

W UNIVERSITY of WASHINGTON

Summary of Benefits for Classified Staff in Nonpermanent and Intermittent Positions and Classified and Civil Service Exempt Staff in Regular Less Than Half-Time Positions

University of Washington (UW) employees, who are anticipated to work an average of at least 80 hours per month and are anticipated to work for at least eight hours in each month for more than six consecutive months are eligible for UW employer-paid Public Employees' Benefits Board (PEBB) insurances provided they meet the definition of eligibility found in [WAC 182-12-114](#). If eligible, you can choose from top medical and dental insurance programs; plan for your future with tax-deferred investing through the UW retirement options; and protect yourself and your family with life and long-term disability insurance. For more information, follow the links shown below or explore the Benefits website at <http://hr.uw.edu/benefits/>

Insurance

Eligibility

You can establish PEBB insurance eligibility in one of two ways:

1. The appointment you are offered meets the eligibility criteria, in which case your eligibility begins when the appointment begins:
OR
2. Your work will be tracked by the Integrated Service Center and once you cross the eligibility threshold, you will be notified of your eligibility through Workday.

Insurance benefits generally begin the first of the following month. However, if an eligible appointment begins on the first business or calendar day of the month, eligibility begins on that day. See the eligibility rules at: <http://hr.uw.edu/benefits/health-insurance/eligibility-for-insurance/>

Maintaining Eligibility

After initial insurance eligibility is established, you must be paid for at least 8 hours a month in a non-student position in order to maintain PEBB insurance benefits.

If a separation is processed or you have a break in service of one calendar month, eligibility ends and must be re-established. Learn more at: <http://hr.uw.edu/benefits/health-insurance/eligibility-for-insurance/>

Medical Insurance

Eligible employees may choose from several health plans, all of which are listed here: <https://hr.uw.edu/benefits/insurance/health/eligibility-for-insurance/>

Dental Insurance

Choose from two managed care plans and one preferred provider plan. Dental premiums for you and your eligible dependent(s) are fully paid by the UW. <https://hr.uw.edu/benefits/insurance/health/plans/dental/>

Medical Flexible Spending Account (Medical FSA)

Limited Purpose Flexible Spending Account (LFSA)

Retirement

Eligibility

Staff who work at least 70 hours over any five (5) months within a 12-month period may meet the Washington State Public Employees Retirement System (PERS) Plan eligibility requirements.

Retirement Plans

Participate in one of two Public Employee Retirement System (PERS) plans offered by the Washington State Department of Retirement Systems (DRS). With PERS 2, your entire retirement benefit is defined by a formula and contributions are subject to periodic rate adjustments by the state legislature.

PERS 3 is a hybrid retirement plan that combines a traditional pension plan with investment options that work like a typical retirement plan, such as a 401(k).

Contributions to both plans are tax-deferred. If you have prior State of Washington retirement history this will affect your retirement plan options. You can find out more information on both plans here: <http://hr.uw.edu/benefits/retirement-plans>

Voluntary Investment Program

Add to your retirement portfolio with the Voluntary Investment Program (VIP), an optional, unmatched retirement savings plan under Section 403(b) of the federal tax code. Use the VIP to tap into the tax advantages of pre-tax contributions, make Roth after-tax contributions to create a tax-free account for retirement, or use both contribution types. <http://hr.uw.edu/benefits/retirement-plans/optional-retirement-plans/uw-voluntary-investment-program/>
