate adjustments by the state legislature.

PERS 3 is a hybrid retirement plan that combines a traditional pension plan with investment options that work like a typical retirement plan, such as a 401(k).

Contributions to both plans are tax-deferred. If you have prior retirement history this will affect your retirement plan options. <http://hr.uw.edu/benefits/retirement-plans>

Voluntary Investment Program

Add to your retirement portfolio with the Voluntary Investment Program (VIP), an optional, unmatched retirement savings plan under Section 403(b) of the federal tax code. Use the VIP to tap into the tax advantages of pre-tax contributions, make Roth after-tax contributions to create a tax-free account for retirement, or use both contribution types. <http://hr.uw.edu/benefits/retirement-plans/optional-retirement-plans/uw-voluntary-investment-program/>

Deferred Compensation Program

Washington State Deferred Compensation Program (DCP) is an additional optional, unmatched retirement savings program under IRC 457(b). New employees will automatically be enrolled in DCP three months after their start date. UW employees may participate in both VIP and DCP in the same tax year at the same time. <http://hr.uw.edu/benefits/retirement-plans/optional-retirement-plans/deferred-compensation>
