PART 2 – Medical Facts: *To Be Completed by Family Member's Health Care Provider*

Our employee is requesting leave from work and/or a modified work schedule under the Family and Medical Leave Act (FMLA) to care for a family member who is your patient. Please provide the information requested below so that we can process our employee's leave request. Only provide information regarding the condition(s) that relate to your patient's need for care from another person.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. 'Genetic information' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
