## **PREAMBLE**

This Agreement is made by and between the Board of Regents of the University of Washington, hereinafter referred to as the "Employer" and SEIU Healthcare 1199 Northwest, hereinafter referred to as the "Union" representing certain employees of Harborview Medical Center.

## **ARTICLE 1 – PURPOSE**

The purpose of this Agreement is to set forth certain terms and conditions of employment and to provide improved patient care by promoting equitable employment relations and conditions. In the spirit of cooperation, the Union and the Employer are committed to proceeding with all negotiations in a cooperative manner and as expeditiously as practical.

## **ARTICLE 2 – NONDISCRIMINATION**

- 2.1 The parties individually agree that they will not engage in any act or practice or pursue any policy which is discriminatory against any employee who may be a qualified disabled individual, status as a protected veteran (disabled veteran, recently separated veteran, active duty wartime or campaign badge veteran, or Armed Forces service medal veteran), military status, or because of age, sex, sexual orientation, gender identity or expression, genetic information, pregnancy, political affiliation, political belief, marital status, race, national origin, color, creed, religion, or membership or non-membership in a union. Unlawful harassment is included as a form of prohibited discrimination.
- 2.2 Sexual Harassment. No employee shall be subjected to discrimination in the form of sexual harassment, currently defined in the University of Washington Policy Directory as the use of one's authority or power, either explicitly or implicitly, to coerce another into unwanted sexual relations or to punish another for his or her refusal, or as the creation by a member of the University community of an intimidating, hostile, or offensive working or educational environment, through verbal or physical conduct of a sexual nature.
- 2.3 Complaints. Employees who feel they have been the subject of discrimination, harassment, or retaliation are encouraged to discuss such issues with their supervisor, administrator, or Human Resource Consultant for local resolution. The goal of local resolution is to address and resolve problems as quickly as possible and to stop any inappropriate behavior for which a member of the University community is responsible.

A formal complaint may be filed with the University Complaint Investigation and Resolution Office (UCIRO). Employees may also file discrimination, harassment or retaliation complaints with appropriate federal or state agencies or through the grievance process in accordance with Article 6 of this Agreement. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, harassment or retaliation, with mutual agreement the grievance may be suspended until the internal complaint process has been completed.

In accordance with Executive Order 31, retaliation against any individual who reports concerns regarding discrimination or harassment, or who cooperates with or participates

in any investigation of allegations of discrimination, harassment, or retaliation is prohibited.

Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.

### **ARTICLE 3 – REASONABLE ACCOMMODATION OF EMPLOYEES WITH DISABILITIES**

- 3.1 The Employer and Union will comply with all relevant federal and state laws, regulations and executive orders and with the provisions of the Employer's policy in providing reasonable accommodations. The University and the Union are committed to providing reasonable accommodation to employees with disabilities.
- 3.2 An employee who believes that he or she suffers a disability and requires a reasonable accommodation to perform the essential functions of his or her position may request such an accommodation by filling out the Disability Accommodation Request form or otherwise informing the employee's supervisor of the need for accommodation.
- 3.3 Employees requesting accommodation must cooperate with the University in discussing the need for and possible form of any accommodation. The Employer may require supporting medical documentation and may require the employee to obtain a second medical opinion at Employer expense. Medical information disclosed to the Employer will be kept confidential.
- 3.4 The Employer will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided.
- 3.5 An employee who is unable to perform the essential function of his/her position due to disability may be separated from service after the Employer has made good faith efforts to reasonably accommodate the employee's disability in accordance with applicable state and federal law. Disability separation is not a corrective action.
- 3.6 An employee who is unable to perform the essential function of his/her position may be provided a leave of absence in accordance with 3.7 as an accommodation.
- 3.7 Disability Leave. Disability leave may be a combination of the employee's accrued sick leave, vacation leave, personal holiday, compensatory time, and/or leave without pay, the combination of which may be determined by the employee. If disability leave is taken as leave without pay, the employee may apply eight (8) hours of accrued paid leave per month during the nine (9) months of disability leave to provide for continuation of employer paid health benefits. The interspersed paid leave will be applied to the first working day of the month. Periods of disability leave covered by the FMLA shall be deducted from the nine (9) month period of eligibility to intersperse paid leave.

#### **ARTICLE 4 – RECOGNITION/EMPLOYER**

- 4.1 The Employer recognizes the Union as the sole and exclusive bargaining representative in all matters establishing and pertaining to wages and salaries, hours, and working conditions for all employees of the University of Washington in bargaining units certified by the Washington Personnel Resources Board, the Public Employment Relations Commission and/or the Department of Labor and Industries under the jurisdiction of RCW 28B.16 and 41.80. The composition of these units is as set forth in Appendix I of this Agreement – Bargaining Units Represented by the Service Employees International Union Healthcare 1199NW.
- 4.2 "Employer" is the Board of Regents of the University of Washington acting for Harborview Medical Center through its agents, administrators and supervisors as determined by the Board of Regents.

#### **ARTICLE 5 – AFFIRMATIVE ACTION**

Applicable Law. The Union and the Employer agree to abide by and support the applicable statutory and administrative laws pertaining to equal opportunity and elimination of employment inequities.

#### **ARTICLE 6 – GRIEVANCE PROCEDURE**

- 6.1 Definition. A grievance within the meaning of this Agreement shall be defined as any alleged misapplication or misinterpretation of the terms of this Agreement, and/or the Employer's written personnel rules and policies.
- A grievant, within the meaning of this Agreement, shall be defined as an employee(s) within a bargaining unit covered by this Agreement, who alleges a grievance, or the Union alleging a grievance, under the terms and conditions of this Agreement.
- 6.2 Noninterference. Employees shall be free from restraint, interference, coercion, discrimination or reprisal in seeking resolution of their grievance when processed in accordance with this procedure.
- 6.3 Application of the Grievance Procedure. This grievance procedure shall be available to all employees covered by this Agreement subject to the following:
- (a) Concerns regarding performance evaluations may be filed as a grievance and processed only through Step 2 of this procedure.
  - (b) Concerns regarding Health and Safety (Article 31.2 and 31.3) shall be resolved following the provisions of Sections 31.2 and 31.3.
  - (c) Concerns regarding corrective action may be filed as a grievance and processed per the grievability/arbitrability language in Article 36.4.

- 6.4 Union Delegates. The Employer recognizes the right of the Union to designate Union Delegates who shall be authorized to take up employee or group grievances through the grievance procedure.

A Union Delegate who is a bargaining unit employee and is processing a grievance in accordance with the grievance procedure shall be permitted a reasonable time to assist in the resolution of legitimate employee grievances on the Employer's property without loss of pay. Such time off for processing grievances shall be granted by supervision following a request, but in consideration of any job responsibilities.

- 6.5 Time Limits. An extension of the time limitations as stipulated in the respective steps below, may be obtained by mutual consent of the parties. Failure of the Employer to comply with the time limitations due to negligence shall establish the right of the grievant to process the grievance to the next step or to submit the grievance to the next step. Failure of the grievant to comply with the time limitations due to negligence on his/her part shall constitute withdrawal of the grievance. A grievance may be withdrawn at any time, in writing to the Employer, by the grievant. Withdrawal of a grievance shall close the matter, and it shall not be resubmitted.

- 6.6 Pay Status. An aggrieved employee and the Union Delegate shall be in a pay status during those working hours in which a grievance, a grievance mediation, or an arbitration hearing is held. Release time for additional employee representation shall be subject to approval by the Labor Relations Officer or designee when a group grievance is filed.

- 6.7 Employee Representation. The Union is the official representative for any individual employee or group of employees filing a grievance who wish to be represented. Individual employees or groups of employees who choose not to be represented by the Union may present grievances to management through Step Two of the grievance procedure only. Such grievances may be adjusted by management so long as the adjustment is not inconsistent with the collective bargaining agreement and the Union has had an opportunity to review such adjustments.

- 6.8 Procedure. The following shall be the formal grievance process. The parties are encouraged to meet informally to resolve issues that may be potential grievances at the lowest possible level of supervision. Such informal meetings will not be considered a step of the grievance process and will not stop the grievance timelines. If requested by the employee, a Union representative may be present.

Step One - Administrative. It is the desire of both the Employer and the Union that grievances be adjusted informally whenever possible. If an employee or the Union wishes to file a grievance, such grievance must be filed within thirty (30) calendar days from the date the grievant is aware that a grievance exists. The grievance shall be in written form with a complete description of the alleged grievance, the date it occurred, the specific article(s) and section(s) of the contract, or Employer policy or rule alleged to have been violated and the remedy sought. A copy of the grievance will be sent to the Medical Center's Human Resources Office. The parties will schedule a grievance meeting within ten (10) calendar days of filing. If requested by the grievant, a representative or delegate may be present. The University will be represented by a manager with the authority to adjust the issues raised in the grievance and a representative from the Medical Center's Human Resources Office. The University will respond in writing within ten (10) calendar days of the meeting.

Step Two - Review. If a satisfactory settlement is not reached within the required time period above, the employee and/or representative may submit the written grievance to Step Two within fourteen (14) calendar days after the decision at Step One. A copy of the grievance will be sent to the Medical Center's Human Resources Office and the Office of Labor Relations. The second step review meeting shall occur within ten (10) calendar days. The grievance review meeting shall include the grievant, the grievant's representative or delegate, the head of the unit or designee, and representatives from the Medical Center's Human Resources Office and the University's Labor Relations Office. The University will respond in writing within ten (10) calendar days of the meeting. If a satisfactory settlement is not reached, the employee or representative may submit the written grievance to Step 3 within fourteen (14) calendar days.

Step Three - Mediation/Arbitration. The written grievance may be submitted by the Union within fourteen (14) calendar days after the Step 2 decision to the PERC for mediation.

If mediation fails to resolve the grievance, the grievance may be submitted by the Union to arbitration. Such submittal must be within fourteen (14) calendar days from any of the following: the mediator's impasse report, a written declination by a party to mediate, or the Step Two response if neither the Union nor the Employer requested mediation. The submittal must be in writing and served on the other party.

The parties agree to establish a permanent panel of ten (10) arbitrators. These arbitrators shall be assigned cases by the parties on a rotating basis. If the arbitrator is not available to hear the case within ninety (90) calendar days of the decision by either party to go to arbitration, the parties may contact the next arbitrator in the rotation. If no arbitrator can hear the case within ninety (90) calendar days, the case will be assigned to the arbitrator who can hear the case on the earliest date. If an individual arbitrator decides to remove his/her name from the panel or if one or more members of the panel are not continued by either party, the parties will meet to decide whether to substitute an additional name(s).

No later than seven (7) working days prior to the scheduled arbitration meeting, the parties will submit questions of arbitration eligibility to the arbitrator for preliminary determination, share the name of each witness intending to testify at the hearing, and attempt to agree upon the issue statement. A copy of written materials submitted to the arbitrator will be provided to the opposing party.

The parties agree that the arbitrator shall have no power to render a decision that adds to, subtracts from, alters or modifies in any way the terms and conditions of the Agreement. The parties further agree that the decision of the arbitrator will be final and binding upon all parties. The Union or the Employer will have the right to request the arbitrator to require the presence of witnesses and/or documents. The arbitrator's decision shall be made in writing and the arbitrator shall be encouraged to render the decision within thirty (30) calendar days of the close of the arbitration.

## **ARTICLE 7 – UNION DUES DEDUCTION**

- 7.1 **Dues Deduction.** The Employer shall provide for payroll deduction of uniform union dues for employees in the bargaining units on the monthly payroll upon written authorization by the individual employee. Recognized payroll deduction authorization cards which are submitted to the Employer's Payroll Office by the 15th day of the month shall become effective as of the first day of the same month.

Employees who move to a position in another bargaining unit represented by the Union will have their Union deduction continued when it is a condition of employment in the new position. When an employee covered by this contract moves to a position that is not covered by this contract, fees deducted on behalf of the Union will cease.

Semi-monthly the Employer's Payroll Office will transmit the total deducted amount of dues money to the Union's office together with a list of current members on dues deduction together with any additions and deletions for that month.

The Union will provide the Employer thirty (30) days advance notice of a change in the amount of dues or fees.

- 7.2 **Indemnification.** The Union and each employee authorizing the assignment of wages for the payment of Union dues hereby undertakes to indemnify and hold the University harmless from all claims, demands, suits or other forms of liability that may arise against the University for or on account of any deductions made from the wages of such employees.

- 7.3 **Rosters.** On a monthly basis the Employer shall provide to the Union an electronic list of new employees, terminated employees, and employees moving into the bargaining units. The list will include the employee's name, appointing department, home department, job class, FTE status, employment date, mailstop and employee identification number.

On a quarterly basis the Union will be provided with an electronic list of all bargaining unit employees. The list shall include the employee's name, employee identification number, appointing department, home department (unit or base), job class, FTE status, employment date and mail stop.

On a quarterly basis, the Union will be provided a list of the home addresses of bargaining unit employees.

- 7.4 **Contract Distribution.** The Employer will provide all current and new employees with a link to the new Agreement. Each department or unit will maintain a paper copy of the contract accessible to all employees.

- 7.5 **Union Shop.** The Employer shall notify each employee hired into the bargaining units of the Union shop requirement. The Union shop requirement will be defined as the obligation, beginning no later than the 30<sup>th</sup> day following the beginning of employment, to become a member of the Union and pay membership dues, pay an agency fee equal to membership dues, pay a representation fee established by the Union in accordance with applicable law, or pay a nonassociation fee (see Article 7.7-Nonassociation Fee Process).

Failure by an employee to abide by the aforementioned provision of this Article shall constitute just cause for discharge. The Employer, however, has no duty to act until the Union makes an appropriate written request for discharge and verifies (by forwarding to the Employer a copy of the written notification to the employee) that the employee received written notification from the Union regarding violation of Union shop requirements. Written notification to the employee from the Union shall indicate the amount owing, method of calculation if appropriate, and that non-payment will result in discharge by the Employer.

- 7.6 Voluntary Political Action Fund Deduction. During the term of this Agreement, the Employer shall deduct the sum specified from the pay of each member of the Union who voluntarily executes a political action contribution wage assignment authorization. When filed with the Employer, the authorization form will be honored in accordance with its terms. The amount deducted and roster of all employees using payroll deduction for voluntary political action contributions will be promptly transmitted to the Union by a separate check payable to its order. Upon issuance and transmission of a check to the Union, the Employer's responsibility shall cease with respect to such deductions. The Union and each employee authorizing the assignment of wages for the payment of voluntary political action contributions hereby undertakes to indemnify and hold the Employer harmless from all claims, demands, suits or other forms of liability that may arise against the Employer for or on account of any deduction made from the wages of such employee.

The parties recognize that the Union is obligated under the Federal Election Campaign Act (FECA) to reimburse UW for its reasonable cost of administering the COPE check off in the parties' Collective Bargaining Agreement. The Employer and the Union agree that one-quarter of one percent (.25%) of all amounts checked off is a reasonable amount to cover the Employer's costs of administering this check off. Accordingly, the parties agree that the Employer will retain one-quarter of one percent (.25%) of all amounts deducted pursuant to the COPE check off provision in the parties' Collective Bargaining Agreement to reimburse the Employer for its reasonable costs of administering the check off.

- 7.7 Non-association Fee Process. An employee who asserts a right of nonassociation, based on bona fide religious tenets or teachings of a church or religious body of which the employee is a member, will, as a condition of employment, pay a fee to either the Union's Fund (used to further the education of Union members and nonassociation status employees and their family members) or to a nonreligious charity or charities selected by the Union. The amount of the fee will be equal to the amount of regular dues. The employee will not be a member of the Union but is entitled to all the representation rights of a member of the Union.

- a. The employee will contact the Union, in writing, with his/her request for nonassociation. The request will contain the employee's name, address, the name and address of the church or religious body of which the employee is a member and the minister's/pastor's name. The Union will contact the church or religious body to verify that belonging to a Union is violation of a bona fide religious tenet or teaching of such church or religious body. Upon verification, the employee will be granted the right of nonassociation.
- b. Notwithstanding an employee's claim of exemption under this Section, the Employer will deduct the agency shop fee from the employee's salary pursuant to this Article.

## **ARTICLE 8 – EMPLOYEE FACILITIES**

Employee Facilities. Restrooms and attendant facilities shall be provided as required in the orders and regulations of the State of Washington Department of Labor and Industries. A good faith effort will be made by the Employer to provide facilities for employees' personal belongings.

## **ARTICLE 9 – HOURS OF WORK AND OVERTIME**

- 9.1 Work Day. The standard work day for an employee assigned to the first, second, or third shifts, shall consist of eight (8) hours work to be completed within eight and one-half (8-1/2) consecutive hours with a thirty (30) minute meal period on the employee's own time if relieved of his/her duties during this period. Employees required to remain on duty during their meal period shall be compensated for such time at the appropriate rate of pay.

Employees in the bargaining units shall be granted a fifteen (15) minute rest period within each four (4) hour period in accordance with state law. An employee who does not receive a rest period will be compensated at the appropriate rate of pay for each missed rest period.

Employees are expected to make a good faith effort to communicate with the appropriate shift charge or lead to problem solve so that they can help facilitate a rest and meal break. A missed rest break or meal period not documented in Kronos or in the exception log will be considered as taken for the purposes of this section. Other work schedules may be instituted in the future which would be mutually acceptable to supervision and the employees concerned.

- 9.2 Work Week/Period. A standard work week shall consist of forty (40) hours of work within seven (7) days, or eighty (80) hours within a fourteen (14) day period according to mutual agreement between the Employer and individual employee.
- 9.3 Overtime. Both the Employer and Union concur that overtime shall be minimized. In case overtime is required by supervision, volunteers will be sought first when practicable. Time worked beyond the regularly scheduled shift in one day, the standard week in one seven (7) day period, or eighty (80) hours within a fourteen (14) day period as defined above shall be considered overtime. Sick leave paid for will not count toward the calculation of overtime.

All time which is compensated at a rate of time and a half (1 ½) the rate of pay will be considered overtime whether or not such compensation is characterized as overtime or premium pay. There shall be no pyramiding or duplication of overtime pay or premium pay paid at the rate of time and one-half (1 ½).

Overtime work must be approved in advance by the Employer and shall be paid at the rate of one and one-half times the employee's straight time hourly rate, or double time for registered nurses as appropriate.

The straight-time hourly rate of pay shall include shift differential.

As an option to wage payment above, an employee may request to accrue compensatory time on the basis of one and one-half the amount of overtime worked, or double time for registered nurses as appropriate. The Employer will allow the accrual of up to forty (40) hours of compensatory time calculated on a rolling basis. The Employer will consider special circumstances when deciding whether or not to grant the accrual of compensatory time in excess of forty (40) hours (e.g. advanced knowledge that an employee will be taking a long-term leave in the near future and the accrued time would be used to cover for all or part of that leave). This is not intended to upset any formal department policies regarding the accrual and use of compensatory time that exceed this unless there is agreement to do so. Accrued compensatory time will be scheduled off in a manner similar to the scheduling of vacation days requested off.

The grace period shall be seven (7) minutes before/after the scheduled shift.

**Health Care Specialists and Social Workers.**

Health care specialists and social workers may select one of two methods for the purpose of calculating overtime payment.

**Option 1: Fixed scheduled shift and hours.**

Employee will accrue overtime for hours worked in excess of scheduled shift. The employee is eligible for daily OT or comp time at 1 ½ accrual rate. Employee cannot adjust scheduled hours without approval of HMC supervisor.

**Option 2: Adjustable shift.**

Employee will accrue overtime for hours worked in excess of 80 hours in the 80 hour work period. The employee is not eligible for daily OT or comp time at 1 ½ accrual rate unless hours worked exceed 80 hours in an 80 hour work period. Employee may adjust scheduled hours within the 80 hour work period in accordance with patient and departmental needs.

The employee may change from one option to the other with written notice to the manager/supervisor and the payroll coordinator at least four weeks before the beginning of the next payroll pay period.

- 9.4 **Work Schedules.** The Employer shall plan and post a four (4) week schedule at least two (2) weeks prior to the beginning of that four (4) week schedule. Schedule requests shall be submitted to the Nurse/Department Manager no later than three (3) weeks before the schedule is posted. Prior to the schedule being posted, factors such as staff requests, unexpected leaves of absence or terminations may affect the approval of schedule requests. After the schedule is posted, an individual employee's schedule may be changed only by mutual agreement between the supervisor and employee concerned.

The Employer will maintain the existing schedule posting process. Any changes to the schedule posting process will be made in accordance with Article 40 Mandatory Subjects.

- 9.5 **Weekends - Registered Nurses/Social Workers/Health Care Specialists/Leads:** The Employer will make a good faith effort to schedule all employees to every other weekend off, or to two weekends off out of four successive weekends. Except in emergency situations, all such employees shall be scheduled as stated above. However, in the event any employee agrees to work on an unscheduled weekend all time worked on the unscheduled weekend shall be paid at the rate of time and one-half (1 ½) the regular rate

of pay. Time worked on the next regularly scheduled weekend shall be at the employee's regular rate of pay. The weekend shall be defined for first (day) and second (evening) shift personnel as Saturday and Sunday. For third (night) shift personnel, the weekend shall be defined as Friday night and Saturday night. This section shall not apply to employees who request more frequent weekend duty or who request weekend work on a continuous basis, or who trade single or double days on the weekend.

- 9.6 Shift Rotation. Required scheduled shift changes shall be limited to three (3) per month with at least twenty-four (24) hours off between changes. The Employer will make a good faith effort to limit required shift changes to two (2) per month. A scheduled shift change shall be defined as a change of working hours in which a majority of working time occurs in a different shift. For purposes of this section, shifts are defined as days, evenings or nights. Management will make a good faith effort not to create new rotating shift positions.

Article 9.6 does not apply to Imaging Technologist Supervisors or employee initiated or requested rotating shift schedules.

- 9.7 Double Shifts. In the event double shifting is necessary, it will occur through mutual agreement between the employee and supervision.
- 9.8 Work in Advance of Shift. When an employee at the request of the Employer, reports for work in advance of the assigned shift and continues working through the scheduled shift, all hours worked prior to the scheduled shift shall be paid at one and one-half (1-1/2) times the employee's regular rate.
- 9.9 Rest Between Shifts – Registered Nurses. A good faith effort shall be made to provide an unbroken period of at least twelve hours off work between scheduled shifts, unless an individual nurse's request for variation to this is approved by supervision. Nurse(s) regularly scheduled to work eight or nine hour shifts will qualify for Rest Period Premium Pay if they do not receive an unbroken rest period of twelve hours between scheduled shifts. Nurses regularly scheduled to work ten or twelve hour shifts will qualify for Rest Period Premium Pay if they do not receive an unbroken rest period of ten and one-half hours between scheduled shifts.

Social Workers/ Health Care Specialists/ Electroneurodiagnostic Technologists/ Respiratory Therapists. A good faith effort shall be made to provide an unbroken period of at least twelve (12) hours off work between scheduled shifts, unless an individual employee request for variation to this is approved by supervision. Employees regularly scheduled to work eight (8) or nine (9) hour shifts will qualify for Rest Period Premium Pay if they do not receive an unbroken rest period of twelve (12) hours between scheduled shifts. Employees regularly scheduled to work ten (10) or twelve (12) hour shifts will qualify for Rest Period Premium Pay if they do not receive an unbroken rest period of ten and one-half (10-1/2) hours between scheduled shifts. In the event an employee is scheduled without the appropriate rest between shifts as specified above, all time worked within the specified rest period (twelve [12] hours or ten and one-half [10-1/2 hours]) shall be paid at time and one-half (1-1/2).

**ARTICLE 10 – BARGAINING UNIT CLASSES/DEFINITIONS**

- 10.1 New Graduate/Returning Nurse: A registered nurse whose clinical experience after graduation is less than twelve (12) months, or a registered nurse who is returning to practice with no current clinical training or experience. Such nurses shall be assigned as a team member under the close and direct supervision of a qualified nurse and shall be responsible for the direct care of a limited number of patients. This assignment shall not exceed six (6) continuous months unless extended for an additional three (3) months when mutually agreed to by the Employer and individual nurse involved. Nurses working under close and direct supervision shall not be assigned charge duty or as a team leader without a staff nurse being present in the unit except in cases of emergency.

- 10.2 Full-Time Employees. An employee who is classified staff and is regularly scheduled on a forty (40) hour week in a seven (7) day period, or an eighty (80) hour week schedule in a fourteen (14) day period.

For Airlift Northwest Bargaining Unit Members – an employee who is classified staff and is regularly scheduled two hundred and forty (240) hours in a six (6) week period.

- 10.3 Part-Time Employees. An employee who is classified staff and who is regularly scheduled to work a minimum of twenty (20) hours in a seven (7) day period or forty (40) hours in a fourteen (14) day period. Such employees receive prorated salaries and benefits.

14.2 Personnel File. An employee shall have access to his/her own personnel file for review in the office upon written request to the Associate Administrator for Patient Care Services or Clinic Administrator or designee or appropriate Department Director or designee. The Employer may remove any documents in a probationary employee's file which were obtained through assurances of confidentiality to a third party at the time of original appointment.

Upon request of an employee who has achieved permanent status, the Employer or designee will remove pre-employment reference statements from the employee's personnel file(s).

The employee shall be sent a copy of any adverse material placed in the official or departmental file. Notes or files kept by managers regarding staff shall not be shared with others unless shared with the employee first and shall not be kept more than three years. The employee shall have the right to have placed in any of the above files a statement of rebuttal or correction of information contained in the file within a reasonable period of time after the employee becomes aware that the information is in the file. Performance evaluations will be removed from the departmental file three years after the date of completion.

A copy of the evaluation shall be given to the employee.

- 14.5 Uniforms/Clothing Damage. The Employer will reimburse employees for personal uniforms or work clothing irreparably damaged or torn by patients. Such reimbursement shall be based on estimated current value of clothing damaged.

Airlift Northwest Equipment – See Article 47 - Airlift Northwest #1 “Equipment” for equipment that will be issued to Airlift Northwest Registered Nurses.

- 14.6 Employee Assistance. The Employer and the Union recognize that alcoholism and chemical dependency are chronic and treatable conditions. Efforts should be made to identify these conditions and treatment options established at an early stage to prevent or minimize erosion in work performance. The Employer and the Union will encourage and support employees' participation in appropriate programs including the UW Care Link services, through which employees may seek confidential assistance in the resolution of chemical dependency or other problems which may impact job performance.

No employee's job security will be placed in jeopardy as a result of seeking and following through with corrective treatment, counseling or advice providing that the employee's job performance meets supervisory expectations.

- 14.7 Floating. Employees required to float within the hospital inpatient or outpatient settings will receive adequate orientation. Appropriate resources will be available as follows:

Employees shall not be required to perform new procedures without appropriate supervision. Employees shall seek supervisory guidance for those tasks or procedures for which they have not been trained. Employees who encounter difficulties related to floating should report these to the appropriate supervisor/manager.

There will be no adverse consequences for an employee filing a concern.

See also Article 45.13 regarding charge nurse duties when floating. New Graduate/Returning employees will normally not be floated unless their unit is closed. In this case they will be assigned a specific preceptor or resource employee to provide close and direct supervision. A record of the order of floating will be maintained on the unit for a reasonable period of time.

Employees accepting or requesting employment of either separate part-time positions or assignment in specific multiple departments will be notified in writing in their appointment letters that they are not eligible for float pay for this assignment. It is not the employer's intent to create split positions for the purpose of minimizing part-time employment or float pay.

- 14.8 Float Pools - Nurses. The Union and the Employer recognize the value of trained float pools to assist in providing the additional RN staff required to meet the acuity of the patients on the unit, the census/volume and to cover vacations, continuing education contract committees and unscheduled absences.

Airlift Northwest will discuss usage of float pool through the Joint Labor Management process.

- 14.9 Travel Pay. Any employee required by the Employer to travel to a place of work other than his/her regular official duty station shall be reimbursed for travel costs, if eligible, in accordance with University policy.

Upon request to their immediate supervisor, records shall be readily available for employees to determine their number of hours worked, rate of pay, sick leave accrued and vacation accrued.

- 14.11 Staff Meetings. Staff meetings normally will take place on a regular basis. Minutes will be shared with staff. All employees required to attend these meetings will do so on paid time. Employees will be provided at least two weeks’ notice of meetings that are pre-planned.

For Airlift Northwest Registered Nurses attendance at mandatory staff meetings will be paid at straight time. Such attendance will not count toward the calculation of overtime.

- 14.12 Delegation of Nursing Care. The Union and the Employer acknowledge that the professional nurse is responsible for determining the competency and skill of all persons to whom they delegate a task. The nurse may determine not to delegate such tasks in accordance with the Nurse Practice Act.

- 14.13 Staffing Practices. The Employer and the Union recognize that implementing a joint labor/management partnership for determining staffing produces a more satisfying work environment that ensures that patients receive quality care and that there is recruitment and retention of registered nurses. The use of evidence-based nurse staffing can help achieve that outcome.

RN and other patient care staffing levels for each department/ unit/clinic/work area, including overflow areas, shall be based on the acuity of the patients on the unit, the Hospital and the unit's census/volume, the skill of the personnel on the unit, and the magnitude/variety of the activities needed that shift, including but not limited to discharges, admissions, transfers, patient and family education/teaching, patient transports and use of restraints.

These criteria will be applied on a consistent basis throughout the patient care areas including inpatient, outpatient and overflow areas. Evaluation of staffing needs will be done on a shift-by-shift basis and communicated by the unit charge nurse to the staffing census office.

The employer will collect data surrounding effectiveness indicators and share the data quarterly at the Joint Labor Management committee. Examples of indicators may include: patient falls, workplace injuries, patient complaints, percentage of shifts below matrix, numbers of new orientees including students, sick time usages, float pool hours utilized, overtime hours utilized, etc. In addition, for Health Care Specialists collection of available data regarding RVU's (which incorporate the provider FTE, patient complexity, number of patient visits, etc.) will be discussed at JLM meetings. For the Airlift Northwest bargaining unit data on referral agency complaints and follow-up, flight volumes, missed flights (and reasons), response time, QA and QI and aircraft out of service will be provided to the extent such data are collected.

Employees, individually or as a group, believing there is an immediate, continuous or potential workload/staffing problem are encouraged to document the problem and bring that problem to the attention of the supervisor or nurse manager at any time throughout the fiscal year.

If concerns related to staffing or workload are not resolved through normal administrative channels and there are consistent and persistent concerns raised by staff or unit based indicators or trends reflect opportunities for improvement, a Joint Staffing Work Team will be convened to conduct a focused staffing review. The work team will be convened within thirty (30) days of the issue being presented at the Joint Labor Management Committee.

Management and the Union will solicit volunteers to participate on the work team. Representatives will include staff from all shifts appropriate to the issue(s) raised and include a charge nurse. There will be Union and Employer co-chairs for each unit committee. All issues/reviews will be shared at the Joint Labor Management committee and are not grievable.

14.14 Compliance With RCW 70.41.410-420 - Washington State Nurse Staffing Committee Law. The Union and Employer agree to comply with all relevant provisions of RCW 70.41.410-420 – Washington State Nurse Staffing Committee Law and have negotiated a process to achieve and maintain that compliance. A Nurse Staffing Committee will be composed of sixteen (16) voting members. Eight (8) will be appointed by the union, and eight (8) appointed by the employer. Additional ad-hoc members will be at the discretion of the co-chairs and will be non-voting.

1. Committee work will be considered work time. If determined appropriate by the Staffing Committee, paid time in addition to Committee meeting time may be provided for Staffing Committee members to complete their work and/or meet with clinical subgroups (units).
2. The Committee will be given all data required under RCW 70.41.410-420 as well as any other data that has been contractually agreed to that may not be covered by the law. The Committee may ask for additional data which, if available, will be provided. The Committee may also ask for specific individuals to attend for explanations regarding

data. The Committee will consider these data in its development and evaluation of the staffing plan(s).

3. The Committee will determine its chair and the quorum needed to have meetings.
4. The daily matrix and actual staffing postings will be collected and delivered to the Committee for review.
5. The employer will make a good faith effort to make available an electronic short staffing form that can be used by the Committee to evaluate staffing and make recommendations for the annual staffing plans.
6. Annually the Committee will target the late winter/early spring to complete its work regarding the development of the staffing plans and it will regularly review and evaluate the staffing plans which will be used by the employer in the budget development process.
7. The Committee will produce the hospital's annual nurse staffing plan. If this staffing plan is not adopted by the hospital, the chief executive officer shall provide a written explanation of the reasons why to the Committee.
8. The Committee's work will include overseeing the posting of the staffing plans in accordance with the law.
9. The employer may not retaliate against or engage in any form of intimidation of an employee for performing any duties or responsibilities in connection with the Committee; or an employee, patient, or other individual who notifies the Committee or the hospital administration of his or her concerns on nurse staffing.
10. The primary responsibility of the Committee shall include:
  - (a) Development and oversight of an annual patient care unit and shift-based nurse staffing plan, based on the needs of patients, to be used as the primary component of the staffing budget. Factors to be considered in the development of the plan should include, but are not limited to:

    - (ii) Level of intensity of all patients and nature of the care to be delivered on each shift;
    - (iii) Skill mix;
    - (iv) Level of experience and specialty certification or training of nursing personnel providing care;
    - (v) The need for specialized or intensive equipment;
    - (vi) The architecture and geography of the patient care unit, including but not limited to placement of patient rooms, treatment areas, nursing stations, medication

preparation areas, and equipment; and

(vii) Staffing guidelines adopted or published by national nursing professional associations, specialty nursing organizations, and other health professional organizations;

(viii) Hospital finances and resources may be taken into account in the development of the nurse staffing plan.

(b) Semiannual review of the staffing plan against patient need and known evidence-based staffing information, including the nursing sensitive quality indicators collected by the hospital;

(c) Review, assessment, and response to staffing concerns presented to the committee.

14.15 Payroll Errors. Recognizing the importance of employees receiving correct pay, the Medical Center intends to correct payroll errors as soon as possible but will correct payroll errors of \$50.00 or more within 5-7 working days.

14.16 Contracting Out. The University will not contract out work which results in the layoff of bargaining unit employees who are employed prior to the time of the execution or renewal of the contract. It is the intent of the Medical Center to minimize the employment of agency and traveler personnel. The Medical Center will continue its efforts to recruit and retain a broad base of regular full-time and part-time employees.

- 15.8 Staffing Concerns-Process for Raising and Resolving Workload and Staffing Issues. The Employer and the Union mutually recognize that fluctuation in admission rates, outpatient census, clinic flow and referrals to employees create imbalances in workload. Workload management and staffing concerns will be placed on the agenda for the Joint Labor/Management Committee.

Employees individually or as a group, believing there is an immediate, continuous or potential workload/staffing problem are encouraged to bring that problem to the attention of the supervisor or employee's manager or designee at any time throughout the fiscal year. An employee(s) that has raised staffing or workload issues with their supervisor or manager and the issue has not been resolved to the employee(s) satisfaction can bring the issue to the Joint Labor/Management Committee.

The Union may bring one representative from each of the bargaining units impacted and the Employer will bring appropriate management staff to address the issue/subject. The scope of authority of the meeting and release time for employee representatives will be treated in a manner identical to the individual bargaining unit Joint Labor Management meetings.

Family Member is defined as: the employee's spouse or same or opposite sex domestic partner, child, parent, grandparent, grandchild, sister, or brother. The remaining amount is available to the employee.
- a. For work under FMLA, the Employer may require that employees use a portion of their accrued but unused paid leave. With respect to employees who receive workers' compensation time-loss benefits, employees may elect to receive time-loss exclusively, or may elect to receive a combination of time-loss and accrued leave as provided in Article 30. If necessary, due to continued personal medical or parental leave approved beyond the FMLA period, or if the employee is not eligible for FMLA, the employee may elect to use eight (8) hours per month of accrued applicable paid leave for continuation of employer paid health insurance benefits for up to six (6) months.
- 21.4 FMLA leave may be taken intermittently or as part of a reduced work schedule when medically necessary.
- 21.5 Parental Leave. Parental leave may extend up to six (6) months, including time covered by the FMLA, during the first year after the child's birth or placement. Leave beyond the period covered by FMLA may only be denied by the Employer due to operational necessity. Extensions beyond six (6) months may be approved by the Employer.

Parental leave not covered by FMLA may be a combination of the employee's accrued vacation leave, sick leave up to thirty (30) days, personal holiday, or compensatory time, the combination of which may be determined by the employee.

- 21.6 Schedule During Continuous Leave of Absence (FMLA and Parental Leave). Employees that are placed on an approved continuous leave of absence, who do not work a Monday through Friday work schedule, will be placed on a Monday through Friday work schedule (pro-rated to their FTE) on their permanent shift- For example a 50% employee would be scheduled four (4) hours per day Monday through Friday.

- c) An employee's seniority date, probationary period or trial service period will not be affected by leave without pay taken for a reason of faith or conscience.

- 36.1 Corrective Action/Dismissal. The Employer and the Union will follow the "Corrective Action/Dismissal Process" below for all corrective action/dismissal actions in order to utilize a corrective rather than punitive approach.

No employee shall be subject to the Corrective Action/Dismissal Process except for just cause. - 36.3 Written Action Plans. Written action plans shall identify problem area(s), performance objectives and suggestions for remedying and shall include reasonable timelines for completion. At the conclusion of the counseling session, the Employer will inform the employee when the employee may reasonably expect to receive the written action plan.

- 36.4 Corrective Action/Dismissal Process. The Employer will make clear the Step of the process being conducted.

Informal Coaching, verbal counseling between employee and immediate supervisor. Supervisor may follow up in writing which may include an action plan, which shall not be placed in the employee's file.

Dismissal. Prior to dismissal, a pre-determination meeting will be scheduled to give an employee an opportunity to make his/her case before the final decision is made. The employee has the right to have a Union representative present at the pre-determination meeting. At least five (5) days prior to the meeting, the employee will be informed in writing of the reasons for the contemplated dismissal and given referenced documentation. The employee will be furnished with written notification of the outcome of the pre-determination hearing.

- 36.7 Investigations.
- A. If the Employer places an employee on administrative leave for investigatory purposes, the Employer will notify the employee prior to the onset of the leave of the subject of the investigation. At the conclusion of an investigation, where the Employer elects not to take corrective action, the employee will be provided with a notification that the investigation is completed and that no corrective action will be imposed.
  - B. Upon request of the Union, if an investigation of employee lasts longer than sixty (60) days from the date the employee was interviewed, the Employer will provide an explanation to the Union of the current status of the investigation (for example: interviews still being conducted, drafting of investigative report, waiting for analysis of data), next steps and approximate timeframe for completion.
- 36.8 Off the Job Activities. The private and personal "off the job" lifestyle and activities of an employee shall not be legitimate grounds for disciplinary action initiated by the Employer except where such lifestyle or activities constitute a direct conflict of interest as set forth in RCW 42.18 or are directly detrimental to the employee's work performance.

### **ARTICLE 37 – TEMPORARY EMPLOYEES**

- 37.1 Per Diem/Hourly Employees. Per Diem/hourly employees are temporary University employees not covered under the provisions or the terms of this labor agreement.

Per Diem/hourly employees may be used for the purpose of providing coverage during periods when regular staff are on leaves such as vacation, sick, education, parental, retention, union and all other leaves covered by the contract. Per Diem/hourly employees may also be used to provide coverage for recruitment of vacancies, orientation periods and fluctuation in census.

The employer will provide quarterly reports to the Union on the use of Per Diem/hourly employees employed during the quarter, by unit, and number of hours worked in the quarter.

- 37.2 Represented Per Diem Registered Nurses. Only the following language in this article applies to the Represented Per Diem Registered Nurses at Harborview Medical Center and shall constitute the whole agreement between the union and the University regarding these employees.

A. Job Class: Registered Nurse Bargaining Unit: (8903) Registered Nurse 2 (Per Diem)

- 37.3 Definition. The term Represented Per Diem Registered Nurse shall mean an hourly paid Registered Nurse doing SEIU 1199NW bargaining unit work for at least three hundred fifty (350) hours in the previous twelve (12) month period and who does not hold dual appointments. Once the employee works at least three hundred fifty (350) hours the employee remains a Represented Per Diem Registered Nurse until the end of the first twelve-month period in which the employee does not work at least three hundred fifty (350) hours in a twelve (12) consecutive month period from the date of hire. An employee who has not worked sufficient hours to remain a Represented Per Diem Nurse is excluded from the bargaining unit until the employee again works at least three hundred fifty (350) hours in a twelve (12) month period from the original date of hire.

- 37.4 HOURS OF WORK AND OVERTIME

The Employer will not utilize Per Diem nurses in lieu of filling a funded vacant position.

- A. Employment Information. A written form will be used to specify initial conditions of hiring (including rate of pay, unit and shift). Upon request to their immediate supervisor, employees will be given written confirmation of a change in status or separation in accordance with University of Washington policy.

- B. Minimum Work Availability. The minimum work availability for per-diem/hourly Nurses is four (4) shifts per four (4) week period. If a Nurse withdraws availability, the shift does not count towards the minimum requirement. All hourly staff, once scheduled, are expected to honor the commitment, with the exception of illness or serious emergency. If a Nurse is unable to report to work as scheduled, the nurse shall notify the Staffing Office or their Supervisor at least two (2) hours in advance of the scheduled shift.
- C. Weekend Availability Minimum. If working less than twenty (20) hours per week the requirement is two (2) weekend shifts per each four (4) week schedule period. If working more than twenty (20) hours per week the requirement is four (4) weekend shifts per each four (4) week schedule period. Weekend requirements are contingent upon unit staffing needs for weekend scheduling; weekday shifts may be substituted if that meets unit needs.
- D. Holiday Availability. In areas where staffing is required on holidays, per-diem staff are expected to commit to at least one (1) shift on the Thanksgiving Day, Christmas, or New Year holidays.
- E. Notification of cancelled shift. Failure to notify or attempt to notify staff of cancellation within the appropriate time limits will result in the employee being assigned to a unit for a minimum of two (2) hours.
- F. Hours Review. If the Union believes there is an employee classified as per-diem who been working regular full or part-time hours for a period of over twelve (12) months, may request to have their hours reviewed by the Employer.

### 37.5 COMPENSATION AND PREMIUM PAY.

All per diem hourly Nurses under this Article shall be paid an hourly rate that falls within the salary range for the job that best fits the bargaining unit work. The Employer will continue its current practices related to per diem compensation and premium pay. Per diem nurses who have worked at least 1872 hours at the regular rate of pay (equivalent to 90% FTE) in a per diem role since their last increment equivalent salary increase or since beginning their current per diem appointment (only per diem hours worked since January 1, 2013 would count toward this calculation), but no more frequently than once every twelve (12) months, may request a salary increase. If the review determines that 1872 hours were worked since the last increment equivalent salary increase, the salary increase will be granted effective the date of the request.

- A. Shift Premium. Employees assigned to work the second (3:00 pm – 11:00 pm) shift shall be paid a shift differential in accordance to Section G of this agreement over the hourly contract rates of pay. Employees assigned to work the third shift (11:00 pm – 7:00 am) shall be paid a shift differential in accordance to Section G of this agreement over the regular rate of pay. Employees shall be paid shift differential on second or third shift if the majority of hours are worked during the designated shift.

Nurses shall be eligible to apply for training as charge nurse. If a nurse is not accepted into training, the nurse will receive an explanation.

Management will not generally assign charge duty to a per diem nurse. Nurses regularly assigned to a specific unit and who are qualified to act in charge will be placed in charge before a per diem nurse.

It is within the role of the Charge nurse to determine the need for additional staff based on a thorough assessment of patient needs, unit activity, and available resources and to make the appropriate recommendation to the staffing office/manager.

- C. Certification. Nurses certified in a specialty area by a national organization and working in that area of certification shall be paid a premium provided the particular certification has been approved by the Associate Administrator for Patient Care, or designee, and further provided that the nurse continues to meet all educational and other requirements to keep the certification current and in good standing. A certified nurse is eligible for only one certification premium regardless of other certifications the nurse may have. Certified nurses will notify their respective Director/Manager in writing at the time certification is received, providing a copy of the original certification document. Certification pay will be effective the first full pay period after the date documentation is received by the Director/Manager.
- D. Standby Premium. Off-duty standby assignments shall be determined in advance by supervision. Volunteers will be used for standby assignment when practicable. Standby premiums for employees placed on standby off the hospital premises are in Section G of this agreement.
- E. Preceptor. A per diem Registered Nurse 2 may serve as a preceptor after successfully completing a preceptor workshop or equivalent documented training and agreeing to and being appointed to be specifically responsible for planning, organizing, and evaluating the new skill development of one or more RNs as appropriate enrolled in a defined orientation program, the parameters of which have been set forth in writing by the Employer. A per diem RN 2 substituting for the original preceptor during a period of absence and who has been designated to carry out the preceptor's complete responsibility (including following and/or adjusting the plan to meet learning needs and providing oral and written evaluation input) will receive preceptor pay.

A preceptor may be assigned to a student when it is determined by the Employer that the employee has completed the required preceptor training or has agreed to and been appointed a preceptor. The employee is specifically responsible for planning, organizing, and evaluating the new skill development of the student as appropriately enrolled in a defined program, the parameters of which have been set forth in writing by the Employer. This includes teaching, clinical supervision, role modeling, feedback, evaluation (verbal and written) and follow up of the student.

- F. Training. Per diem Registered Nurses are required to schedule and participate in annual skills validation and selected other education as pertinent to the classification and clinical area. Required class time will be compensated at the appropriate rate of pay. ### **ARTICLE 38 – SENIORITY, LAYOFF, REHIRE**

- 38.1 Seniority Defined. For all purposes except layoff, seniority is defined as the total continuous length of most recent unbroken state service, including adjustment for military service.

For the purpose of layoff for all bargaining units except Airlift Northwest at Harborview Medical Center, seniority is defined as the total continuous length of most recent unbroken service at Harborview Medical Center, including adjustment for military service. For purposes of layoff within Airlift Northwest seniority shall be defined as the total continuous length of unbroken service as an employee with Airlift Northwest, including adjustment for military service. Ties in seniority within Airlift Northwest will be broken using the following tiebreakers in order:

- continuous employment with Airlift Northwest
- total employment with Airlift Northwest
- total state service
- FTE
- Years of nursing as determined by the NCLEX exam or foreign country equivalent.

Time spent on leave of absence without pay or on the rehire list shall not be included in computing seniority (layoff or non-layoff seniority) but does not constitute a break in service.

Bargaining unit employees taking non-bargaining unit permanent positions at HMC or hourly/per diem positions at HMC will have their layoff seniority bridged but will not earn seniority while in the non-bargaining unit permanent position or hourly/per diem position nor will they be able to exercise their seniority prior to return to a permanent bargaining unit position.

Service of less than full-time shall be considered full-time. Seniority shall only be earned by permanent employees.

- 38.2 Military Service Credit. Permanent HMC employees who are veterans or their unmarried widows/widowers shall have added to their unbroken service the veteran's active military service to a maximum of five (5) years in accordance with applicable state and federal law.
- 38.3 Termination of Seniority. Seniority (layoff and non-layoff) shall terminate upon cessation of the employment relationship. Solely for the purpose of example, the following are set forth as events which evidence cessation of the employment relationship: discharge, resignation, retirement, removal from the rehire list in accordance with this Article, and failure to return from a leave of absence.
- 38.4 Essential Skills. Essential skills are the minimum qualifications listed in the job description for the classification and any specific position requirements, credentials, certifications or licenses.
- 38.5 Layoff. A layoff is defined as a permanent or prolonged reduction in the number of employees in a given bargaining unit resulting from a lack of funds, curtailment of work, and/or good faith reorganization for efficiency purposes.
- Prior to implementing a layoff, the Employer, within the context of its determination of the staffing needs of the layoff unit, will minimize overtime in the layoff unit impacted, the use of agency or traveler nurses in the layoff unit impacted, reliance on per diem and hourly staff in the layoff unit. The Employer will also seek volunteers in the layoff unit impacted who are willing to be reassigned or to be laid off in lieu of the employee(s) whose position is identified to be eliminated. Individuals who volunteer to be laid off will not have a displacement option but will retain the right to be placed on the rehire list.
- 38.6 Layoff Unit. The layoff unit shall consist first of the employee's unit and shift, then the clinical group for the purpose of determining layoff options.
- 38.7 Layoff Notice. Employees identified for layoff and the SEIU 1199NW union office shall receive not less than thirty (30) calendar days' notice prior to the abolishment of the positions. The notice shall include the effective date of the layoff and a reference to the employee's rights under this Article. The notice to the union shall also include the most recent classified hire date seniority list. Upon request, the Union and the Employer will meet to discuss possible alternatives to the layoff.
- 38.8 Layoff and Displacement Options. The Employer shall identify the position to be eliminated and employee(s) to be affected. Layoff shall be by seniority within the layoff unit, least senior employee first as long as the remaining employees possess the essential skills to perform the necessary work.

Employees subject to layoff shall be offered one of the following employment options in descending order, provided he or she meets the essential skills of the offered position:

- (a) a funded vacant posted position within the layoff/seniority unit. An employee who accepts a funded vacant position will have the option to resign within six (6) weeks after accepting the position and be placed on the rehire list. This

employment option will count as one (1) of the two (2) offers of placement under Article 22.12 (2).

- (b) the opportunity to replace the least senior employee in the affected job class within the unit or department or base and in an FTE status within .2 FTE;
- (c) the opportunity to replace the least senior employee in their clinical group (see Appendix XI);
- (d) the opportunity to replace the least senior employee within the same department who is in a lower classification in the same series as the employee affected by the layoff and within .2 FTE.

Employees may request to be laid off and have the right to be placed on the rehire list(s) instead of accepting an employment option above.

An employee laid off due to the exercise of another employee's displacement option shall not have any displacement option. Such an employee shall be offered any vacant position available on the employee's unit or in the employee's clinical group and shall also have the right to be placed on the rehire list(s) per Article 38.1.

38.9 FTE Reduction. An employee in a position that is not abolished but is reduced by more than .2FTE and who will remain benefit eligible after the reduction will have the choice of staying in the reduced position and going on the rehire list for the position and FTE status held by the employee immediately prior to the reduction or exercising available layoff rights under (a) above. The employee must exercise this choice within three (3) working days of the reduction notice.

38.10 Rehire. Laid off employees will be placed on an eligible rehire list(s) designated by the employee for twenty-four (24) months. Employees will be automatically placed on the rehire list for the classification and FTE status from which they were laid off. In addition, based on employee request, employees identified for layoff may be on the following rehire lists:

- (1) Positions of a lower FTE status in the classification from which the employee was laid off;
- (2) Lower classifications in the series from which the employee was laid off.

The University will refer an employee from the designated rehire list(s) for any open positions in the layoff unit within .2 FTE of the position from which the employee was laid off for which the laid off employee possesses the essential skills. Employees referred from the rehire list(s) who possess the essential skills needed for a vacant position in the layoff unit will be offered the position prior to the University offering it to any other applicant. The University will refer employees from the rehire list(s) in order of seniority, most senior employee on the list first.

The University will create and maintain an Airlift Northwest rehire list and any nurse laid off from Airlift Northwest will be placed on that list. Nurses will indicate base preference for rehire. For purposes of placement of a laid off Airlift Northwest nurse on the Airlift Northwest rehire list, seniority will be as defined in 38.1. Nurses laid off from Airlift Northwest may, at their option, choose to be placed on the Harborview Medical Center Registered Nurse rehire list. For purposes of placement of a laid off Airlift Northwest nurse on the Harborview Medical Center Registered Nurse rehire list, Airlift Northwest nurses will be considered the most junior.

- 38.11 Rehire Trial Period. Employees placed into vacant positions from the rehire list will serve a two (2) month rehire trial period. During the rehire trial period either party may, at its sole discretion and without resort to the grievance procedure, initiate return to the rehire list. Time spent in a rehire trial period will not count toward the twenty-four (24) month rehire list period. The two (2) month rehire trial period will be adjusted to reflect any paid or unpaid leave taken during the period.
- 38.12 Removal from List. Removal from the rehire list(s) will occur for any of the following circumstances:

Upon successful completion of the probationary period, all nurses shall be eligible to apply for training as charge nurse. If a nurse is not accepted into training, the nurse will receive an explanation.

Management will make a good faith effort not to assign charge duty to a float nurse. Nurses regularly assigned to a specific unit and who are qualified to act in charge will be placed in charge before a nurse floated to that unit is placed in charge. On all units, the charge nurse will use her/his professional judgment when it is necessary to take patients, based on patient needs and nurse competency. Nurses floating to a unit shall then be assigned charge only by mutual consent.

It is within the role of the Charge nurse to determine the need for additional staff based on a thorough assessment of patient needs, unit activity, and available resources and to make the appropriate recommendation to the staffing office/manager.

A preceptor may be assigned to a student when it is determined by the Employer that the employee has completed the required preceptor training or has agreed to and been appointed a preceptor. The employee is specifically responsible for planning, organizing, and evaluating the new skill development of the student as appropriately enrolled in a defined program, the parameters of which have been set forth in writing by the Employer. This includes teaching, clinical supervision, role modeling, feedback, evaluation (verbal and written) and follow up of the student.

The ALNW Safety Committee may recommend the issuance of additional equipment/clothing for all ALNW nurses, or for a specifically unique station or region.

47.9 Mileage

When a nurse agrees to report to work at a station other than their official duty station all mileage to and from the reporting duty station will be paid at the official University rate. This includes any travel required for clinical or education not provided at one's official duty station. The employee's domicile will be the official duty station when travel commences from that location if the travel distance is less than from the official duty station.

47.10 ALNW Safety Committee

The Airlift Northwest Safety Committee will strive to create the safest work environment possible. The Airlift Northwest Safety Committee will review and make recommendations regarding all aspects of safety that may impact employees and patients including, but not limited to, safety-related policies and equipment. The Airlift Northwest Safety Committee may also oversee the impact of any modifications to safety-related policies and/or equipment. The Safety Committee shall include a time frame for response from Airlift Northwest management when issuing recommendations regarding safety-related policies or equipment. Normally, responses will be made at a future Safety Committee meeting.

- A. Committee Make-Up: The Airlift Northwest Safety Committee will have two (2) co-chairs. The union may appoint up to three members to the Airlift Northwest Safety Committee, one of whom will act as co-chair. The Safety Committee will appoint the other co-chair, who may be one of the other union appointed members. If the members of the Safety Committee determine that its membership is not adequately diverse to address all potential safety issues appropriately, it may authorize the appointment of an additional member from the bargaining unit. The union will make a good faith effort to appoint members with diverse skill and geographic knowledge.

The Airlift Northwest Administrator most responsible for safety matters and at least one (1) AAOC will attend Airlift Northwest Safety Committee meetings.

- B. Committee paid time: Safety Committee meetings are open to all employees. For nurses appointed to the Airlift Northwest Safety Committee attendance at committee meetings and performing work assigned to them by the committee (e.g. policy review; equipment review) will be considered work time and paid appropriately. Employees who attend Safety Committee meetings who are not members of the committee will be considered in pay status only if the meeting overlaps with their regular schedule and if attendance does not impede their ability to perform their normal duties.
- C. EE Education/Awareness: At the time of the new employee orientation all new employees will be given information regarding the Safety Committees, including but not limited to, the committee's mission, meeting time and location, members and location of agendas and minutes.
- D. Accountability: The employer will make a good faith effort to accommodate off-site employees by video or tele-conferencing.

Any employee may submit safety suggestions to the Safety Committee for review and recommendation. Submissions may also be brought directly to the committee by committee members. A Safety Concern Form shall be created by the Committee for use by all employees. The Safety Committee will maintain an on-going tracking and charting system for all safety concerns which shall include a summary of each safety concern brought to the committee, any action plan developed to address the concern and any resolution, if any, that is reached.

The date, time, location and agenda of each Safety Committee meeting will be posted to all employees at least two weeks ahead of each meeting.

- E. Communication: All Safety Committee minutes will be posted electronically and stored on an internal drive that employees can access.

The Safety Committee is charged with maintaining an on-going tracking and charting system for all safety concerns. This chart will include, but is not limited to:

- 1) An outline of each concern brought to the Safety Committee or being addressed by the Safety Committee.
- 2) The action plan to address the concern or issue.
- 3) The evidence of resolution as it is reached

47.11 Aircraft out of Service

Employer, at its discretion, may assign the nurse to work at another Airlift Northwest facility or assign other work as determined.

If the nurse has already reported to work and the Employer assigns the nurse to work at another Airlift Northwest facility, travel time will be considered duty time.

ALNW will make a best faith effort to allow staff enough drive time to be included such that they could be back at their original Base by their scheduled time off (currently no guarantee under any shift) and will pay the appropriate rate of pay (over-time or double-time) if on flight-related duty. ALNW will pay one (1) hour of drive time from Boeing Field for Arlington and Bremerton, one and a half (1 ½) hours for Olympia, two (2) hours for Bellingham, and up to two and a half (2 1/2) hours for Yakima, all at straight time, if the employee does not get off at their originally scheduled shift's end from Boeing Field.

If there is no other work to do, the nurse may choose to use leave without pay or annual leave, if available, to cover the nurse's scheduled work time.

47.12 Stuck Out of Town

When employees are stuck out of town they will receive either four (4) or eight (8) hours of pay for each day they are stuck out of town. If the employee returns in four (4) or fewer hours of their duty off time they receive four (4) hours of pay at the overtime rate of pay. If the employee returns after more than four (4) hours of their duty off time they will receive eight (8) hours of pay at the overtime rate of pay. This includes time to complete all aspects of the mission including but not limited to charting.

47.13 Official Duty Station

ALNW has seven (7) current designated bases (Arlington, Bellingham, Juneau, Olympia, Seattle, Bremerton, and Yakima). Employees will be scheduled into the base at which they are hired. ALNW will continue to evaluate community needs and may open or change bases depending on community needs and will bring any changes in working conditions and base changes to JLM for discussion.

The following conditions will apply to nurses scheduled at bases other than Boeing Field International (BFI).

1. The Joint Labor Management Committee may review how the schedule is working.
2. Training more than one hundred (100) miles from base will be allowed lodging and food per diem, unless trainings are on consecutive days, in which case nurses more than eighty (80) miles will receive lodging and food per diem. Juneau nurses will in addition receive airfare and car rental.

47.14 Juneau Base Staffing

Management will work toward maximizing the number of 24-hour shifts at the Juneau Base.

Shift start times will be set based on the needs of the community and timing of highest flight volume. If management must change a start time, affected RNs will be notified of the change at least four weeks prior to its implementation.

47.15 Nurse Replacement

Nurses who work an extra shift to replace nurses who do not report to work (primarily coverage for sick leave replacement) will be paid time and one half (1 ½ X) for all hours worked based on the length of the shift of the nurse being replaced. For example, if a nurse replaces a nurse scheduled for twelve (12) hours, the nurse will receive twelve (12) hours at time and one half (1 ½ X); if a nurse replaces a nurse scheduled for twenty-four (24) hours, the nurse will receive twenty-four (24) hours at time and one half (1 ½ X). For hours worked beyond the twelve (12) or twenty-four (24) hours the nurse will receive double time (2X).

47.16 Hours of Work and Overtime

A. Work Day

The length of the workday varies depending on the base and/or aircraft. The Employer and the Union will make a good faith to discuss changes to the scheduled length of a workday at a given base and/or aircraft at a JLM.

Except in emergent medical situations, the employer will make a good faith effort to end duty shifts on time in an effort to minimize mandatory overtime.

B. Work Period

A standard work period for full-time classified employees shall consist of two hundred and forty (240) hours of work within a six (6) week period.

A standard work period for part-time classified employees shall consist of a minimum of one hundred and forty-four (144) hours but less than two hundred and forty (240) hours of work within a six (6) week period.

C. Overtime

Both the Employer and the Union concur that overtime shall be minimized. Overtime at time and one half (1 ½) shall be paid for hours worked beyond an employee's regularly scheduled shift in one day, or for hours worked beyond the full-time work schedule in accordance with the definition of the work period for a full-time classified employee in Article 7.1. Overtime at the rate of double time (2x) will be paid for continuous hours worked beyond twelve (12) for a twelve (12) hour scheduled shift and for continuous hours worked beyond twenty four (24) hours when the flight nurse is in flight status. This includes time to complete all aspects of the mission including but not limited to charting. Sick leave paid for will not count toward the calculation of prescheduled overtime during any 40 hour work week.

The straight time hourly rate of pay used for the calculation of overtime shall include all differentials and premiums that are considered part of the employee's regular rate of pay.

Under the KRONOS system, overtime will be triggered and compensated to the nearest minute beyond a seven (7) minute grace period before/after a scheduled shift.

As an option to wage payment above, an employee may request to accrue compensatory time on the basis of one and one-half the amount of overtime worked, or double time for registered nurses as appropriate. The Employer will allow the accrual of up to forty (40) hours of compensatory time calculated on a rolling basis. The Employer will consider special circumstances when deciding whether or not to grant the accrual of compensatory time in excess of forty (40) hours (e.g. advanced knowledge that an employee will be taking a long-term leave in the near future and the accrued time would be used to cover for all or part of that leave). This is not intended to upset any formal department policies regarding the accrual and use of compensatory time that exceed this unless there is agreement to do so. Accrued compensatory time will be scheduled off in a manner similar to the scheduling of vacation days requested off.

Sick call coverage at designated bases will be offered based upon desired crew skill mix, to the official duty station nurses first then if they remain uncovered will be offered to other duty station nurses for coverage.

D. Work Schedule

The Employer shall plan and post the work schedule. The work schedule will be posted at least two weeks prior to the beginning of the schedule. Schedule requests should be submitted at least four weeks before the schedule is posted. Prior to the schedule being posted, factors such as staff requests, unexpected leaves of absence or terminations may affect the approval of schedule requests. After the schedule is posted an individual employee's schedule may be changed only by mutual agreement between the supervisor and employee concerned.

Should the Employer propose changing either the length of the schedule or work day, the Employer will comply with the requirements of, "Change in Working Conditions," contained in this Article.

E. Weekends

Weekend scheduling will be done in accordance with current practice. Weekend premium will be based on a majority of hours worked over the weekend period (e.g. – a

nurse who works a twenty-four (24) hour shift beginning at 7:00am on Friday will receive no weekend premium. A nurse who works a twenty-four (24) hour shift beginning at 7:00am on Saturday or Sunday morning will receive weekend premium for twenty-four (24) hours).

F. Work in Advance of Shift

When an employee at the request of the Employer reports for work in advance of the assigned shift and continues working through the entire scheduled shift all hours worked prior to the scheduled shift shall be paid at the appropriate overtime rate.

47.17 Change in Working Conditions

The Employer will give the Union notice and opportunity to bargain the impact of any change in working conditions including, but limited to, crew skill mix, team configuration, or mode of transportation. The Employer will make a good faith effort to discuss potential changes in working conditions at a JLM prior to notifying the Union.

47.18 Daily Per Diem

The University's travel rules, regulations and procedures are based on state travel law, as provided in Chapter 43.03 RCW. These set travel reimbursement amounts will be paid when an employee is away from their official duty station.

47.19 Sick Leave Usage for Travel

Nurses may use sick leave to account for travel time for medical appointments/procedures that require the nurse to leave the nurse's home area. To use sick leave the travel time must overlap with the nurse's regularly scheduled work. Nurses will make a good faith effort not to schedule medical appointments/procedures after the work schedule has been posted.

47.20 Union Delegates. Union delegates are Airlift Northwest employees who are members of the bargaining units. The Employer recognizes the right of the Union to designate one union delegate from each Base. An additional delegate for the Seattle Base.

A Union delegate who is a bargaining unit employee and is processing a grievance in accordance with the Grievance Procedure shall be permitted reasonable time to assist in the resolution of recognized employee grievances on the Employer's property without loss of pay or recorded work time. Time off for processing grievances which have been filed shall be granted to a Union delegate by supervision following a request but in consideration of any job responsibilities. If permission for time off cannot be immediately granted, the supervisor will arrange for time off at the earliest possible time thereafter or the Employer and Union representative may provide for a Union delegate outside the area of jurisdiction to assist in the Grievance Process.

The Union shall prevail upon all employees in the bargaining units and especially Union delegates to make a diligent and serious attempt to resolve complaints at the lowest possible level. The Employer, likewise, shall prevail upon its supervisory personnel to cooperate fully with the Union delegates and other Union representatives in the speedy resolution of any grievances that may arise.

Delegates will normally process grievances only in their own base.

The Union shall annually submit an up-to-date list to the Office of Labor Relations indicating the names of all Union delegates, their work locations and jurisdiction. The Office of Labor Relations shall be notified of changes as they occur. Union delegates shall not be recognized until the Office of Labor Relations is informed of their appointment.

- 47.21 Delegate Training. During each year of this Agreement, the Union may use up to eight (8) hours each for two (2) Airlift Northwest RNs of paid release time to participate in delegate training sponsored by the Union.

The Union shall submit to the Office of Labor Relations and affected departments at least four (4) weeks in advance, the names of those delegates who will be eligible for each training course.

Time off for these purposes shall be approved in advance by the employee's supervisor and will be contingent upon the supervisor's ability to provide proper work coverage during the requested time off.

- 47.22 Bereavement Leave.

For Airlift Northwest members, paid leave in addition to any other form of paid leave shall be granted for bereavement as follows: two (2) shifts totaling up to forty-eight (48) hours within a seven day period starting from first day of bereavement shall be granted for each death of a family member.

- 47.23 Joint Labor/Management Committees: Purpose and Membership. Joint Labor/Management Committees are established to provide a forum for communications and problem-solving between the two parties and to deal with matters of a general personnel Union/Employer concern, as well as professional practices within the hospital related to patient care and professional issues. The Committees will work toward the improvement of patient care and recommend ways and means to improve patient care; and will address problems and concerns related to staffing and workloads. The Committees' function will be limited to an advisory capacity and shall not include any decision making or collective bargaining authority.

- 47.24 Meetings. Committee meetings may be requested by an authorized representative of either party. The Committee may meet more or less frequently as mutually agreed upon between the parties but the Committee shall schedule on a predetermined basis a meeting every other month and otherwise as needed. A Committee meeting shall normally be held during the day shift and at a mutually agreeable time and date. Employee members shall experience no loss in salary for meeting participation. Committee members shall be given release time for attendance at committee meetings held during working hours.

Agenda items must be provided at least seven (7) business days in advance of the meeting. If agenda items are not provided at least seven (7) business days in advance of the meeting the meeting may be canceled by either party.

Committee Work. All time spent by employees on Employer established committees and committees mentioned in this contract (including side letters) shall be considered paid release time (provided the employee is scheduled to work during the time of the committee meeting) and shall be paid at the regular rate of pay.

- 47.25 Job Posting & Transfer ALNW Bargaining Unit. Nurses will be made aware of open bargaining unit positions prior to making those positions known to external candidates. Nurses will be made aware of the location of the base, as well as the FTE needed for that base. Seniority (first by Base and then by Department) shall be the determining factor on a transfer to a different shift or section providing skill, competence, ability, experience are considered equivalent. Such a transfer may be delayed until the vacancy created by the transfer is replenished, if a nurse's vacancy of their position will unduly impact the operations of the base they are leaving. All ALNW nurse job openings will be emailed internally two weeks prior to being posted externally. If the internal transfer is requested by a nurse prior to completion of their commitment, initial moving cost incentive will be paid back at a prorated amount based on the amount of the commitment that was completed as long as the nurse has completed at least eighteen (18) months of the commitment. ALNW will make every best faith effort to make the internal transfer within six months, but such internal transfer may take up to nine months to occur.
- 47.26 Service Commitment. Newly hired nurses and currently employed nurses who voluntarily choose to relocate and receive a relocation allowance may be required to serve for a minimum of two years at their base before they will be considered for transfer to another base. This commitment will not apply when the employer and nurse mutually agree to waive it and when relocation occurs as a result of layoff/rehire.
- 47.27 Airlift Northwest Preceptor. Airlift Northwest will pay preceptor pay to assigned nurses who have completed the preceptor work shop and agree to work with assigned new employees, RNs, R3 Residents, and/or ALNW fellows, which will include monitoring and evaluating their training. ### **APPENDIX IX – HCS NEW HIRE WAGES**

All employment application resumes are reviewed for consideration of all applicable educational background and work experience.

Equal or similar education and work experience criteria will apply for both PA and NP positions to determine wage steps.

A new grad PA or NP without related health care experience would normally be set at step A.

A PA or NP with PA or NP work experience would be given one-one credit: years experience equal wage step.

Additional related health care experience (as described below) may be given credit. The resume is reviewed to determine the amount of credit, if any, that will be included when making the employment offer.

Having a Masters or Doctorate degree which enhances function as a provider at the academic medical center would allow for one extra step for a Masters and two steps for a Doctorate on the salary range.

Step setting for ARNP/PA with background in nursing: The candidate's experience would be evaluated at the appropriate RN step and then placed on the step that most closely aligns to the HCS range without a reduction. From there, ARNP/PA experience would be calculated.

**Related health care experience.** Work experience that is calculated when making an offer is assessed from an individual's resume. Below are several types of work experience that will be granted consideration when making an offer to a prospective HMC employee.

- Military (medic, corpsman, pararescuemen, etc.) All positions typically would receive one step for every two years of experience.

- Emergency medicine (EMT, paramedic, emergency department technician, etc.) One step for every two years experience for paramedics. Emergency Medical Technician (EMT) experience, depending on scope of work as outlined in the resume may be given credit typically up to one step for every four years of experience.
- Nursing (registered nurse, license practical nurse, certified nursing assistant, etc.) LPN experience is credited at two years to one year on the RN scale and is added to the calculation of RN experience. Once placed on the RN scale, their experience is aligned to the steps on the HCS scale and all relevant HCS experience is then added on the HCS scale.
- Certified Medical Assistant – Under very limited circumstances, the MA may receive credit for time worked, partial credit may be granted at a ratio of four years of experience for one step.
- Community health aid/practitioner (CHA/CHP): A certified CHA would be granted credit at a rate less than one year for every 2 years of experience.
- Mental health practitioner: experience may be granted at a rate of less than one year for every two years worked as an MHP.
- International medical graduates: Credit at a rate greater than one step for every two years, depending on the experience and location of the candidate's work in the practicing country.
- Laboratory/medical technician: under certain circumstances could receive partial credit for time worked, depending on the credential and work history.
- Radiology technologist, Respiratory therapist, CT, Nuclear Med, or Ultrasound:
- Clinical research: depending on the candidate's role in clinical research, credit may or may not be given.
- Chiropractor: research into the position and provider's education would occur prior to setting a salary.

Nursing Recruitment's goal when setting a new hire's salary is to fairly compensate the candidate for applicable past experience while also balancing the equity of all the healthcare specialists already employed. If there are any questions on a resume regarding experience, the nurse recruiter follows up with the candidate. It is the candidate's responsibility to ensure their submitted resume is complete and comprehensive; if experience is omitted, it cannot be counted.

Ms. Diane Sosne, President  
District 1199NW, SEIU  
15. S. Grady Way, Suite 200  
Renton, WA 98055

Dear Ms Sosne:

In addition to the terms and conditions of the contract, the parties confirmed that parking and release time for the next round of negotiations would be handled accordingly during the life of the contract.

**PARKING/U-PASS**

The union agrees that during the life of this agreement the University may apply changes in transportation policy, including adjusting parking and U-Pass fees and criteria for assigning parking spots, to the bargaining unit without the obligation to bargain with the union. The union will continue to be able to appoint a member to Harborview Medical Center's Parking Committee in accordance with Article XX.

**NON-NURSING WORK**

This is to affirm that it is the intent of Harborview Medical Center to minimize the use of Registered Nurses to do non-nursing work.

**LACTATION STATION**

A fully functional lactation station will be available for employees in both the Main hospital building and the Maleng building.

Sincerely,

Darcy Jaffe, Chief Nursing Officer

Ms. Diane Sosne, President  
District 1199NW, SEIU  
15. S. Grady Way, Suite 200  
Renton, WA 98055

Dear Ms Sosne:

**Meal Breaks, Rest Breaks, and Missed Break Reporting:**

The University and the union agree that employees should be able to take uninterrupted meal and rest breaks. It is recognized that there is a mutual and shared commitment to uninterrupted breaks. The employer is responsible for creating a work environment and processes under which employees are able and encouraged to take uninterrupted breaks. Employees are responsible for taking such breaks. Employees shall make a good faith effort to notify their supervisor/designee if the employee anticipates not being able to take a meal or rest break. The supervisor/designee will make a good faith effort to provide the employee with the break.

Employees shall be allowed a paid uninterrupted rest period of fifteen (15) minutes for each four hours of working time. Rest periods may be taken at any point during each four-hour work period.

Employees who have been instructed and/or required to carry a pager or answer a phone during their meal period will be compensated at the appropriate rate of pay.

**Tracking Meal and Rest Breaks**

Employees are required to report missed breaks. Either party may place the issue on the Joint Labor Management Committee agenda.

**Non-retaliation**

The employer will not engage in any kind of employee intimidation or retaliation against employees who report missed breaks.

Sincerely,

Darcy Jaffe, Chief Nursing Officer
